SCHEDULE H (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Financial Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA), and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2021 This Form is Open to Public Inspection
--	--	--

For calendar plan year 2021 or fiscal plan year beginning <u>01/01/2021</u> and ending <u>12/31/2021</u>		
A Name of plan <u>UNIVERSITY PHYSICIAN GROUP 403B RETIREMENT PLAN</u>	B Three-digit plan number (PN) ►	<u>002</u>
C Plan sponsor's name as shown on line 2a of Form 5500 <u>UNIVERSITY PHYSICIAN GROUP</u>	D Employer Identification Number (EIN) <u>38-3474766</u>	

Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Assets		(a) Beginning of Year	(b) End of Year
a Total noninterest-bearing cash.....	1a	5718	3322
b Receivables (less allowance for doubtful accounts):			
(1) Employer contributions	1b(1)	0	0

j Total expenses. Add all expense amounts in column (b) and enter total.....	2j		3400540
Net Income and Reconciliation			
k Net income (loss). Subtract line 2j from line 2d.....	2k		15889040
l Transfers of assets:			
(1) To this plan.....	2l(1)		0
(2) From this plan.....	2l(2)		0

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: EDWARD, ELLIS & ASSOCIATES, PC

(2) EIN: 38-2337970

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		1000000

INDEPENDENT AUDITORS' REPORT

To the WSUPG Retirement Plan Fiduciary Committee
University Physician Group 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of University Physician Group 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of University Physician Group 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of University Physician Group 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section (a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about University Physician Group 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of University Physician Group 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about University Physician Group 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of University Physician Group 403(b) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

UNIVERSITY PHYSICIAN GROUP
403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

1. Plan description

The following description of the University Physician Group 403(b) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

On December 31, 2019, the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) of 2019 became law and changes applicable to the Plan were placed in operation.

On March 27, 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was enacted in response to the COVID-19 pandemic. The Plan placed in to operation the provision allowing participants to take a Coronavirus-related distribution of up to \$100,000 (not to exceed participants account balance) without a 10% early withdrawal penalty until December 31, 2020 with repayment within three years.

a. General

The Plan is a defined contribution profit sharing plan covering substantially all eligible employees of the University Physician Group (UPG), as defined. An employee is eligible for the Plan on the first day of employment, provided the employee is not excluded from participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On January 1, 2020, the Plan was amended as a Qualified Automatic Contribution Arrangement (QACA) Plan with automatic deferral percentage beginning at three percent and increasing to six percent at year five.

Due to the COVID-19 pandemic, on May 30, 2020, the Plan temporarily suspended its safe harbor contributions. The safe harbor contributions were reinstated on October 3, 2020.

b. Contributions

Each year, participants may contribute a percentage of their pre-tax or after-tax (Roth) compensation up to a maximum of \$19,500 for employees under age 50 and \$26,000 for employees age 50 and above. Participants may elect to defer up to 100% of their compensation each payroll period. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). All contributions are subject to certain limitations.

Effective January 1, 2016, UPG implemented a matching contribution in an amount equal to 100% of the participant's elective deferrals that do not exceed 3% of compensation, plus 67% of elective deferrals that exceed 3% but do not exceed 6% of compensation.

Effective January 22, 2021, UPG will not make any additional matching contributions to its safe harbor plan.

c. Participant accounts

Each participant's account is credited with the participant's contributions and UPG's matching contributions, receives an allocation of investment earnings and is charged with an allocation of administrative expenses. Allocations are based on participants' account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants with an employment commencement date prior to January 1, 2020 are 100% vested in their contributions, rollovers and employer matching contributions plus actual earnings thereon. Participants with employment commencement dates on or after January 1, 2020 are subject to a two-year cliff vesting schedule regarding the QACA Safe Harbor Contributions unless the participant incurs a severance from employment as a result of death or disability.

See independent auditors' report.

UNIVERSITY PHYSICIAN GROUP
403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

1. Plan description (continued)

e. Investment options

Upon enrollment in the Plan, a participant may direct their account balance in a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time.

f. Payment of benefits

On termination of service, death, disability or retirement, a participant or beneficiary may elect a distribution by payment of a lump sum or by distribution of an annuity contract that the vendor provides or purchases with the Participant's vested account balances. The Plan also allows for in-service distributions, including distributions due to financial hardship, subject to the satisfaction of certain criteria as defined in the plan document. Benefits are recorded when paid.

g. Forfeited accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$50,962 and \$50,962, respectively. Through December 31, 2019, these accounts are used as additional discretionary non-elective contributions and used to reduce plan expenses. Beginning January 1, 2020, through a plan amendment, these accounts may also be used to reduce future employer matching contributions.

h. Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to May 2021.

i. Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

2. Significant accounting policies

a. Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

b. Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits and changes therein. Actual results could differ from those estimates.

c. Investment valuation and income recognition

Investments are reported at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Wayne State University Physicians Group (WSUPG) Retirement Plan Fiduciary Committee determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

See independent auditors' report.

