INDEPENDENT AUDITOR'S REPORT

Plan Committee
Celestica Precision Machining 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Celestica Precision Machining 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for Plan benefits as of December 31, 2021, and the related statement of changes in net assets available for Plan benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule Schedule H, Line 4i – Schedule of Assets (Held at End of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CELESTICA PRECISION MACHINING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Celestica Precision Machining 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan that was established in 2012 by D&H Manufacturing to provide benefits to eligible employees, as defined in the Plan document. Celestica Precision Machining acquired D&H Manufacturing in 2012. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (“IRC” or the “Code”), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Plan was last amended on January 1, 2020 to introduce safe harbor contributions of 3% with 12-month service requirement.

Administration

The Company has appointed a Plan Administrator to manage the operation and administration of the Plan. The Company has contracted with Charles Schwab Bank (“Charles Schwab”) to act as the custodian, RiversEdge, a third-party administrator to process and maintain the records of participant data and Silicon Valley Retirement Services, an investment advisor and consultant.

Participant Contributions

Participants may elect to have the Company contribute their eligible pre-tax or Roth after-tax compensation to the Plan up to the amount allowable under the Plan document and current income tax regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants who have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Contributions withheld are invested in accordance with the participant’s direction.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant’s direction and the Plan’s provisions.

Employer Contributions

The Employer makes safe harbor nonelective contributions equal to 3% of compensation for all eligible participants with a 12-month service requirement. As set forth in the Plan, the Company may make discretionary, non-elective and employer matching contributions to qualified employees. The Company did not make any discretionary employer contributions during 2021.

Eligibility

Employees of the Company are eligible to participate in the Plan immediately upon hire. Employees must complete six months of services to receive discretionary employer contributions and twelve months of services to receive safe harbor contributions.

CELESTICA PRECISION MACHINING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their contributions and safe harbor employer contributions including actual earnings thereon. Participants are vested in discretionary, non-elective and employer matching contributions as follows:

<u>Completed Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 but less than 2 years	25%
2 but less than 3 years	50%
3 but less than 4 years	75%
4 or more years	100%

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, rollovers from qualified plans of the participant's previous employers, and allocations of the Plan's earnings and administrative expenses. Each participant's account is credited with the participant's contribution, Plan earnings or losses and an allocation of the Company's contribution, if any.

Investment Options

Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via the Internet website or by using the automated telephone system offered by the custodian.

Payment of Benefits

Upon termination of employment, death, disability or upon attainment of age 59 ½, a participant or participant's beneficiaries may elect to leave his/her account balance in the Plan, or receive the total benefits in a lump sum amount or monthly installments equal to the value of each participant's interest in his/her account. Vested benefits of \$5,000 or less will be paid in a lump sum.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

CELESTICA PRECISION MACHINING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

The Plan allows participants to borrow up to the lesser of \$50,000 or 50% of their vested account balance. The loan must be a minimum of \$1,000. The notes are secured by the participant's vested balance. Such notes bear interest similar to those who charge interest in the business of lending money (prime rate) plus 1%. The loan must be repaid to the Plan within a five-year period unless the note is used for the purchase of a principal residence in which case the maximum repayment period is fifteen years. Participants may only have one loan outstanding at any time. The specific terms and conditions of such notes are established by the Company. Outstanding notes receivable from participants at December 31, 2021 and 2020 carry interest rates from 4.25% to 6.25% and mature through 2026.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Estimates

The preparation of financial statements in conformity U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought or sold as well as held during the year.

Management fees charged to the Plan for investments in registered investment companies are based on assets invested and are deducted on a daily basis. Management fees are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. There were no delinquent notes receivable from participants as of December 31, 2021 and 2020. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

CELESTICA PRECISION MACHINING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Benefit Payments

Benefit payments to participants are recorded when paid.

Plan Expenses

The Plan currently pays for most of the Plan's expenses. Plan expenses not paid by the Company, will be charged on a pro-rata basis to the value of the participants account balances.

Income Taxes

The Plan has adopted a form of a pre-approved Volume Submitter document. The Volume Submitter plan has received an opinion letter from the Internal Revenue Service ("IRS") as to the Volume Submitter plan's qualified status. The Volume Submitter plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC. Therefore, no provisions for income taxes have been recorded in the Plan's financial statements.

Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits and the statement of changes in net assets available for Plan benefits.

Subsequent Events

The Plan has evaluated subsequent events through December 12, 2022, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENT

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

CELESTICA PRECISION MACHINING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENT (Continued)

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2021 and 2020. Following are descriptions of valuation methodologies used for assets measured at fair value.

Interest-bearing cash

Valued at the carrying value, which approximates fair value due to the short-term nature of such investments.

Registered investment companies (mutual funds)

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts

Units held in common collective trusts ("CCT") are valued using the net asset value practical expedient (NAV) of the CCT as reported by the CCT managers. NAV is based on fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV of a CCT is calculated based on a compilation of primarily observable market information. The CCTs have daily redemption frequency, no redemption period or restrictions and has no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CELESTICA PRECISION MACHINING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENT (Continued)

The following tables disclose the fair value hierarchy of the Plan's assets by level as of December 31, 2021 and 2020:

NOTE 4 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by an affiliate of Charles Schwab Bank, the custodian of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

CELESTICA PRECISION MACHINING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – CERTIFIED INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. According, Charles Schwab Bank, the custodian of the Plan, has certified the completeness and accuracy of:

- Investments and notes receivable from participants reflected in the accompanying statements of net assets available for Plan benefits as of December 31, 2021 and 2020;
- Net appreciation in fair value of investments, dividend and interest income, and interest income on notes receivable from participants reflected in the accompanying statement of changes in net assets available for Plan benefits for the year ended December 31, 2021;
- Assets reflected in the Supplemental Schedule H, Line 4i - Schedule of assets (Held at End of Year) as of December 31, 2021.

NOTE 6 – UNCERTAIN TAX POSITIONS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements.

NOTE 7 – PLAN TERMINATION OR MODIFICATION

The Company intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time by resolution of its Board of Directors and is subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for Plan benefits would be distributed to the participants based on each participant's interest in the Plan.
