Independent Auditor's Report

To the Plan Administrator of
Southern Eagle Sales & Service, L.P.
Retirement and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements
We have performed an audit of the financial statements of Southern Eagle Sales & Service, L.P. Retirement and 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

An Independently Owned Member, RSM US Alliance
RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each is separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

Basis for Opinion on the 2021 Financial Statements
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger
As discussed in Note 9 to the financial statements, the governing body of Southern Eagle Sales & Service, L.P., the Plan Sponsor, voted to merge the Southern Eagle Sales & Service, L.P. 401(k) Plan for Collective Bargaining Employees into the Plan effective November 2, 2021. All plan assets were transferred to the control of the Plan on November 2, 2021. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Description of the Plan

The following description of the Southern Eagle Sales & Service, L.P. (the Company) Retirement and 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Company. Prior to November 2, 2021, non-union employees of the Company were eligible to participate in the Plan after one year of service, provided they worked at least 1,000 hours during such plan year, and attained the age of at least twenty-one years. Effective November 2, 2021, the Southern Eagle Sales & Service, L.P. 401(k) Plan for Collective Bargaining Employees was merged into the Plan, resulting in the eligibility to participate in the Plan being extended to union employees who met this same eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 25% of pretax annual compensation, as defined in the Plan. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may contribute a discretionary matching contribution and/or a discretionary profit sharing contribution to the Plan in amounts to be determined annually by the Company. For the year ended December 31, 2021, the Company elected to make a matching contribution equal to 100% of the employee deferral, up to 3% of gross compensation. There was no profit sharing contribution made for the year ended December 31, 2021. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, company discretionary matching and/or profit sharing contributions, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Note 1. Description of the Plan (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at a reasonable rate similar to the rate charged for a loan made under similar circumstances by persons in the business of lending money. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Hardship withdrawals of the participant's deferral contributions are permitted.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled $8,551 and $14,048, respectively. These accounts will be used to reduce future employer contributions or pay plan expenses. During 2021, no forfeitures were used to reduce employer contributions or pay plan expenses.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2. Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Note 3. Information Certified by Qualified Institutions

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Great-West Life & Annuity Insurance Company on behalf of Talcott Resolution Life Insurance Company, the former custodian of the Plan, and John Hancock Life Insurance Company (U.S.A.), the current custodian of the Plan. The Plan Administrator has obtained certifications from the custodians that information provided to the Plan Administrator by the custodians related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

	2021	2020
Investments, at Fair Value		
Pooled Separate Accounts	**$ 16,634,048**	$ 15,069,205
Insurance Company General Account - Non-Fully Benefit-Responsive Investment Contract	**1,269,204**	-
Total Investments, at Fair Value	**$ 17,903,252**	$ 15,069,205
Notes Receivable from Participants	**$ 232,540**	$ 222,237
Cash - Interest Bearing	**$ 8,551**	$ -

Note 3. Information Certified by Qualified Institutions (Continued)

The custodians also certified to the completeness and accuracy of $1,632,801 of net appreciation in fair value of investments, $274,885 of interest and dividends related to the aforementioned assets, and $10,969 of interest income on notes receivable from participants for the year ended December 31, 2021.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Note 4. Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: Valued at the market value of the underlying investments as adjusted for the Plan's units of participation in the pooled accounts. Units are established for each investment division (sub-account) of the pooled separate accounts. The value of these units is determined at the close of the stock exchange each day. The values increase or decrease based on the investment performance of the corresponding underlying portfolios.

Insurance Company General Account - Non-Fully Benefit-Responsive: These funds are not actively traded, and significant other observable inputs are not available. As a result, the fair value amount as reported is equal to the contract value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021	**Level 1**	**Level 2**	**Level 3**	**Total**
Insurance Company General Account - Non-Fully Benefit-Responsive Investment Contract	**$ -**	**$ -**	**$ 1,269,204**	**$ 1,269,204**
Total Assets in the Fair Value Hierarchy	**$ -**	**$ -**	**$ 1,269,204**	**1,269,204**
Investments Measured at Net Asset Value [(a)]				**16,634,048**
Investments, at Fair Value				**$ 17,903,252**

December 31, 2020	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy	$ -	$ -	$ -	$ -
Investments Measured at Net Asset Value[(a)]				15,069,205
Investments, at Fair Value				$ 15,069,205

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4. Fair Value Measurements (Continued)

Transfers Between Level 3 Assets

The Company evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, transfers into Level 3 totaled $1,263,936. For the year ended December 31, 2021, there were no significant transfers out of Level 3 assets. For the year ended December 31, 2020, there were no significant transfers into or out of Level 3 assets.

