INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrator of
Plaza Construction LLC Employees' Savings Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Plaza Construction LLC Employees' Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit

conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statement

We were engaged to audit the statement of net assets available for benefits of the Plan and related notes to the financial statement as of December 31, 2020 (2020 financial statement). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence

to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statement, and (b) the form and content of the information included in the 2020 financial statement other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PLAZA CONTRUCTION LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS ***DECEMBER 31, 2021 AND 2020***

1. DESCRIPTION OF PLAN

The following description of the Plaza Construction LLC Employees' Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective June 2, 2014. The Plan is a defined contribution plan covering substantially all full-time employees of Plaza Construction LLC and its affiliated companies: Plaza Construction California LLC, Plaza Construction Group Florida, LLC and Plaza Construction DC, LLC, except for nonresident aliens, collective bargaining (union) employees, interns and self-employed individuals. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 ("ERISA").

The Plan's assets and participant account records were maintained by Wells Fargo Bank, N.A. ("Wells Fargo"). On July 1, 2019, Principal Financial Group closed the acquisition of Wells Fargo's Institutional Retirement and Trust ("IRT") business with Wells Fargo. Through June 17, 2021, Wells Fargo continued to operate and service the Plan for the benefit of Principal, including providing recordkeeping, trustee, and custody services under a transition services agreement. On June 17, 2021, the Plan migrated to Principal Financial Group, and accordingly all Plan assets and participant account records were migrated from Wells Fargo to Principal Trust Company.

In connection with the migration, the Plan announced a blackout period from June 17, 2021 to June 22, 2021. During the blackout period, participants were unable to direct or diversify investments in their accounts, obtain a loan from the plan or obtain a distribution from the plan.

Eligibility

Employees are eligible to participate in the Plan and receive discretionary employer matching contributions and discretionary employer non-elective contributions upon their date of hire. Employees eligible to participate in the Plan can enroll in the Plan immediately following or coinciding with the day they satisfy their eligibility requirements.

Contributions

The Plan allows for both pre-tax and after-tax salary deferrals. The combined limit of pre-tax and after-tax salary deferrals for a participant during a Plan year is 80% of compensation, as defined. Participants who have attained age of 50 before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions are subject

PLAZA CONTRUCTION LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS **DECEMBER 31, 2021 AND 2020**

to the terms of the Plan and are fully vested and non-forfeitable. Participants direct the investment of their contributions into various investment options offered by the Plan. If no investment election is made by participant, contributions are automatically invested in the Plan's Qualified Default Investment Alternative ("QDIA"). The Plan has elected the T. Rowe Price Retirement Funds series as its QDIA.

The Company may elect to make discretionary matching contributions to the Plan. During the year ended December 31, 2021, the Company made discretionary matching contributions to participants equal to 50% of the first 8% of pre-tax contributions deferred into the Plan, which totaled \$1,090,210. The Company may make discretionary non-elective contributions to the Plan. No discretionary non-elective contributions were made to the Plan for the year ended December 31, 2021. Contributions are subject to certain statutory limitations.

Subsequent to year end, Plan management discovered that certain participants did not receive a matching contribution for the December 31, 2021 for forms of eligible compensation as defined by the Plan. Plan management is in the process of reviewing this error and plans to make the appropriate corrections to the Plan under the Self-Correction Program as authorized under Revenue Procedure 2021-30 of the Internal Revenue Service ("IRS"). In the opinion of Plan management, these corrections would be accepted by the IRS upon examination.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's matching contributions, if any, as well as an allocation of the Company's non-elective contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's non-elective contribution and matching contribution portions of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

PLAZA CONTRUCTION LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS ***DECEMBER 31, 2021 AND 2020***

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. The interest rate on outstanding loans ranged from 4.25% to 6.50%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Participants are entitled to receive in-service withdrawals upon attainment of age 59½ or as a hardship distributions, as defined in the plan document.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$242,177 and \$281,982 respectively. Forfeiture funds are used to reduce employer contributions or pay administrative expenses. For the year ended December 31, 2021, employer contributions were reduced by \$273,919 from forfeited nonvested accounts and \$127 of forfeited nonvested accounts were used to pay administrative expenses.

