## Independent Auditor's Report

The Plan Administrator
Advance 401(k) Plan
New York, New York

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements*

We have performed an audit of the financial statements of the Advance 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion on the 2021 Financial Statements*

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The certified investment information in the accompanying 2021 financial statements agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Basis of Accounting***

As described in Note 2 of the financial statements, the financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than U.S. generally accepted accounting principles. Our opinion is not modified with respect to this matter.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, described in Note 2 of the financial statements, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting

from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - 2021 Supplemental Schedules Required by ERISA***

The 2021 supplemental schedules of the Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and the Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the 2021 financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter - Report on the 2020 Financial Statements***

The financial statements of the Plan as of December 31, 2020 were audited by predecessor auditors and comprise the statement of net assets available for benefits as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their audit report, dated October 11, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## 1. Description of the Plan and Nature of Operations

The following description of the Advance 401(k) Plan (the Plan) of Advance Publications, Inc. (the Company, the Plan Sponsor, or Plan Administrator) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

***Merger***

On June 30, 2021, the Ironman 401(k) Plan, maintained by an affiliate of the Company, merged into the Plan via a plan merger amendment. As a result of the merger, net assets of $14,969,013 of the Ironman 401(k) Plan were transferred to the Plan on that date.

***General***

The Plan is a 401(k) defined contribution plan for the benefit of employees of the Company and controlled group of companies and its affiliates. The Plan was adopted effective April 15, 2011 and has since been amended. Effective September 1, 2018, the Plan changed from a single employer plan to a multiple employer plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Investment assets of the Plan are maintained under a trust agreement with Fidelity Management Trust Company (the Trustee), and the Plan's recordkeeping administrative services are provided by Fidelity Workplace Services LLC (collectively, Fidelity). All investment and participant loan transactions are executed by Fidelity at the direction of, and for the exclusive benefit of, participants under the Plan.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act), which included several relief provisions available to tax qualified retirement plans and their participants. The Plan adopted certain CARES Act provisions, including the provision that allowed eligible Plan participants to request penalty free distributions of up to $100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic.

Effective May 1, 2020, the Plan was amended, prospectively, to eliminate fixed matching contributions and provide for discretionary matching contributions for certain divisions.

Effective January 1, 2021, the Plan was amended to reinstitute fixed matching contributions for certain divisions and to establish a new matching contribution formula for eligible employees of Turnitin LLC.

***Participants' Accounts***

Each participant's share of the Plan's assets is recorded in an account established for that participant. Each participant's account is credited with the participant's contribution, if any, and the participant's share of the Company's contribution, adjusted to reflect income and expenses, realized gains and losses, and unrealized appreciation or depreciation in the value of the Plan's assets. All contributions are invested based on participant direction. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may elect to divide their contributions or initiate a transfer among the investment fund options in whole increments of 1% on a daily basis, subject to certain restrictions. A self-directed brokerage account option is also available to allow participants to select investment options not specifically offered by the Plan. An eligible participant may elect to suspend or resume his or her contributions, subject to the Plan's notice requirements. Changes requested by participants are implemented as soon as administratively practicable, in accordance with the Plan document.

***Contributions***

Under the Plan, the applicable contribution rates and matching contribution rates differ by division. Eligible employees, as defined in the Plan document, may, at their option, contribute up to certain percentages, depending upon divisions, each year of their eligible pre-tax compensation, subject to certain Internal Revenue Code (IRC) limitations, into any of the available investment elections. The Plan document provides for the Company to make nondiscretionary matching contributions, and permits a discretionary nonelective contribution and a discretionary matching employer contribution to be determined annually based on division. The Company made nondiscretionary matching contributions ranging from 1.5% to 8.0% of compensation for all eligible participants and discretionary matching employer contributions of 1.0% to 8.0% of compensation for all eligible participants during the Plan year ended December 31, 2021.

All newly hired or rehired full-time employees are automatically enrolled in the Plan. The default pre-tax contribution rate is 3% to 5%, depending on the division, and is implemented following notification to the participant, in accordance with the Plan Sponsor's administrative procedures. These employees can elect to participate at a different rate, or opt out of the Plan, and their future contribution rates will be adjusted as soon as practicable.

