Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Orange Coast Title Family of Companies Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from the qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Orange Coast Title Family of Companies Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Orange Coast Title Family of Companies Employee Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Participants and Administrative Committee
Orange Coast Title Family of Companies Employee Savings Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Orange Coast Title Family of Companies Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Orange Coast Title Family of Companies Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Participants and Administrative Committee
Orange Coast Title Family of Companies Employee Savings Plan

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Orange Coast Title Family of Companies Employee Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ORANGE COAST TITLE FAMILY OF COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Orange Coast Title Family of Companies Employee Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a multiple employer defined contribution plan that was adopted by Orange Coast Title Company and its affiliates (collectively, the Company), effective October 1, 1987, and is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code of 1986 (IRC), as amended. The purpose of the Plan is to provide retirement benefits for substantially all employees who have reached the age of 18 and completed one month of service. At the discretion of the Company, the Plan also has a profit sharing feature. The Administrative Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Participants may elect to contribute up to 50% of their pretax annual compensation not to exceed the maximum deferral limitation, as defined in the IRC. Eligible participants are automatically enrolled in the Plan to contribute 6% of their eligible compensation. Participants can waive enrollment or change their deferral rate at any time. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make a discretionary matching contribution but did not make any in the current year. The Company makes matching contributions equal to 35% of the participant's deferral. The Company's total employer match contribution for the year ended December 31, 2021, was \$1,698,891, net of forfeitures of \$358,569.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, rollover contributions, and related earnings. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is vested at the rate of 20% each year after two years of service and is considered to be 100% vested after six years of credited service. Participants become immediately vested in the Company's contribution upon the attainment of the normal retirement age, death, or permanent disability.

ORANGE COAST TITLE FAMILY OF COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow against their Plan account balance within Plan guidelines. Loan terms are at the discretion of the borrower but cannot exceed five years, with the exception of any loan that is used to acquire the principal residence of the participant, which must be paid over a reasonable period of time. The loan amount cannot exceed the lesser of one half of the participant's nonforfeitable interest under the Plan or \$50,000. Interest is charged on the outstanding balance at rates determined by the Plan administrator based on prevailing interest rates. Principal and interest are paid ratably through semimonthly payroll deductions. Participants are limited to one loan outstanding at any time. The loans are secured by the vested account balance in the participant's account.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum distribution equal to the vested portion of his or her account or an annuity over the life of the participant or designated beneficiary, as defined in the Plan document. For termination of service for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. Additionally, under certain circumstances of financial hardship or upon reaching the age of 59½, participants are allowed to withdraw their funds from the Plan.

Forfeitures

Forfeitures are used to offset Plan administrative expenses, to reduce employer contributions, or allocated to participants. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$190,486 and \$428,159, respectively. The Plan used \$358,569 of forfeitures to reduce employer contributions and \$1,473 to reduce Plan expenses during 2021. If a terminated participant is reinstated in the Plan within five years from the date of the termination, any forfeited benefits will be reinstated.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. Some of the administrative expenses, including legal and accounting fees, are paid by the Company, and other transaction fees are deducted from the applicable participants' accounts.

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and reflected as a component of net appreciation (depreciation) in fair value of investments.

ORANGE COAST TITLE FAMILY OF COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2021 and 2020, except for the fully benefit-responsive investment contracts, which are stated at contract value (see Note 9). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 10 for a discussion of fair value measurements. As further described in Note 11, the fair value of the Plan's common collective trusts is measured using the net asset value (NAV) per share as a practical expedient. NAV per share of these investments is based on the fair value of the fund's underlying net assets divided by the number of units outstanding.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains and/or losses are reported the day after the trade date.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable are reclassified as distributions based upon terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The process of preparing financial statements in accordance with U.S. GAAP. GAAP requires the use of estimates and assumptions regarding certain types of assets and liabilities, revenues and gains, and expenses and losses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

NOTE 3 CONCENTRATIONS, RISKS, AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

ORANGE COAST TITLE FAMILY OF COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 INFORMATION PREPARED AND CERTIFIED BY THE INSURANCE COMPANY AND TRUSTEE

On December 31, 2020, Empower acquired the retirement business of Massachusetts Mutual Life Insurance Company (MassMutual). Reliance Trust Company (Reliance Trust), as trustee, and Great-West Life & Annuity Insurance Company (GWLA), on behalf of MassMutual, under a power of attorney granted to GWLA, an affiliate of Empower, with respect to Empower's role as the administrator of this retirement business, have supplied the Plan administrator with certifications as to the completeness and accuracy of the notes receivable from participants and related interest income and all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020 and the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplemental schedule of assets (held at end of year) as of December 31, 2021.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants would become fully vested in their accounts.

