Re: Plan Name: BakeMark USA LLC 401(k) Plan, EIN #95-2755319, Plan # 001

Re: Accountant's Report and Form 5500 filing for 2021

Dear Sir/Madam

We are currently in the process of completing our audit of the Plan for the year ended December 31, 2021. Due to the pandemic and current environment, we regret the audit report is not attached to the Form 5500 at this time. We will amend our 2021 Form 5500 filing and submit the Plan's audit report with the amended filing.

Sincerely,

A handwritten signature in blue ink that reads "Rosemarie Gomez". The signature is fluid and cursive.

Independent Auditor's Report

To the Plan Administrator
BakeMark USA LLC 401(k) Plan
Pico Rivera, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of BakeMark USA LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

BakeMark USA LLC 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the BakeMark USA LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is designed and is intended to operate as a safe harbor defined contribution plan as defined by the plan document. The Plan covers all eligible employees of BakeMark USA, LLC (“Employer,” “Company” or “BakeMark”). The Plan is subject to the provisions of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Wells Fargo Bank, N.A. (“Wells Fargo”) and Principal Trust Company (“Principal”) (together the “Trustees”) were responsible for the custody and management of the Plan’s assets. Principal acquired Wells Fargo and the transition occurred on June 17, 2021. Wells Fargo Institutional Retirement & Trust provided recordkeeping and administrative services to the Plan until Principal Financial Group took over after the transition.

Plan Administration

The Plan is administered by a fiduciary committee appointed by the Company. The Plan administrator is responsible for the administration of the Plan.

Eligibility

Employees are eligible to participate in the Plan upon hire. Non-resident aliens and union employees, unless the collective bargaining agreement requires participation in the Plan, are not eligible to participate in the Plan.

Participant Contributions

Participants may contribute up to 100% of eligible compensation on a pre-tax or after-tax basis, or a combination of both. All contributions are subject to Internal Revenue Code (“IRC”) annual calendar year limitations. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, which are reflected as rollover contributions in the Statement of Changes in Net Assets Available for Benefits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions to the Plan.

Eligible participants are automatically enrolled in the Plan at a deferral rate equal to 2% of eligible compensation. Deferrals begin on the first day of the first full payroll period beginning on, or immediately after, 30 days after the participant’s entry date. The participant can affirmatively elect to opt out of the Plan or change the deferral percentage. A participant’s automatic deferrals are invested in the Plan’s default investment fund, unless the participant elects otherwise.

BakeMark USA LLC 401(k) Plan

Notes to Financial Statements

Employer Contributions

The employer makes matching contributions, up to IRS limits. For non-union participants, the Company makes enhanced employer contribution for 100% of employees' eligible compensation up to 6% of contributions made to the Plan. For eligible union participants, the Employer makes a uniform contribution equal to 100% of each participant's elective deferrals, up to 4% of the participant's eligible compensation.

Eligibility for the employer contributions, for both non-union and union participants, requires one year of service.

Participant Accounts

Each participant's account is credited with the participant's and the Company's contribution and allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan and Plan losses, if applicable. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their contributions as well as employer contributions upon eligibility, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear an interest rate at the prime lending rate of Wells Fargo at the date of the loan plus 1%. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the loan is used to purchase a primary residence, in which case, the loans may be repaid within fifteen years. Participants may only have one loan outstanding at any time. Loans outstanding as of December 31, 2021 bear interest rates from 4.25% to 9.25% and have maturities through August 2036.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Distributions and withdrawals from the Plan are governed by applicable Internal Revenue Service ("IRS") regulations and provisions of ERISA. Penalties may apply in certain instances. Participants may also receive in-service withdrawals from the Plan once they have attained age 59½ or if they are able to demonstrate a severe financial need (hardship withdrawal), subject to certain provisions in the Plan Document.

BakeMark USA LLC 401(k) Plan

Notes to Financial Statements

Forfeitures

Forfeitures of non-vested accounts or lost participants are first used to offset plan expenses and/or restore previously forfeited account balances, if necessary, and any remaining forfeitures are used to reduce Employer contributions. As of December 31, 2021 and 2020, the forfeiture account balance totaled \$4,018 and \$0, respectively. During the year ended December 31, 2021, \$220 of forfeitures was used to reduce Employer matching contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to certain participant transactions, such as participant loan fees and certain distributions, are charged directly to the participant and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Certain administrative functions are performed by officers or employees of BakeMark. No such officers or employees receive compensation from the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements, in conformity with U.S. GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could materially differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued (but unpaid) interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a deemed distribution, the participant loan balance is reduced, and a benefit payment is recorded.

