INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Oracle Caribbean 401k/1165(e) Savings and Investment Plan Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Oracle Caribbean 401k/1165(e) Savings and Investment Plan Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 and the Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 - Description of the plan

The following description of the Oracle Caribbean 401K/1165(e) Savings and Investment Plan Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on July 1, 1999 as a defined contribution plan, covering substantially all full-time employees of Oracle Caribbean, Inc. (the Plan Sponsor) who have 21 years of age or older. No service period is required. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute an amount of their compensation not exceeding the maximum deferral as specified by local law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, subject to the conditions and limitations set forth in the Plan agreement. The Plan Sponsor contributes 50% of a participant's eligible contributions, not to exceed 6% of the participant's compensation, as defined.

The Plan Sponsor's and participants' contributions are invested in various investment funds provided by the custodian as permitted in the Plan Agreement.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of: (a) the Plan Sponsor's contribution, and (b) Plan earnings. Allocations of Plan earnings is based on the participant's account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Plan Sponsor's contribution of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested on the Plan Sponsor's contribution after 3 years of credited service. Notwithstanding the above, all participants are 100% vested upon attaining age 65.

Note 1 - Description of the plan – (continued)

Notes receivable from participants

Notes receivable from participants are not permitted.

Payment of benefits

Upon termination of service due to death, disability or retirement, a participant or the participant beneficiaries may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or periodic installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures

Upon a participant's termination from the Plan Sponsor or withdrawal from the Plan for any reason other than death, retirement or disability, the employer contributions on behalf of the participants not then vested are forfeited and used to reduce future Plan Sponsor's contributions. As of December 31, 2021 and 2020, the unallocated forfeiture balances amounted to \$1,835 and \$73,257 respectively.

Administrative expenses

Administrative expenses, unless paid directly by the Plan Sponsor, will be paid from the trust fund and will be charged against participant's accounts.

Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2 - Summary of accounting policies

Following are the significant accounting policies followed by the Plan:

Basis of accounting and presentation

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) and under the accrual method of accounting.

Oracle Caribbean 401k/1165(e) Savings and Investment Plan Trust

Note 2 - Summary of accounting policies – (continued)

Investments valuation and income recognition

The Plan's investments are reported at fair value. Fair valued is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Risks and uncertainties

The Plan utilizes various investment instruments, including mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Benefits payable

The Plan accounts for benefits payable in accordance with the guidance provided by the American Institute of Certified Public Accounts (AICPA) Audit and Accounting Guide, Audits of Employee Benefit Plans. This guidance requires that benefits payable to persons who have withdrawn from participation in a defined contribution plan be disclosed in the notes to the financial statements rather than recorded as liability of the Plan. As of December 31, 2021 and 2020, there were no benefits payable owed to the participants.

Note 3 - Information certified by the custodian (unaudited)

The plan administrator has elected the method of compliance permitted by Section 103(a)(3)(C) (for 2021) and 29 CFR 2520.103-8 (for 2020) of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian of the Plan, Hand Benefits & Trust Company, has certified as to the completeness and accuracy of all investment related information reflected in the accompanying financial statements of as December 31, 2021 and 2020, and for the year ended December 31, 2021 and the related notes to the financial statements, and the schedule H, part iv, line 4i - schedule of assets (held at end of year) as of December 31, 2021. The custodian maintains all records, executes investment transactions, and holds all the assets of the Plan.

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$770,822.

Note 4 - Fair value measurements

The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. The Plan determines fair value based on assumptions that market participants would use in pricing an asset or liability in the principal or most advantageous market.

When considering market participant assumptions in fair value measurements, the following fair value hierarchy distinguishes between observable and unobservable inputs, which are categorized in one of the following levels:

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used by the Plan for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Notes to Financial Statements (Continued)

Note 4 - Fair value measurements – (continued)

Money market fund: is valued using amortized cost which approximates fair value.

Mutual funds: are valued at the net asset value of shares held by the Plan at year end.

Employer stock: is valued based on quoted market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets recorded at fair value as of December 31, 2021, and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,112,652	\$ -	\$ -	\$ 9,112,652

Total investments	<u>\$ 9,534,818</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,534,818</u>

Note 5 - Related-party transactions

The Plan offers as an investment option the Plan Sponsor's stock. Transactions in such investments qualify as party-in-interest transactions.

Notes to Financial Statements (Continued)

December 31, 2021 and 2020

Note 6 - Non-discrimination test

The Plan complied with the discrimination test for the year ended December 31, 2021. The Plan did not comply with the discrimination test for the year ended December 31, 2020. This test requires compliance with a determined percentage of contributions to the Plan as established in Section 1081.01 of the Internal Revenue Code of Puerto Rico (the Code), as amended. The Plan Sponsor elected to reclassify the excess contributions of highly compensated participants as a post-tax contribution, which requires reporting this excess amount as taxable income for the year in which the reclassification takes place.

Note 7 - Non-exempt transactions

During the years ended December 31, 2021 and 2020, the Plan Sponsor remitted participant contributions to the Plan in a timely manner, as defined by ERISA.

Note 8 - Income taxes

The Plan constitutes a qualified plan exempt from income taxes under the provision of Section 1081.01 of the Code.

The Plan obtained its latest determination letter on April 27, 2021, in which the Commonwealth of Puerto Rico tax authorities stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code.

Management has evaluated the Plan tax position and concluded that the Plan has maintain its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements.

Note 9 - Subsequent event

The Plan has evaluated the impact of subsequent events through December 6, 2022, which is the date these financial statements were available to be issued. No events have occurred subsequent to the statement of net asset available for benefit date and to the date financial statements were available to be issued, that would require additional adjustment to, or disclosure in the financial statements.
