INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Alro Steel Corporation and Subsidiaries Retirement/401(k) Plan
Jackson, Michigan

Opinion

We have audited the financial statements of Alro Steel Corporation and Subsidiaries Retirement/401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of May 31, 2022 and 2021, and the related changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of May 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ALRO STEEL CORPORATION AND SUBSIDIARIES
RETIREMENT/401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
AS OF AND FOR THE YEARS ENDED MAY 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of the Alro Steel Corporation and Subsidiaries Retirement/401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Plan Sponsor—Alro Steel Corporation (the "Company") has sponsored the Plan since its inception. The Company functions as Plan administrator for various responsibilities of sponsorship (such as accounting, Plan design, and benefits administration) through appropriate Company personnel.

General—The Plan is a defined contribution plan for all employees not covered under an existing collective bargaining agreement except for employees covered under the miscellaneous warehouse employees union Local No. 781. John Hancock Retirement Plan Services ("John Hancock") serves as the investment manager for the Plan. John Hancock is the Plan's recordkeeper. John Hancock Trust Company serves as the trustee for the Plan's assets with four officers of the Company functioning as co-trustee for participants' life insurance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Contributions—Elective 401(k) salary reduction contributions are permissible under the Plan whereby participants may contribute 1% to 50% of their compensation to the Plan, subject to certain Internal Revenue Code limitations. The board of directors of the Company (the "Board of Directors") shall determine the employer's annual amount to be contributed to the Plan. The Company matched the participant's contribution in an amount equal to 50% up to the first 5% of employee elective deferrals. Additional amounts may be contributed at the discretion of the Board of Directors. The Board of Directors elected to provide a 7.5% discretionary contribution of eligible compensation for the year ended May 31, 2022, and 6.5% for the year ended May 31, 2021. A nonelective 3% safe harbor contribution was also made for the years ended May 31, 2022, and 2021. Participant rollover contributions include contributions from another qualified plan. All contributions are remitted to the trustee, John Hancock Trust Company, and invested in the manner elected by the participant. Additionally, participants are allowed to make after-tax contributions to the Plan.

Vesting—Participants vest in discretionary Company contributions and related earnings at the rate of 20% after completion of two years of service and 20% for each year of service thereafter. Participants become fully vested after six years of service.

Participants are vested immediately in employee 401(k) contributions, after-tax contributions, rollover contributions, Roth 401(k) contributions, nonelective safe harbor contributions, and related earnings.

Forfeitures—Participants who terminate employment and incur a break in service prior to becoming fully vested will forfeit the unvested portion of their account. A break in service is defined as a Plan year in which a participant has 500 or fewer hours of service with the Company. Forfeitures are allocated on a pro rata basis to continuing participant accounts based on a ratio of eligible compensation of an

individual participant to the eligible compensation of all participants for such Plan year. There were no unallocated forfeitures at May 31, 2022 and 2021.

Notes Receivable from Participants—Participants may secure loans from their accounts in accordance with Plan provisions. Participant loans are limited to the lesser of (1) $50,000 reduced by the highest outstanding loan balance during the preceding 12-month period or (2) one-half of the vested value of the participant's account attributable to the participant's elective deferrals. Participant loans must be repaid within five years and carry a market rate of interest determined at the time of the loan. The loans bear interest between 4.5% to 4.75% and mature from 2022 to 2027.

Payment of Benefits—Participants may retire at age 65 or elect early retirement as early as age 55 if they have completed six years of service. Upon retirement, participants' balances in the Plan become fully vested and can be distributed in a lump sum or in installments, including the purchase of an annuity contract.

In the event of death or disability, a participant's interest in the Plan becomes fully vested and can be distributed in a lump sum or in installments, including the purchase of an annuity contract. Designated beneficiaries are maintained on file by the Plan administrator.

If a participant's termination is other than for retirement, disability, or death, the vested balance can be distributed after a minimum of 15 days in a lump sum or in installments, including the purchase of an annuity contract.

There were no amounts allocated to accounts of persons who elected to withdraw from the Plan but have not yet been paid as of May 31, 2022 and 2021.

Administrative Expenses—Recordkeeping fees are primarily paid by the Plan with some recordkeeping fees paid by the Company. Other administrative fees are paid principally by the Company.