ERISA Account

The Plan's service agreement with Wells Fargo Bank, N.A. (and assumed by Principal Financial Group) includes a Revenue Sharing Program whereby Wells Fargo Bank, N.A. shall rebate a portion of the revenue sharing amounts received pursuant to a 12b-1 plan or otherwise from mutual funds and collective funds for the provision of recordkeeping and other administrative services to the Plan. These amounts are rebated to the Plan's ERISA account and the Plan may use these amounts to pay Plan expenses or allocate to participant accounts. At December 31, 2021 and 2020, the Plan's ERISA account balance was \$0 and \$2,094 respectively. During the year ended December 31, 2021, the Plan received approximately \$115,000 in revenue sharing rebates and used approximately \$117,000 to pay Plan expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

PLAZA CONTRUCTION LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS ***DECEMBER 31, 2021 AND 2020***

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investment includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

PLAZA CONTRUCTION LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS ***DECEMBER 31, 2021 AND 2020***

3. CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments, at fair value and notes receivable from participants held at December 31, 2021 and 2020, and net change in fair value of investments, dividends, and interest income from notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal") and Wells Fargo Bank, N.A. (the trustees of the Plan).

In connection with Principal Financial Group's acquisition of Wells Fargo's IRT business as described in Note 1, Principal served as trustee and certified the aforementioned Plan assets held as of December 31, 2021 and investment transactions for the period from June 18, 2021 to December 31, 2021 and Wells Fargo served as trustee and certified aforementioned Plan assets held as of December 31, 2020 and investment transactions for the period January 1, 2021 to June 17, 2021.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

PLAZA CONTRUCTION LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust

Collective Investment Trusts are not publicly quoted and are priced at net asset value ("NAV"). ASC 820 allows NAV per share to serve as a practical expedient to estimate fair value.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2021			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Investments, at fair value				\$ 76,004,565

PLAZA CONTRUCTION LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Gains and losses included in the statement of changes in net assets available for benefits for the year ended December 31, 2021, are reported in net change in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021, and 2020, respectively.

	Fair Value at 12/31/21	Unfunded Commitments	Redemptions Frequency (if currently eligible)	Redemption Notice Period
Collective Investment Trust	\$ 7,319,558	N/A	Daily	None

	Fair Value at 12/31/20	Unfunded Commitments	Redemptions Frequency (if currently eligible)	Redemption Notice Period
Collective Investment Trust	\$ 7,320,150	N/A	Daily	None

5. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Wells Fargo Bank, N.A. was the Plan's trustee and recordkeeper though June 17, 2021 and therefore certain transactions qualify as party-in-interest transactions. Administrative fees of \$53,193 were paid to Wells Fargo Bank, N.A. from the Plan during the year ended December 31, 2021.

Principal is the Plan's trustee and recordkeeper since June 18, 2021 and therefore certain transactions qualify as party-in-interest transactions. Administrative fees of \$63,133 were paid to Principal from the Plan during the year ended December 31, 2021.

PLAZA CONTRUCTION LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS ***DECEMBER 31, 2021 AND 2020***

Participant contributions not transmitted by the Company within the time period set forth in the Department of Labor's regulation CFR 2510.3-102 are considered nonexempt prohibited transactions under ERISA. Participant contributions remitted during the year that constitute nonexempt prohibited transactions are reported by the Plan in the accompanying supplemental schedule as required.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

7. TAX STATUS

The Plan has adopted a volume submitter profit sharing plan with CODA and is relying on an advisory letter received Wells Fargo Bank, N.A. dated March 31, 2014 stating that the Internal Revenue Service ("IRS") has determined that the volume submitter plan adopted by the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the advisory letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of COVID-19 to be a pandemic. The COVID-19 pandemic is having widespread, rapidly evolving, and unpredictable impacts on global society, economies, and financial markets. While the effects of COVID-19 are not reflected in these Plan financial statements, there is substantial uncertainty in the nature and degree of its effects over time. The extent to which the

PLAZA CONTRUCTION LLC EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS ***DECEMBER 31, 2021 AND 2020***

COVID-19 pandemic impacts the Plan going forward will depend on numerous evolving factors which cannot be reliably predicted, including the duration and scope of the pandemic; governmental, business, and individuals' actions in response to the pandemic; and the impact on economic activity including the possibility of recession or further financial market instability.

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through December 12, 2022, the date the financial statements were available to be issued.
