INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Puerto Rico Waste Management Group Corp. 1165(e) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Puerto Rico Waste Management Group Corp. 1165(e) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements .

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Puerto Rico Waste Management Group Corp. 1165(e) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards of the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Puerto Rico Waste Management Group Corp. 1165(e) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PUERTO RICO WASTE MANAGEMENT CORP. 1165(E) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following brief description of the Puerto Rico Waste Management Corp. 1165(e) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan was established on July 1, 2008, under the laws of the Commonwealth of Puerto Rico and subject to the provisions of the Employees Retirement Income Security Act of 1974 ("ERISA"). The Plan is a defined contribution plan covering all full-time employees of Puerto Rico Waste Management Corp. ("Plan Sponsor") and its affiliates. Effective June 1, 2021, the Plan was amended to include commissions in the definition of compensation.

Eligibility – Employees of Puerto Rico Waste Management Group Corp. and its affiliates who have completed at least three months of service as determined in accordance with the Plan's service rules, and are 18 years of age or older, are eligible to participate in the Plan. Employees are eligible to become a participant of the Plan on the first day of either January, April, July or October following the date on which he or she becomes qualified to participate.

Participants' Contributions – Participants may contribute pre-tax and/or after-tax contributions up to \$15,000 for the years ended December 31, 2021 and 2020, and up to 10% of compensation as post-tax contributions as such term is defined in the plan document. Catch-up contributions allow participants that have reached the age of fifty (50) by the end of the Plan's year to make an additional pre-tax contribution up to a maximum of \$1,500 for the years ended December 31, 2021 and 2020. Compensation for this purpose means the total compensation included for income tax purposes. Participants may also contribute amounts representing distributions from other qualified plans.

Employer Matching Contributions – The employer at its election may elect to perform employer matching contributions. During the years ended December 31, 2021 and 2020, the employer matching contributions amounted to \$137,373 and \$132,172, respectively.

Profit Sharing Contributions – The employer at its election may elect to perform profit sharing contributions. During the years ended December 31, 2021 and 2020, there were no profit sharing contributions to the Plan.

Participant Accounts – Each participant's account is credited with the participant's contribution and any rollover contributions received from other qualified plans, plus allocations of the Sponsor's contributions, and the participant's share in investment earnings.

PUERTO RICO WASTE MANAGEMENT CORP. 1165(E) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Notes Receivable from Participants – Under the terms of the Plan, participants may borrow from their accounts from \$1,000 up to \$50,000, or 50% of their vested account balance, whichever is lower. The loans are secured by the balance in the participant's accounts and bear interest at prime rate plus 1%. Interest rate on loans outstanding as of December 31, 2021 and 2020, was from 4.25% to 6.50%, respectively, for the term of the loans which may not be less than one (1) year, nor more than five (5) years, unless the loan is for the purpose of acquiring a principal residence. In such case, the loan may be for a period of time not to exceed ten (10) years. The loans mature from January 2021 through December 2025 for the year ended December 31, 2021 and from January 2020 to December 2024 for the year ended December 31, 2020. Notes receivable from participants at December 31, 2021 and 2020, amounted to \$365,723 and \$419,682, respectively.

Vesting – Participant contributions including rollover contributions are immediately vested. Vesting of employer profit-sharing contributions and matching, if any, is based on years of continuous service. The vesting schedule based on years of service follows:

Years of Service	Vesting %
1 year or less	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Notwithstanding the above, a Participant will become fully vested in his matching contributions and earnings thereon, upon the earlier of (i) reaching normal retirement age while still employed by the employer; (ii) retirement at normal retirement age; (iii) disability; (iv) death while employed by the employer; (v) termination of the Plan; or (vi) complete discontinuance of contributions by the employer.

Re-hired employees with partial vesting in employer matching contributions may continue their vesting period upon re-entry to the Plan, if such re-entry occurs within a period of 5 years subsequent to the date of termination and provided that all vested distributions received at termination are reimbursed to the Plan. The previously earned vesting percentage will then be re-established.

Investments Options – The investment manager is responsible for selecting the investment options that will be available under the Plan. The Participants will provide investment directions for all the assets in their individual accounts. The Plan will not invest in qualifying employer securities. Participants may change their investment options daily.