Participants may also choose to make contributions on an after-tax basis through a Roth 401(k) option. Roth contributions are made in lieu of all or a portion of the pre-tax contribution the participant is otherwise eligible to make under the Plan. Contributions and earnings for the Roth 401(k) option are not subject to taxation at the time of distribution, as long as the distribution is a qualified distribution due to termination of service, death, disability, or after reaching age 59½.

A participant who has made the maximum amount of permitted deferral contributions for a Plan year, and who has attained or will attain age 50 during such Plan year, may elect to make additional catch-up contributions. Catch-up contributions will be considered elective deferral contributions for all purposes under the Plan, except that catch-up contributions: (a) will not be subject to the percentage contribution limitations, and (b) will not exceed $6,500 for 2021.

***Rollover Contributions and Transfers***

The Plan permits participants to have their interests in other qualified plans rolled over to the Plan, or to make rollover contributions into the Plan from a conduit individual retirement account, which holds amounts attributable solely to a rollover from another qualified plan. In addition, the Plan permits for direct transfers of participant accounts for employees in businesses that were acquired by the Company. Such transfers or rollovers to the Plan may only be made with the approval of the Plan Administrator and do not affect any other contributions made by or on behalf of a participant.

*Forfeited Accounts*

At December 31, 2021 and 2020, forfeited nonvested accounts totaled $2,031,965 and $2,162,785, respectively. These accounts will be used to reduce future employer contributions. During the year ended December 31, 2021, employer contributions were reduced by $1,740,699 using forfeited nonvested accounts.

*Vesting*

Participants are immediately vested in their contributions, plus actual earnings thereon.

Vesting in the Company's contributions and related earnings is based on the vesting schedule for the applicable division, as defined in the Plan document.

*Payment of Benefits*

Upon retirement at normal retirement age, as defined, death, or termination of service, a participant's vested interest in the Plan becomes payable to the participant (or his or her assigned beneficiary in the case of death). A participant may elect to receive benefit payments in periodic installments, a lump-sum amount, or as a direct rollover contribution to an Individual Retirement Account (IRA) or an eligible retirement plan of all or part of the payment. Withdrawals prior to attaining retirement age are not permitted except for in-service withdrawals after reaching the age of 59½, or in the event of termination, disability, or as a hardship distribution. Upon proof—to the satisfaction of the Plan Administrator and in compliance with the IRC—of an immediate and heavy financial need, certain amounts contributed may be withdrawn for hardship purposes. Certain income tax penalties may apply to withdrawals or distributions prior to retirement age.

*Notes Receivable from Participants*

Subject to approval by the Plan Administrator, participants may have two loans outstanding at one time: a general-purpose loan and a home purchase loan, or two general purpose loans. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of (a) $50,000 (reduced by the participant's highest outstanding loan balance during the preceding 12-month period), or (b) 50% of the vested portion in the participant's account. The loans are secured by the balance in the participant's account. Such borrowings generally must be repaid (through payroll deductions) within five years (or ten years when it is for the purchase of a principal residence). All loans have interest at a rate fixed by the Plan Administrator based on the interest rate currently being charged for loans of comparable size, risk, and maturity when the application for the loan was approved. Notes receivable from participants bore interest at rates ranging from 3.25% to 7.50% as of December 31, 2021 and 2020, with maturity dates through 2034 for December 31, 2021 and 2020. Notes receivable from participants at December 31, 2021 and 2020 amounted to $9,785,648 and $10,365,590, respectively, and represent unpaid principal balance.

*Risks and Uncertainties*

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect

participants' account balances and the amounts reported in the statements of net assets available for benefits.

***Change in Presentation***

Certain prior-year amounts were reclassified in order to conform to the current-year presentation.

## 2. Summary of Significant Accounting Policies

***Basis of Presentation***

The accompanying financial statements have been prepared on the modified cash basis of accounting under which contributions are recorded when received, investment income is recorded when collected, and benefit payments and expenses are recorded when paid. Investments are adjusted to fair value. The modified cash basis of accounting is a comprehensive basis of accounting other than U.S. generally accepted accounting principles (U.S. GAAP).

***Use of Estimates***

The preparation of financial statements on the modified cash basis requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets, additions to net assets, deductions from net assets, and disclosures of contingent liabilities, if any. Actual results could differ from those estimates and assumptions.