Purchases and Issuances of Level 3 Assets

The following table sets forth a summary of purchases and issuances of the Plan's Level 3 assets for the years ended December 31, 2021 and 2020:

	2021	2020
Purchases	**$ 3,368**	$ -
Issuances	**$ -**	$ -

(a) This category attempts to maximize returns by taking a relatively higher degree of risk. It emphasizes capital appreciation as a primary investment objective, rather than income or safety of principal.

(b) This category focuses on the growth of an investor's capital. Typically, they invest in growth stocks or companies whose earnings are expected to grow at an above-average rate compared to its industry or the overall market.

(c) This category focuses on capital appreciation and current income generated through dividends or interest payments. Category contains a mix of mutual funds or exchange-traded funds.

(d) This category emphasizes current income, either on a monthly or quarterly basis, as opposed to capital appreciation.

(e) This category automatically resets the asset mix of stocks, bonds, and cash equivalents in its portfolio according to a selected time frame that is appropriate for a particular investor.

(f) This category features an asset mix determined by the level of risk and return that is appropriate for an individual investor. Factors that determine this mix include an investor's age, level of risk aversion, the investment's purpose, and the length of time until the principal will be withdrawn.

Note 4. Fair Value Measurements (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient (Continued)

(g) Asset Allocation/Balanced investment options provide investors with a portfolio of a fixed or variable mix of the three main asset classes - stocks, bonds, and cash equivalents - in a variety of securities. Some asset allocation funds maintain a specific proportion of asset classes over time, while others vary the proportional composition in response to changes in the economy and investment markets.

(h) Bond investment options generally try to maximize current income while maintaining stability of principal. Strategies often invest in securities that pay a fixed rate of return or fixed dividend. This usually refers to securities such as bonds, money market instruments, or preferred stock issued by U.S. governments, state and local governments, publicly held companies, banks, and savings and loans.

(i) International/Global investment options emphasize investments in stocks of multinational or global companies. The focus includes opportunities based on assets located outside the United States, including emerging markets.

(j) Large Cap investment options seek to invest in shares of companies with a market capitalization value of more than $10 billion.

(k) Mid Cap investment options seek to invest in shares of companies with a market capitalization between $2 billion and $10 billion.

(l) The Money Market fund seeks to invest in short-term debt securities.

(m) Small Cap investment options seek to invest in shares of companies with a relatively small market capitalization. Generally, these consist of companies with market capitalization between $300 million and $2 billion.

(n) Specialty investment options include real estate, healthcare, and special bond funds.

Note 5. Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are units of pooled separate accounts or contracts sponsored by Great-West Life & Annuity Insurance Company on behalf of Talcott Resolution Life Insurance Company, the former custodian, or John Hancock Life Insurance Company (U.S.A.), the current custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to $1,121 for the year ended December 31, 2021.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination or partial plan termination, participants would become 100% vested in their employer contributions.

Note 7. Tax Status

Effective November 2, 2021, the Plan adopted a non-standardized form of a prototype plan sponsored by CCH Incorporated d/b/a FT William Company. The prototype plan provider has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near- term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Plan Merger

In November 2021, the governing body of the Company elected to merge the Southern Eagle Sales & Service, L.P. 401(k) Plan for Collective Bargaining Employees with the Plan. As a result, net assets of $848,683 were transferred to the control of the Plan at November 2, 2021. The merger does not impact participant benefits as the benefit provisions were incorporated in the Plan.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Form 5500:

	2021	2020
Net Assets Available for Benefits, per the Financial Statements	**$ 18,158,766**	$ 15,291,442
Less: Deemed Distributions of Participant Loans not Recorded in Plan Assets on the Form 5500	**(3,851)**	(3,851)
Net Assets Available for Benefits, per the Form 5500	**$ 18,154,915**	$ 15,287,591

Note 11. Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, December 1, 2022, and determined that no events occurred that require disclosure. No further subsequent events occurring after this date have been evaluated for inclusion in these financial statements.
