Independent Auditor's Report

Executive Leadership Team and Participants
Faegre Drinker Retirement Savings Plan 1

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Faegre Drinker Retirement Savings Plan 1 (formerly the Faegre Baker Daniels Retirement Savings Plan) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, portions of the Drinker Biddle & Reath LLP Retirement Savings Plans I and II were merged into the Plan effective June 1, 2021. Concurrent with this merger, the Faegre Drinker Retirement Savings Plan 2 was established, and certain participant accounts were subsequently spun off to that plan. Our opinion has not been modified with respect to these matters.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i—Schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

Note 1. Description of the Plan

The following description of Faegre Drinker Retirement Savings Plan 1 (formerly Faegre Baker Daniels Retirement Savings Plan) (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a contributory defined contribution plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The 401(k) Savings Plan Component of the Plan covers all qualified individuals of Faegre Drinker Biddle & Reath LLP (the Firm) who are either partners or employees, except for summer associates or law clerks, as defined by the Plan document, whose Social Security number ends in an odd number and who are age 21 or older. The Plan's service requirement allows participation on the first of the month coincident with or following the date of hire for elective salary reduction contributions by participants. Rehires are immediately eligible to participate in the 401(k) Savings Plan Component. The Basic Retirement Plan Component covers qualified individuals of the Firm who are either partners or employees, except for employees classified by the Firm as associates, legal clerks, counsel, summer associates, or various other special project employees, as defined by the Plan, document, and who have at least one year of service and are age 21 or older. Employees of the Firm are eligible for the Basic Retirement Plan Component only if their Social Security number ends in an odd number. If a rehire was previously a participant in this Plan component, they immediately become a participant in the Basic Retirement Plan Component. The Supplemental Retirement Plan Component covers all qualified individuals of the Firm who are partners, and qualified individuals who are employees of the Firm whose Social Security number ends in an odd number and are classified by the Firm as a Principal or the Firm's Chief Operating Officer, if they have at least one year of service and are age 21 or older. If a rehire was previously a participant in this Plan component, they immediately become a participant in the Supplemental Retirement Plan Component.

Plan merger and spinoff: Effective June 1, 2021, portions of the Drinker Biddle & Reath LLP Retirement Savings Plans I and II were merged into the Plan, and approximately \$312,200,000 net assets were transferred into the Plan. Concurrent with this merger, the Plan was renamed the Faegre Drinker Retirement Savings Plan 1 and the Faegre Drinker Retirement Savings Plan 2 was established, and on June 10, 2021, approximately \$381,900,000 of net assets were transferred from this Plan to that plan. The net amount of assets transferred out of this Plan are included as a transfer of net assets out of the Plan in the statement of changes in net assets available for benefits.

Contributions: Each year, the Firm shall determine whether it will make a discretionary contribution to the Basic and Supplemental Retirement Plan Components. To be eligible to share in the Basic and Supplemental Contributions, a participant must be a qualified individual on the last day of the plan year. For the 2021 plan year, the Firm made a discretionary Basic Contribution for eligible employees equal to the maximum Basic Contribution allowed under the Plan, which is 7.0% of the participants' certified earnings for such plan year, plus 5.5% of the excess earnings of the participants for such plan year. Excess earnings include the certified earnings of a participant for a plan year in excess of the Social Security wage base for such plan year. For the 2021 plan year, the Firm made a discretionary Supplemental Contribution for eligible employees of approximately 3.5% of the participants' certified earnings for such plan year.

For the 2021 plan year, the Firm made a discretionary Basic Contribution for eligible partners equal to the maximum Basic Contribution allowed under the Plan, which is 3.5% of the participants' certified earnings for such plan year, plus 2.75% of the excess earnings of the participants for such plan year. Excess earnings include the certified earnings of a participant for a plan year in excess of the Social Security wage base for such plan year. For the 2021 plan year, the Firm made a discretionary Supplemental Contribution for eligible partners of approximately 1.7% of the participants' certified earnings for such plan year.

