INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Evolution Medical Communications Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Evolution Medical Communications Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Evolution Medical Communications Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Evolution Medical Communications Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Evolution Medical Communications Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Evolution Medical Communications Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year and Delinquent Participant Contributions as of or for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of Evolution Medical Communications Retirement Plan were audited by Leaf, Miele, Mangenelli, Fortunato & Engel, LLC who merged with Aprio, LLP as of June 1, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EVOLUTION MEDICAL COMMUNICATIONS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note A

Description of Plan

The following description of Evolution Medical Communications Retirement Plan (the "plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

General:

The plan is a defined contribution plan established on January 1, 2014, by Evolution Medical Communications, LLC (the "company" or "employer") under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the company. The Plan has been amended and restated throughout the years to comply with tax regulation. The Plan was last restated effective January 1, 2016, to comply with the PPA restatement period. The plan provisions cover all employees of the company, except union employees and nonresident aliens as defined by the plan document, who have attained the age of 21 and who have completed 3 months of service are eligible to participate upon allowed quarterly entry dates. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustees are responsible for oversight of the plan. The investment committee determines the appropriateness of the plan's investment offerings, monitors investment performance, and reports to the plan's trustee.

Contributions:

Each year, participants may contribute the maximum amount allowed by law which is determined annually by the Internal Revenue Service. Participants who have attained age 50 prior to the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the plan. The Company makes safe harbor matching contributions and has the option to make a discretionary profit sharing contribution. During 2021, the Company made safe harbor matching contributions equal to 4% of compensation as explicitly defined by the plan document. For the year ended December 31, 2021, the company did not make any discretionary profit sharing contributions. All contributions are subject to certain Internal Revenue Service limitations.

Participant Accounts:

Each participant's account is credited with the participant's contributions and allocations of the company's contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note A

Description of Plan (Continued)

Vesting:

Participants are immediately vested in their contributions and employer safe harbor matching contributions plus actual earnings or losses thereon. Vesting in the company's nonelective profit sharing contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits:

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant will receive the value in his or her account as a lump-sum distribution. In-service withdrawals are permitted at age 59 1/2 from all vested accounts. In addition, hardship withdrawals are permitted if certain criteria are met.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. Loan terms may not exceed five years, except that any loan used to purchase the participant's principal residence may be repaid over a longer repayment term determined by the Administrator of the Plan. The loans bear interest equal to 1% above the prime rate at the time of the loan. Principal and interest is paid ratably through payroll deductions.

Note B

Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with U.S. GAAP.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan's valuation policies. See Note H for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

EVOLUTION MEDICAL COMMUNICATIONS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note B

Significant Accounting Policies (Continued)

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan is reduced and a benefit payment is recorded.

Payment of Benefits:

Benefit distributions, determined in accordance with provisions of the Plan, are recorded when paid.

Plan Expenses:

Certain expenses of maintaining the plan are paid by the company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Other transaction fees are also charged directly to the specific participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events:

Effective January 1, 2022, the Plan was formally amended and restated to comply with the IRS Cycle 3 remedial restatement period.

Subsequent events have been evaluated through December 16, 2022, which is the date the financial statements were available to be issued.

Note C

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

EVOLUTION MEDICAL COMMUNICATIONS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note D

Information Certified by the Trustee of the Plan

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A) (the trustee of the Plan).

Note E

Related Party Transactions

Plan investments are interests in pooled separate accounts and stable value fund that are managed by John Hancock Life Insurance Company (U.S.A). John Hancock Life Insurance Company (U.S.A) is the trustee as defined by the plan and, therefore, these transactions qualify as party-in interest transactions.

Fees paid directly by the plan to John Hancock Life Insurance Company (U.S.A) for record keeping services and for transactional fees totaled \$33,545 for the year ended December 31, 2021.

Note F

Income Tax Status

The volume submitter plan has received an opinion letter dated March 31, 2014, from the Internal Revenue Service (IRS) as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note G

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

EVOLUTION MEDICAL COMMUNICATIONS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note H

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three Levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability; and
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: Pooled separate accounts (PSAs) invest in mutual funds. The fair value of the mutual funds is a publicly quoted pricing input and is used for determining the net asset value (NAV) of the PSAs, which is not publicly quoted. These PSAs can generally be redeemed at NAV as of the measurement date.

Stable value fund: The net asset value (NAV) for each unit class of the trust is calculated daily by dividing the net assets applicable to each unit class by the respective number of units outstanding for the class. Deposits to and withdrawals from the trust may be made daily at the current net asset value (NAV) per unit. Each unit is equal in value to every other unit.

