Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of S.J. Electro Systems, Inc. Employee Stock Ownership Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of April 11, 2022 and October 31, 2021 (in liquidation), and the related statement of changes in net assets available for benefits for the period from November 1, 2021 through April 11, 2022 (in liquidation), and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of S.J. Electro Systems, Inc. Employee Stock Ownership Plan and Trust as of April 11, 2022 and October 31, 2021 (in liquidation), and the changes in its net assets available for benefits for the period from November 1, 2021 through April 11, 2022 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of S.J. Electro Systems, Inc. Employee Stock Ownership Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Notes 1 and 4 to the financial statements, the Board of Directors authorized the termination of the Plan effective June 17, 2021, and management determined liquidation is imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan is presenting the financial statements as of April 11, 2022 and October 31, 2021 on the liquidation basis. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about S.J. Electro Systems, Inc. Employee Stock Ownership Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of S.J. Electro Systems, Inc. Employee Stock Ownership Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about S.J. Electro Systems, Inc. Employee Stock Ownership Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Plan Administrator
S.J. Electro Systems, Inc.
Employee Stock Ownership Plan and Trust

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of reportable transactions for the period from November 1, 2021 through April 11, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF PLAN

The following description of the S.J. Electro Systems, Inc. (the Company) Employee Stock Ownership Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Company established the Plan effective November 1, 1987. The Plan has been amended and restated throughout the years. The Plan was last restated effective November 1, 2016 and last amended effective June 17, 2021. The Plan was a defined contribution plan intended to constitute an employee stock ownership plan under Section 4975(e)(7) of the Internal Revenue Code (IRC). The Plan was designed to invest primarily in securities issued by the Company and was authorized to borrow money for such investments. The Plan covered all domestic employees of the Company who had completed the eligibility requirements including the completion of one hour of service and attainment of age 18. Eligible employees began participation immediately following these conditions. The Plan excluded employees covered by a collective bargaining agreement, nonresident aliens with no U.S. source income, and leased employees. The Plan was subject to the provisions of ERISA, as amended.

Effective June 17, 2021, the Plan entered into a stock purchase agreement with SJ Electro Group Holdings, L.P., SJ Electro Buyer, LLC and S.J. Electro Systems, Inc. to sell the shares of the Company stock held by the Plan. Also on June 17, 2021, the Board of Directors authorized the termination of the Plan (see Note 4).

Contributions

Each year, the Company may have contributed to the Plan up to 25% of eligible compensation as determined annually by the Company's Board of Directors. Contributions would have been in the form of shares of common stock or cash. There were no contributions for the period from November 1, 2021 through April 11, 2022 (see Note 4).

Participant Accounts

Each participant's account was credited with an allocation of the Company's contribution, an allocation of shares released, an allocation of Company shares repurchased from former Plan participants, an allocation of Plan earnings or losses, an allocation of interest and dividends, and forfeitures of terminated participants' nonvested accounts. Allocations were based on participant compensation, share balances or account balances, as defined. S-Corp Distributions were allocated based on each participant's shares relative to the overall trust at the beginning of the year and based on eligible compensation for unallocated shares.

EMPLOYEE STOCK OWNERSHIP PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
APRIL 11, 2022 AND OCTOBER 31, 2021

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Vesting of participant's accounts was based on years of service with the Company. A year of service was credited for each year in which the employee completed at least 1,000 hours of service. A participant's account became fully vested after the completion of six years of credited service with the Company, under a graded vesting schedule. A participant's account was fully vested and nonforfeitable upon attainment of normal retirement age (65), or termination of employment due to death or disability. Effective June 17, 2021, all participants who had not incurred a forfeiture as of November 1, 2020, were 100% vested as part of the Plan termination (see Note 4).

Payment of Distributions

The benefit to which a participant was entitled was the benefit that could be provided by the participant's account. If a participant terminates employment and the participant's account balance was not greater than \$1,000, the Plan administrator would authorize the benefit payment without the participant's consent. Upon termination of service due to retirement, death or disability, distribution of account would commence generally within one year of the Plan year in which termination occurred. For normal termination of service, distribution of account would commence generally by the end of the second Plan year following termination. Participants would receive the value of their vested interest in the form of a lump-sum distribution or annual installments paid over a period of five years. The Plan also allowed participants to elect a single lump sum distribution on the first anniversary year following termination of employment.

Effective June 17, 2021, the Plan was amended to allow for a partial distribution as soon as reasonably practicable after the termination date (see Note 4) to each participant in a single lump sum of 85% of the value of the participant's account. As soon as administratively feasible following receipt by the Company of a determination letter from the Internal Revenue Service (IRS) establishing the continued qualification of the Plan as terminated, amounts remaining in the participant accounts were distributed in accordance with participant elections. On September 29, 2021, the Company received IRS approval to terminate the Plan; therefore, the remaining account balances were distributed in accordance with participant elections by April 11, 2022.

Forfeited Accounts

Forfeitures of nonvested account balances were re-allocated to remaining eligible participants. Due to the termination of the Plan (see Note 4), there were no forfeitures allocated for the period from November 1, 2021 through April 11, 2022. There was no balance in the forfeiture account at April 11, 2022.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the liquidation basis of accounting (see Note 4).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Realized gains and losses from security transactions are reported on the average cost method. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

As provided in the Plan document, administrative expenses may be paid either by the Plan or by the Company. The Plan has historically paid all the operating expenses for the Plan including fees related to the administration of the participant's accounts, audit, and valuation of securities.

Subsequent Events

The Plan has evaluated subsequent events through December 15, 2022, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at April 11, 2022 and October 31, 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Valued at the daily closing price as reported by the fund which is \$1.00.

NOTE 3 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of October 31, 2021:

	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 37,707,341	\$ -	\$ -	\$ 37,707,341
Mutual Funds	4,480,370	-	-	4,480,370
Total Assets at Fair Value	<u>\$ 42,187,711</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 42,187,711</u>

There were no Plan assets held at April 11, 2022 (see Note 4).

NOTE 4 PLAN TERMINATION

Effective June 17, 2021, the Company discontinued its contributions and resolved to terminate the Plan subject to the provisions of ERISA. As of the termination date, all participants who had not incurred a forfeiture as of November 1, 2020, became 100% vested in their accounts.

As of October 31, 2021, the Plan accrued \$33,350 in administrative expenses and investment loss of \$11,513 expected to be incurred through liquidation. All assets were paid to participants as of April 11, 2022.

NOTE 5 PLAN TAX STATUS

The Plan was placing reliance on a determination letter dated January 30, 2018, received from the IRS on the Plan indicating that the Plan is qualified and the trust established under the Plan is tax exempt under the appropriate sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. On September 29, 2021, the Company received IRS approval to terminate the Plan.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks.
