NOTE 1 – DESCRIPTION OF PLAN

The following description of the PanCare of Florida, Inc. (the Company) 403(b) Thrift Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan established by the Company on January 1, 2006. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the requirements of Section 403(b) of the Internal Revenue Code (IRC). The Company is the sponsor and administrator of the Plan and the Custodian is Mutual of America. The Custodian manages the investments of the Plan as directed by the participants. The Plan has been amended on various occasions in order to comply with the provisions of various laws and regulations.

Effective May 1, 2019, the Plan was amended as follows (a) participants may not withdraw amounts allocated to the employer contribution accounts before attaining age 59 ½ , unless they are entitled to a hardship withdrawal, (b) loans not in excess of 50% of borrower's combined vested accounts will be permitted and borrower may have two loans outstanding under the Plan, and (c) participants that wish to contribute towards the additional deferred compensation plan (457-b) must contribute first the maximum amount allowed by law to the 403(b) Plan each year. Participants should refer to the Plan documents and Plan amendments for a more complete description of the Plan amendments.

Effective December 1, 2020, the Plan was amended to automatically increase every participant's contribution towards their plan by 1% (up to a max of 10%) per year.

Eligibility:

Employees are eligible to participate in the salary deferral portion of the Plan upon hire. To participate in the employer matching and base contribution portion of the Plan, employees must have completed at least one year of service with the Company, as defined in the Plan document, and be at least 21 years old. Upon enrollment in the Plan, a participant may direct employer and employee contributions to any combination of available investment options offered by the Plan.

Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation (salary reduction contributions), as defined in the Plan up to the maximum amounts allowable under the provisions of the IRC. The limit for years 2020 and 2019 was $19,500 and $19,000, respectively. If the participant is at least age 50 before the end of the Plan year then the participant may elect to defer additional amounts (catch-up contributions). The maximum catch-up contribution for years 2020 and 2019 was $6,500 and $6,000, respectively. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

NOTE 1 – DESCRIPTION OF PLAN (Continued)

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant. The Plan provides a base contribution of 3% and an additional dollar for dollar match up to 6% of the employee's base annual salary. Contributions are subject to certain statutory limitations.

Participant Accounts:

Each participant's account is credited with the participant's contribution, rollover contributions, an allocation of (a) the Company's matching contribution, and (b) Plan earnings (net of administrative expenses). Income is allocated based on the participant's selected investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. To earn a year of service, participants must be credited with at least 1,000 hours of service during a Plan year. Employees become 50% vested in the Company's contributions at the completion of two years of credited service and 100 % vested in the Company's contributions at the end of three years of credited service. Participants become 100 % vested upon normal retirement age, death, or disability.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.00% to 4.75%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits:

On termination of service due to death, disability, or retirement, a participant will be paid their vested benefit. For termination of services due to other reasons, a participant may elect to have their vested amount paid as soon as possible. The vested amount may be paid in a lump-sum distribution or rolled over into another qualified plan.

In general, if the participant's account balance, as defined in the Plan agreement, is greater than $5,000 (the involuntary cash-out amount), the account may not be distributed without the participant's consent. A terminated participant whose vested account balance is greater than

NOTE 1 – DESCRIPTION OF PLAN (Continued)

$1,000 but does not exceed $5,000 will be rolled over into an Individual Retirement Account (IRA).

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service (IRS) penalties unless transferred to another qualified plan or IRA.

Forfeitures:

There were $43,238 and $14,096 in forfeitures for the years ended December 31, 2020 and 2019, respectively of which $1,197 and $4,981 were used to pay Plan expenses and reduce the Company's contributions during the years ended December 31, 2020 and 2019, respectively. The balances in the forfeiture account were $62,790 and $20,314 as of December 31, 2020 and 2019, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements of the plan are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are reported at fair value, except for the insurance company general account (Mutual of America Interest Accumulation Account), which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as benefit payment based on the terms of the Plan document. Total notes receivable from participants as of December 31, 2020 and 2019 was $127,861 and $34,885, respectively.

Payment of Benefits:

Benefits are recorded when paid by the Plan.

Administrative Expenses:

Administrative expenses of the Plan are liabilities of the Plan but may be paid by the Company. These expenses include, but are not limited to, legal, accounting and recordkeeping fees, and investment expenses. Fees specific to the participant's investment selections and accounts are charged against that participant's account balance.

Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Recently Issued Accounting Pronouncements:

On March 4, 2014, the Board issued a proposed Financial Accounting Standards Board (FASB) Concepts Statement*, Conceptual Framework for Financial Reporting – Chapter 8: Notes to Financial Statements*, which the Board finalized on August 28, 2018. The amendments in this Update apply to all entities that are required, under existing GAAP, to make disclosures about recurring or nonrecurring fair value measurements. The amendments in the Update are effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The amendments on changes in unrealized gains and losses, the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements, and the narrative description of measurement uncertainty should be applied prospectively for only the most recent interim or annual period presented in the initial fiscal year

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

of adoption. All other amendments should be applied retrospectively to all periods presented upon their effective date. Early adoption is permitted upon issuance of this Update. The Plan determined that *Conceptual Framework for Financial Reporting – Chapter 8: Notes to Financial Statements* is not applicable to this report.

