INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about whether Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule - Schedule H, Line 4i - Assets Held for Investment Purposes at End of Year, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A – Plan Description

The following description of the Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a contributory, defined contribution retirement plan available to eligible employees of Goodwill Industries of Southwestern Michigan, Inc. (the Organization). The Plan was originally adopted effective January 1, 2001. The Plan was amended and restated effective January 1, 2009, to comply with the Economic Growth and Tax Reconciliation Act of 2001 and other regulatory changes. The Organization is the Plan administrator. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are eligible to participate in the Plan for the purposes of salary deferrals upon hire and once the employee has reached the age of 18. Employees are eligible for matching contributions and profit-sharing contributions once one year of service has been completed and the employee has reached the age of 21. Employer match starts the first day of the month following the date eligibility requirements are met.

Contributions

Participants may contribute the maximum percentage allowable to the extent such a percentage does not exceed the annual dollar limits established by law. Participants who have obtained the age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Organization may make discretionary matching contributions or discretionary non-elective contributions to the Plan. The Organization contributed discretionary matching contributions equal to 100% per dollar of the first 5% contributed by the employee. The Organization did not make discretionary non-elective contributions during the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's contributions, and an allocation of net Plan earnings. Expenses paid by the Plan are generally allocated among the accounts of all participants of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may direct the investment of their account balances into various investment options offered by the Plan. Participants may change the direction of their investment accounts and the manner in which they are invested on a daily basis.

Vesting

Participants are immediately vested in their elective deferral contributions, the Organization's discretionary contributions, and the participants' rollover contributions as well as any earnings thereon.

For the Years Ended December 31, 2021 and 2020

NOTE A – Plan Description (Continued)

Forfeitures

Participants are 100% vested in their accounts. Therefore, forfeitures are not anticipated under the Plan. There were no forfeitures during the years ended December 31, 2021 and 2020.

Notes Receivable from Participants

Participant loans are not permitted under the Plan.

Payment of Benefits

Upon termination of employment or disability, a participant or a participant's beneficiary (in the event of death), may receive the value of the vested interest in their account. A participant, or a participant's beneficiary in the event of death, may elect a lump-sum distribution or installment payments. Early withdrawals are allowed to the extent of rollover contributions previously made to the plan, upon the attainment of age 59½, or an immediate financial hardship.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Organization and are therefore excluded from these financial statements. Other administrative expenses of the Plan such as investment advisor fees are paid from participants' accounts.

NOTE B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair market value, except for the guaranteed investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Pooled Separate Accounts

Pooled separate accounts are valued at the net asset value of units held by the Plan based on the market price of the underlying mutual fund on the date of the balance sheet. These accounts are held and administered by professionally accredited brokerage firms.

NOTE B – Summary of Significant Accounting Policies (Continued)

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the use of management's estimates. These estimates affect the amounts reported in the financial statements and the disclosures provided. Actual results may differ from management's estimates.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through November 4, 2022, the date on which the financial statements were available to be issued.

NOTE C – Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

Assets as of December 31,	<u>2021</u>	<u>2020</u>
Insurance Company Group Variable Annuity	\$ 634,432	\$ 426,760
Pooled Separate Accounts	1,771,162	1,521,723

NOTE D – Fair Value Measurements and Disclosures

FASB codified accounting standards for Fair Value Measurements and established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts: Unregistered "Sub-Accounts" issued by Mass Mutual Life Insurance Company (MM), invest in shares of an underlying mutual fund. Sub-Account values are measured in terms of "Accumulation Units". In general, Sub-Account values are determined by taking the average of the Net Asset Value (NAV) of the underlying mutual fund from the current and prior days New York Stock Exchange quoted price, minus any daily mortality and expense risk and administration charges.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administration believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E – Investment Contract with Insurance Company

The Plan provides a fully benefit responsive contract with Empower Retirement LLC/Mass Mutual Life Insurance Company. Empower Retirement/Mass Mutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participants withdrawals and any withdrawal fee. The contract meets the fully benefit responsive contract criteria and, therefore, is included in the financial statements at contract value as reported to the Plan by Empower Retirement/Mass Mutual. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals or transfer of all or a portion of their investment at contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on Empower Retirement/Mass Mutual's ability to meet its financial obligations. This account is part of Empower Retirement/Mass Mutual's general obligations and is subject to claims by their creditors. Their ability to meet its contractual obligations may be affected by future economic and regulatory developments. Additionally, the account contains certain withdrawal restrictions that may limit the Plan's ability to transact at contract value.

Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan
Notes to Financial Statements
For the Years Ended December 31, 2021 and 2020

NOTE E – Investment Contract with Insurance Company (Continued)

These restrictions generally relate to significant Plan transactions such as mergers, contract terminations, or withdrawals exceeding significant and defined percentages of the total contract value. The contract guarantees a minimum interest rate. For 2021 and 2020, the rate was 3%.

NOTE F – Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provision of ERISA.

NOTE G – Income Tax Status

The Plan is an individually designed prototype plan. The Internal Revenue Service (IRS) only issues determination letters for pension, profit-sharing and stock bonus plans that are qualified under Section 401(a) or 403(a). Although an employer-funded Section 403(b) plan is subject to many of the same requirements, it is not classified as a qualified plan, and thus a determination letter may not be obtained with respect to a Section 403(b) plan. The Plan document is intended to be compliant with current regulations and will be updated as the regulations change. A Private Letter Ruling from the IRS with respect to the status of this Plan document has not been requested. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE H – Party-in-Interest and Reportable Transactions

During the years ended December 31, 2021 and 2020, there were transactions involving the investment of Plan assets in investment funds maintained by Empower Retirement/Mass Mutual, a party-in-interest as defined in Section 3(14) of ERISA. All party-in-interest transactions are exempt from the prohibited transaction rules of ERISA and all of the Plan's investments are participant-directed. There were no reportable transactions for the years ended December 31, 2021 and 2020.

NOTE I – Investment Risks and Uncertainties

The Plan's participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Fee and Compensation Disclosure Report

This document is intended to assist a plan administrator (“you”) in completing the Form 5500 Schedule C¹ by identifying different types of compensation paid with respect to the product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2021 - 12/31/2021 and indirect compensation is presented on a calendar year basis ending 12/31/2021.

This report includes compensation actually paid to or by MassMutual within the indicated plan year as part of your MassMutual-serviced product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your MassMutual customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than MassMutual). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes with respect to services provided through our product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your MassMutual Service Team should you require additional information regarding the compensation paid to or by MassMutual with respect to your plan.

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan’s service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

¹Please refer to the Schedule C of the Form 5500 and its instructions (available at: <http://www.dol.gov/ebsa/5500main.html>), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Important Note: On December 31, 2020, Empower Retirement acquired the retirement business of Massachusetts Mutual Life Insurance Company ("MassMutual"). Following an initial transition period, Empower Retirement will become the sole administrator of this business. If the Plan utilizes an insurance product and the contract was issued by MassMutual, this material is being provided to you by Great-West Life & Annuity Insurance Company, affiliated with Empower Retirement, with respect to Empower Retirement's role as the administrator of this business, on MassMutual's behalf and pursuant to a Power of Attorney granted to Great-West Life & Annuity Insurance Company by MassMutual. If the Plan utilizes an insurance product and the contract was issued by Talcott Resolution Life Insurance Company ("Talcott", formerly named Hartford Life Insurance Company) and formerly administered by MassMutual, this material is being provided to you by Great-West Life & Annuity Insurance Company, affiliated with Empower Retirement, with respect to Empower Retirement's role as the administrator of this business pursuant to a Power of Attorney granted to Great-West Life & Annuity Insurance Company by Talcott. Empower Retirement refers to the products and services offered by Great-West Life & Annuity Insurance Company ("GWLA") and its subsidiaries, including Empower Retirement, LLC. Neither Great-West Life & Annuity Insurance Company nor Empower Retirement is affiliated with MassMutual, Talcott or their respective affiliates.

Important Note: The information in this document is applicable to the plan prior to transitioning recordkeeping platforms.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2021 - 12/31/2021 and indirect compensation is presented on a calendar year basis ending 12/31/2021.

Total Direct Compensation Paid **\$35.00**

The total amount identified above reflects all fees deducted from plan assets at the plan administrator's direction for the plan year. Service providers which have received portions of these direct fees are listed below, along with the amount of fees they received. Please note that if there is a discrepancy between the total direct fees reported above and the sum of the direct fees reported below, you should contact your other service providers or your plan records to identify the recipient(s) of the fees and any other information relevant to your Schedule C filing.