Transfers—Along with the Plan, the Company also sponsors a 401(k) plan for union employees. If employees change their status during the year, their account balances may be transferred into or out of the corresponding plan. For the years ended May 31, 2022 and 2021, plan transfers to were $1,001,758 and $697,208, respectively.

Investment Options—Participants select their investment options among various funds that are held by the Alro Steel Corporation Master Trust (the "Master Trust").

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market volatility includes risks related to pandemics and international conflicts. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of

investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition—The Plan has a divided interest in the Master Trust. The underlying investments of the Master Trust include mutual funds, which are stated at fair value. Shares of mutual funds are valued at quoted market prices in an active market, which represent the net asset value of shares held by the Plan at year-end. The fully benefit-responsive investment contract held in the Master Trust is stated at contract value. The cash surrender value of participants' life insurance is based on the present value of future cash flows.

The guaranteed investment contract is invested principally in insurance companies, investment contract is issued by banks; synthetic investment contracts (SICs) is issued by banks, insurance companies and other issuers, and other securities supporting such SICs, and other similar instruments, which are intended to maintain a constant net asset value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the fund, plus credited earnings, less participant withdrawals. See Note 5 for additional information on the guaranteed investment contract.

Purchases and sales of securities are recorded within the Master Trust on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Master Trust for investments in the mutual funds are deducted from income earned, on a daily basis, and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants—Loans receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Cash Surrender Value of Participants' Life Insurance—Cash surrender value of participants' life insurance is stated at fair value and represents accumulated paid-up premiums to date, plus accrued interest on such accumulated paid-up premiums.

Payment of Benefits—Benefit payments to participants are recorded upon distribution.

3. INVESTMENT IN MASTER TRUST

The Plan is a participant in the Master Trust. The Master Trust was created and established for the purpose of investing, accumulating, and distributing the funds to provide retirement benefits to participants under the provisions of the Plan.

The other plans participating in the Master Trust are the Alro Steel Corporation and Subsidiaries Retirement/401(k) Plan (Money Purchase Portion), the Alro Steel Corporation Union Employees' 401(k) Plan, and the Alro Steel Corporation Union Employees' Money Purchase Pension Plan. Earnings and expenses for the year are allocated by the trustee based primarily upon the Plan's interest in certain investments in the Master Trust.

Net assets available for benefits for the Master Trust as of May 31, 2022 and 2021, are as follows:

	2022	2021
Investments:		
Mutual funds—at fair value	$302,384,059	$321,929,603
Guaranteed investment contracts—at contract value	111,174,692	112,124,922
Net assets available for benefits	$413,558,751	$434,054,525

Changes in the Master Trust for the years ended May 31, 2022 and 2021, are as follows:

	2022	2021
Net assets available for benefits—beginning of year	$ 434,054,525	$ 340,387,394
Interest income	2,626,242	2,685,732
Dividend and other (loss) income	25,681,242	4,022,240
Net (depreciation) appreciation in fair value of mutual funds	(53,872,629)	78,788,990
Net investment (loss) income	(25,565,145)	85,496,962
Contract administrator fees	(831,099)	(1,011,057)
Transfers of assets:		
To Master Trust	38,535,881	34,396,449
From Master Trust	(32,635,411)	(25,215,223)
Net (decrease) increase	(20,495,774)	93,667,131
Net assets available for benefits—end of year	$ 413,558,751	$ 434,054,525

The Plan's investments in the net assets available for benefits of the Master Trust at May 31, 2022 and 2021, are as follows:

	2022	Trust	2021	Trust
Investments:				
Mutual funds—at fair value	$280,154,715		$296,241,360	
Guaranteed investment contracts—at contract value	97,572,686		97,695,673	
Investments available for benefits	$377,727,401	90 %	$393,937,033	90 %

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification 820 established a single authoritative definition of fair value, set a framework for measuring fair value, and required additional disclosures about fair value measurements. In accordance with ASC 820, the Plan classifies its investments into Level 1, which refers

to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Transfers between Levels—The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

A summary of the Master Trust's investments measured at fair value on a recurring basis set forth by level within the fair value hierarchy of the Master Trust assets by major category for debt and equity securities at May 31, 2022 and 2021, is as follows:

	Fair Value Measurements at May 31, 2022			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	$ 302,384,059	$ -	$ -	$ 302,384,059

	Master Trust Assets Fair Value Measurements at May 31, 2021			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	$321,929,603	$ -	$ -	$321,929,603