Faegre Drinker Retirement Savings Plan 1 (formerly Faegre Baker Daniels Retirement Savings Plan)

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

For the plan year ended December 31, 2021, participants who were under age 50 could contribute up to \$19,500 of their annual earnings to the 401(k) Savings Plan Component, and participants who were age 50 and over could contribute up to \$26,000 of their annual earnings to the 401(k) Savings Plan Component, subject to certain IRS limitations.

For the plan year ended December 31, 2021, total contributions per participant to all Firm retirement plans for participants who were under age 50 were limited to \$58,000, and for participants who were age 50 and over were limited to \$64,500.

For the plan year ended December 31, 2021, certified earnings exceeding \$290,000 were not taken into account.

Participant accounts: Each participant's account is credited with the participant's contributions, as well as allocations of the Firm's contributions, if any, and investment results. Allocation of contributions is based on participant compensation. Allocation of investment results is based on the participant's account balance in the investment options selected by the participant. Self-directed brokerage accounts are adjusted for their actual earnings. A participant's account may also be charged for the participant's share of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is equal to the balance in the participant's account.

Vesting: Participants are immediately vested in their contributions to the Plan under the 401(k) Savings Plan Component, plus actual earnings thereon. Effective June 1, 2021, the Plan adopted a three-year vesting period for Firm contributions. If a participant has three or more years of elapsed time at the time of termination of service, then the participant's vested percentage is 100%.

Forfeited accounts: Forfeited nonvested accounts are used to either pay certain Plan administrative expenses or offset against the amount of Basic Contributions determined by the Firm for the plan year. At December 31, 2021, forfeited nonvested accounts totaled \$320,317.

Investment options: Upon enrollment in the Plan, a participant may direct contributions to any of the investment options offered by the Plan. The investment options vary in types of investment, rates of return, and investment risk. The following investment options, as more fully described in the Plan literature, were available to the Plan's participants as of December 31, 2021:

Mutual funds and collective investment trusts: The Plan offers various mutual funds and collective investment trust options to participants.

Self-directed brokerage accounts: Participants have the opportunity to invest their contributions in participant-selected investments through a Charles Schwab Personal Choice Retirement Account (PCRA). Participant-selected investments are limited to securities and property authorized under rules established by the Plan and the Firm.

Faegre Drinker Retirement Savings Plan 1 (formerly Faegre Baker Daniels Retirement Savings Plan)

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Notes receivable from participants: Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. The rate of interest on existing notes at December 31, 2021, ranged from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions or remitted directly by participants. Note terms range from one to five years or as determined by the Firm for notes for the purchase of a primary residence. The note terms on existing notes at December 31, 2021, expire at various dates through May 2028.

Payment of benefits: On termination of service, participants may elect to receive a lump-sum amount equal to the value of their account, installments over a period as defined in the Plan document, or an annuity contract purchased with the proceeds from the participant's account. Distribution of benefits upon termination becomes automatic if the participant's account balance is less than \$5,000. Participants with an account balance less than \$5,000 but greater than \$1,000 receive a direct rollover into a qualified individual retirement account if the participant has not filed an election with the Firm. Those with a balance less than \$1,000 receive a lump-sum payment. Voluntary withdrawals of participants' account balances are allowed for reasons of financial hardship, as defined, or upon attainment of age 59½, subject to the rules and regulations adopted by the Firm.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are treated as distributions based upon the terms of the Plan document. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, Line 4i—Schedule of assets (held at end of year).

Payment of benefits: Benefit payments are recorded when paid.

Faegre Drinker Retirement Savings Plan 1 (formerly Faegre Baker Daniels Retirement Savings Plan)

Notes to Financial Statements

Note 2. Significant Accounting Policies (Continued)

Administrative expenses: Plan expenses for administrative services provided by external service providers are paid from Plan assets or by the Firm. Expenses that are paid by the Firm are excluded from these financial statements. Expenses with respect to participant-selected securities are paid by the participants or their beneficiaries.

Risks and uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities have occurred since December 31, 2021, or will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of net assets available for benefits.