***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for a discussion of fair value measurements.

The Fidelity Managed Income Portfolio II, a common/collective trust fund, is a stable value fund that is a commingled pool of the Fidelity Trust for Employee Benefit Plans. The fund may invest in fixed interest insurance investment contracts or Guaranteed Investment Contracts (GICs), money market funds, corporate and government bonds, mortgage-backed securities, bond funds, and other fixed income securities. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals.

The Fidelity Advisor Stable Value Portfolio - Class I, a common/collective trust fund, is a stable value fund. The fund invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds. Under the terms of the contracts, the assets of the fund are invested in fixed income securities—which may include, but are not limited to, U.S. Treasury and agency bonds, corporate bonds, mortgage-backed securities, commercial mortgage-backed securities, asset-backed securities, and collective investment vehicles and shares of investment companies that invest primarily in fixed income securities—and shares of money market funds. The fund may also invest in futures contracts, option contracts, and swap agreements.

See Note 5 for further information concerning the Fidelity Managed Income Portfolio II and the Fidelity Advisor Stable Value Portfolio - Class I (collectively, Stable Value Funds).

The Stable Value Funds are presented at fair value which represents net asset value (NAV) of the Stable Value Funds at contract value, as contract value is the amount that participants will receive under the terms of the Plan.

Purchases and sales of securities are recorded on a trade date basis. Interest income and dividends are recorded when collected. The Plan's investment assets are not guaranteed as to principal or interest, and their values vary depending upon the performance of the underlying investments.

***Payment of Benefits***

Benefits are recorded when paid.

***Administrative Expenses***

Investment management, investment advisory fees, and certain administrative fees of the Plan are paid from the assets of the Plan. Participants are charged for a portion of the cost to administer the Plan including the recordkeeping, accounting, legal, and Trustee services, and other administrative services, which are deducted automatically from the participant's account. Participants are also charged for certain transactions, such as the processing of a loan. Certain other administrative and advisory fee expenses in 2021 were paid by the Company.

Certain investment fees and transaction-based fees are paid within the funds held by the Plan. These fees are deducted from income earned on a daily basis and are not separately reflected. Consequently, these fees are reflected as a reduction of investment return for such investments.

## 3. Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103 8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the Trustee of the Plan and a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

## 4. Fair Value Measurements

The fair value of an asset or liability is based on the assumptions that market participants would use in pricing the asset or liability. Valuation techniques consistent with the market approach, income approach, and/or cost approach are used to measure fair value. The Plan follows a three-tiered fair value hierarchy when determining the inputs to valuation techniques. The fair value hierarchy prioritizes the inputs to valuation techniques into three broad levels in order to maximize the use of observable inputs and minimize the use of unobservable inputs. The levels of the fair value hierarchy are as follows:

*Level 1* – These levels consist of inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – These levels consist of quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – These levels consist of assets or liabilities whose significant value drivers are unobservable.

The following is a description of the valuation methodologies for the Plan assets measured at fair value:

*Registered Investment Company Mutual Funds* – These are valued at the NAV of shares held by the Plan at year-end. Mutual funds are quoted and redeemable daily, and exchange traded funds may be traded at any time on the exchange that they primarily trade. There are no restrictions on redemptions, however, a fee may be charged if the Plan only holds the security for a short period of time. Mutual funds are classified as Level 1 investments.

*Self-Directed Brokerage Account* - The Plan offers a brokerage option, BrokerageLink, whereby participants can elect to invest their Plan accounts in numerous publicly traded securities and mutual funds not offered directly by the Trustee. The Plan's investments in cash, mutual funds, and corporate stocks within the BrokerageLink accounts are valued at unadjusted quoted price in active markets.

*Common/Collective Trust Funds* – These are valued at the NAV of shares held by the Plan at yea-end. The NAV, as provided by the trustee of each common/ collective trust fund, is used to estimate fair value. The NAV is based on the fair value of the underlying investments held by each fund, less its liabilities. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of any common/collective trust fund, each investment advisor reserves the right to temporarily delay withdrawal to ensure securities liquidation will be carried out in an orderly business manner. The common/collective trust funds are priced daily and may be fully redeemed with a 30 day notice. There were no unfunded commitments at December 31, 2021 or 2020. Common/collective trust funds are invested to earn returns that match or exceed U.S. or international equity indexes, or in the case of target dated funds, to create a risk-adjusted portfolio based on estimated retirement dates of participants. Common/collective trust funds are classified as Level 1 investments.