BakeMark USA LLC 401(k) Plan

Notes to Financial Statements

Benefit Payments to Participants

Benefit distributions and withdrawals are recorded upon payment. There were no amounts owed to current or terminated participants as of December 31, 2021 and 2020.

3. Certified Investment Information

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, and Principal Trust Company and Wells Fargo Bank, N.A., qualified institutions, have certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- Net investment income and interest income on notes receivable from participants as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.
- Investment and participant loan information included in the Schedule of Assets (held at end of year) as of December 31, 2021, as shown on the supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related information included in the financial statements and ERISA-required supplemental schedule.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BakeMark USA LLC 401(k) Plan

Notes to Financial Statements

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds: Valued based on the NAV as a practical expedient as reported by the investment manager based on the trust's assets and contractual terms of the underlying investment contracts as of December 31, 2021 and 2020. Participant transactions (purchases and sales) may occur daily. The Plan can redeem these investments daily. There are no unfunded commitments or restrictions on redemptions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<i>Assets at Fair Value as of December 31, 2021</i>			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 24,498,348	\$ -	\$ -	\$ 24,498,348
Common/collective trust funds measured at NAV*	-	-	-	30,609,756
Total investments at fair value	\$ 24,498,348	\$ -	\$ -	\$ 55,108,104

	<i>Assets at Fair Value as of December 31, 2020</i>			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 21,273,788	\$ -	\$ -	\$ 21,273,779
Common/collective trust funds measured at NAV*	-	-	-	28,808,883
Total investments at fair value	\$ 21,273,788	\$ -	\$ -	\$ 50,082,662

* Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants would remain 100% vested in their Employer contributions and the net assets of the Plan would be distributed to the participants and beneficiaries of the Plan as soon as practical.

BakeMark USA LLC 401(k) Plan

Notes to Financial Statements

6. Risks and Uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's financial statements.

The Plan provides investment options that hold securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid, and their prices may be more volatile than those of securities of comparable U.S. companies.

7. Tax Status

The Plan has adopted a volume submitter prototype sponsored by Wells Fargo Bank, N.A. The prototype received a determination letter from the IRS dated March 31, 2014, which states that the prototype document, as then designed, satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the date of the opinion letter, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

8. Related Party and Party-In-Interest Transactions

Certain Plan investments are managed by a company affiliated with the Trustees of the Plan. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each investment fund. Administrative expenses represent fees paid by the Plan participants for certain recordkeeping, participant loan and benefit payment transactions, and qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provision of the Plan and are specifically exempt from the prohibited transaction of party-in-interest transactions under ERISA. Notes receivable from participants also qualify as party-in-interest transactions.

State Street Global Advisors ("State Street") is a subservice organization used by Principal for investment valuation and recordkeeping services for specific investments. Due to their relation to the plan, Principal and State Street are considered related parties.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan and the Plan does not compensate the Company for these services.

Notes to Financial Statements

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits between the financial statements and the Form 5500:

<i>December 31,</i>	2021	2020
Net assets available for benefits per the financial statements	\$ 56,428,369	\$ 51,372,174
Excess contributions payable	-	9,516
Net assets available for benefits per Form 5500	\$ 56,428,369	\$ 51,381,690

The following is a reconciliation of increase in net assets available for benefits per the financial statements to the Form 5500:

<i>Year Ended December 31,</i>	2021
Net change in assets available for benefits per the financial statements	\$ 5,056,195
Change in excess contributions payable	(9,516)
Net increase in net assets available for benefits per form 5500	\$ 5,046,679

10. Subsequent Events

Management has evaluated events subsequent to December 31, 2021, to assess the need for potential recognition or disclosure in this report. Such events were evaluated through December 9, 2022, the date these financial statements were available to be issued and determined that, except for the following information, no events merit disclosure.

Effective January 1, 2022, the Plan was amended and restated to, among other things, incorporate prior Plan amendments and reflect statutory changes to the IRC. The Plan adopted Findley, Inc. non-standardized defined contribution pre-approved plan issued by Principal, which received a favorable opinion letter from the IRS dated June 30, 2020.
