INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Weekley Asphalt Paving, Inc. 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Weekley Asphalt Paving, Inc. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022 stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Weekley Asphalt Paving, Inc. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that

Member American Institute of Certified Public Accountants and
FLORIDA INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS

are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Weekley Asphalt Paving, Inc. 401 (K) Plan . ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Weekley Asphalt Paving, Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Weekley Asphalt Paving, Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i, Schedule of Assets held as of June 30, 2022 and Schedule G reportable transactions for the year ended June 30, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department

of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the financial statement of Weekley Asphalt Paving, Inc. 401 (K) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated March 10,2022 , indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WEEKLEY ASPHALT PAVING, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Weekley Asphalt Paving, Inc. 401K Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Contributions to the Plan consist of the following:

Each year, participants may contribute up to 15% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company contributes 25% of the first 4% of base compensation that a participant contributes to the Plan. Additional non-elective amounts may be contributed at the option of the Company. Contributions are subject to certain limitations.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Allocations:

Discretionary employer contributions are allocated among the profit sharing contribution accounts of participants who are eligible to receive a contribution for that plan year in a ratio that each such participant's compensation bears to the sum of all participants' compensation. All allocations are made annually on June 30. To be eligible for employer contribution and forfeiture allocations, a participant must be an active employee on June 30. 2022.

Employer forfeitures are allocated to reduce non-elective contributions at the time the forfeiture occurs.

Note 1. Description of Plan (cont.)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Participants' share of employer contributions are subject to the following vesting schedule:

Years of Service	Percent Vested
1	0
2	20
3	40
4	60
5	80
6	100

Participant Notes Receivable:

Participants can borrow from their fund accounts at a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from 1-5 years or up to 7 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. The interest rate presently is 4.50% (Prime plus 1.0%). Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits:

On termination of service, a participant (or, in the event of the participant's death, his or her beneficiary) may elect to receive a lump-sum amount equal to the value of his or her account, or periodic payments consisting of monthly, quarterly, semi-annual or annual installments over one of the following periods:

1) the life of the participant;

2) the life of the participant and designated beneficiary;

Note 1. Description of Plan (cont.)
Payment of Benefits (cont.)

3) a period certain not extending beyond the life expectancy of the participant; or

4) a period certain not extending beyond the joint and last survivor life expectancy of the participant and a designated beneficiary.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting:
The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition:
The Plan's investment assets are reported at fair value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan invest in investment contract trough common collective trust. See Note 5 for further information on the investments.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) include Plan's gains and losses on investments sold during the year, as well as those held at the end of the year.

Estimates:
The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits:
Benefits are recorded when paid.

Date of Management Reviews:
Subsequent events were evaluated through the independent auditors' report date, which is he date the financial statements were available to be issued.

Operating Expenses:
Expenses of maintaining the plan are paid by the plan.

Note 3. Tax Status

The Plan obtained its latest determination letter on October 26, 2006, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code. The most recent Plan amendment was made on September 1, 2013 to eliminate Roth contributions and accept direct rollovers from qualified plans. The plans tax returns for June 30, 2020, 2021 and 2022 are subject to examination by Internal Revenue Service and Department of Labor, generally for three years after filing.

Note 4. Vested Benefits

At June 30, 2022, total vested benefits were $13,407,938, including approximately $466,190 for terminated participants.

Forfeited accounts at June 30, 2022 and 2021, forfeited non vested accounts totaled $1,520 and $73 respectively. These accounts will be used to reduce future employer contributions. Also for the year ended June 30, 2022 employer contributions were reduced by $506.

Note 5. Information Prepared and Certified by Trustee (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules as of and for the years ending June 30, 2022 and 2021 were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Newport Trust Company (the trustee). Accordingly, the trustee has certified that the following data included in the accompanying financial statements is complete and accurate.

Investments at fair value investments at contract value and notes receivable from participants, as shown on the statements of net assets available for benefits as of June 30, 2022 and 2021. Net income from investment activity, dividend income and interest earned on participant note receivable, as shown in the statement of changes in net assets available for benefits for the year ended June 30, 2022.

Schedule H Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

Note 6. Fair Value Measurement

The Plan determines fair based on assumptions that market participants would use in pricing an asset or liability in the principal or most advantageous market. When considering market participant assumptions in fair value measurements, the following fair value hierarchy distinguishes between observable and unobservable inputs, which are categorized in one of the following levels:

Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities that the Fund is able to access.

Level 2-Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation, or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3-Inputs that are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of the input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of the unobservable inputs.

The following is a description of the valuation methodologies used for these items, as well as the general classification of such items pursuant to the fair value hierarchy:

NOTE 6. Fair Value Measurement (Cont'd)

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that pace. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust - The fair value of the units held in the Met Life Group WTRISC CIT III Value Fund are based on their NAV, as reported by the manager of the of the collective trust funds and as supported by the unit prices of actual purchased and sales transactions occurring as of or close to the financial statement date. Met Life Group WTRISC CIT III Value Fund invests primarily in guaranteed and security backed investment contracts with life insurance companies, banks and other other financial institutions.

The methods described above may produce a fair value calculation that may not be indicative of net realized value or reflective of future fair values. Furthermore, while the Plan Sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following table presents the fair value of the Plan's various investments:

Note 9. Plan Termination

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 10. Participant Directed Investment Program

The Plan permits participants to annually direct the allocation of their account balance into one or more mutual funds. The funds available for investment consist of Publicly traded: Fixed Income Funds, Domestic and Foreign Equity Funds and Money Market Funds.

Note 11. Investment Risk

The Plan participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 12. Reconciliation of Financial Statements to Schedule H of Form 5500

There are no reconciling items between the net assets available for benefits per the Financial Statements to Schedule H of Form 5500.

Note 13. Related Party Transactions and Party-in-Interest

Certain participants of the Plan have outstanding loans (notes receivable from participants) with the Plan as of June 30, 2022. These loans are considered party-in-interest transactions according to the DOL guidelines. Total notes receivable from participants as of June 30, 2022 and 2021 were $139,053 and $197,846 respectfully.
