INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Southern Counties Lubricants, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Southern Counties Lubricants, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by Empower Trust Company, LLC and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Southern Counties Lubricants, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southern Counties Lubricants, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southern Counties Lubricants, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southern Counties Lubricants, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Part IV, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

SOUTHERN COUNTIES LUBRICANTS, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN

The following description of the Southern Counties Lubricants, LLC 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the summary plan description for a more complete description of the Plan's provisions. The Plan document contains the definitive legal provisions governing the Plan.

General

The Plan is a defined contribution profit sharing plan covering full-time employees of Southern Counties Lubricants, LLC (the Company) who are at least twenty-one years of age and have completed at least 250 hours of service within a 3-month period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Contributions to the Plan include (a) salary reduction contributions authorized by participants, (b) nonelective contributions made by the Company and (c) participant rollovers from other qualified plans and individual retirement accounts.

The 401(k) salary deferral option allows employees to defer a portion of their salaries for income tax purposes through contributions to the Plan. Participants may elect to contribute any percentage of their compensation to the Plan, subject to the limits of the Internal Revenue Code. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions.

Any employee upon first becoming hired who fails to affirmatively make any deferral election, within the time prescribed by the Administrator, shall be deemed to have elected to defer three percent (3%) of their compensation as a pre-tax contribution or elective deferral. Unless the employee elects otherwise, the deemed elective deferral shall increase one percent (1%) annually up to a maximum of six percent (6%).

The Company may contribute a discretionary matching contribution equal to a percentage, as determined by management, of the elective deferrals of each eligible participant.

The Company may make a profit-sharing contribution, at the discretion of management, for any Plan year. The discretionary profit-sharing contribution is allocated to participants in the ratio that their compensation bears to the total compensation paid to all eligible participants for the Plan year.

A participant may make a rollover contribution to the Plan. Rollover contributions are assets transferred to the Plan from individual retirement accounts or other qualified plans in which an employee participated prior to employment with the Company.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's matching contribution, if any, (b) Plan earnings and (c) forfeitures of terminated participants' nonvested accounts. Participant accounts are also charged with (a) withdrawals, (b) allocation of service credit or Plan administrative expenses, (c) an allocation of Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Investment Direction

Participants direct the investment of their contributions and any Company matching contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds, collective investments trusts and a money market fund as investment options for participants. Participants may change their investment options at any time throughout the year.

Vesting

Participants are vested immediately in their contributions (elective deferrals, including catch-up contributions and/or rollover contributions) and related earnings. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant vests annually for each year of service per the below schedule:

Years of Service	Percentage
Less than 1	0%
1	25%
2	50%
3	60%
4	80%
5	100%

Payment of Benefits

Benefits are paid to a participant upon retirement, termination, disability, death or attainment of age 59 ½ or 70 ½. Benefits are distributed to the participant or beneficiary through a lump sum distribution, as defined in the plan document.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN (continued)

Payment of Benefits (continued)

On termination of service due to death, disability, retirement or any other reason, participants with a vested account balance greater than \$5,000 may elect to receive an amount equal to the value of their vested interest in either a lump-sum or in periodic installments. Participants with vested account balances of less than \$5,000 receive a lump-sum distribution upon termination of service with the Company.

In the event of financial hardship (as defined by the Plan), participants may withdraw money from the employee contribution portion of their Plan accounts while they are still employed.

Notes Receivable from Participants

Participants may borrow from their account an amount up to a maximum equal to \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a prime rate (as listed in the Wall Street Journal) plus 1%. Rates currently range from 4.25% to 6.50%. Participants are limited to one outstanding note at any given time, payable over a period of one to five years, except for notes used for financing the purchase of a participant's principal residence, which may not exceed fifteen years.

