|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Those Charged with Governance of  
Marymount University Defined Contribution Retirement Plan  
Arlington, Virginia

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Marymount University Defined Contribution Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Marymount University Defined Contribution Retirement Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit for the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

## **Opinion on the 2021 Financial Statements (Continued)**

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Marymount University Defined Contribution Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marymount University Defined Contribution Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marymount University Defined Contribution Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marymount University Defined Contribution Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### *2021 Supplemental Schedules Required by ERISA*

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## **Other Matters (Continued)**

### *2021 Supplemental Schedules Required by ERISA (Continued)*

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Marymount University Defined Contribution Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator and Those Charged with Governance of  
Marymount University Defined Contribution Retirement Plan  
Arlington, Virginia

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Marymount University Defined Contribution Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Marymount University Defined Contribution Retirement Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit for the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

## **Opinion on the 2021 Financial Statements (Continued)**

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Marymount University Defined Contribution Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marymount University Defined Contribution Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marymount University Defined Contribution Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marymount University Defined Contribution Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### *2021 Supplemental Schedules Required by ERISA*

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## **Other Matters (Continued)**

### *2021 Supplemental Schedules Required by ERISA (Continued)*

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Marymount University Defined Contribution Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**MARYMOUNT UNIVERSITY  
DEFINED CONTRIBUTION RETIREMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS  
December 31, 2021**

**Note 1. Plan Description**

The following description of the Marymount University Defined Contribution Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Marymount University (the “University”), excluding student employees and non-resident aliens. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 92% of compensation in the form of pre-tax deferrals and Roth deferrals, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Employees who have completed at least 1,000 hours of service in a 12 month period, as defined, were eligible to receive the University contribution. Through July 2, 2020, the University contributed 8.00% of each participant’s eligible compensation. Effective July 2, 2020, the University’s board of directors elected to suspend the University contribution. The Plan document was restated effective April 1, 2021. The discretionary non-elective employer contribution was reinstated April 1, 2021 retroactive to July 1, 2020, and the University contributed 2% to eligible participants. The reinstatement also added a discretionary employer match up to 6%, added a 2% automatic enrollment feature for new hires, and eliminated the 1 year of service requirement for eligibility for the University contribution. Contributions are subject to certain limitations.

Participant accounts

Each participant’s account is credited with the participant’s contribution, the University contribution, and an allocation of earnings and administrative fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants were immediately vested in their contributions, the University portion of their account, and earnings thereon prior to the April 1, 2021 Plan restatement. Subsequent to the restatement, new hires will be subject to a graded vesting schedule as defined in the Plan.

Payments of benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum distribution, partial payments, installment payments, or annuity payments equal to the value of the participant’s vested interest in his or her account, as defined. The Plan allows in-service withdrawals of employee contributions at age 59.5.

**NOTES TO FINANCIAL STATEMENTS  
December 31, 2021**

**Note 1. Plan Description (Continued)**

Payments of benefits (Continued)

Cash out distributions are made upon severance from employment for vested account balances of \$5,000 or less, as defined. Individual account balances of \$1,000 or less shall be paid in a lump sum distribution.

Notes from participants

Generally, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the present value of their account balance. The maximum loan amount may be less depending on the amount of a participant's accumulation and whether any other loans have been granted from the Plan within the last year. Note terms range from 1 to 5 years unless the note is for purchase of a primary residence, in which case the term may exceed 10 years. Notes are secured by the balance in the participant's account and bear interest at a rate of Prime + 1.00%. At December 31, 2021, interest rates ranged from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

**Note 2. Significant Accounting Policies**

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of investments and income recognition

The Plan's investments are reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plans' Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the gains and losses on investments bought and sold as well as held during the year.

**DEFINED CONTRIBUTION RETIREMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021**

**Note 2. Significant Accounting Policies (Continued)**

Valuation of investments and income recognition (Continued)

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Benefit payments

Benefit payments are recorded when paid.

Notes from participants

Notes from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Administrative expenses

Administrative expenses incurred by the Plan may be paid by either the University or the Plan on a discretionary basis. Plan fees related to investment transactions are paid by the Plan and netted with investment income.

**Note 3. Fair Value Measurements**

The Plan's mutual funds, pooled separate account, and non benefit-responsive traditional annuity investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 consists of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 and 2 inputs were not available.

***Level 1 Fair Value Measurements***

The fair values of mutual funds and the pooled separate account are based on quoted net asset values of the shares held by the Plan at year end.

***Level 3 Fair Value Measurements***

The non benefit-responsive TIAA Traditional Annuity is valued at fair value which equals the accumulated cash contributions and interest credited to the Plan's contracts less any withdrawals. The following table provides further detail of Level 3 investments.

**Note 4. Investment Contract with Insurance Company**

Non benefit-responsive

Participants may choose to invest in a TIAA Traditional Annuity account that is not a fully benefit-responsive traditional investment contract. This contract pays a guaranteed rate of interest plus additional amounts that are not guaranteed but may be established on a year-by-year basis. These additional amounts, when declared, remain in effect through the end of the “declaration year,” which begins each March 1. Contributions to a participant’s account provide a guaranteed amount of lifetime annuity income. The guaranteed minimum interest rate is generally 3.00%, but in more recent contracts between 1.00% and 3.00%. The interest rates ranged from 2.75% to 3.00% for the year ended December 31, 2021 and from 2.90% to 3.75% for the year ended December 31, 2020.