On March 4, 2014, the Board issued a proposed FASB Concepts Statement, *Conceptual Framework for Financial Reporting – Chapter 8: Notes to Financial Statements*, which the Board finalized on August 28, 2018. The amendments in this Update apply to all employers that sponsor defined benefit pension or other postretirement plans. The amendments in this Update modify the disclosure requirements for employers that sponsor defined benefit pension or their postretirement plans. The amendments in this Update are effective for fiscal years ending after December 15, 2020 for public business entities and for fiscal years ending after December 15, 2021 for all other entities. Early adoption is permitted for all entities. The Plan determined that *Conceptual Framework for Financial Reporting – Chapter 8: Notes to Financial Statements* is not applicable to this report.

In July 2019, the AICPA Auditing Standards Board issued as a final standard, Statement on Auditing Standards (SAS) No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA* (EBP SAS). The EBP SAS prescribes certain new performance requirements for an audit of financial statements of employee benefit plans subject to the ERISA and changes the form and content of the related auditor's report. ERISA section 103(a)(3)(C) permits plan management to elect to exclude from the audit certain investment information a qualified institution holds and certifies. Formerly referred to as a limited-scope audit, the EBP SAS refers to this type of audit as an ERISA section 103(a)(3)(C) audit. The EBP SAS does not change anything in ERISA, and therefore plan management's ability to elect such an audit continues. The EBP SAS clarifies what is expected of the auditor, including specific procedures when performing an ERISA section 103(a)(3)(C) audit, and establishes a new form of report that provides greater transparency about the scope and nature of the audit and describes the procedures performed on the certified investment information. SAS No. 136 is effective for audits of financial statements for periods ending on or after December 15, 2020. SAS No. 141, issued in May 2020, defers the effective date of SAS No. 136 to December 15, 2021. Early implementation is not permitted. The Plan is evaluating the impact, if any, upon its financial position and results of operations upon adoption.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA–required supplemental schedules, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments, interest, and interest income on notes receivable from participants for the years ended December 31, 2020 and 2019, was obtained by the plan administrator and agreed to or derived from information certified as complete and accurate by the Custodian.

NOTE 4 – FAIR VALUE MEASUREMENTS (UNAUDITED)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements:

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

		Fair Value Measurements at the End of the Reporting Period Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2020:				
Registered investment companies	$ 6,240,702	$ 6,240,702	$ -	$ -
Total assets at fair value	$ 6,240,702	$ 6,240,702	$ -	$ -
December 31, 2019:				
Registered investment companies	$ 4,579,005	$ 4,579,005	$ -	$ -
Total assets at fair value	$ 4,579,005	$ 4,579,005	$ -	$ -

NOTE 4 – FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2020 and 2019, are reported in net appreciation in fair value of investments.

The redemption frequency and the period for the above investments are on a daily basis. There are no unfunded commitments or redemption restrictions.

NOTE 5 – TAX STATUS

The Plan has been designated to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to confirm with the sample language provided by the IRS in Revenue Procedure 2007-71 [of the draft Listing of Required Modifications issued April 4, 2009]. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are units of participation in registered investment companies and an insurance company general account. The Plan held 1,877,895 and 1,655,287 units of Mutual of America funds at December 31, 2020 and 2019, valued at $6,248,326 and $4,548,566, respectively. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to various service providers. Such transactions, while considered party-in-interest transactions under ERISA regulations are permitted under the provisions of the Plan and are specifically exempt from the party-in-interest prohibited transaction rules under ERISA.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer accounts.

NOTE 8 – RECONCILIATION TO FORM 5500

The financial information of the Plan, as reported on Form 5500, does not include all amounts necessary for reporting on the accrual basis of accounting. A reconciliation of the amounts appearing on Form 5500 to the financial statements is as follows:

	2020	2019
Net assets available for benefits:		
Net assets, as reported on Form 5500	$ 6,988,252	$ 4,946,646
Contributions receivable	143,731	116,723
Other contributions receivable	3,121	1,931
Net assets, as reported in the accompanying financial statements	$ 7,135,104	$ 5,065,300
Changes in net assets available for benefits:		
Increase in net assets, as reported on Form 5500	$ 2,041,606	$ 2,322,224
Change in contributions receivable	28,198	38,930
Increase in net assets, as reported in the accompanying financial statements	$ 2,069,804	$ 2,361,154

NOTE 9 – PROHIBITED TRANSACTIONS

The Plan failed to deposit participant contributions for several employees during the years ended December 31, 2020 and 2019. Upon discovery, the Plan made the necessary corrections, and the affected participants are in the same position as they would have been if the contributions were made to their accounts. The total amounts of missed contributions have been accrued as participant and employer contributions receivables. The total receivables accrued were $3,121 and $1,931 as of December 31, 2020 and 2019, respectively. The Plan also failed to timely deposit participant contributions for six periods during the year ended December 31, 2020 within the timeframe required by the Department of Labor. The total amount of the delinquent participant contributions for the year ended December 31, 2020 totaled $347,679 of which $1,414 is included in participant contributions receivable. The earnings on investments had not been determined at the time the financial statements were issued. All amounts including participant deferrals, employer matches, and lost earnings are considered immaterial to the financial statements, as a whole.

NOTE 10 – COVID-19

In December 2019, a novel strain of coronavirus (COVID-19) was reported in Wuhan, China. The World Health Organization has declared the outbreak to constitute a “Public Health Emergency of International Concern.” The COVID-19 outbreak is disrupting supply chains and affecting production and sales across a range of industries. It is unknown at this time the extent to which COVID-19 may impact the financial performance of the Plan and the stock exchange.

NOTE 11 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 6, 2022, which is the date the financial statements were available to be issued.