Participant loans are classified as notes receivable from participants on the Statement of Net Assets Available for Benefits and are valued at their unpaid principal balance, plus accrued but unpaid interest. The interest earned on these loans is shown as "interest income on notes receivable from participants" on the Statement of Changes in Net Assets Available for Benefits. Principal and interest are paid ratably through semi-monthly payroll deductions.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures shall be used to pay administrative expenses or to reduce employer contributions under the Plan. At December 31, 2021 and 2020 forfeited non vested accounts totaled \$10,146 and \$6,271 (unaudited), respectively. During the years ended 2021 and 2020, no forfeitures were used to pay administrative expenses or reduce employer contributions.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements and accompanying notes are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 AND 2020

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value accounting.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in the fair value of investments includes realized gains and losses on investments bought and sold during the year as well as unrealized gains and losses on investments held at the end of the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant unpaid loan balance shall become due and payable in accordance with the terms of the underlying promissory note.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Plan Expenses

Administrative expenses are paid by the Plan as permitted by the plan document and to the extent that they are not paid by the Company. These expenses include, but are not limited to, accounting, legal and recordkeeping fees and investment expenses.

Subsequent Events

The Plan has evaluated subsequent events through December 28, 2022, the date which the financial statements were issued. No material subsequent events that required recognition or additional disclosure in these financial statements were identified.

NOTE 3. FAIR VALUE ACCOUNTING

Fair Value Hierarchy

The Financial Accounting Standards Board issued authoritative guidance that provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs and is described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; and inputs other than quoted prices that are observable for the asset or liability. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Valuation Methodology

A description of the valuation methodology used for assets measured at fair value follows. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds

Mutual funds are valued at the net asset value of shares held by the Plan at the end of the year.

Collective investment trusts

Collective investment trusts are valued at the net value of shares held by the Plan at the end of the year.

SOUTHERN COUNTIES LUBRICANTS, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 AND 2020

NOTE 3. FAIR VALUE ACCOUNTING (continued)

Valuation Methodology (continued)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Application of Fair Value Hierarchy

The tables below set forth by level, within the fair value hierarchy, a summary of the Plan's investments measured at fair value on a recurring basis as of December 31, 2021 and 2020.

As of December 31, 2021

NOTE 4. CERTIFICATION BY THE TRUSTEE

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan's administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Empower Trust Company, LLC, for the years ended December 31, 2021 and 2020, except for comparing such information certified by the custodian with information included in the accompanying financial statements and supplemental schedule:

	<u>2021</u>	<u>2020</u>
Investments:		<i>Unaudited</i>
Mutual funds	\$ 6,835,960	\$ 5,702,277
Collective investment trust	<u>412,278</u>	<u>347,551</u>

The trustee also certified to the completeness and accuracy of the following investment income in the year ended December 31, 2021:

	<u>2021</u>
Investment income:	
Net appreciation in fair value of mutual funds	\$ 716,177
Dividend income	288,749
Interest income on fixed annuities	3,528

Total Investment Gain Certified by Trustee	<u>\$ 1,023,163</u>

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 AND 2020

NOTE 5. ADMINISTRATIVE EXPENSES

Administrative expenses are paid by the Plan unless the Company elects to pay such costs. The Plan's administrative expenses paid by the Plan in 2021 totaled \$21,373.

NOTE 6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Plan investments managed or maintained by the trustee of the Plan would qualify as exempt party-in-interest transactions. There was no investment managed or maintained by the trustee or its affiliates as of December 31, 2021 and 2020. Notes receivable from participants are exempt party-in-interest transactions. All other transactions, which may be considered exempt parties-in-interest transactions, related to normal Plan management and administrative services.

NOTE 7. TAX STATUS

The Plan Sponsor has adopted a prototype plan sponsored by Empower Retirement. The prototype plan received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype plan and related trust have been designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

SOUTHERN COUNTIES LUBRICANTS, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 AND 2020

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

In January 2020, the World Health Organization declared an outbreak of a novel coronavirus (COVID-19) as a pandemic resulting in adversely impacted global commercial activity and significant declines and volatility in financial markets, resulting in economic uncertainties which may negatively impact investment performances across the globe. The outbreak presents uncertainty and risk with respect to the Plan's performance and its financial results.