A summary of the Plan's investments held outside the Master Trust measured at fair value on a recurring basis set forth by level within the hierarchy at May 31, 2022 and 2021, is as follows:

	Fair Value Measurements at May 31, 2022			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Cash surrender value of participant's life insurance	$ -	$ -	$ 2,230,584	$ 2,230,584
The amount of total gains or (losses) for the period included in changes in net assets attributable to the change in unrealized gains or (losses) related to assets still held at the reporting date	$ -	$ -	$ (306,127)	$ (306,127)

	Assets Held Outside the Master Trust Fair Value Measurements at May 31, 2021			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Cash surrender value of participant's life insurance	$ -	$ -	$ 2,536,711	$ 2,536,711
The amount of total gains or (losses) for the period included in changes in net assets attributable to the change in unrealized gains or (losses) related to assets still held at the reporting date	$ -	$ -	$ 87,100	$ 87,100

A reconciliation of the beginning and ending balances of the fair value measurements of assets held outside the Master Trust using significant unobservable inputs (Level 3) at May 31, 2022, is as follows:

	Cash Surrender Value of Participant's Life Insurance
Beginning balance—June 1, 2021	$ 2,536,711
Depreciation in cash surrender value	(306,127)
Ending balance—May 31, 2022	$ 2,230,584

A reconciliation of the beginning and ending balances of the fair value measurements of assets held outside the Master Trust using significant unobservable inputs (Level 3) at May 31, 2021, is as follows:

	Cash Surrender Value of Participant's Life Insurance
Beginning balance—June 1, 2020	$2,449,861
Distributions	(250)
Appreciation in cash surrender value	87,100
Ending balance—May 31, 2021	$2,536,711

5. INVESTMENT CONTRACTS WITH INSURANCE COMPANY

Participants can elect to invest their contributions in a fully benefit-responsive investment contract with New York Life Insurance Company ("New York Life") held in the Fixed Income Fund of the Master Trust. Contributions are maintained in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the Master Trust financial statements at contract value as reported to the Master Trust by the insurance company. GAAP allows fully benefit-responsive contracts, such as the investment contract with New York Life, to be stated at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract has certain restrictions that affect the ability to collect the full contract value; for example, the Plan may not withdraw more than 25% of the beginning-of-the-year balance of the contract without incurring a penalty. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The insurance company may not unilaterally terminate the contract and distribute any amount less than the contract value.

The insurance company is contractually obligated to pay the principal and specified interest rate that are guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a semi-annual basis for resetting. The crediting rate of the contract will track current market yields on a trailing basis.

6. CASH SURRENDER VALUE OF PARTICIPANTS' LIFE INSURANCE

A Plan participant may elect to apply a portion of his/her contributions toward the purchase of whole life insurance policies. The participant's account balance is reduced by the premium amount paid on his/her behalf. The cash surrender value of a participant's policy is credited to his/her individual account. At the time a participant is entitled to distribution, the Plan administrator distributes the insurance contract to the participant as part of the proceeds of the participant's vested balance.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan's Form 5500 does not include certain participant loan receivable balances that have been recorded in Form 5500 as deemed distributions of participant accounts. The accompanying Statements

of Net Assets Available for Benefits include the aforementioned amounts. A reconciliation of net assets available for benefits per the financial statements at May 31, 2022 and 2021, to Form 5500 is as follows:

	2022	2021
Net assets available for benefits per the financial statements	$406,653,704	$418,360,850
Deemed distributions of notes receivable from participants	(127,859)	(148,385)
Net assets available for benefits per Form 5500	$406,525,845	$418,212,465

A reconciliation of the net decrease (increase) in net assets available for benefits per the financial statements for the year ended May 31, 2022 to Form 5500 is as follows:

	2022
Net decrease per the financial statements	$ (11,707,146)
2021 Deemed distributions of notes receivable from participants	148,385
2022 Deemed distributions of notes receivable from participants	(127,859)
Total decrease in net assets per the Form 5500	$ (11,686,620)

9. PRIORITIES ON PLAN TERMINATION

While the Company has not expressed any intent to discontinue the Plan, it is free to do so at any time in whole or in part. Upon the complete or partial termination of the Plan, the accounts of all participants become fully vested and nonforfeitable.

10. TAX STATUS

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of May 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

The Plan obtained its latest determination letter dated August 16, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, management believes the Plan, as amended, complies with the applicable sections of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

11. SUBSEQUENT EVENTS
