IFB 401(K) PLAN
FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
IFB 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of IFB 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of IFB 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of IFB 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IFB 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IFB 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IFB 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4(a) – Delinquent Participant Contributions and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of IFB 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualifying institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the IFB 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A) GENERAL

The Plan is a defined contribution plan covering certain employees of the plan sponsor, International Finance Bank (the "Bank"), that meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan became effective on January 1, 2008 and on June 10, 2020, the Plan was amended to qualify as a Safe Harbor 401(k) Plan.

The Bank serves as the plan administrator. Ameritas Life Insurance Company serves as the Plan's record keeper and custodian (the "custodian" or "Ameritas") during the years ended December 31, 2021 and 2020. The custodian has the responsibility under the Plan for the management and control of the assets of the Plan.

B) ELIGIBILITY

Employees are eligible to participate in the Plan who have attained the age of 18, three consecutive months of employment and one hour of service. Eligible participants can join the Plan on the first day of the Plan year quarter coinciding with or next following the date requirements are met.

C) CONTRIBUTIONS

Eligible employees can contribute up to the maximum percentage allowable of their compensation, as defined, subject to certain limitations under the Internal Revenue Code ("Code"). In accordance with the Code, the total maximum allowable contribution to the Plan directly from the participant was \$19,500 for 2021, not including additional catch-up contributions allowed for participants over the age of 50, which were \$6,500. Participants are allowed to designate contributions to both pre-tax and Roth (after-tax) 401(k) classifications. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participants are always 100% vested in any amounts contributed to the Plan as a rollover from another qualified plan or an IRA.

The Bank can elect to make safe harbor matching contributions as well as discretionary non-elective matching and profit sharing contributions to the Plan. During 2021, the Bank elected to make safe harbor matching contributions equal to 100% of the amount contributed by participants to the Plan up to the first 3% of participant compensation plus 50% up to the next 2%. The Bank's safe-harbor matching contribution was approximately \$251,000 for the year ended December 31, 2021.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

D) INVESTMENT OPTIONS

Participants are allowed to invest their elective 401(k) contributions, rollovers, if any, as well as employer contributions to the Plan in a variety of investment options as more fully described in the Plan document. Participants may change their investment options and deferral percentages at any time.

E) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's deferral contribution, employer contributions, if any, and an allocation of the investment earnings, based upon each participant's election and charged with an allocation of administrative expenses not paid by the Bank. The benefit to which a participant is entitled is the vested benefit amount in the participant's account.

F) VESTING

Participants are always 100% vested in their contributions, Bank safe-harbor contributions plus actual earnings thereon. Vesting in the Bank's discretionary matching and profit sharing contributions is based on years of continuous service, as follows:

Years of service	Percent Vested
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

A participant is 100% vested after five years of credited service as specified in the Plan document. Participants also become fully vested upon death or total and permanent disability.

G) PAYMENT OF BENEFITS

The Plan provides for distribution of accumulated benefits upon death, disability, or retirement of participants. Payment options include lump-sum distributions and annuities. Upon termination of service, participants are entitled to the value of their accumulated vested balance, subject to the vesting limitations as described above.

The Plan also allows participants that qualify for financial hardship, as defined, to withdraw funds accumulated from their own contributions while still employed. A participant may withdraw vested amounts attributable to all vested contributions while still employed if the participant is at least age 59 ½ at the time of the distribution. The Plan also allows participants to receive qualified reservist distributions.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

H) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1 and up to a maximum equal to the lesser of (a) 50 percent of their vested account balance, or (b) \$50,000 (as defined in the Plan document). The Plan allows participants to have more than one loan outstanding at any time. Loans must have a definite repayment period not to exceed five years, unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The interest rate remains fixed over the loan term. Principal and interest are paid ratably through payroll deductions. Upon termination of employment, all loans will immediately become due and payable. If a loan is not repaid within a reasonable time following termination, it will be offset against the participant's vested balance and recorded as a benefit payment.

I) FORFEITED ACCOUNTS

Pursuant to the Plan, forfeited non-vested accounts may be used to offset expenses or reduce future employer contributions. Approximately \$5,000 in forfeitures were used to fund matching contributions during the year ended December 31, 2021. At December 31, 2021 and 2020, there was a remaining forfeiture balance of approximately \$32,000 and \$3,000, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

A) BASIS OF ACCOUNTING

The Plan's financial statements are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America for employee benefit plans.

B) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's custodian, Ameritas, determines the Plan's valuation policies. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest is recorded in the period earned. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. During the year ended December 31, 2021, notes receivable from participants deemed to be in default and recorded as benefit payments totaled approximately \$51,000.

D) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

E) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

F) PAYMENT OF BENEFITS

Benefits are recorded when paid.

G) ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Bank and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments through revenue sharing arrangements. During the year ended December 31, 2021, administrative and investment advisory expenses incurred by the Plan totaled approximately \$12,000.

H) RECENT ACCOUNTING PRONOUNCEMENTS

The Bank evaluates new accounting pronouncements for relevance and impact on the Plan's financial statements. Management does not expect that timely adoption of new pronouncements will have a material impact on the Plan's net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I) MANAGEMENT REVIEW OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 31, 2022, the date when the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. During 2021 and 2020, no Level 1 or 2 inputs were available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

The following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts – Pooled Separate Accounts are valued daily using net asset value ("NAV") as a practical expedient. These funds are considered open-end mutual funds, meaning that the fund is ready to redeem its shares at any time and offers its shares for sale to the public, either through retail outlets or through institutional investors continuously. For institutional funds, NAV's are received daily from fund managers, and the managers stand ready to transact at these quoted amounts.

Collective Investment Trusts – Collective Investment Trusts are valued daily using net asset value ("NAV") as a practical expedient. The fair value of the Funds' investments in the collective trust funds generally represents the amount the Funds would expect to receive if they were to liquidate their investments in the funds.

Guaranteed Interest Accounts - The guaranteed interest accounts are not actively traded. The guaranteed interest accounts have an estimated fair value based on the amount plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity (liquidation value).

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The input levels used by investment category are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2021				
Guaranteed interest account	\$ -	\$ -	\$ 13,501	\$ 13,501
Total assets in the fair value hierarchy	\$ -	\$ -	\$ 13,501	\$ 13,501
Investments measured at NAV*				<u>5,092,901</u>
Total investments				<u>\$ 5,106,402</u>
December 31, 2020				
Guaranteed interest account	\$ -	\$ -	\$ 13,140	\$ 13,140
Total assets in the fair value hierarchy	\$ -	\$ -	\$ 13,140	\$ 13,140
Investments measured at NAV*				<u>4,710,319</u>
Total investments				<u>\$ 4,723,459</u>

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

All of these investments valued at NAV have no unfunded commitments or redemption restrictions and can be redeemed daily. Were the Plan to initiate full redemption of the trust, the insurance company reserves the right to temporarily delay payment from the trust.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table provides further details of the Level 3 fair value measurement:

	<u>2021</u>	<u>2020</u>
Guaranteed interest account		
Beginning balance	\$ 13,140	\$ 11,646
Total gains (losses) included in changes in net assets	341	288

Settlements	-	-
Sales	<u>(31,729)</u>	<u>(18,538)</u>
Ending Balance	<u>\$ 13,501</u>	<u>\$ 13,140</u>

NOTE 4 - GUARANTEED INTEREST ACCOUNT

The guaranteed interest account is an investment option offered by the Plan custodian and is not, by definition, an investment contract. The guaranteed interest account guarantees the return of principal plus compound interest, less any applicable contract or participant-level fees. Interest rates are established on the effective date of the Plan's contract and interest rates are effective for 12 months. The guaranteed interest account is included in the financial statements at fair value (which represents contributions made under the contract plus earnings, less withdrawals and expenses) as it is not fully benefit responsive. Funds may be redeemed prior to maturity at market value. The investment has no unfunded commitments.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Bank has the right to suspend or terminate the Plan subject to the provisions of ERISA.

NOTE 6 - TAX STATUS

The Plan is based on a "volume submitter" plan document. The sponsor of the volume submitter document has received a favorable determination letter from the Internal Revenue Service ("IRS") dated September 30, 2014, stating that the form of the Plan is qualified under Section 401 of the Code. The Bank has chosen to rely on the IRS determination letter issued to the sponsor of the volume submitter document as evidence that the form of the Plan is tax-qualified. The Plan is also required to be operated in conformity with the Code to maintain its tax-qualified status. The plan administrator believes that the Plan, which has been amended since the date of the determination letter, continues to be tax-qualified in both form and operation.

NOTE 6 - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by Ameritas, the appointed custodian of the Plan's assets as of December 31, 2021 and 2020. Therefore, these transactions qualify as party-in-interest transactions. Ameritas provides certain administrative services to the Plan pursuant to the agreement between the Bank and Ameritas. As disclosed in Note 2G, the Bank pays a portion of administrative expenses on behalf of the Plan. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA. Notes receivable from participants are also considered party-in-interest transactions.
