INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Participants of
FFI Holdings PR, Inc. Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of FFI Holdings PR, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting principles in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets Held at End of Year at December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FFI HOLDINGS PR, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

On February 19, 2020, the Puerto Rico Treasury Department ("PR Treasury") issued Internal Revenue Circular Letter No. 20-09 ("CL 20-09") to establish the rules to allow participants affected by the January 7, 2020 earthquake and subsequent aftershocks (collectively, the "Natural Disaster") to request distributions from Puerto Rico qualified retirement plans ("Retirement Plans"), and Puerto Rico Individual Retirement Accounts ("PR IRAs"), subject to a special tax treatment ("Eligible Distributions").

Eligible Distributions must be requested by individuals who are bona fide residents of Puerto Rico during 2020 ("Eligible Individuals") and must be completed during the period commencing on February 20, 2020 and ending on December 31, 2020 ("Relief Period"). Eligible Distributions must cover damages or losses suffered, and extraordinary expenses incurred, by the individual and/or members of his/her immediate family (i.e., spouse, offspring or parents) resulting from the Natural Disaster ("Eligible Expenses"). On March 29, 2020, the Puerto Rico Treasury Department issued Internal Revenue Circular Letter No. 20-23 ("CL 20-23") providing that "Eligible Expenses" under the recently issued Internal Revenue Circular Letter No. 20-09 ("CL 20-09") will also consist of damages, losses (including loss of income), and extraordinary expenses incurred as a result of the COVID-19 emergency. CL 20-09 will continue in full force and effect, except that it will also apply to Eligible Distributions made from Puerto Rico qualified retirement plans and individual retirement accounts during the Relief Period (February 20, 2020 through December 31, 2020) to cover Eligible Expenses incurred as a consequence of the public health emergency created by the COVID-19. These distributions will be subject to the same requirements imposed to Eligible Distributions resulting from the earthquakes. The earthquakes and the public health emergency created by the COVID-19 are deemed one event for purposes of the limitations under PR Code Sections 1081.01(b)(1)(D) and 1081.02(d)(1)(1).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies used by the Plan follows:

Basis of Accounting – The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates in the Preparation of Financial Statements – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of changes in net assets available for benefits during the reporting periods. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 3 to the Financial Statements for additional disclosures related to fair value measurements.

The Plan investment return includes interest income, gains and losses on sales of investments and unrealized appreciation or depreciation of investments. The financial statements reflect the net appreciation or depreciation in the fair value of the Plan's investments. This net appreciation or depreciation consists of realized gains and losses calculated as the difference between proceeds from a sales transaction and cost, and unrealized gains and losses calculated as the change in the fair value between beginning of the year (or purchase date if later) and the end of the year.

Contributions to the Plan – Employees contributions are recorded in the plan year period in which the Plan Sponsor make payroll deductions from the Plan participants' earnings. The employer will make a matching contribution equal to a discretionary percentage, to be determined by the Employer, of the Participant's salary reductions.

Payment of Benefits – Benefits are recorded when paid. There were no benefits payable to terminated participants as of December 31, 2021 and 2020.

Loan to Participants – Under the terms of the Plan, participants may borrow from their accounts from \$1,000 up to \$50,000 or 50% of their vested account balance, whichever is lower. The loans are secured by the balance in the participant's accounts and bear interest at prime rate plus 1%.

3. FAIR VALUE MEASUREMENTS

The FASB's authoritative guidance on Fair Value Measurement and Disclosures, establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under this guidance are described below.

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the Plan has the ability to access.

FFI HOLDINGS PR, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active market;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1.

Group annuity contract – adjusted from fair value to contract value. At December 31, 2021 and 2020, fair value approximated contract value, and is classified as level 2 assets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FFI HOLDINGS PR, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Total value on interest of registered securities	\$ 68,858	\$ 2,484	\$ 71,342

4. GROUP ANNUITY CONTRACT

Contributions remitted to Great-West Life & Annuity Insurance Company will be placed in the Key Guaranteed Portfolio Fund. Contributions to this fund shall be assigned to the general investment account of Great-West Trust Company.

