INDEPENDENT AUDITOR'S REPORT

To the 401(k) Committee
Koike Aronson, Inc. Savings Investment Plan
Arcade, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Koike Aronson, Inc. Savings Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of assets (held at end of year) as of March 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

KOIKE ARONSON, INC. SAVINGS INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of Koike Aronson, Inc. Savings Investment Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan sponsored by Koike Aronson, Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The 401(k) Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Beginning in April 2020, the Plan enacted several provisions from the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), specifically, allowing coronavirus-related distributions and loan deferments throughout the remainder of 2020. The CARES Act distribution provision allowed participants to withdraw up to \$100,000 due to adverse financial consequences from COVID-19. Loan deferments allowed impacted participants to defer their 401(k) loan repayments through the remainder of 2020, with loans being re-amortized, and loan repayments restarting in 2021.

Eligibility:

As of January 1, 2022, except for certain classifications, employees of the Company are eligible to participate in the Plan on the first day of the month coinciding with or following three months of service and once they have reached the age of eighteen. Prior to January 1, 2022, the service requirement was six months.

Contributions:

Participants may contribute pre-tax contributions to the Plan up to 90% of eligible compensation, as defined. Participants may also make voluntary Roth contributions to the Plan. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions up to 100% of eligible compensation, as defined. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 6% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant. Participants' deferral elections are automatically escalated by 1% each year on November 30, up to a maximum of 12%, unless they affirmatively elect not to escalate their deferral election.

The Company makes a non-elective safe harbor contribution equal to 3% of eligible compensation, as defined, which amounted to \$191,319 and \$169,427 for the years ended March 31, 2022 and 2021, respectively.

KOIKE ARONSON, INC. SAVINGS INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

The Board of Directors of the Company may also determine an additional non-elective amount to be contributed on a discretionary basis. Any additional discretionary amounts would be allocated on a pro-rata basis based on the eligible compensation of the participant to the total eligible compensation of all participants. The Company made a discretionary contribution each pay period equal to 1% of eligible compensation, as defined, which amounted to \$63,773 and \$56,475 during the years ended March 31, 2022 and 2021, respectively.

During the Plan year ended March 31, 2021, both the safe harbor and non-elective contribution were suspended from June 15, 2020 until November 2, 2020. However, upon reinstatement of the contributions, the Plan made a true up contribution in an amount equal to the missed contributions during the time of suspension.

Contributions are subject to certain limitations of the Internal Revenue Code (the Code). Participants direct the investment of contributions into various investment options offered by the Plan.

Participant accounts:

Each participant's account is credited with the participant's contributions, Company contributions, an allocation of Plan earnings, reduced for benefits paid, and charged directly for loan origination and benefit processing fees, if applicable, and an allocation of other administrative expenses. Allocations of Plan earnings are based on the investments held by the participant and the allocation of administrative expenses are based on participant account balances. The benefit to which a participant is entitled is limited to that which can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions and the Company's non-elective safe harbor contributions, plus actual earnings thereon. Vesting of discretionary Company contributions, including discretionary matching contributions, is based on years of continuous service. A participant is 100% vested after three years of credited service, as defined. Vesting is immediate upon death, termination of employment due to disability or attainment of retirement age, as defined.

Forfeitures:

At March 31, 2022 and 2021, forfeited non-vested accounts totaled \$3,561 and \$29,822, respectively. Forfeitures of non-vested contributions made by the Company are used to pay administrative expenses of the Plan or to reduce the Company's contributions. Forfeitures were used for these purposes in the amount of \$35,327 and \$13,423 in 2022 and 2021, respectively.

KOIKE ARONSON, INC. SAVINGS INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Payment of benefits:

Other than what is provided for under the CARES Act, on termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments. Distributions are also permitted in the event of financial hardship, as defined by the Plan, and for participants who have attained age 59½.

