INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Retirement Income Security Plan - Won-Door Corporation

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the financial statements of Retirement Income Security Plan – Won-Door Corporation, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended September 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-12 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended August 17, 2022 and December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Retirement Income Security Plan – Won-Door Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Retirement Income Security Plan – Won-Door Corporation's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Retirement Income Security Plan – Won-Door Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Retirement Income Security Plan – Won-Door Corporation's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT INCOME SECURITY PLAN-
WON-DOOR CORPORATION
NOTES TO FINANCIAL STATEMENTS
AUGUST 17, 2022 AND DECEMBER 31, 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Retirement Income Security Plan - Won-Door Corporation (the Plan), a multiple employer provides only general information. Participants should refer to the Plan agreement for a more complete description of the plan's provision. the Plan was terminated during the year. All the assets were transferred out on August 17, 2022. The Plan was transferred to Overhead Door Corporation Retirement Savings Plan.

General

The plan which is effective January 1, 1992 and restated July 1, 2020 is a defined contribution plan covering full time and part time employees of Won-Door Corporation after one year of service and over the age of 18 years. The plan is subject to the provisions of ERISA. Participation commences on the first day of the plan year quarter coinciding with the date eligibility requirements are met.

Contributions

Each Year participants may contribute up to 100% of their compensation not to exceed the maximum allowable IRC 402(g) limit of $19,500 for 2021. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified plans.

The employers may make a discretionary matching contribution equal to 50% of employee deferral and a discretionary nonelective contribution. The maximum IRC 415 limit for total contributions made on behalf of a participant (deferrals and employer contributions) is $58,000. Catch-up contributions can be made in excess of this limit.

Participants direct the investment of their contributions into various investment options offered by the plan. The plan currently offers various mutual funds as options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the company's contribution and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in employer matching contributions and nonelective contributions are based on a 6-year graded schedule:

Vesting Schedule Matching Contributions	
Years of Service	**Percentage**
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

At August 17, 2022 and December 31, 2021, forfeited non-vested accounts totaled $0 and $7,444 respectively. These accounts will be used to reduce future employer contributions and administrative expenses. Also in 2022, employer contributions and administrative expenses were reduced by $0 from forfeited non-vested accounts.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The distributable amount is equal to the value of the participant's vested interest in his or her account. Employees who elect to have their benefit payments deferred continue to share in allocations of investment income and losses but do not share in subsequent allocations of discretionary contributions.

The plan also allows for in-service distributions upon attainment of age 59½ for any reason, and before age 59½ due to financial hardship, as defined in the plan document.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting. Employer contributions and income from investments are recorded when they are earned. Employee contributions are recorded when withheld from pay. Expenses are recorded in accounting period in which they are incurred.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded in the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investment bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investments related expenses are included in net appreciation(depreciation) of the fair value of investments.

Subsequent Events

The plan has evaluated subsequent events through December 13, 2022 the date of the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan, as included in the accompany financial statements and supplemental schedules prepared by or derived from information reported by the trustee of the Plan, Matrix Trust Company, for 2022 and 2021. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate at August 17, 2022 and December 31, 2021 and for the year ended August 17, 2022, as follows:

	2022	2021
Statement of net assets available for benefits:		
Investments at fair value	$ -	$ 9,804,185
Non-Interest Bearing Cash	-	37,623
Statement of changes in net assets available for benefits:		
Investment income:		
Interest	-	
Dividend	502	
Net appreciation in fair value of investments		
Interest in 103-12 investment entities	(123,949)	

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy under FASB ASC 820 as described as follows:

Level 1	*Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.*
Level 2	*Inputs to the valuation methodology include* • *quoted prices for similar assets or liabilities in active markets;* • *quoted prices for similar assets or liabilities in inactive markets;* • *inputs other than quoted prices that are observable for the asset or liability;* • *inputs that are derived principally from or corroborated by observable market data by correlation or other means.* *If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.*
Level 3	*Inputs to the valuation methodology are unobservable and significant to the fair value measurement.*

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of observable inputs.

The following is a description of the valuation methodologies used for asset measured at fair value. There have been no changes in the methodologies used at August 17, 2022 and December 31, 2021.

Interest in 103-12 investment entities (i.e. and investment entity that holds assets of two or more plans which are not members of a related group or employee benefit plan): Valued at the unit value based on the NAV of the underlying mutual fund at year end.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of August 17, 2022 and December 31, 2021:

	Asset at Fair Value as of August 17, 2022			
	Level 1	Level 2	Level 3	Total
Interest in 103-12 investment entities	$ -	$ -	$ -	$ 0
Total asset at fair value	$ -	$ -	$ -	$ 0

	Asset at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Interest in 103-12 investment entities	$ -	$ -	$ -	$ 9,804,185
Total asset at fair value	$ -	$ -	$ -	$ 9,804,185

103-12 investments are measured at fair value using the net asset value per share or its equivalent as a practical expedient and are therefore not required to be classified in the fair value hierarchy.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize investments measured at fair value based on NAV per share as of August 17, 2022 and December 31, 2021, respectively:

August 17, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Interest in 103-12 investment entities	$ 0	None	Daily	None

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Interest in 103-12 investment entities	$ 9,804,185	None	Daily	None

Changes in fair value levels: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. We evaluate the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended August 17, 2022, the plan assets were transferred to another plan, the Overhead Door Corporation Retirement Savings Plan.

NOTE 5. NONPARTICIPANTS-DIRECTED INVESTMENTS

The Plan's participants direct all investments. There are no non-participant directed investments as of August 17, 2022 and December 31, 2021.

NOTE 6. RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Matrix Trust Company. Matrix Trust Company is the trustee for the Plan and therefore, these transactions qualify as party-in-interest transactions

NOTE 7. PLAN TERMINATION

The Plan was terminated during the year. All the assets were transferred to another plan, Overhead Door Corporation Retirement Savings Plan on August 17, 2022.

NOTE 8. PLAN AMENDMENT AND TAX STATUS

The Plan obtained its latest determination letter in which the Internal Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. RISK AND UNCERTAINTIES

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant’s account balances and the amounts reported in the statement of net assets available for benefits.

COVID-19, a respiratory disease caused by a new strain of coronavirus, was declared a pandemic by the World Health Organization in March 2020 and continues to affect a wide range of economic activities, as well as domestic and global business and financial markets. In December 2020, the U.S. Food and Drug Administration approved the distribution of COVID-19 vaccines that, once widely adopted and utilized, may materially reduce the impact of COVID-19 going forward, although the impact of the virus including certain new strains remain uncertain. The impact, scope and duration of any new strains of the virus, and the ability to successfully distribute the vaccines, remain largely unknown. The attendant governmental policy and social responses, and economic and financial consequences, continue to be the subject of considerable attention and development. The Plan continues to perform all of its traditional operations, however, the Plan’s individual investment values have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, andrelated impact on the Plan’s liquidity cannot be determined at this time.