Recipient: Great-West Life & Annuity Insurance Company ("GWLA") EIN: 84-0467907

Service Codes: 15, 23, 37, 38, 54, 55, 59, 60, 62, 63, 64, 65, 66, 99, 50 (if direct compensation amount reflected below)

Direct Compensation **\$35.00**

The total amount identified above reflects fees deducted from plan assets at the plan administrator's direction for the 2021 plan year for the above named recipient. Please review other service providers, below, to determine whether direct fees were also paid to them. Also, please review your records to determine whether other service providers may have received any compensation not reported below (e.g., a reimbursement paid to any plan fiduciary, your employee benefits counsel, or a plan auditor).

Note: Due to system accounting protocols (including 'cash basis' accounting), amounts reported as Direct Compensation and amounts reported as paid to Massachusetts Mutual Life Insurance Company ("MMLIC") are the net result of aggregating direct compensation after the effects of adjustments processed in 2021, some of which may have pertained to prior years.

Please review the detailed breakdown at the end of the report for further information.

Indirect Compensation

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. In addition, if applicable to the plan, MassMutual agents may qualify for certain forms of non-monetary compensation as a result of the sale of MassMutual contracts. These forms of non-monetary compensation include health, vision, life and disability coverage; matching contributions to 401(k) plans; cash balance and nonqualified pension plan contributions; participation at MassMutual-sponsored conferences based on recognition; and other non-monetary compensation (meals, entertainment, prizes, awards, gifts). If applicable, each plan in the agent's book of business is allocated compensation based on a pro rata basis using the number of plans representing the agent's book of business as of 12/31/2021. Information concerning reportable transactions undertaken between or among non-MassMutual parties may not be available to MassMutual. Please consult with your legal or tax advisors if you have any questions.

Under the variable investment options available through your plan's group annuity contract or funding agreement, contract values are

invested in Massachusetts Mutual Life Insurance Company separate accounts that, in turn, invest in underlying registered investment companies (i.e., mutual funds) and collective investment funds.

The above list includes any investment option held by the plan on at least one month end during the 2021 calendar year. To arrive at an estimate of the dollar amount that MassMutual received from each investment option, multiply the rate of fees received from each investment option by your plan's year-end balance (or if the investment option was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the investment option at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about whether Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule - Schedule H, Line 4i - Assets Held for Investment Purposes at End of Year, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan
Notes to Financial Statements
For the Years Ended December 31, 2021 and 2020

NOTE A – Plan Description

The following description of the Goodwill Industries of Southwestern Michigan, Inc. 403(b) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a contributory, defined contribution retirement plan available to eligible employees of Goodwill Industries of Southwestern Michigan, Inc. (the Organization). The Plan was originally adopted effective January 1, 2001. The Plan was amended and restated effective January 1, 2009, to comply with the Economic Growth and Tax Reconciliation Act of 2001 and other regulatory changes. The Organization is the Plan administrator. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are eligible to participate in the Plan for the purposes of salary deferrals upon hire and once the employee has reached the age of 18. Employees are eligible for matching contributions and profit-sharing contributions once one year of service has been completed and the employee has reached the age of 21. Employer match starts the first day of the month following the date eligibility requirements are met.

Contributions

Participants may contribute the maximum percentage allowable to the extent such a percentage does not exceed the annual dollar limits established by law. Participants who have obtained the age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Organization may make discretionary matching contributions or discretionary non-elective contributions to the Plan. The Organization contributed discretionary matching contributions equal to 100% per dollar of the first 5% contributed by the employee. The Organization did not make discretionary non-elective contributions during the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's contributions, and an allocation of net Plan earnings. Expenses paid by the Plan are generally allocated among the accounts of all participants of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may direct the investment of their account balances into various investment options offered by the Plan. Participants may change the direction of their investment accounts and the manner in which they are invested on a daily basis.

Vesting

Participants are immediately vested in their elective deferral contributions, the Organization's discretionary contributions, and the participants' rollover contributions as well as any earnings thereon.

NOTE A – Plan Description (Continued)

Forfeitures

Participants are 100% vested in their accounts. Therefore, forfeitures are not anticipated under the Plan. There were no forfeitures during the years ended December 31, 2021 and 2020.