NOTE 6 WITHDRAWN PARTICIPANTS

At December 31, 2021 and 2020, there were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not been paid.

ORANGE COAST TITLE FAMILY OF COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 7 TAX STATUS

The Plan is placing reliance on an opinion letter from the IRS on the prototype plan indicating that the Plan is designed in accordance with the applicable section of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTIES IN INTEREST

Some of the Plan's investments are managed by Mass Mutual, the insurance company of the Plan, and Reliance Trust Company, the trustee of the Plan, and therefore, these investments qualify as party-in-interest transactions. Notes receivable from participants represent loans to employees and therefore also qualify as party-in-interest transactions. The Plan has a number of service providers. Such providers are parties in interest under ERISA.

NOTE 9 FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

Guaranteed Interest Account

In 2018, the Plan offered a guaranteed interest account as an investment option for Plan participants under the Plan's group annuity contract with Mass Mutual. Investments in the guaranteed interest account are held in the general account of Mass Mutual, and Plan management considers the investments to be a traditional investment contract that is fully benefit responsive. For fully benefit-responsive investment contracts, contract value is the relevant measurement attribute for that portion of the net assets available for benefits. Contract value, as reported by Mass Mutual, is the beginning balance plus any deposits and credited interest, less any withdrawals, charges, or expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

The effective annual rate of interest of the guaranteed interest account is established for the corresponding three-month period. Interest is credited, which is based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the three-month period. The minimum interest rate on the guaranteed interest account is 0.00%.

ORANGE COAST TITLE FAMILY OF COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 9 FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

Guaranteed Interest Account (Continued)

Certain potential events could limit the ability of the Plan to execute transactions of the guaranteed interest account at contract value with Mass Mutual. These potential events include (1) termination of the group annuity contract and (2) spin-offs, divestitures, or layoffs that result in partial or total Plan termination. The Plan administrator does not believe that any events, which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

Contract value of the guaranteed interest account totaled \$8,268,928 and \$9,080,551 at December 31, 2021 and 2020, respectively.

NOTE 10 FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 10 FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV per share and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, measured on a recurring basis, at fair value as of December 31:

	2021			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 26,600,953	\$ -	\$ -	\$ 26,600,953
Investments Measure Using NAV Per Share				31,791,637
Total Investments at Fair Value				\$ 58,392,590

	2020			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 21,164,633	\$ -	\$ -	\$ 21,164,633
Investments Measure Using NAV Per Share				24,003,804
Total Investments at Fair Value				\$ 45,168,437

NOTE 11 INVESTMENTS MEASURED USING NET ASSET VALUE PER SHARE

The following table for December 31, 2021 and 2020, sets forth a summary of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as a practical expedient:

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
	2021	2020				
Common Collective Trusts	\$ 31,791,637	\$ 24,003,804	None	Daily	None	None

NOTE 12 NON-EXEMPT TRANSACTION

In 2020, the Company failed to remit employee 401(k) deferral contributions for several participant totaling \$353 within the timeframe prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and the Internal Revenue Code. The Company completed the process of correcting the prohibited transaction by depositing the lost earnings, filing the required Form 5330 with the Internal Revenue Service and paying the appropriate excise tax in 2021.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation (“EIC”) Statement

Mutual fund investments with a retirement plan (whether held directly or indirectly through a separate investment account) can have soft dollar arrangements pursuant to which the investment advisor or sub-advisor of the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services. The Securities and Exchange Act of 1934 contains guidance regarding the use of soft dollar arrangements.

For plans that invest directly or indirectly in the MassMutual Funds, soft dollar compensation is disclosed on the Schedule C and the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, a Schedule C Soft Dollar Compensation Disclosure Attachment is provided and should be filed along with the Form 5500.

For additional information regarding soft dollar compensation, refer to the respective mutual fund’s Statement of Additional Information (“SAI”) for details regarding brokerage allocation and other practices.