UNIVERSITY PHYSICIAN GROUP
403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

2. Significant accounting policies (continued)

d. Subsequent events

The Plan Administrator has evaluated subsequent events for potential recognition and/or disclosure through December 14, 2022, the date the financial statements were available to be issued.

3. Information certified by Plan Custodian

Plan management elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the Custodian of the Plan, has certified the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for Benefits as of December 31, 2021 and 2020, and the supplemental Schedule H, Line 4i – Schedule of Assets (held at end of year), as of December 31, 2021; and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

4. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Shares of registered investment companies: Valued at the daily closing price as reported on the active market on which the individual securities are traded.

Interest bearing cash: Valued at cost, which approximates fair value.

See independent auditors' report.

UNIVERSITY PHYSICIAN GROUP
403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

4. Fair value measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies and interest-bearing cash	\$77,932,475	\$ -	\$ -	\$77,932,475
Self-directed brokerage accounts	<u>1,533,586</u>	<u>-</u>	<u>-</u>	<u>1,533,586</u>
Total assets in the fair value hierarchy	<u>\$79,466,061</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$79,466,061</u>

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies and interest-bearing cash	\$64,087,905	\$ -	\$ -	\$64,087,905
Self-directed brokerage accounts	<u>1,216,796</u>	<u>-</u>	<u>-</u>	<u>1,216,796</u>
Total assets in the fair value hierarchy	<u>\$65,304,701</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$65,304,701</u>

a. Changes in fair value levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no transfers between levels.

5. Fully benefit-responsive investment contract

The Plan participates in the New York Life Guaranteed Income Fund (GIF), which by definition is considered to be a guaranteed investment contract, or GIC. The contract is an insurance company issued general account guaranteed interest contract. There are no specific securities in the general account that back the investments in this account and interest rate is bi-annually. All transactions are at contract value. In certain instances, when total distributions or transfers in the GIF within a twelve-month period exceed pre-determined thresholds, transactions in the GIF may face certain restrictions and market adjustments, in accordance with contract terms. This could potentially result in the GIF not being fully benefit-responsive in certain instances. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract values as reported to the Plan by Fidelity, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their account balances at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

See independent auditors' report.

UNIVERSITY PHYSICIAN GROUP
403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

6. Related-Party and Party-in-Interest Transactions

Certain plan investments and shares of registered investment companies are managed by Fidelity, the custodian, and therefore these transactions qualify as party-in-interest. Fees paid to Fidelity totaled approximately \$94,965 for the plan year ended December 31, 2021. Certain administrative expenses are being paid by UPG. Certain employees of UPG are performing services for the Plan and are not compensated by the Plan.

7. Plan termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all of their accounts.

8. Income tax status and uncertain tax positions

The Plan was designed in accordance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore is exempt from income taxes.

The Plan's administrator has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. With few exceptions, the Plan is no longer subject to income tax examination by the U.S. federal, state or local tax authorities for years before 2016.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Reclassifications

Certain prior year amounts have been reclassified for consistency with the current year presentation.

INDEPENDENT AUDITORS' REPORT

To the WSUPG Retirement Plan Fiduciary Committee
University Physician Group 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of University Physician Group 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of University Physician Group 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of University Physician Group 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section (a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about University Physician Group 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of University Physician Group 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about University Physician Group 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of University Physician Group 403(b) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

UNIVERSITY PHYSICIAN GROUP
403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

1. Plan description

The following description of the University Physician Group 403(b) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

On December 31, 2019, the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) of 2019 became law and changes applicable to the Plan were placed in operation.

On March 27, 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was enacted in response to the COVID-19 pandemic. The Plan placed in to operation the provision allowing participants to take a Coronavirus-related distribution of up to \$100,000 (not to exceed participants account balance) without a 10% early withdrawal penalty until December 31, 2020 with repayment within three years.

a. General

The Plan is a defined contribution profit sharing plan covering substantially all eligible employees of the University Physician Group (UPG), as defined. An employee is eligible for the Plan on the first day of employment, provided the employee is not excluded from participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On January 1, 2020, the Plan was amended as a Qualified Automatic Contribution Arrangement (QACA) Plan with automatic deferral percentage beginning at three percent and increasing to six percent at year five.

Due to the COVID-19 pandemic, on May 30, 2020, the Plan temporarily suspended its safe harbor contributions. The safe harbor contributions were reinstated on October 3, 2020.

b. Contributions

Each year, participants may contribute a percentage of their pre-tax or after-tax (Roth) compensation up to a maximum of \$19,500 for employees under age 50 and \$26,000 for employees age 50 and above. Participants may elect to defer up to 100% of their compensation each payroll period. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). All contributions are subject to certain limitations.

