Independent Auditors' Report

**To Plan Administrator of
Proper Hospitality 401(k) Plan.**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Proper Hospitality 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

To Plan Administrator of Proper Hospitality 401(k) Plan

Report on Financial Statement

We were engaged to audit the accompanying statement of net assets available for benefits of Proper Hospitality 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company ("Reliance"), the trustee, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Proper Hospitality 401(k) Plan

Notes to Financial Statements
December 31, 2021

1. Description of Plan

The following brief description of the Proper Hospitality 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan available to all full-time employees of Proper Hospitality LLC (the “Company” or “Employer”) and of the Participating Affiliates, as defined, in the Plan documents. The Plan is a qualified retirement plan with a salary deferral feature under the provisions of the Internal Revenue Code (“IRC”) sections 401(a) and 401(k). The Plan is subject to the applicable regulations of the Employee Retirement Income Security Act of 1974 (ERISA) and the IRC. The Plan was established on January 1, 2015.

Under the IRC, participants are not liable for federal income taxes on pre-tax employee contributions, Company contributions or plan earnings until such time as they are partially or completely withdrawn from the Plan.

As of December 31, 2021, the Participating Affiliates include the following:

- Avalon BH HM, LLC
- Avalon PS HM, LLC
- Renoir HM, LLC
- Playa Proper HM, LLC
- PPR CS Manager, Inc.
- KOR Real Estate Partners, LLC
- CS F&B Manager, Inc.
- Case HM, LLC
- Wilshire HM, LLC
- Proper Austin HM, LLC
- Proper Hospitality, LLC

Eligibility

All employees of the Employer and any of the Participating Affiliates are eligible for Plan participation and may enter the Plan provided that they are over 21 years of age and have completed 6 months of service.

Assets Held for Investment

All Plan assets are held with Reliance Trust Company (“Reliance”). Reliance acts as the Trustee over all of the Plan’s assets. Automatic Data Processing (“ADP”) is the record-keeper of the Plan’s assets and among other duties, is responsible for the payment of benefits to eligible participants.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the investment options offered by the Plan. There is no limit to how often a participant may change their investment options. Participants should refer to each fund’s prospectus for a more complete description of the risks associated with each fund.

1. Description of Plan (*continued*)

Participant Accounts

A separate account is maintained for each participant, which is credited with the participant's contribution and allocations of Employer contributions and Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Contributions

Eligible employees may contribute up to 90% of their eligible compensation, including Roth elective deferrals, as applicable, up to the annual limit determined by the IRC. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

A participant may elect to increase, decrease or suspend deductions according to procedures established by the Company. The minimum percentage of eligible compensation a participant may elect to defer is 1%.

The Company and the Participating Affiliates contribute an Employer match contribution equal to 50% of an employee's elective deferrals not to exceed 3% of the employee's eligible salary.

The Company and Participating Affiliates may make a nonelective contribution to Plan, although they are not required to do so. The nonelective contribution will be allocated to all employees eligible to participate in the Plan based on the employees' eligible earnings. There were no nonelective contributions made for the year ended December 31, 2021.

Vesting

Upon entrance into the Plan, participants are 100 percent vested in their voluntary contributions. The matching or nonelective contributions vests as follows:

<u>Years of Service</u>	<u>Vested %</u>
Less than 2 years	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
6 Years or more	100%

1. Description of Plan (*continued*)

Payment of Benefits

Benefits are paid upon retirement, death, disability, or termination of employment. Upon termination of service, a participant who is not 100% vested will receive a distribution of the vested portion of his or her account balance. The non-vested portion of their account will be forfeited when the distribution is made. Participants who terminate employment and are 0% vested must take a distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

A participant may apply to the Plan Administrator for a hardship withdrawal at any time. This withdrawal must be for an immediate financial need for which funds are not reasonably available from other resources. Hardships include post-secondary educational expenses for the participant or their dependents, medical expenses to the extent not otherwise reimbursed under the Company's medical programs, expenses for the purchase of a principal residence or material alterations thereto, payments to prevent eviction from or foreclosure on a principal residence or burial or funeral expenses for the participant's parent, spouse, children or dependents.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. These loans are secured by the balance in the participant's account and bear interest as determined at the time of the loan origination. Principal and interest is paid ratably through monthly payroll deductions over a period of time not to exceed five years. If the proceeds are used to construct or rehabilitate a participant's principal residence, the Plan Administrator may permit a longer repayment term. Principal and interest repaid is reinvested based on the participant's present investment allocation selection. Delinquent participant loans are classified as distributions based upon the terms of the Plan document.

Plan Termination

Although it has not expressed any intent to do so, the Company may terminate the Plan at any time, subject to the provisions set forth in ERISA. In the event of Plan termination, all amounts credited to participant accounts shall become fully vested and non-forfeitable. Accordingly, assets will be distributed to the participants and beneficiaries in proportion to their respective account balances.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan prepares its financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP"), using the accrual basis of accounting, which recognizes revenue when it is earned and expenses as they are incurred.

