INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Emily's List 401(k) Retirement Plan
Washington, DC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Emily's List 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 *CFR* 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 *CFR* 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emily's List 401(k) Retirement Plan

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Emily's List 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Emily's List 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with Generally Accepted Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Emily's List 401(k) Retirement Plan

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Cont.)

In performing an audit in accordance with Generally Accepted Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Emily's List 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Emily's List 401(k) Retirement Plan ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

2021 Supplemental Schedules Required by ERISA (Cont.)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We have previously audited 2020 financial statements of Emily's List 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated October 15, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Emily's List 401(k) Retirement Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Note 1 - Description of Plan

The following description of the Emily's List 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Emily's List 401(k) Retirement Plan, established January 1, 2002 and restated effective September 1, 2017, is a defined contribution plan covering substantially all employees of Emily's List (the Employer). Under the provisions of the Plan, employees are eligible to make elective deferrals upon hire, and eligible to receive employer contributions after completing three consecutive months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Eligible employees may elect to defer up to 100% of his or her compensation and have such deferrals contributed by the Employer to his or her account under the Plan. Participants may also elect to make after tax contributions. Participant contributions are subject to the annual Internal Revenue Code limits as adjusted each year. This may be further limited so that the Plan complies with the 401(k) and 401(m) nondiscrimination tests. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Employer makes a "safe harbor" matching contribution equal to 100% of each participant's compensation, up to a maximum of 5% of compensation. Contributions made by the Employer for the years ended December 31, 2021 and 2020 totaled \$467,456 and \$470,829, respectively.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and, (b) Plan earnings, and charged with applicable fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Contributions are invested, at the discretion of the participants, in one, several, or all of the investment alternatives selected by the plan administrator.

Vesting: Participants become vested in the Employer "safe harbor" matching contributions immediately. Upon termination of employment due to death or disability (approved by Social Security), a participant becomes fully vested in their account.

December 31, 2021 and 2020

Note 1 - Description of Plan (Cont.)

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in nonrecurring partial payments from the vested portion of their individual account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Eligible distributions may also be rolled over to another qualifying plan or IRA. Hardship withdrawals are permitted in accordance with Internal Revenue Service regulations.

Forfeitures: Forfeited non-vested accounts for the years ended December 31, 2021 and 2020 totaled \$2,539 and \$2,496, respectively. Employer contributions were reduced by forfeited non-vested accounts of \$-0- for the years ended December 31, 2021 and 2020.

Notes Receivable from Participants: Under certain circumstances, as outlined in the Plan document, the Plan allows employees to obtain loans from the Plan. These loans are secured by the vested portion of the participants account and bear interest at 5.25%. Repayment of loans is provided through automatic payroll deduction.

Administrative Expenses: The administrative expenses related to the Plan's Custodian are paid by the Plan. The Employer pays all other administrative expenses of the Plan.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America. This basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. As of December 31, 2021 and 2020, the loan balances outstanding totaled \$62,745 and \$6,902, respectively.

Note 2 - Summary of Accounting Policies (Cont.)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value provides a good approximation of fair value of the contracts held in the stable value fund because the value of the investment contracts are deemed to be no less than the accumulated balance, and that each investment purchase is made at fair value since these purchases are not distressed and are conducted between willing buyers and sellers in open market conditions with a variety of investment choices.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions and Related Receivables

Contributions from the Employer and the participants of the Plan are accrued in the period in which they come obligations under provisions of the Plan agreement. The Employer matching contributions are recorded in the year in which the associated participant contributions are withheld from the amounts paid. Plan management has determined that all contribution receivables are fully collectible and therefore no allowance for doubtful accounts has been established.

Payment of Benefits

Benefits are recorded when paid. Benefits paid, including deemed distributions of participant loans, to participants amounts to \$596,247 and \$436,172 for the years ended December 31, 2021 and 2020, respectively.

Note 3 - Information Prepared and Certified by Trustee

Investment Data

All data contained in the statements of net assets available for benefits and statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, the Schedule H, line 41 - Schedule of assets (held at end of year) for the year ended December 31, 2021, were summarized from information supplied and certified as complete and accurate by the Ascensus Trust Company, the Trustee of the Plan.

Schedule of Assets Held for Investment Purposes

The accompanying Schedule H, line 4i - Schedule of assets (held at end of year) represents a detailed listing of all investments held by the Plan as of December 31, 2021.

Note 4 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits (except for fully benefit responsive investment contracts, which are reported at contract value). The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ASC 820-10 "Fair Value Measurements" establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Emily's List 401(k) Retirement Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2021 and 2020

Note 4 - Fair Value Measurements (Cont.)

The three levels of the fair value hierarchy under *FASB ASC820* are as described as follows:

- Level 1: Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs that are unobservable and supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan has no Level 2 or Level 3 investments. As of December 31, 2021 and 2020 the Plan's Level 1 investments comprise of mutual funds valued at \$11,739,734 and \$9,488,152, respectively. Mutual funds are valued at the daily closing prices as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Gains and losses (realized and unrealized) are included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 and are reported in net appreciation in fair value of investments.

Emily's List 401(k) Retirement Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2021 and 2020

Note 5 - Fixed Annuity Contracts with Insurance Company Measured at Contract Value

The stable value fund offered by the Plan is a benefit-responsive investment contract with The MetLife Insurance Company ("MetLife"). MetLife maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment is included in the financial statements at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. However, either (or both) the value of any investment contract and the contract interest rate will be adjusted to reflect, when necessary, the default of any wrap provider, or issuer of GIC or underlying security in a SBIC. Thus, certain withdrawals may be payable at market value.

As described in Note 2, contract value is the relevant measurement attribute for that portion of the net assets for benefits attributable to the fully guaranteed investment contracts. The contracts are included in the financial statements at contract value, which approximates fair value as reported to the Plan by MetLife.

There are no reserves against book value for credit risk of the contract issuer or otherwise. The fair value of the investment contracts at December 31, 2021 and 2020 were equal to contract value. The crediting interest rate is based on a formula agreed upon with the issuer. The stable value fund balance at December 31, 2021 and 2020 amounted to \$13,389 and \$12,804, respectively.

Note 6 - Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Ascensus Trust Company. Ascensus is the Trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2021 and 2020, fees paid by the Plan for the investment management services amounted to \$44,361 and \$34,636, respectively.

Note 7 - Reportable Transactions

A reportable transaction is a transaction, or series of transactions, exceeding five percent of the current value of the Plan's assets at the beginning of the year. During the plan years ended December 31, 2021 and 2020, there were no reportable transactions.

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their accounts.

Emily's List 401(k) Retirement Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2021 and 2020

Note 9 - Tax Status

Effective October 31, 2011, the Plan adopted a non-standardized form of a prototype plan sponsored by Ascensus LLC. The prototype plan has received an opinion letter dated January 1, 2018, from the Internal Revenue Service (IRS) as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since this determination letter has been received. However, the plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 - Subsequent Events

The Plan has evaluated the impact of subsequent events and transactions for potential recognition in the financial statements. Except as noted below, there have been no subsequent events through December 12, 2022, the date the Plan's financial statements were available to be issued, that require recognition or disclosure.

Recent market conditions have resulted in an unusually high degree of volatility and increased the risk and may affect the short-term liquidity associated with certain investments held by the Plan which could impact the value of investments after the date of these financial statements. Because these values of individual investments fluctuate with market conditions, the amount of gains or losses that will be recognized in subsequent periods, if any, cannot be determined.