Subsequent events: The Plan Administrator has evaluated subsequent events through December 16, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information provided by Charles Schwab Trust Bank, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate to the best of its knowledge. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	December 31	
	2021	2020
Investments at fair value:		
Mutual funds	\$ 520,713,544	\$ 574,712,995
Collective trust funds	145,272,161	22,505,220
Cash equivalents	14,686,091	13,859,025
Self-directed brokerage accounts	102,921,375	137,551,471
Notes receivable from participants	2,698,297	3,024,624

The trustee also certified to the completeness and accuracy of \$82,430,685 of net appreciation in fair value of investments, \$27,390,496 of interest and dividends related to the aforementioned investments and \$145,384 of interest income on notes receivable from participants for the year ended December 31, 2021.

Notes to Financial Statements

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Mutual funds are valued at quoted market prices of shares held by the Plan in active markets on which individual securities are traded.

Collective trust funds: The collective trust funds are valued at the net asset value (NAV) of the unit as reported by the investment manager at year-end. The NAV is used as a practical expedient to estimate fair value.

Cash equivalents: Cash equivalents are valued at the NAV as reported by the money market fund based on quoted market prices.

Self-directed brokerage accounts: Self-directed brokerage accounts are made up of mutual funds, common stocks, preferred stocks, exchange-traded funds, cash and cash equivalents, and other investments. Mutual funds, common stocks, preferred stocks and exchange-traded funds are valued at quoted market prices for identical assets in active markets. Certain cash equivalents are valued at the NAV as reported by the money market fund based on quoted market prices. Cash and other cash equivalents and other investments are valued at cost, plus accrued income, which approximates fair value.

Faegre Drinker Retirement Savings Plan 1 (formerly Faegre Baker Daniels Retirement Savings Plan)

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The methods described above may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total

	<u>\$ 692,482,408</u>	<u>\$ 33,641,083</u>	<u>\$ -</u>	<u>726,123,491</u>
Investments measured at NAV (a)				22,505,220
Investments at fair value				<u>\$ 748,628,711</u>

- (a) In accordance with the Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net asset available for benefits.

The Plan follows guidance on how entities should estimate fair value of certain alternative investments. The fair value of investments within the scope of the guidance can be determined using NAV per share as a practical expedient, when fair value is not readily determinable, unless it is probable the investment will be sold at something other than NAV.

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table includes categories of investments where NAV is available as a practical expedient:

Investment	Fair Value Estimated Using NAV Per Share				
	Fair Value at December 31		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Collective trust funds:					
Fidelity Growth Company Commingled Pool	\$ 104,763,390	\$ -	\$ -	Daily	None
Metropolitan West Total Return Bond Fund	23,441,516	-	-	Daily	None
Wells Fargo Stable Value Fund C	10,539,058	22,505,220	-	Daily	None
Fidelity Managed Income Portfolio Fund	6,528,197	-	-	Daily	None
Total	\$ 145,272,161	\$ 22,505,220			

There are no unfunded commitments related to these investments.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Firm has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a termination, each participant is entitled to a benefit equal to the value of his or her account as of the valuation date coincident with, or next following, the termination of the Plan.

Note 6. Related Party and Party-in-Interest Transactions

The Plan's assets are held by Charles Schwab Trust Bank, the trustee. The trustee managed and invested contributions received and made distributions to participants. These transactions qualify as exempt party-in-interest transactions.

Note 7. Tax Status

The Plan obtained a favorable determination letter from the IRS dated March 6, 2015, which stated that the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable provisions of the IRC and, therefore, believes that the Plan and trust are operating in a matter that did not jeopardize this tax status. Following the plan mergers and spin-off in 2021, the Plan has applied for an updated determination letter from the IRS regarding whether the Plan, as currently designed, continues to be in compliance with applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Independent Auditor's Report

Executive Leadership Team and Participants
Faegre Drinker Retirement Savings Plan 1

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Faegre Drinker Retirement Savings Plan 1 (formerly the Faegre Baker Daniels Retirement Savings Plan) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, portions of the Drinker Biddle & Reath LLP Retirement Savings Plans I and II were merged into the Plan effective June 1, 2021. Concurrent with this merger, the Faegre Drinker Retirement Savings Plan 2 was established, and certain participant accounts were subsequently spun off to that plan. Our opinion has not been modified with respect to these matters.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i—Schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

