Independent Auditors' Report

To the Board of Trustees and Plan Participants of P.S.K. Supermarkets Profit Sharing Plan

Opinion

We have audited the financial statements of P.S.K. Supermarkets Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Compilation Report on Financial Statement - 2020

Management is responsible for the accompanying 2020 statement of net assets available for benefit of the Plan as of December 31, 2020, in accordance accounting principals generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the statement of net assets available for benefit nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any assurance on the 2020 statement of net assets available for benefit.

Notes to Financial Statements December 31, 2021

1. Plan Description and Basis of Presentation

The following brief description of the P.S.K. Supermarkets Profit Sharing Plan (the “Plan” or “Profit Sharing Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for complete information.

General

PSK Operating Parent Inc. (the “Company”) established the Plan effective as of January 1, 2020. The Plan is a defined contribution plan covering substantially all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

On September 3, 2021, the Company established the PSK Operating Parent Inc. Employee Stock Ownership Plan (the “PSK ESOP”), effective as of January 1, 2021. The Company also established the PSK Operating Parent Inc. Employee Stock Ownership Trust (the “Trust”), effective as of March 5, 2021, designed to hold company stock, sums of money, and other property contributed or transferred to the Trust under the Plan and all income thereon.

On September 3, 2021, the Profit Sharing Plan merged with and into the PSK ESOP (the “ESOP Merger”) where the Company amended and restated the Profit Sharing Plan to become the plan that operates, in relevant part, as a leveraged employee stock ownership plan (“ESOP”) and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (IRC), and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The PSK ESOP is administered by an Employee Benefits Administration Committee appointed by the Company's board of directors. The trust department of an independent third-party bank is the PSK ESOP's trustee. In conjunction with the ESOP Merger, all participant account balances and assets established and held under the Profit Sharing Plan transferred to the PSK ESOP. The purpose of this financial statement is to attach to the final return of the form 5500 for the Profit Sharing Plan.

Participant Salary Deferral

The Plan does not permit participant contributions, including rollover contributions.

Employer Discretionary Profit-Sharing Contributions

The Company may make discretionary profit-sharing contributions. Discretionary profit-sharing contributions are allocated to eligible participants in proportion to an eligible participant's compensation for the Plan year as a percentage of the total compensation of all eligible participants. The Company did not make any discretionary profit-sharing contributions for the calendar year December 31, 2021.

Eligibility

Employees of the Company and its participating subsidiaries are generally eligible to participate in the Plan after one year of service, providing they worked at least 1,000 hours during such Plan year and are over twenty-one years of age. Participants who do not have at least 1,000 hours of service during such Plan year or are not employed on the last working day of a Plan year are generally not eligible for an allocation of Company contributions for such year.

Administrative Expenses

As provided in the Plan agreement, administrative expenses may be paid either by the Plan or by the Company. The Company has historically paid the operating expenses for the Plan.

Participant Accounts

Investments are non-participant directed. Individual participant accounts are credited with an allocation of the Company's discretionary profit-sharing contributions, forfeitures and earnings and charged with an allocation of administrative/ investment expenses. Allocations are based upon participant's eligible compensation, as defined in the Plan document. The benefits to which a participant is entitled is equal to the vested portion of the participant's account.

Vesting

If a participant's employment with the Company ends for any reason other than retirement, permanent disability, or death, he or she will vest in the balances in his or her account based on total years of service with the Company. Participants vest 20 percent per year of service, after the second year, and are 100-percent vested after 6 years of service. Upon reaching normal retirement, disability, or death, a participant's account also becomes fully vested.

Notes Receivable from Participants

The Plan administrator does not permit participants to borrow from their account.

Forfeitures

A participant who terminates employment and is less than 100% vested forfeits the non-vested portion of their account. Plan forfeitures are allocated to each participant's account based upon the relation of the participant's eligible compensation to total eligible compensation for the Plan year. There were no forfeitures allocated to participants during the year ended December 31, 2021. The Plan administrator does not permit participants to borrow from their account.

Distributions

Distributions from the Plan are permitted under the following circumstances: (i) attainment of age 65, and has been a participant for at least five years (ii) termination of employment, and (iii) death or permanent disability. Distributions from a participant's account can be made in the form of a lump-sum payment or can also be made in installments. If a participant's account balance does not exceed \$1,000, the distributions can be distributed to a terminated participant without consent.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Benefit Payments

Benefits are recorded when paid. There were no benefits paid for the year ended December 31, 2021.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Plan Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements while other expenses may be paid from the assets of the Plan. The expenses that are paid from the Plan's assets will either be shared by all participants or will be charged directly to the account of the participant on whose sole behalf the expense is incurred.

3. Investments

The Plan's investments are nonparticipant-directed and are held in bank-administered trust funds.

4. Related Party and Party in Interest Transactions

As described in Note 1, the Company pays all plan expenses. The Plan has a number of service providers. Such providers are parties in interest under ERISA.

5. Risks and Uncertainties

The Plan investments in various investments which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with the investment in the common stock and to uncertainties inherent in estimates and assumptions, it is at least reasonably possible that changes in the value of the common stock will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

6. Plan Termination

The Company reserves has the right, under the Plan, to discontinue and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts.

7. Tax Status

On November 23, 2020, the Internal Revenue Service stated that the prototype plan adopted by the Plan, as then designed, qualifies under Section 401 of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself, however, the plan administer believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken a significant uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan's management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Subsequent Events

Management evaluated subsequent events for the Plan through December 9, 2022, the date the financial statements were available to issued.
