Independent Auditors' Report

The Administrative Committee
Atlas Steel Products Co. Employee Savings and Profit Sharing Plan
Twinsburg, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Atlas Steel Products Co. Employee Savings and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statement

We were engaged to audit the 2020 financial statement of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statement and (b) the form and content of the information included in the 2020 financial statement other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ATLAS STEEL PRODUCTS CO. EMPLOYEE SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Atlas Steel Products Co. Employee Savings and Profit Sharing Plan (the "Plan") provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General – The Plan is a defined contribution plan consisting of a 401(k) component and an Employee Stock Ownership Plan (the "ESOP") component covering all eligible full-time domestic employees of Atlas Steel Products Co. and its participating subsidiaries (the "Company") who have completed at least six months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.
- B. Contributions – Generally, participants may make pre-tax contributions of an amount not less than 1% and not more than 50% of their compensation, subject to certain Internal Revenue Service ("IRS") limitations. The Plan states that participants may receive a non-elective contribution and other matching and discretionary contributions as approved by the Company. The Company makes a safe harbor contribution of 100% of participants' pre-tax contributions from 1%-3% and 50% of contributions from 4%-5%.

Plan contributions can be made in cash or in shares of the Company's common stock. Cash received by the trustee is used to purchase shares of common stock from the Company or its shareholders.

- C. Participant Accounts – Each participant's account is credited with the employee's contribution, the Company's contributions, if applicable, and related earnings, and charged with an allocation of administrative expenses as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants who terminate employment with the Company are not permitted to hold Company Stock under the Bylaws. Shares of Company Stock held in accounts of participants who have terminated employment with the Company will be redeemed by the Plan as administratively feasible.
- D. Notes Receivable From Participants – The Plan allows for participant loans, as defined by the Plan document.
- E. Vesting – Participants have a 100% and non-forfeitable vested interest in their employee deferral account balance, rollover contribution account, the employer matching contribution and the ESOP account, plus the earnings thereon. Participants become vested in the profit sharing contributions component of the Plan after five years of service as presented in the following:

	<u>Vesting Percentage</u>
< 1 year of service	0%
1 year of service	20%
2 years of service	40%
3 years of service	60%
4 years of service	80%
5+ years of service	100%

Participants become fully vested in all balances in the event of death, disability or upon reaching normal retirement age.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

- F. Forfeitures – Forfeitures from the Plan are generally used to reduce Company contributions. Unapplied forfeitures were \$-0- at December 31, 2021 and 2020. \$3,316 and \$3,195 of forfeitures were utilized for the years ended December 31, 2021 and 2020, respectively.
- G. Payment of Benefits – A participant or his or her beneficiary, upon termination, disability, death or retirement, is eligible to receive the vested interest in his or her participant account in the form of a single lump-sum payment or installments subject to Plan provisions. Additionally, the Plan has provisions for an active participant to make withdrawals from his/her account, subject to limitations and restrictions.

Distributions from the ESOP accounts generally will not be made until a participant reaches retirement age, retires, dies (in which case, payment shall be made to his or her beneficiary or, if none, his or her legal representatives), becomes disabled, diversifies or otherwise terminates employment with the Company. Distributions are made in cash.

The repurchase receivable from the Company at December 31, 2021 and 2020 was \$18,758,807 and \$8,160,861, respectively. The repurchase receivable represents the obligation of the Company to repurchase shares held by the Plan which were formerly allocated to participants. The proceeds to the Plan are then utilized to fund participant distributions.

- H. Diversification – Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company stock into investments which are more diversified. Participants who are at least age 55 with at least ten years of participation in the Plan may elect to diversify a portion of their participant accounts. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25% of the ESOP shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50%. During the year ended December 31, 2021, \$1,435,452 was diversified into the participant-directed portion of the Plan and is included in transfers on the statement of changes in net assets available for benefits.

Note 2. Summary of Accounting Policies

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis and in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2. Summary of Accounting Policies (Continued)

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies relative to the participant-directed investments by utilizing information provided by the investment advisers and Trustee.