Note 1. Description of the Plan

The following description of Faegre Drinker Retirement Savings Plan 1 (formerly Faegre Baker Daniels Retirement Savings Plan) (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a contributory defined contribution plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The 401(k) Savings Plan Component of the Plan covers all qualified individuals of Faegre Drinker Biddle & Reath LLP (the Firm) who are either partners or employees, except for summer associates or law clerks, as defined by the Plan document, whose Social Security number ends in an odd number and who are age 21 or older. The Plan's service requirement allows participation on the first of the month coincident with or following the date of hire for elective salary reduction contributions by participants. Rehires are immediately eligible to participate in the 401(k) Savings Plan Component. The Basic Retirement Plan Component covers qualified individuals of the Firm who are either partners or employees, except for employees classified by the Firm as associates, legal clerks, counsel, summer associates, or various other special project employees, as defined by the Plan, document, and who have at least one year of service and are age 21 or older. Employees of the Firm are eligible for the Basic Retirement Plan Component only if their Social Security number ends in an odd number. If a rehire was previously a participant in this Plan component, they immediately become a participant in the Basic Retirement Plan Component. The Supplemental Retirement Plan Component covers all qualified individuals of the Firm who are partners, and qualified individuals who are employees of the Firm whose Social Security number ends in an odd number and are classified by the Firm as a Principal or the Firm's Chief Operating Officer, if they have at least one year of service and are age 21 or older. If a rehire was previously a participant in this Plan component, they immediately become a participant in the Supplemental Retirement Plan Component.

Plan merger and spinoff: Effective June 1, 2021, portions of the Drinker Biddle & Reath LLP Retirement Savings Plans I and II were merged into the Plan, and approximately \$312,200,000 net assets were transferred into the Plan. Concurrent with this merger, the Plan was renamed the Faegre Drinker Retirement Savings Plan 1 and the Faegre Drinker Retirement Savings Plan 2 was established, and on June 10, 2021, approximately \$381,900,000 of net assets were transferred from this Plan to that plan. The net amount of assets transferred out of this Plan are included as a transfer of net assets out of the Plan in the statement of changes in net assets available for benefits.

Contributions: Each year, the Firm shall determine whether it will make a discretionary contribution to the Basic and Supplemental Retirement Plan Components. To be eligible to share in the Basic and Supplemental Contributions, a participant must be a qualified individual on the last day of the plan year. For the 2021 plan year, the Firm made a discretionary Basic Contribution for eligible employees equal to the maximum Basic Contribution allowed under the Plan, which is 7.0% of the participants' certified earnings for such plan year, plus 5.5% of the excess earnings of the participants for such plan year. Excess earnings include the certified earnings of a participant for a plan year in excess of the Social Security wage base for such plan year. For the 2021 plan year, the Firm made a discretionary Supplemental Contribution for eligible employees of approximately 3.5% of the participants' certified earnings for such plan year.

For the 2021 plan year, the Firm made a discretionary Basic Contribution for eligible partners equal to the maximum Basic Contribution allowed under the Plan, which is 3.5% of the participants' certified earnings for such plan year, plus 2.75% of the excess earnings of the participants for such plan year. Excess earnings include the certified earnings of a participant for a plan year in excess of the Social Security wage base for such plan year. For the 2021 plan year, the Firm made a discretionary Supplemental Contribution for eligible partners of approximately 1.7% of the participants' certified earnings for such plan year.

Faegre Drinker Retirement Savings Plan 1 (formerly Faegre Baker Daniels Retirement Savings Plan)

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

For the plan year ended December 31, 2021, participants who were under age 50 could contribute up to \$19,500 of their annual earnings to the 401(k) Savings Plan Component, and participants who were age 50 and over could contribute up to \$26,000 of their annual earnings to the 401(k) Savings Plan Component, subject to certain IRS limitations.