The value of the Plan assets in the Key Guarantee Portfolio Fund in respect of the participant account will be determined as a value of (a) minus (b) where:

- (a) Is the sum of the contributions by and on behalf of participants plus interest; and
- (b) Is the sum of:
 - i) Any amounts distributed
 - ii) Any transfers from the Key Guaranteed Portfolio Fund.

There is no guaranteed interest rate under this contract, however, such rate will never be less than 0%.

At December 31, 2021 and 2020, Great-West Trust Company LLC informed that the fair value approximates contract value and as such, no adjustments were necessary to the accompanying statements of net assets available for benefits.

FFI HOLDINGS PR, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

5. INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company LLC, the custodian of the Plan, has certified as to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as December 31, 2021 and 2020, and the supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021; and the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

6. TAX STATUS

During 2014, the Plan was officially granted the qualification from the Puerto Rico Treasury Department ("PRTD") to operate under the provisions of former section 1165(e) of the Puerto Rico Income Tax Code. Such qualification provides the tax-deferral and deduction features at the participants' and Plan Sponsor's level and ratifies such treatment since the Plan's inception. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Income Tax Code and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to reduce, suspend or discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan terminates, the interest of each participating employee in the Plan shall be fully vested and such termination shall not reduce the interest of any participating employee, or their beneficiaries accrued under the Plan up to the date of such termination.

8. RISKS

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and level of uncertainty related to changes in the values of investments, it is possible that changes in market values in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits. Individual participant's accounts bear the risk of loss resulting from fluctuations in fund values.

FFI HOLDINGS PR, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

As a result, the pandemic of the Coronavirus Disease 2019 ("COVID-19"), there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.

9. PARTIES-IN-INTEREST

Certain Plan investments consist of funds administered by an affiliate of Great-West Trust Company LLC, the Plan's custodian and recordkeeper and therefore, these transactions qualify as allowable party-in-interest transactions. Other related parties consist of FFI Holdings PR, Inc., as employer; directors, officers and employees of FFI Holdings PR, Inc., and affiliates; Mr. David Ashe as trustee; Pension Plus, Inc., as investment advisor and Driven Advisors, P.S.C., as service provider.

10. NON-DISCRIMINATION TEST

The Plan passed the Average Deferral Percentage Test ("ADP Test") for the years ended December 31, 2021 and 2020.

11. SUBSEQUENT EVENTS

The Department of Treasury issued the Internal Revenue Circular Letter No. 22-13 of September 27, 2022 (the "Circular Letter"), which established the rules applicable to distributions of retirement plans and individual retirement accounts ("IRAs") related to damages caused by hurricane Fiona in September 18, 2022. Financial relieve will be provided by an approved special legislation that allows for certain eligible withdrawals during a specific period and subject to a preferential tax treatment, as established by the Puerto Rico Treasury Department's Administrative Order No.22-08 ("DA 22-08"). Pursuant to AD 22-08, the eligible withdrawals are allowed during the period from October 6, 2022 through December 31, 2022. Special distributions will be subject to taxation as follows:

- The first \$10,000 distributed within the term established by the Secretary, and after a Declaration of a Disaster by the Governor of Puerto Rico, will be excluded from the definition of gross income, pursuant to Code Section 1031.01(b)(18), and will not be subject to any type of withholding at source ("Excluded Amount");
- Any distribution in excess of the first \$10,000 will be subject to a special 10% tax, in lieu of any other tax imposed by the Code, including the Alternate Basic Tax, as long as the total distributions made during the term established by the Secretary does not exceed \$100,000;

FFI HOLDINGS PR, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

- In aggregate, the total distributions from a Retirement Plan or an IRA Account will not exceed the limit of \$100,000 during the period established by the Secretary through a general communication.

The Plan Administrator has evaluated all subsequent events through October 3, 2022, the date the financial statements were available to be issued. There are no other material subsequent events that would require disclosure in the Plan's financial statements, aside from those described above.