*Stable Value Funds* – Investments in Stable Value Funds are valued at fair value based on the NAV of the shares held by the Plan at year-end, which represents contract value. The Stable Value Funds use independent pricing services approved by the Trustee to value its investments. When current market prices or quotations are not readily available or reliable, valuations may be determined in good faith in accordance with procedures adopted by the Trustee. Factors used in determining value may include market or security specific events, changes in interest rates, and credit quality. The Stable Value Funds may be redeemed daily. There are no redemption fees or notice periods, and no unfunded commitments at December 31, 2021 and 2020. The Stable Value Funds are classified as a Level 2 investment.

There were no changes in methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets carried at fair value on a recurring basis:

***December 31, 2021***

| **Total Investments Measured at Fair Value** | $1,397,723,451 | $ 83,937,665 | $ - | $1,481,661,116 |

## 5. Party-in-Interest Transactions

Certain Plan investments are shares of registered investment company mutual funds, a self-directed brokerage account, common/collective trust funds, or Stable Value Funds managed by Fidelity, which is the Trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each fund. Notes receivable from participants also qualify as exempt party-in-interest transactions.

## 6. Tax Status

The Plan has adopted a Volume Submitter Plan Document that received an Internal Revenue Service (IRS) advisory letter, dated June 30, 2020, stating that the Volume Submitter Plan is designed in accordance with applicable sections of the IRC. The Plan document has been amended since receiving the determination letter. In the opinion of the Plan Administrator, the Plan and its underlying trust are currently designed and have operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021, there were no uncertain tax positions that would require recognition of a liability (or derecognition of an asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 7. Plan Termination

Although it has not expressed the intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate its participation, subject to the provisions of ERISA. In the event the Company terminates the Plan, participants become fully vested in their accounts and the assets of the Plan will be distributed to the participants in accordance with the provisions of ERISA.

## 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

| *December 31,* | **2021** | 2020 |
|---|---|---|
| **Net Assets Available for Benefits,** per the financial statements | **$1,644,743,927** | $ 1,492,026,706 |
| Adjustment from NAV of the Stable Value Funds to fair value of the underlying investments | **585,738** | 3,109,607 |
| **Net Assets Available for Benefits,** per the Form 5500 | **$1,645,329,665** | $ 1,495,136,313 |

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500 for the years ended December 31, 2021:

| *December 31, 2021* | |
|---|---|
| **Net Increase,** after net transfer, per the financial statements | $ 152,717,221 |
| Net change in adjustment from NAV of the Stable Value Funds to fair value of the underlying investments | (2,523,869) |
| **Net Increase in Net Assets Available for Benefits,** per the Form 5500 | $ 150,193,352 |

The Plan's investment in the Stable Value Funds is recorded at the fair value of the underlying investments of the Stable Value Funds on the Form 5500 and at NAV in the Plan's financial statements.

## 9. Late Remittances

In prior years, employee withholdings in the amount of $3,652 were not remitted within the appropriate time period by the Company. These transactions constitute prohibited transactions, as defined by ERISA. The Company has taken the appropriate steps to correct the situation and has further implemented procedures designed to mitigate the risk of untimely remittances.

## 10. Contingencies

From time to time, lawsuits or claims have been or may be asserted against the Plan. The outcome of any litigation cannot be predicted with certainty, Plan, the Plan Sponsor or Plan fiduciaries. However, the Plan Administrator does not believe that the ultimate outcome of any such pending matters is likely to have a material adverse effect on the Plan's net assets available for benefits.

## 11. Subsequent Events

Effective January 1, 2022, the Plan was amended to add the Ironman Foundation as a participating employer.

Effective January 10, 2022, the Plan was amended to change the maximum elective deferral percentage to 75% for certain divisions.

For the purposes of determining the effect of subsequent events on these financial statements, management has evaluated events subsequent to December 31, 2021 and through December 15, 2022, the date on which the financial statements were available to be issued and has determined no other such subsequent events have occurred that would require adjustments to, or disclosures as stated herein.