For the plan year ended December 31, 2021, total contributions per participant to all Firm retirement plans for participants who were under age 50 were limited to \$58,000, and for participants who were age 50 and over were limited to \$64,500.

For the plan year ended December 31, 2021, certified earnings exceeding \$290,000 were not taken into account.

Participant accounts: Each participant's account is credited with the participant's contributions, as well as allocations of the Firm's contributions, if any, and investment results. Allocation of contributions is based on participant compensation. Allocation of investment results is based on the participant's account balance in the investment options selected by the participant. Self-directed brokerage accounts are adjusted for their actual earnings. A participant's account may also be charged for the participant's share of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is equal to the balance in the participant's account.

Vesting: Participants are immediately vested in their contributions to the Plan under the 401(k) Savings Plan Component, plus actual earnings thereon. Effective June 1, 2021, the Plan adopted a three-year vesting period for Firm contributions. If a participant has three or more years of elapsed time at the time of termination of service, then the participant's vested percentage is 100%.

Forfeited accounts: Forfeited nonvested accounts are used to either pay certain Plan administrative expenses or offset against the amount of Basic Contributions determined by the Firm for the plan year. At December 31, 2021, forfeited nonvested accounts totaled \$320,317.

Investment options: Upon enrollment in the Plan, a participant may direct contributions to any of the investment options offered by the Plan. The investment options vary in types of investment, rates of return, and investment risk. The following investment options, as more fully described in the Plan literature, were available to the Plan's participants as of December 31, 2021:

Mutual funds and collective investment trusts: The Plan offers various mutual funds and collective investment trust options to participants.

Self-directed brokerage accounts: Participants have the opportunity to invest their contributions in participant-selected investments through a Charles Schwab Personal Choice Retirement Account (PCRA). Participant-selected investments are limited to securities and property authorized under rules established by the Plan and the Firm.

Faegre Drinker Retirement Savings Plan 1 (formerly Faegre Baker Daniels Retirement Savings Plan)

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Notes receivable from participants: Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. The rate of interest on existing notes at December 31, 2021, ranged from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions or remitted directly by participants. Note terms range from one to five years or as determined by the Firm for notes for the purchase of a primary residence. The note terms on existing notes at December 31, 2021, expire at various dates through May 2028.

Payment of benefits: On termination of service, participants may elect to receive a lump-sum amount equal to the value of their account, installments over a period as defined in the Plan document, or an annuity contract purchased with the proceeds from the participant's account. Distribution of benefits upon termination becomes automatic if the participant's account balance is less than \$5,000. Participants with an account balance less than \$5,000 but greater than \$1,000 receive a direct rollover into a qualified individual retirement account if the participant has not filed an election with the Firm. Those with a balance less than \$1,000 receive a lump-sum payment. Voluntary withdrawals of participants' account balances are allowed for reasons of financial hardship, as defined, or upon attainment of age 59½, subject to the rules and regulations adopted by the Firm.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are treated as distributions based upon the terms of the Plan document. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, Line 4i—Schedule of assets (held at end of year).

Payment of benefits: Benefit payments are recorded when paid.

Faegre Drinker Retirement Savings Plan 1 (formerly Faegre Baker Daniels Retirement Savings Plan)

Notes to Financial Statements

Note 2. Significant Accounting Policies (Continued)

Administrative expenses: Plan expenses for administrative services provided by external service providers are paid from Plan assets or by the Firm. Expenses that are paid by the Firm are excluded from these financial statements. Expenses with respect to participant-selected securities are paid by the participants or their beneficiaries.

Risks and uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities have occurred since December 31, 2021, or will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of net assets available for benefits.

Subsequent events: The Plan Administrator has evaluated subsequent events through December 16, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information provided by Charles Schwab Trust Bank, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate to the best of its knowledge. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	December 31	
	2021	2020
Investments at fair value:		
Mutual funds	\$ 520,713,544	\$ 574,712,995
Collective trust funds	145,272,161	22,505,220
Cash equivalents	14,686,091	13,859,025
Self-directed brokerage accounts	102,921,375	137,551,471
Notes receivable from participants	2,698,297	3,024,624

The trustee also certified to the completeness and accuracy of \$82,430,685 of net appreciation in fair value of investments, \$27,390,496 of interest and dividends related to the aforementioned investments and \$145,384 of interest income on notes receivable from participants for the year ended December 31, 2021.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Mutual funds are valued at quoted market prices of shares held by the Plan in active markets on which individual securities are traded.