Fully benefit-responsive

Participants may also invest in a TIAA Traditional Annuity account that is a fully benefit-responsive traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. This contract maintains the participants’ contributions plus a specified rate of interest and is guaranteed by TIAA’s claims paying ability. Contributions to a participant’s account provide a guaranteed amount of lifetime annuity income. The guaranteed minimum interest rate is generally 3.00%, but in more recent contracts between 1.00% and 3.00%. The expected rate of return in the fully benefit-responsive Traditional Annuity account ranged from 2.00% to 3.00% for the year ended December 31, 2021 and from 2.15% to 3.00% for the year ended December 31, 2020. The actual average yield earned by the Plan was 3.02% and 3.21% for the years ended December 31, 2021 and 2020, respectively.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The following represents the total contract value of this investment contract held by the Plan.

|                                  | <u>2021</u>         | <u>2020</u>         |
|----------------------------------|---------------------|---------------------|
| Traditional investment contracts | <u>\$ 6,454,894</u> | <u>\$ 6,869,474</u> |

The Plan’s ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

**NOTES TO FINANCIAL STATEMENTS  
December 31, 2021**

**Note 4. Investment Contract with Insurance Company (Continued)**

Fully benefit-responsive (Continued)

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the *Internal Revenue Code* or the failure of the trust to be tax-exempt under Section 501(a) of the *Internal Revenue Code*.
- Premature termination of the contracts.
- Plan termination or merger.
- Changes to the Plan's prohibition on competing investment options.
- Other Plan Sponsor events that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines.
- A breach of material obligation under the contract.
- A material misrepresentation.
- A material amendment to the agreements without the consent of the issuer.

When a participant's account in the non benefit-responsive and fully benefit-responsive TIAA Traditional Annuity is annuitized based on available options, the present value of the stream of payments is equal to the account balance. This annuitization is accounted for as an annuity settlement option, a type of distribution from the Plan used to purchase individual annuity contracts. The subsequent stream of annuity payments from the individual contract occurs outside of the Plan and does not represent an obligation of the Plan.

TIAA issues various types of contracts as funding vehicles for retirement plans. Certain contract types contain liquidity restrictions on the redemption of TIAA Traditional Annuity accumulations, which could impact the value realized upon exiting the contract.

**Note 5.     Related-Party Transactions**

Certain administrative functions are performed by officers or employees of the University. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Plan participants may choose to invest in funds held by TIAA and CREF. Investments in funds issued and managed by TIAA and CREF are considered related-party transactions.

TIAA is the recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. TIAA provides certain administrative services to the Plan pursuant to a Recordkeeping Services Agreement between the University and TIAA. Revenue credits generally represent the return of excess revenue generated by the Plan based upon the terms of the Recordkeeping Services Agreement. Excess revenue occurs when TIAA's net revenue from the Plan participants' investments exceeds required revenue levels stated in the Recordkeeping Service Agreement. Revenue credits are deposited to the Plan's revenue credit account and may be used to pay reasonable and necessary Plan expenses. The Plan Sponsor may make a payment to TIAA for administrative expenses not covered by revenue credits.

The University employs CAPTRUST Financial Advisors ("CAPTRUST") as independent investment advisors for the Plan. For the years ended December 31, 2021 and 2020, revenue credits of \$37,290 and \$32,971, respectively, were used to pay CAPTRUST investment advisory fees directly from the Plan. At December 31, 2021 and 2020, the Plan owed the University \$161,314 for reimbursement for CAPTRUST investment advisory fees previously paid by the University.

**Note 6.     Plan Termination**

Although they have not expressed any intent to do so, the University has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**Note 7.     Tax Status**

The Plan was restated to a prototype plan sponsored by TIAA effective October 1, 2018. The Plan is designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. The Plan Sponsor and Administrator believe that the Plan is currently being operated in compliance with the applicable requirements of the *IRC*.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

**Note 8. TIAA and CREF Certification**

Certain information was certified as complete and accurate by TIAA and CREF. This information is as follows:

- Investment assets
- Investment transactions
- Investment income
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)
- Notes from participants

**Note 9. Contingency**

Participants of the Plan may obtain loans directly from TIAA. These loans are securitized by the individual participant's account. As of December 31, 2021 and 2020, Plan loans were \$202,710 and \$319,164 respectively.

**Note 10. COVID-19**

In March of 2020, the World Health Organization classified the COVID-19 outbreak as a global pandemic, adversely affecting global economic activity and financial markets. As the COVID-19 outbreak continues to evolve, the extent of the impact on Plan Sponsor's operations, Plan activity, and Plan investments is uncertain and cannot be predicted.

The Plan adopted provisions under the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). These included increasing the allowed amounts for certain qualifying distributions and participant loans, loan repayment deferrals for participants impacted by COVID-19 and suspension of required minimum distributions (RMDs).

**Note 11. Subsequent Events**

Evaluation of subsequent events was considered through December 28, 2022, the date the financial statements were available to be issued.

In October 2022, the Plan transitioned their recordkeeping services from TIAA and CREF to Voya Institutional Trust Company.

The Plan Document was restated effective October 1, 2022 to allow for immediate entry upon the satisfaction of meeting age and service requirements, the addition of after-tax contributions, the elimination of allocation conditions for nonelective contributions, a true up contribution for the discretionary matching contribution, and utilization of forfeitures to reduce employer plan contributions or pay plan expenses.