The investment in Atlas Steel Products Co. (the "Company" and "Plan Sponsor") common stock is valued at fair value as determined annually by an independent appraisal from Apple Growth Partners as of the last business day of the year. This appraisal was based upon a combination of the market and income techniques consistent with prior years. PNC Bank, National Association (the "Trustee") has concluded that an ESOP participant would recognize a discount for lack of marketability. See Note 6 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date which was June 30, 2021. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants:

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the Plan document.

Benefit Payments:

Benefit payments are recorded when paid to participants.

Administrative Expenses:

All expenses of the Plan are paid by the Plan, or the Company, at the Company's discretion.

Subsequent Events:

The Company has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

Note 3. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified to the completeness and accuracy of all participant-directed investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2021 and 2020, the schedule of assets (held at end of year) at December 31, 2021, the related participant-directed investment and loan interest activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021 and participant-directed investment related information in the accompanying notes to the financial statements. The above information is unaudited by independent auditors.

Note 4. Investments

Investments of the ESOP account are carried at fair value and consist of common stock of Atlas Steel Products Co. The appraised fair value per share of Atlas Steel Products Co.'s stock is \$589,000 and \$451,400 at December 31, 2021 and 2020, respectively.

The following is a summary of the ESOP account's stock activity:

	Shares Allocated/ <u>Unencumbered</u>
Balance, December 31, 2020 (including certain employer receivables)	147.977
Purchased shares (Note 10)	0.259
Shares (redeemed) to be redeemed by the Company, net	<u>(15.159)</u>
Balance, December 31, 2021	<u><u>133.077</u></u>

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6. Fair Value Measurements

The Plan estimates the fair value instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

The following is a description of the valuation methodologies used for Plan assets measured at fair value:

- The fair values of mutual funds are determined based on their quoted closing market prices in active markets for identical investments and are classified as Level 1.
- The fair values of the investments held in the common/collective trust and pooled separate accounts are valued on their reported net asset value ("NAV"). The NAV is based primarily on observable inputs and the market value of the underlying investments and is classified as Level 2.

Note 6. Fair Value Measurements (Continued)

- The fair value of the common stock of Atlas Steel Products Co. is determined by an annual independent appraisal that is based upon commonly used market and income valuation techniques and is classified as Level 3. The appraisers obtain information including business, general economic and other market conditions that reasonably could be evaluated in determining the fair value of the Company. In addition, historical information based on audited financial statements is obtained and considered by the appraisers.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Fair Value at December 31, 2021	Quoted Prices in Active Markets for Identical Instruments (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Reference Notes 4 and 10 for transactions related to purchases of Level 3 investments.

Note 7. Federal Income Tax Status

The Plan was restated on November 1, 2021, using a pre-approved document in which the IRS stated that the plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the "IRC"). The plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that the Plan does not have any significant unrecognized tax benefits as of December 31, 2021.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 8. Voting Rights

For certain significant transactions involving the Company stock, each participant is entitled to exercise voting rights attributable to those shares allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised. For these transactions, the Trustee is not permitted to vote any allocated shares of the Company stock for which instructions have not been given by a participant.

Note 9. Risks and Uncertainties

The Plan invests in Company stock and various other investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks as well as valuation assumptions. Due to the level of risk associated with certain investment securities and to risks inherent in estimates and assumptions, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. Related Party and Party-in-Interest Transactions

The Plan invests in Company common stock and in pooled separate accounts managed by Principal Life Insurance Company, the Plan custodian. Also, in 2021, the Plan utilized cash dividends received on Company stock to purchase an additional .259 shares. These shares were purchased for \$116,783 using the most recent valuation price and were allocated to eligible participants. These transactions qualify as party-in-interest transactions. In addition, the Plan paid fees to PNC and Principal Life Insurance during 2021.

Note 11. Reconciliation to Form 5500 and Correction of Prior Period Error

In 2020, the Plan recorded an employer contribution receivable for \$8,160,861. This represented funding for a transaction to buy employer stock from the accounts of terminated participants and should have been recorded as a reduction in employer stock. The correction for this error was made to the 2021 beginning non-participant-directed net assets per the financial statements. The 2020 investment of Company stock and net assets available for benefits was also reduced by the \$8,160,861. The following reconciles various line items per the Form 5500:

	<u>2020</u>	
Net assets available for benefits per the Form 5500	\$ 94,273,928	
Prior period adjustment	<u>(8,160,861)</u>
