Independent Auditors' Report

To the Plan Administrator of
Rentschler Inc 401k Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Rentschler Inc 401k Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Rentschler Inc 401k Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rentschler Inc 401k Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rentschler Inc 401k Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rentschler Inc 401k Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rentschler Inc 401k Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Compiled Financial Statements for the Year Ended December 31, 2020

Plan management is responsible for the accompanying financial statements of Rentschler Inc 401k Profit Sharing Plan and Trust, which comprise the statement of net assets available for benefits as of December 31, 2020 and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements as of and for the year ended December 31, 2020.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Rentschler Inc 401k Profit Sharing Plan and Trust

Notes to Financial Statements

For the Years Ended December 31, 2021 (Audited) and 2020 (Compiled)

1. Description of Plan

The following description of the Rentschler Inc 401k Profit Sharing Plan and Trust (the Plan) of Rentschler Inc. (the Company) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company who are 21 years of age or older. The Plan was originally established on January 1, 2008 and was amended effective May 1, 2020, requiring participants to be employed by the Company on the last day of the plan year in order to receive an allocation of the discretionary nonelective employer profit-sharing contribution.

The plan administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan is subject to the provisions of the Internal Revenue Code of 1986, as amended (the Code or IRC) and the Employee Retirement Income Security Act of 1974 (ERISA).

Coronavirus Aid, Relief, and Economic Security Act

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act became law on March 27, 2020. The CARES Act was a response to the market volatility and instability resulting from the coronavirus pandemic and provides special distribution options and rollover rules for retirement plans and IRAs and expands permissible loans for certain retirement plans.

Under the CARES Act, the Plan added a distribution option, which allows for penalty free withdrawals for qualified individuals up to \$100,000 until December 31, 2020. The CARES Act also eliminated the need to take a required minimum distribution in calendar year 2020.

The CARES Act also increased the maximum loan amount from \$50,000 or 50% of a qualified individual's vested account balance to \$100,000 or 100% of a participant's vested balance for loans issued up until September 23, 2020 and permitted new and existing loan repayments to be deferred through December 31, 2020.

Contributions

Each year, participants may contribute between 1% and 86% percent of their eligible compensation, as defined. Participants are immediately eligible to participate in the plan and enter the Plan on the first day of the month following their date of hire as long as they are 21 years of age. Participants may make pre-tax contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan provides for employer safe harbor matching contributions to the Plan equal to the first 5% of eligible employee compensation that a participant contributes to the Plan. Participants who are eligible to participate in the Plan are also eligible for safe harbor contributions. Employer safe harbor matching contributions totaled \$664,024 for the year ended December 31, 2021. The Plan provides for a true-up of the employer safe-harbor matching contributions. Receivables related to the true-up contributions for the years ended December 31, 2021 and 2020 totaled \$40,548 and \$29,138, respectively.

1. Description of Plan...continued

Contributions...continued

The Plan also provides for discretionary nonelective employer profit-sharing contributions for eligible participants who were employed on the last day of the plan year. Discretionary profit-sharing contributions, totaled \$251,605 and \$162,531 for the years ended December 31, 2021 and 2020, respectively. Such amounts were not funded until the subsequent plan year and are therefore included as receivables on the accompanying statements of net assets available for benefits.

Employees are permitted to participate in all such contributions on the first day of the month subsequent to attaining the respective eligibility requirements.

Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, safe harbor contributions, safe harbor employer matching and discretionary nonelective profit-sharing contributions, an allocation of Plan earnings or losses, and charged with an allocation of administrative expenses that are paid by the Plan. The allocations of earnings or losses are based on participants' account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

The Plan permits its participants to obtain loans against their account balance. Participants may borrow from their accounts a minimum of \$500, up to a maximum amount equal to the lesser of \$50,000 reduced by the highest outstanding loan balance within the last twelve months or 50% of their vested account balance. With the exception of loans used to purchase a primary residence, loan terms are limited to a maximum of five years. Notes receivable from participants are secured by the vested balance in the participant's account and shall bear interest at the Wall Street Journal prime rate published on the 14th day of the month plus 2% (5.25% at December 31, 2021). Principal and interest are paid ratably through regular payroll deductions for actively employed participants. Upon termination of employment, any remaining payments are immediately due. At December 31, 2021, the rates of interest on outstanding notes receivable from participants ranged from 5.25% to 6.75% with various maturity dates through February 2026.