Collective trust funds: The collective trust funds are valued at the net asset value (NAV) of the unit as reported by the investment manager at year-end. The NAV is used as a practical expedient to estimate fair value.

Cash equivalents: Cash equivalents are valued at the NAV as reported by the money market fund based on quoted market prices.

Self-directed brokerage accounts: Self-directed brokerage accounts are made up of mutual funds, common stocks, preferred stocks, exchange-traded funds, cash and cash equivalents, and other investments. Mutual funds, common stocks, preferred stocks and exchange-traded funds are valued at quoted market prices for identical assets in active markets. Certain cash equivalents are valued at the NAV as reported by the money market fund based on quoted market prices. Cash and other cash equivalents and other investments are valued at cost, plus accrued income, which approximates fair value.

Note 4. Fair Value Measurements (Continued)

The methods described above may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 520,713,544	\$ -	\$ -	\$ 520,713,544
Cash equivalents	-	14,686,091	-	14,686,091
Self-directed brokerage accounts	91,224,838	11,696,537	-	102,921,375
	<u>\$ 611,938,382</u>	<u>\$ 26,382,628</u>	<u>\$ -</u>	<u>638,321,010</u>
Investments measured at NAV (a)				145,272,161
Investments at fair value				<u>\$ 783,593,171</u>

Description	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 574,712,995	\$ -	\$ -	\$ 574,712,995
Cash equivalents	-	13,859,025	-	13,859,025
Self-directed brokerage accounts	117,769,413	19,782,058	-	137,551,471
	<u>\$ 692,482,408</u>	<u>\$ 33,641,083</u>	<u>\$ -</u>	<u>726,123,491</u>
Investments measured at NAV (a)				22,505,220
Investments at fair value				<u>\$ 748,628,711</u>

- (a) In accordance with the Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net asset available for benefits.

The Plan follows guidance on how entities should estimate fair value of certain alternative investments. The fair value of investments within the scope of the guidance can be determined using NAV per share as a practical expedient, when fair value is not readily determinable, unless it is probable the investment will be sold at something other than NAV.

Note 4. Fair Value Measurements (Continued)

The following table includes categories of investments where NAV is available as a practical expedient:

Investment	Fair Value Estimated Using NAV Per Share					
	Fair Value at December 31		Unfunded Commitment	Redemption Frequency	Redemption Notice Period	
	2021	2020				
Collective trust funds:						
Fidelity Growth Company Commingled Pool	\$ 104,763,390	\$ -	\$ -	Daily	None	
Metropolitan West Total Return Bond Fund	23,441,516	-	-	Daily	None	
Wells Fargo Stable Value Fund C	10,539,058	22,505,220	-	Daily	None	
Fidelity Managed Income Portfolio Fund	6,528,197	-	-	Daily	None	
Total	\$ 145,272,161	\$ 22,505,220				

There are no unfunded commitments related to these investments.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Firm has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a termination, each participant is entitled to a benefit equal to the value of his or her account as of the valuation date coincident with, or next following, the termination of the Plan.

Note 6. Related Party and Party-in-Interest Transactions

The Plan's assets are held by Charles Schwab Trust Bank, the trustee. The trustee managed and invested contributions received and made distributions to participants. These transactions qualify as exempt party-in-interest transactions.

Note 7. Tax Status

The Plan obtained a favorable determination letter from the IRS dated March 6, 2015, which stated that the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable provisions of the IRC and, therefore, believes that the Plan and trust are operating in a matter that did not jeopardize this tax status. Following the plan mergers and spin-off in 2021, the Plan has applied for an updated determination letter from the IRS regarding whether the Plan, as currently designed, continues to be in compliance with applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