Use of Estimates

In conformity with US GAAP, the Plan's management makes estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent net assets available for benefits at the date of the financial statements and the reported amounts of additions and deductions to net assets available for benefits during the period. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows US GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts which are recorded at contract value. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold during the year as well those held at the end of the year.

Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value ("NAV") and to transact at that price.

The Plan's investments in mutual funds are considered to be valued based on Level 1 inputs.

2. Summary of Significant Accounting Policies (*continued*)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are classified as distributions based upon the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Expenses

With the exception of the Plan's recordkeeping fees expenses related to the notes receivable from participants (setup and maintenance fees) which are charged to the individual participant's account, all other administrative expenses incurred by the Plan are paid by the Company.

Expenses relating to investment management are paid directly by the respective investment vehicle and are included in net appreciation (depreciation) in fair value of investments.

Forfeitures

Forfeitures of terminated participants' non-vested accounts serve to reduce Employer contributions or Plan expenses. As of December 31, 2021 and 2020, there was a balance of \$21,134 and \$23,082, respectively, in the forfeiture account. During 2021, Employer contributions were reduced by \$25,604 from the forfeited non-vested accounts.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in value of investments, dividend and interest income, and interest on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance, a qualified institution.

4. Stable Value Fund

The Plan invests in the Federated Capital Preservation Fund (the “Fund”), a stable value fund. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The fund, which primarily holds guaranteed investment contracts (“GICs”) and synthetic guaranteed investment contracts (“synthetic GICs”). GICs represent deposits which guarantee a stated interest rate for the term of the contracts. The crediting rate of security-backed contracts will track current market yields on a trailing basis. The rate reset allows the contract value to converge with the fair value of the underlying portfolio over time, assuming the portfolio continues to earn the current yield for a period of time equal to the current portfolio duration. The fair value of GICs is determined based on the present value of the contract’s expected cash flows, discounted by current market interest rates for like duration and like quality investments. Synthetic GICs are portfolios of securities (debt securities or open end registered investment companies) owned by the Fund with wrap contracts that guarantee a fixed or variable rate for the term of the contracts.

The key factors that influence future interest credit rates for a synthetic GIC include: the level of market interest rates; the amount and timing of participant contributions, transfers and withdrawals into/out of the synthetic GIC; the investment returns generated by the fixed income securities underlying the GIC; and the duration of the fixed income securities underlying the synthetic GIC. Interest credit rates typically reset on a monthly or quarterly basis according to each synthetic GIC. While there may be slight variations from one to another, most use a formula that is based on the characteristics of the underlying portfolio of the fixed income securities. All synthetic GICs provide for a minimum interest credit rate of zero percent, which is intended to protect participant’s principal and accrued interest.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events may include, but are not limited to, the following:

- amendments to Plan documents (including complete or partial Plan termination or merger with another plan)
- changes to Plan’s prohibition on competing investment options
- bankruptcy of the Company or other Company events that cause significant withdrawal from the Plan, or
- the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA.

4. Stable Value Fund (*continued*)

The Company does not believe the occurrence of any such event, which would limit the Plan's ability to transact at contract value with the participants, is probable.

The GIC limits the circumstances under which the issuer may unilaterally terminate the GIC on short notice. These circumstances may include, but are not limited to, the following:

- the Fund loses its qualified status under the IRC or is otherwise terminated
- the Trustee of the Fund fails to meet its material obligation under the GIC, attempts to assign the GIC, or engages in fraud or misinterpretation that materially affects the risk profile of the GIC, or
- if the fixed income securities underlying the synthetic GIC fail to meet certain criteria as specified by the synthetic GIC.

If one of these events occurs, the issuer could terminate the synthetic GIC at the market value of the underlying fixed income securities (or in the case of a traditional GIC, at the hypothetical market value based on a contractual formula).

The average yield for the Fund based on actual earnings for the year ended December 31, 2021 was 1.77%. This represents the annual earnings of all investments in the Fund divided by the average balance of all investments, at fair value, in the Fund for the year ended December 31, 2021.

At December 31, 2021 and 2020, the Fund accounted for approximately 3% and 4% of net assets, respectively.

5. Tax Status

The Internal Revenue Service ("IRS") issued an opinion letter to the prototype plan document preparer, Reliance, dated October 6, 2020, which states that the form of the prototype plan qualifies under the applicable provisions of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examination by taxing jurisdictions for periods since 2017; however, there are currently no examinations for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Global and economic uncertainty has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.

7. Reconciliation of Certain Financial Statement Amounts to Amounts on Form 5500

The following is a reconciliation of net assets available for benefits as reported per the accompanying financial statements to Form 5500:

	December 31	
	2021	2020
Net assets available for benefits per the Plan's financial statements	\$ 4,672,882	\$ 3,485,659

8. Party-in-Interest Transactions

ERISA considers the recordkeeping fees and participant loan expenses paid to ADP and to Reliance to be exempt party-in-interest transactions.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain employees of the Company or of the Participating Affiliates, who may be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

9. Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date the financial statements were available to be issued, which date is November 3, 2022, and has determined that there were no subsequent events or transactions which would require recognition or disclosure in the financial statements.