EVOLUTION MEDICAL COMMUNICATIONS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note H

Fair Value Measurements (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

December 31, 2021				
<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,959,551</u>

- (a) The pooled separate accounts and stable value funds are measured using NAV as a practical expedient. In accordance with the guidance in ASU 2015-07 which has been adopted by the Plan, this investment has not been classified in the fair value hierarchy table. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value Measurements (Continued)

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts	\$ 6,019,522	N/A	Max 2 per month	N/A ***

December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts	\$ 4,956,469	N/A	Max 2 per month	N/A ***
John Hancock Stable Value	\$ 3,082	N/A	Max 2 per month	N/A ***

*** Although there is no notice period limitation for redemptions, participants who take redemptions from individual funds are not allowed to transfer back into those funds until the 30-day holding period has expired. New contributions are allowed during this time period. See also Note I for additional information regarding the John Hancock Stable Value Fund.

Note I

Stable Value Fund

The John Hancock Stable Value Fund (the Fund) is an investment option with the group annuity contract. The fund sub-account invests into the John Hancock Stable Value Fund Collective Investment Trust (the trust). Global Trust Company is the trustee of the trust and State Street Bank & Trust Company is the custodian and transfer agent for the fund.

EVOLUTION MEDICAL COMMUNICATIONS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note I

Stable Value Fund (Continued)

The underlying trust itself is generally fully benefit-responsive and honors eligible redemption at \$1.00 per unit. As a result, (i) the daily net asset value (NAV) published by the trust is a stable \$1.00 per unit, and is effectively its contract value, (ii) that value is used for valuing the sub-account and determining sub-account unit values, and (iii) the sub-account does not have to reflect the actual market values of the trust's net assets. The trust currently offers four classes of units. The net asset value for each unit class of the trust is calculated daily by dividing the net assets applicable to each unit class by the respective number of units outstanding for the class. Deposits to and withdrawals from the trust may be made daily at the current net asset value per unit. Each unit is equal in value to every other unit. Global Trust Company expects that the value of each unit will remain constant at \$1.00, although there is no assurance that it will remain constant at \$1.00. Units are valued each day Global Trust Company is open for business.

All withdrawals initiated by a participating plan or its sponsor (participating plan directed withdrawal) and all participant withdrawals deemed to be participating plan directed withdrawals shall be effected no later than twelve months from the date that withdrawal instructions are received. Upon the delivery of withdrawal instructions, the participating plan shall have the option to either (i) receive such withdrawal on the normal funding date, subject to the application of a market value adjustment factor, or (ii) receive the withdrawal without a market value adjustment.

The market value adjustment factor shall be a fraction equal to the difference between the book value of the fund and the market value of the fund's assets (adjusted for any accrued but unpaid expenses as of the determination date), divided by the book value of the fund on such date as determined and reported.

The trust's investments earn a return expected to equal the gross credit rate. The gross crediting rate is primarily based on the current yield-to-maturity of the covered investments, plus or minus amortization of the difference between the market value and contract value of the covered investments over the duration of the covered investment at the time of computation. The gross crediting rate can be adjusted periodically and is usually adjusted either monthly or quarterly, but in no event is the gross crediting rate less than zero. The occurrence of an event that would limit the ability of the fund to transact contract value with the participants in the fund is not probable.

Note J

Prohibited Transactions

The Company did not timely remit certain Participant contributions and loan repayments in 2021, 2020 and 2019 within the period prescribed by the Department of Labor. This is deemed to be a prohibited transaction in accordance with ERISA and the Internal Revenue Code. The Company corrected the prohibited transactions for the years ended December 31, 2019 and 2020, by reimbursing the Plan for lost earnings during 2021.

The following is a reconciliation of net increase in net assets per the financial statements for the year ended December 31, 2021, to Schedule H of Form 5500:

Net increase in net assets per the financial statements	\$ 1,155,498
Amounts allocated to withdrawing participants	<u>180,695</u>
Net increase in net assets per Schedule H of Form 5500	<u>\$ 1,336,193</u>

Reporting of Investments:

The Plan has several investment options including pooled separate accounts and a stable value fund which are reported differently on the IRS Form 5500 than in these financial statements. These investments do not report directly to the Security and Exchange Commission as a direct filing entity (DFE), and therefore, are required to be reported at the details of the underlying investments on the Form 5500. However, these investments are reported in the statements of net assets available for benefits as pooled separate accounts and a stable value fund in total, as provided by the trustee. This represents a classification difference, however, the reported amounts per financial statements and Form 5500 agree as of and for the years ended December 31, 2021 and 2020.