Vesting

Participants are immediately vested in all of their contributions plus actual earnings thereon. Participants become immediately vested in any discretionary employer contributions.

Payment of Benefits

Withdrawals may be made from a participant's account at retirement, death, disability, or termination of employment. The participant's vested account shall be distributed to the participant (or to the participant's beneficiary in the event of the participant's death). If a participant terminates service, the entire vested amount in his or her account may be distributed or rolled over into another qualified plan, as directed by the participant. Participants who are eligible for a hardship withdrawal or have attained age 59½ may elect to withdraw all or a portion of their account. All distributions are subject to the applicable provisions of the Plan. The plan administrator can elect to distribute funds out of the plan when a participant terminates employment and has less than \$1,000 of a vested balance in the Plan.

2. Summary of Significant Accounting Policies

Investment Elections

Each participant shall direct the investment of his or her account and shall select among various mutual funds and common collective trust funds. Each participant has the ability to change his or her investment allocations at any time.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. The Plan's financial statements have been prepared in accordance with accounting standards set by the Financial Accounting Standards Board (FASB) and the Department of Labor (DOL). The FASB sets generally accepted accounting principles (GAAP) to ensure net assets available for benefits and changes in net assets available for benefits are consistently reported. References to GAAP issued by the FASB in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued, but unpaid interest. Interest income from notes receivable from participants is recorded on an accrual basis. At December 31, 2021 and 2020, accrued, but unpaid interest has been deemed insignificant to the Plan. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the note receivable from the participant to be a distribution, the balance of the note receivable from the participant is reduced and a benefit payment is recorded within the statements of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies...continued

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments.

3. Fair Value Measurements

The Plan discloses the fair value of Plan investments in accordance with FASB ASC Topic No. 820 (ASC 820), *Fair Value*. The framework under ASC 820 provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
 - If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Notes to Financial Statements

For the Years Ended December 31, 2021 (Audited) and 2020 (Compiled)

3. Fair Value Measurements...continued

Common collective trust funds – The common collective trust funds are valued at the NAV of units of the collective trust. The NAV, as provided by Reliance Trust Company is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Transactions of investments or withdrawals may occur on a daily basis and there are no redemption restrictions on the funds. There are no unfunded commitments at December 31, 2021 and 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,500,341	\$ -	\$ -	\$ 4,500,342
Investments measured at NAV				656,868
Total investments at fair value				\$ 5,157,210

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,637,348	\$ -	\$ -	\$ 2,637,346
Investments measured at NAV				334,437
Total investments at fair value				\$ 2,971,783

4. Information Prepared and Certified by Plan's Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan, Reliance Trust Company, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021, and Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2021.

5. Tax Status

The Plan uses a prototype non-standardized plan document, sponsored by the Trustee. The IRS has determined by a letter dated July 8, 2014, that the prototype plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Rentschler Inc 401k Profit Sharing Plan and Trust

Notes to Financial Statements

For the Years Ended December 31, 2021 (Audited) and 2020 (Compiled)

5. Tax Status...continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

7. Party-in-Interest Transactions

The Plan issues loans to participants, which are secured by the balances in the participants' accounts, which constitute party-in-interest transactions.

8. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Coronavirus Pandemic

On March 11, 2020, the World Health Organization declared the outbreak of a coronavirus (COVID-19) a pandemic. The COVID-19 outbreak in the United States and the world has resulted in economic uncertainties that are likely to negatively impact the future financial results of the net assets available for benefits and value of investments. This situation could have a significant adverse effect on the future financial statements and management is unable to quantify the potential impact at this time.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits, per financial statements	\$ 5,480,467	\$ 3,218,730
December 31, 2020 employer contributions receivable	<u>-</u>	<u>(191,669)</u>

10. Reconciliation of Financial Statements to Form 5500...continued

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2021:

	<u>2021</u>
Net increase in net assets available for benefits, per financial statements	\$ 2,261,737
December 31, 2020 employer contributions receivable	<u>191,669</u>
Net increase in net assets available for benefits, per Form 5500	<u>\$ 2,453,406</u>

11. Subsequent Events

The Plan has evaluated subsequent events for potential disclosure or recognition through December 21, 2022, the date the financial statements were available to be issued.

The Plan was most recently amended and restated effective July 2022, however there were no significant changes to the Plan or its provisions as part of the restatement.