Notes receivable from participants:

Participants may borrow from their account a minimum of \$1,000 up to a maximum loan equal to the lesser of \$50,000 less the participant's highest outstanding loan borrowed in the prior twelve months or 50% of their vested account balance. A participant may not have more than one loan outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the Plan Administrator (generally the prime rate plus 1%). Other than what is provided for under the CARES Act, loans must be repaid in at least monthly installments over a maximum term of 5 years for personal loans and 10 years for the purchase of the participant's primary residence. Principal and interest are paid ratably through payroll deductions.

Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Plan pays for fees related to the origination of notes receivable from participants and benefit processing fees which are charged directly to the participant's account. The Plan also directly pays for certain recordkeeping fees and investment advisory fees. Investment related expenses related to fund management are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment from the Plan.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements have been prepared using the accrual basis of accounting.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by Fidelity Management Trust Company (FMTTC). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains and losses on investments bought and sold, as well as held during the year.

KOIKE ARONSON, INC. SAVINGS INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (Continued)

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of March 31, 2022 and 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Excess contributions:

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. No liability was required to be recorded at March 31, 2022 and 2021.

Benefits paid to participants and beneficiaries:

Benefits are recorded when paid.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events:

Subsequent events have been evaluated through December 14, 2022, which is the date the financial statements were available to be issued.

Note 3. Information Certified by the Plan's Trustee

The following is a summary of the Plan's asset information as of March 31, 2022 and 2021, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by FMTC. The Plan Administrator has obtained a certification from FMTC that information provided to the Plan Administrator by the custodians related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

Note 3. Information Certified by the Plan's Trustee (Continued)

	2022	2021
Investments at fair value:

	<u>\$ 17,077,333</u>	<u>\$ 17,428,297</u>
Notes receivable from participants	<u>\$ 22,941</u>	<u>\$ 49,461</u>

FMTC has also certified to the completeness and accuracy of net appreciation in fair value of investments of \$457,332 and \$4,444,242, dividend income of \$71,132 and \$24,157 and interest income on notes receivable from participants of \$1,996 and \$2,762 for the years ended March 31, 2022 and 2021, respectively.

Note 4. Fair Value Measurements

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at March 31, 2022 and 2021.

KOIKE ARONSON, INC. SAVINGS INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at the NAV of units of a bank collective trust. The NAV, as provided by FMTC, is used as a practical expedient to estimate fair value. The NAV is primarily based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value at March 31, 2022 and 2021. The classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,634,098	\$ -	\$ -	\$ 1,634,098
Collective trust funds measured at NAV ^(a)				15,443,235
Investments at fair value				\$ 17,077,333
	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 942,469	\$ -	\$ -	\$ 942,469
Collective trust funds measured at NAV ^(a)				16,485,828
Investments at fair value				\$ 17,428,297

(a) In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of March 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

(b) The Trustee of the Wilmington Trust, N.A. collective trust funds may, at its sole discretion, delay participant redemptions up to 10 business days.

There were no unfunded commitments related to the collective trust funds at March 31, 2022 and 2021.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 6. Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by Fidelity Management & Research Company. The prototype plan has received an opinion letter from the IRS as to the prototype plan's qualified status dated June 30, 2020. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

KOIKE ARONSON, INC. SAVINGS INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 7. Party-In-Interest Transactions

A party-in-interest is defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, certain participants, and others. The Plan allows participants to take loans from their accounts in the Plan. Certain notes receivable from participants and income thereon qualify as party-in-interest transactions.

Lawley Retirement Advisors (Lawley) provides investment advisory services to the Plan and, therefore, transactions with Lawley qualify as party-in-interest transactions. Investment advisory services provided by Lawley were paid directly by the Company for the years ended March 31, 2022 and 2021.

FMTC is the trustee of the Plan and, therefore, transactions with FMTC also qualify as party-in-interest transactions. Fees paid to an affiliate of FMTC for loan origination and recordkeeping services amounted to \$36,052 and \$13,923 for the years ended March 31, 2022 and 2021, respectively.

Certain Plan investments are shares of mutual funds managed by an affiliate of FMTC. FMTC is the trustee as defined by the Plan and, therefore, transactions within these investment funds qualify as party-in-interest transactions. Fees incurred by the fund for investment management fees are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment from the Plan.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