PUERTO RICO WASTE MANAGEMENT CORP. 1165(E) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Payment of Benefits – Upon separation from service due to death, disability, retirement or other termination of employment, a participant or beneficiary will receive payment of the vested account balance. The normal retirement age is the date a participant reaches his/her sixty-fifth (65) birthday or if later, after completing five (5) years of participation in the Plan. Early retirement distributions are permitted at the participant's election from any account 100% vested if the participant has reached the age of fifty-five (55) years or if later, after completing five (5) years of service.

Hardship Withdrawals – Under the provisions of the Plan, participants are permitted to make hardship withdrawals from their pre-tax, rollover, matching and catch-up contributions. Such withdrawal is only permitted if: (a) financial hardship is demonstrated, (b) the withdrawal is approved by the Plan Administrator, and (c) such withdrawal is allowable under the Puerto Rico income taxes code. Any participant who makes a hardship withdrawal cannot contribute to their participant tax-deferred contribution account for a period of one year thereafter.

On February 19, 2020, the Puerto Rico Treasury Department ("PR Treasury") issued Internal Revenue Circular Letter No. 20-09 ("CL 20-09") to establish the rules to allow participants affected by the January 7, 2020 earthquake and subsequent aftershocks (collectively, the "Natural Disaster") to request distributions from Puerto Rico qualified retirement plans ("Retirement Plans"), and Puerto Rico Individual Retirement Accounts ("PR IRAs"), subject to a special tax treatment ("Eligible Distributions"). Eligible Distributions must cover damages or losses suffered, and extraordinary expenses incurred, by the individual and/or members of his/her immediate family (i.e., spouse, offspring or parents) resulting from the Natural Disaster ("Eligible Expenses").

On March 29, 2020, the Puerto Rico Treasury Department issued Internal Revenue Circular Letter No. 20-23 ("CL 20-23") providing that "Eligible Expenses" under the recently issued Internal Revenue Circular Letter No. 20-09 ("CL 20-09") will also consist of damages, losses (including loss of income), and extraordinary expenses incurred as a result of the COVID-19 emergency. CL 20-09 will continue in full force and effect, except that it will also apply to Eligible Distributions made from Puerto Rico qualified retirement plans and individual retirement accounts during the Relief Period (February 20, 2020 through December 31, 2020) to cover Eligible Expenses incurred as a consequence of the public health emergency created by the COVID-19. These distributions will be subject to the same requirements imposed to Eligible Distributions resulting from the earthquakes. The earthquakes and the public health emergency created by the COVID-19 are deemed one event for purposes of the limitations under PR Code Sections 1081.01{b}{1}(D) and 1081.02{d}{1}(1).

The Plan adopted the provisions of CL 20-23 effective in March 2020, in which participants were allowed to request withdrawing up to a maximum distribution of \$2,500.

PUERTO RICO WASTE MANAGEMENT CORP. 1165(E) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Forfeited Accounts – Forfeited balances of terminated non-vested participants are used to reduce the Plan's administrative expenses. At December 31, 2021 and 2020, the Plan's forfeited balances were \$15,569 and \$13,630, respectively.

Expenses and Administration – The Plan Sponsor is responsible for the general administration of the Plan and for carrying out the provisions thereof. Plan expenses such as legal, auditing and advisory fees are paid by the Plan Sponsor. Certain transaction charges are deducted from the participants' accounts.

Plan Termination – Although it has not expressed any intent to do so, the Sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants would become fully vested in their employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basic of Presentation – The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. A summary of the more significant accounting policies used by the Plan are as follows:

Use of Estimates in the Preparation of Financial Statements – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of changes in net assets available for benefits during the reporting periods. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments operate under a trust program. A trust program segregates plan assets, processes, and settles trades, and values the Plan's assets on a daily basis. The trust is created in conjunction with the qualified retirement plan to own and manage the Plan's assets. Such assets consist of mutual funds. Since the aggregate shares are held in trust, all dividends and interest are automatically re-invested, and asset management charges are computed and deducted from the net asset value on a periodic basis.

Plan investment return includes interest income, gains and losses on sales of investments and unrealized appreciation or depreciation of investments. The financial statements reflect the net appreciation or depreciation in the fair value of the Plan's investments. This net appreciation or depreciation includes realized gains and losses calculated as the difference between proceeds from a sales transaction and cost, and unrealized gains and losses calculated as the change in the fair value between beginning of the year (or purchase date if later) and the end of the year.