Notes Receivable from Participants

Participant loans are not permitted under the Plan.

Payment of Benefits

Upon termination of employment or disability, a participant or a participant's beneficiary (in the event of death), may receive the value of the vested interest in their account. A participant, or a participant's beneficiary in the event of death, may elect a lump-sum distribution or installment payments. Early withdrawals are allowed to the extent of rollover contributions previously made to the plan, upon the attainment of age 59½, or an immediate financial hardship.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Organization and are therefore excluded from these financial statements. Other administrative expenses of the Plan such as investment advisor fees are paid from participants' accounts.

NOTE B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair market value, except for the guaranteed investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Pooled Separate Accounts

Pooled separate accounts are valued at the net asset value of units held by the Plan based on the market price of the underlying mutual fund on the date of the balance sheet. These accounts are held and administered by professionally accredited brokerage firms.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the use of management's estimates. These estimates affect the amounts reported in the financial statements and the disclosures provided. Actual results may differ from management's estimates.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through November 4, 2022, the date on which the financial statements were available to be issued.

NOTE C – Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

Assets as of December 31,	2021	2020
Insurance Company Group Variable Annuity	\$ 634,432	\$ 426,760
Pooled Separate Accounts	1,771,162	1,521,723
Total Investments	<u>\$ 2,405,594</u>	<u>\$ 1,948,483</u>
Investment income for the years ended December 31,		
Net appreciation in fair value of investments	<u>\$ 216,308</u>	<u>\$ 191,373</u>
Interest Income	<u>\$ 15,287</u>	<u>\$ 11,832</u>

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

NOTE D – Fair Value Measurements and Disclosures

FASB codified accounting standards for Fair Value Measurements and established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts: Unregistered "Sub-Accounts" issued by Mass Mutual Life Insurance Company (MM), invest in shares of an underlying mutual fund. Sub-Account values are measured in terms of "Accumulation Units". In general, Sub-Account values are determined by taking the average of the Net Asset Value (NAV) of the underlying mutual fund from the current and prior days New York Stock Exchange quoted price, minus any daily mortality and expense risk and administration charges.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administration believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E – Investment Contract with Insurance Company

The Plan provides a fully benefit responsive contract with Empower Retirement LLC/Mass Mutual Life Insurance Company. Empower Retirement/Mass Mutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participants withdrawals and any withdrawal fee. The contract meets the fully benefit responsive contract criteria and, therefore, is included in the financial statements at contract value as reported to the Plan by Empower Retirement/Mass Mutual. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals or transfer of all or a portion of their investment at contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on Empower Retirement/Mass Mutual's ability to meet its financial obligations. This account is part of Empower Retirement/Mass Mutual's general obligations and is subject to claims by their creditors. Their ability to meet its contractual obligations may be affected by future economic and regulatory developments. Additionally, the account contains certain withdrawal restrictions that may limit the Plan's ability to transact at contract value.

NOTE E – Investment Contract with Insurance Company (Continued)

These restrictions generally relate to significant Plan transactions such as mergers, contract terminations, or withdrawals exceeding significant and defined percentages of the total contract value. The contract guarantees a minimum interest rate. For 2021 and 2020, the rate was 3%.

NOTE F – Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provision of ERISA.

NOTE G – Income Tax Status

The Plan is an individually designed prototype plan. The Internal Revenue Service (IRS) only issues determination letters for pension, profit-sharing and stock bonus plans that are qualified under Section 401(a) or 403(a). Although an employer-funded Section 403(b) plan is subject to many of the same requirements, it is not classified as a qualified plan, and thus a determination letter may not be obtained with respect to a Section 403(b) plan. The Plan document is intended to be compliant with current regulations and will be updated as the regulations change. A Private Letter Ruling from the IRS with respect to the status of this Plan document has not been requested. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE H – Party-in-Interest and Reportable Transactions

During the years ended December 31, 2021 and 2020, there were transactions involving the investment of Plan assets in investment funds maintained by Empower Retirement/Mass Mutual, a party-in-interest as defined in Section 3(14) of ERISA. All party-in-interest transactions are exempt from the prohibited transaction rules of ERISA and all of the Plan's investments are participant-directed. There were no reportable transactions for the years ended December 31, 2021 and 2020.

NOTE I – Investment Risks and Uncertainties

The Plan's participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
