## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
C & C Communications 401(k) Plan  
Bend, Oregon

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of C & C Communications 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 31, 2022 (in liquidation) and December 31, 2021 (in liquidation), and the related statements of changes in net assets available for benefits for the eight months ending August 31, 2022 (in liquidation) and the year ended December 31, 2021 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the eight months ended August 31, 2022, and as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of C & C Communications 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter – Basis of Accounting**

As described in Note 1 and Note 4 to the financial statements, Plan management of C & C Communications 401(k) Plan approved a plan of termination and liquidation effective November 15, 2021. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2020 financial statements to the liquidation basis used in presenting the 2022 and 2021 financial statements. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about C & C Communications 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we—

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of C & C Communications 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about C & C Communications 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## C & C COMMUNICATIONS 401(k) PLAN NOTES TO FINANCIAL STATEMENTS

### 1. Plan Description

The following description of C & C Communications 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined-contribution plan established effective January 1, 2015 covering all eligible employees of C & C Communications LLC and participating affiliates (collectively, the Employer). The Plan has monthly entry dates with a minimum age requirement of 18 years and a service requirement of one year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was amended for termination effective November 15, 2021 and the Plan's assets were fully distributed out and the Plan was terminated effective August 31, 2022. See discussion in Note 4.

#### Contributions

Participants may elect to contribute pre-tax compensation or after-tax compensation limited to the amounts provided by the Internal Revenue Code (IRC). Participants may also contribute rollover amounts, representing distributions from qualifying plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions.

The Employer may make a discretionary matching and/or profit-sharing contribution. The amount of the contribution is determined by the Employer on a discretionary basis. Participants are eligible for matching and profit sharing beginning on the first day of the month after attaining age 18 and completing one year of service. The Plan did not have discretionary matching or profit-sharing contributions for the eight months ended August 31, 2022 or the year ended December 31, 2021.

#### Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's contributions, and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, in accordance with the Plan's provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All accounts are fully participant directed.

#### Payment of Benefits

Upon retirement, death, disability, or termination, participants (or their beneficiaries) may elect to receive part or all of the vested interest in their accounts in a lump sum, in accordance with the appropriate provisions of the Internal Revenue Code (IRC) and applicable state laws. Also, hardship withdrawals of participants' contributions are allowed under certain circumstances, as described in the Plan document. In addition, participants may elect to receive withdrawals, at any time, of part or all of the interest in their accounts related to prior rollover contributions. In-service withdrawals are allowed at age 59½ from all accounts that are fully vested.

C & C COMMUNICATIONS 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**1. Plan Description, continued**

**Notes Receivable from Participants**

Participants may borrow from their fund accounts at a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. The Plan allows one outstanding loan for each participant at one time. The loans are secured by the balance in the participant's account and bear interest at a rate which is commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Loan terms range from five years, unless the loan is used to purchase a primary residence, in which case the loan must be repaid within a reasonable period of time determined by the Plan Administrator. Principal and interest on participant loans is paid ratably through bi-weekly payroll deductions.

As a result of the Coronavirus Aid, Relief and Security Act (the CARES Act) signed into law on March 27, 2021, the maximum loan amount increased to the lesser of \$100,000 or 100 percent of a participant's vested balance. This temporary relief only applies to loans initiated through September 22, 2021. No such loans were initiated during the year ended December 31, 2021 or the eight months ending August 31, 2022.

**Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in discretionary Employer matching and profit-sharing contributions is based on years of service, defined as one calendar year in which the participant has at least 1,000 hours of service, according to the following schedule:

<u>Years of Vesting Service</u>	<u>Percent Vested</u>
Less than 3	0%
3	100%

**Forfeited Accounts**

As of August 31, 2022 and December 31, 2021, the balance of unused forfeitures was \$-0- and \$1,252, respectively. Residual forfeitures at December 31, 2021 were used to pay expenses.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared using the liquidation basis of accounting for the eight months ended August 31, 2022 and the year ended December 31, 2021.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

C & C COMMUNICATIONS 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**2. Summary of Significant Accounting Policies, continued**

**Investment Valuation and Income Recognition**

Investments in registered investment companies are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

Interest and dividend income are recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of the eight months ending August 31, 2022 and December 31, 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

**Payment of Benefits**

Benefits paid to participants are recorded when paid.

**Administrative Expenses and Revenue Sharing**

Certain costs of administering the Plan, including custodial, administration, and audit expenses are paid using revenue sharing fees paid from the mutual funds held by the Plan. Other costs of administering the Plan are absorbed by the Employer; these costs are therefore excluded from these financial statements. Revenue sharing fees that are not used for Plan expenses are intended to be allocated to participants. The amount of unallocated revenue sharing fees was \$0 and \$68,675 as of August 31, 2022 and December 31, 2021, respectively. Other investment-related expenses, as well as the revenue sharing amount received from mutual funds, are included in net investment income.

**3. Information Certified by the Trustee**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company, acting as the trustee for the Plan, has certified that the following information included in the accompanying financial statements is complete and accurate as of and for the years ended:

	<u>2022</u>	<u>2021</u>

**4. Plan Termination**

During 2021, the Employer's assets and operations were sold to an unrelated third party and all employees were terminated effective June 30, 2021. Employees became eligible to participate in a 401(k) plan sponsored by the buyer. All employees were fully vested as of the date of termination.

Effective November 15, 2021, the Plan Administrator amended the Plan to approve the termination of the Plan. All participant accounts will be paid out to participants in accordance with their instructions. In accordance with U.S. GAAP, the Plan has changed its basis of accounting used to value plan assets from the ongoing plan basis to the liquidation basis for the eight months ending August 31, 2022 and the year ended December 31, 2021. The Plan distributed all remaining participant accounts and fully terminated effective August 31, 2022.

**5. Tax Status**

The Internal Revenue Service ruled on March 31, 2014, that the Volume Submitter Profit Sharing Plan with CODA sponsored by Newport Group, Inc. that was adopted by the Plan qualifies under Section 401(a) of the IRC and therefore the Plan is not subject to tax under present income tax law. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**6. Party in Interest Transactions**

Certain Plan investments are managed by an affiliate of the trustee of the Plan, and therefore these transactions qualify as party in interest transactions. Administrative fees paid directly to Newport Group, Inc. from Plan assets totaled \$38,980 and \$46,728 for the eight months ending August 31, 2022 and year ended December 31, 2021, respectively. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

**7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## 8. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to its fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at August 31, 2022 and December 31, 2021.

*Registered investment companies:* Valued at the quoted net asset value (NAV) of shares held by the Plan at year end. All mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are considered to have a readily determinable fair value.

*Cash equivalents:* Valued at the contract value of shares held, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**8. Fair Value Measurements**, continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021. There were no assets held at fair value as of August 31, 2022.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Registered investment companies	\$ 899,444	\$ -	\$ -	\$ 899,444
Cash equivalents	-	108,782	-	108,782
Total investments, at fair value	\$ 899,444	\$ 108,782	\$ -	\$ 1,008,226

**9. Subsequent Events**

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