PUERTO RICO WASTE MANAGEMENT CORP. 1165(E) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Notes Receivable from Participants – Consist of loans to participants and are recorded at their unpaid principal balances plus any accrued interest.

Contributions – Participant contributions are recorded in the period during which the Plan Sponsor makes the payroll deductions from the participant's earnings.

Payment of Benefits - Benefits are recorded when paid. At December 31, 2021 and 2020, there were no benefits payable deductions from the participant's earnings.

Administrative Charges Payable – Administrative charges are expensed when incurred and are deducted from the participants accounts. At December 31, 2021 and 2020, based on Great-West Retirement Services fees structure, the asset management charge is determined by the average net asset value of the Plan times 2.15%. Such fee is deducted from the participants accounts. Administrative charges incurred but not deducted from participants accounts related to participants' fees at December 31, 2021 and 2020 amounted to \$30,150 and \$28,581, respectively.

3. FAIR VALUE MEASUREMENTS

The FASB's authoritative guidance on Fair Value Measurements, establishes a framework for measuring fair value. Such framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

<i>Level 1</i>	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the plan has the ability to access.
<i>Level 2</i>	Inputs to the valuation methodology include: • Quoted prices for identical or similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
<i>Level 3</i>	Inputs to this valuation methodology are based on unobservable data and are significant to the fair value measurements.

PUERTO RICO WASTE MANAGEMENT CORP. 1165(E) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020:

Mutual funds – Valued at the net assets value (“NAV”) of shares held by the Plan at year end obtained directly from unadjusted quoted market prices, therefore, classified as Level 1 assets.

Group annuity contract – Adjusted from fair value to contract value. At December 31, 2021 and 2020, fair values approximated contract value, and are classified as Level 2 assets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021			
	Level 1	Level 2	Total

4. GROUP ANNUITY CONTRACT

Contributions remitted to Great-West Life & Annuity Insurance Company ("Great-West") were placed in the Key Guaranteed Portfolio Fund. Contributions to this fund shall be assigned to the general investment account of Great-West.

The value of the Plan assets in the Key Guarantee Portfolio Fund in respect of the participant account will be determined as a value of (a) minus (b) where:

- (a) Is the sum of the contributions by and on behalf of participants plus interest; and
- (b) Is the sum of:
 - 1. Any amounts distributed
 - 2. Any transfers from the Key Guaranteed Portfolio Fund.

There is no guaranteed interest rate under this contract, however, such rate will never be less than 0%. For years ended in 2021 and 2020, the interest rate was 2%.

At December 31, 2021 and 2020, Great-West informed that the fair values approximates contract value and as such, no adjustments were necessary to the accompanying statements of net assets available for benefits.

5. INVESTMENTS

6. INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC., the Plan's custodian, has certified as to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) and the related investment activity reflected in the statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

7. TAX STATUS

During the month of June 2014, the Plan received notification from the Treasury Department of Puerto Rico (the "Department") that the request for a favorable determination letter made August 13, 2013, was granted. The Department had no objection to amendments made to the Plan since prior ruling on November 24, 2010. Accordingly, the Plan retains its tax exemption under the Puerto Rico income tax code and its qualified status. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Puerto Rico income tax laws and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

In Puerto Rico, the tax laws permit examination of the Plan Sponsors' income tax returns for up to four years after the initial return is filed. The tax years of the Plan Sponsors with respect to the Plan that remain open for examination are 2017 and 2021.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

8. RELATED PARTIES AND PARTIES-IN-INTEREST

Certain Plan investments consist of funds administered by an affiliate of Great-West Trust Company, LLC, the Plan's custodian and recordkeeper and therefore, these transactions qualify as allowable party-in-interest transactions.

9. NON-DISCRIMINATION TEST

The Plan has to perform a non-discrimination test as required under Section 1081.01 (d) of the Puerto Rico Internal Revenue Code of 2011, as amended. For the years ended December 31, 2021 and 2020, the Plan passed the non-discrimination test.

10. RISKS

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. Individual participant's accounts bear the risk of loss resulting from fluctuations in fund values.

11. SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through December 15, 2022, the date on which the audited financial statements were available to be issued. There are no other material subsequent events that would require further disclosure in the Plan's audited financial statements, other than the matters disclosed below.