Effective January 1, 2016, UPG implemented a matching contribution in an amount equal to 100% of the participant's elective deferrals that do not exceed 3% of compensation, plus 67% of elective deferrals that exceed 3% but do not exceed 6% of compensation.

Effective January 22, 2021, UPG will not make any additional matching contributions to its safe harbor plan.

c. Participant accounts

Each participant's account is credited with the participant's contributions and UPG's matching contributions, receives an allocation of investment earnings and is charged with an allocation of administrative expenses. Allocations are based on participants' account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants with an employment commencement date prior to January 1, 2020 are 100% vested in their contributions, rollovers and employer matching contributions plus actual earnings thereon. Participants with employment commencement dates on or after January 1, 2020 are subject to a two-year cliff vesting schedule regarding the QACA Safe Harbor Contributions unless the participant incurs a severance from employment as a result of death or disability.

See independent auditors' report.

UNIVERSITY PHYSICIAN GROUP
403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

1. Plan description (continued)

e. Investment options

Upon enrollment in the Plan, a participant may direct their account balance in a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time.

f. Payment of benefits

On termination of service, death, disability or retirement, a participant or beneficiary may elect a distribution by payment of a lump sum or by distribution of an annuity contract that the vendor provides or purchases with the Participant's vested account balances. The Plan also allows for in-service distributions, including distributions due to financial hardship, subject to the satisfaction of certain criteria as defined in the plan document. Benefits are recorded when paid.

g. Forfeited accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$50,962 and \$50,962, respectively. Through December 31, 2019, these accounts are used as additional discretionary non-elective contributions and used to reduce plan expenses. Beginning January 1, 2020, through a plan amendment, these accounts may also be used to reduce future employer matching contributions.

h. Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to May 2021.

i. Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

2. Significant accounting policies

a. Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

b. Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits and changes therein. Actual results could differ from those estimates.

c. Investment valuation and income recognition

Investments are reported at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Wayne State University Physicians Group (WSUPG) Retirement Plan Fiduciary Committee determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

See independent auditors' report.

2. Significant accounting policies (continued)

d. Subsequent events

The Plan Administrator has evaluated subsequent events for potential recognition and/or disclosure through December 14, 2022, the date the financial statements were available to be issued.

3. Information certified by Plan Custodian

Plan management elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the Custodian of the Plan, has certified the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for Benefits as of December 31, 2021 and 2020, and the supplemental Schedule H, Line 4i – Schedule of Assets (held at end of year), as of December 31, 2021; and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

4. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Shares of registered investment companies: Valued at the daily closing price as reported on the active market on which the individual securities are traded.

Interest bearing cash: Valued at cost, which approximates fair value.

See independent auditors' report.

4. Fair value measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies and interest-bearing cash	\$77,932,475	\$ -	\$ -	\$77,932,475
Self-directed brokerage accounts	<u>1,533,586</u>	<u>-</u>	<u>-</u>	<u>1,533,586</u>
Total assets in the fair value hierarchy	<u>\$79,466,061</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$79,466,061</u>

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies and interest-bearing cash	\$64,087,905	\$ -	\$ -	\$64,087,905
Self-directed brokerage accounts	<u>1,216,796</u>	<u>-</u>	<u>-</u>	<u>1,216,796</u>
Total assets in the fair value hierarchy	<u>\$65,304,701</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$65,304,701</u>

a. Changes in fair value levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no transfers between levels.

5. Fully benefit-responsive investment contract

The Plan participates in the New York Life Guaranteed Income Fund (GIF), which by definition is considered to be a guaranteed investment contract, or GIC. The contract is an insurance company issued general account guaranteed interest contract. There are no specific securities in the general account that back the investments in this account and interest rate is bi-annually. All transactions are at contract value. In certain instances, when total distributions or transfers in the GIF within a twelve-month period exceed pre-determined thresholds, transactions in the GIF may face certain restrictions and market adjustments, in accordance with contract terms. This could potentially result in the GIF not being fully benefit-responsive in certain instances. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract values as reported to the Plan by Fidelity, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their account balances at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

See independent auditors' report.

6. Related-Party and Party-in-Interest Transactions

Certain plan investments and shares of registered investment companies are managed by Fidelity, the custodian, and therefore these transactions qualify as party-in-interest. Fees paid to Fidelity totaled approximately \$94,965 for the plan year ended December 31, 2021. Certain administrative expenses are being paid by UPG. Certain employees of UPG are performing services for the Plan and are not compensated by the Plan.

7. Plan termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all of their accounts.

8. Income tax status and uncertain tax positions

The Plan was designed in accordance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore is exempt from income taxes.

The Plan's administrator has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. With few exceptions, the Plan is no longer subject to income tax examination by the U.S. federal, state or local tax authorities for years before 2016.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Reclassifications

Certain prior year amounts have been reclassified for consistency with the current year presentation.