The Department of Treasury issued the Internal Revenue Circular Letter No. 22-13 of September 27, 2022 (the "Circular Letter"), which established the rules applicable to distributions of retirement plans and individual retirement accounts ("IRAs") related to damages caused by hurricane Fiona in September 18, 2022. Financial relieve will be provided by an approved special legislation that allows for certain eligible withdrawals during a specific period and subject to a preferential tax treatment, as established by the Puerto Rico Treasury Department's Administrative Order No.22-08 ("DA 22-08"). Pursuant to AD 22-08, the eligible withdrawals are allowed during the period from October 6, 2022 through December 31, 2022. Special distributions will be subject to taxation as follows:

- The first \$10,000 distributed within the term established by the Secretary, and after a Declaration of a Disaster by the Governor of Puerto Rico, will be excluded from the definition

PUERTO RICO WASTE MANAGEMENT CORP. 1165(E) PLAN
NOTES TO THE FINANCIAL STATEMENTS

- of gross income, pursuant to Code Section 1031.01(b)(18), and will not be subject to any type of withholding at source ("Excluded Amount");
- Any distribution in excess of the first \$10,000 will be subject to a special 10% tax, in lieu of any other tax imposed by the Code, including the Alternate Basic Tax, as long as the total distributions made during the term established by the Secretary does not exceed \$100,000;
 - In aggregate, the total distributions from a Retirement Plan or an IRA Account will not exceed the limit of \$100,000 during the period established by the Secretary through a general communication.

The Plan adopted the provision on October 10, 2022. As a result, a significant decrease in the Plan assets may be experienced in the Plan year 2022. Such amount cannot be determined as of the date of issuing these financial statements.

IRS announces tax relief for Puerto Rico victims of Hurricane Fiona

PR-2022-10, September 19, 2022

WASHINGTON — Victims of Hurricane Fiona beginning September 17, 2022, now have until February 15, 2023, to file various individual and business tax returns and make tax payments, the Internal Revenue Service announced today.

Following the recent disaster declaration issued by the Federal Emergency Management Agency, the IRS announced today that affected taxpayers in certain areas will receive tax relief.

Individuals and households affected by Hurricane Fiona that reside or have a business in all 78 municipalities in Puerto Rico qualify for tax relief. The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This means individuals who had a valid extension to file their 2021 return due to run out on October 17, 2022, now have until February 15, 2023, to file. The IRS noted, however, that because tax payments related to these 2021 returns were due on April 18, 2022, those payments are not eligible for this relief.

The February 15, 2023, deadline also applies to the quarterly estimated tax payments, normally due on January 17, 2023 and to the quarterly payroll and excise tax returns normally due on October 31, 2022 and January 31, 2023. Businesses with an original or extended due date also have the additional time, including calendar-year corporations whose 2021 extensions run out on October 17, 2022.

Penalties on payroll and excise tax deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits are made by October 3, 2022.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original or extended filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty. For information on services currently available, visit the [IRS operations and services](#) page at [IRS.gov/coronavirus](https://www.irs.gov/coronavirus).

Covered Disaster Area

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](tel:866-562-5227) to request this tax relief.

The localities listed above constitute a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected Taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until February 15, 2023 to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after September 17, 2022, and before February 15, 2023, are granted additional time to file through February 15, 2023.

Affected taxpayers that have an estimated income tax payment originally due on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, and will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before February 15, 2023.

The IRS also gives affected taxpayers until February 15, 2023, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits were made by October 3, 2022.

Casualty Losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. See [Publication 547](#) for details.

Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684, Casualties and Thefts](#) [PDF](#) and its [instructions](#) [PDF](#).

Affected taxpayers claiming the disaster loss on their return should put the Disaster Designation, "**Puerto Rico**

Hurricane Fiona" in bold letters at the top of the form. Be sure to include the FEMA disaster declaration number, **EM-3583-PR**, on any return. See [Publication 547](#) for details.

Other Relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned Disaster Designation "**Puerto Rico Hurricane Fiona**" in bold letters at the top of [Form 4506, Request for Copy of Tax Return](#) [PDF](#), or [Form 4506-T, Request for Transcript of Tax Return](#) [PDF](#), as appropriate, and submit it to the IRS.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may [download forms and publications](#) from the official IRS website, IRS.gov.
