## INDEPENDENT AUDITOR'S REPORT

---

To the Trustees  
Kwik Lok Corporation  
401(k) Profit Sharing Plan  
Yakima, Washington

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the March 31, 2022 Financial Statements***

We have performed an audit of the financial statements of Kwik Lok Corporation 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of March 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (March 31, 2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the March 31, 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2022, stating that the certified investment information, as described in Note (3) to the financial statements, is complete and accurate.

### ***Opinion on the March 31, 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the March 31, 2022 financial statements section:

- The amounts and disclosures in the accompanying March 31, 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying March 31, 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the March 31, 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the March 31, 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the March 31, 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the March 31, 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the March 31, 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the March 31, 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters***

***March 31, 2022 Supplemental Schedule Required by ERISA***

*Auditor's Report on the March 31, 2021 Financial Statements*

The financial statements of the Plan, for the year ended March 31, 2021, were audited by another auditor who expressed a disclaimer of opinion. As permitted by 29 CFR 2520.103-8 of the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. In their report dated January 5, 2022, they indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the March 31, 2021 financial statements, and (b) the form and content of the information included in the March 31, 2021 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA.

**(1) Description of the Plan**

The following description of Kwik Lok Corporation 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***General***

The Plan, established August 1, 1990, and amended effective September 1, 2021, is a defined contribution plan covering all employees of Kwik Lok Corporation (Plan Sponsor) who have met three months of service and are age 21, or older. The Plan amendment had no impact on the Plan's tax status. The significant amendment to the Plan decreased the consecutive months of service eligibility requirement from one year to three months.

***Contributions***

Participants may contribute up to the maximum annual federal dollar limit to pre-tax, or Roth, salary deferrals as provided by the Plan. Transfers into the Plan from other qualified plans are allowed under the provisions on the Plan.

The Plan Sponsor offers safe harbor matching contributions of 100% of the first 3% of salary deferrals, and then 50% of the next 2% of salary deferrals, for a maximum of 4% in matching contributions. The Plan Sponsor may also elect to make a discretionary profit-sharing contribution to participants who have completed three months of consecutive employment and are actively employed on the last day of the Plan year. Contributions are subject to certain IRS limitations.

***Participant Accounts***

Each participant's account is credited with the participant's contributions, employer contributions, and allocations of Plan earnings as well as charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are immediately vested in their salary deferrals and the Plan Sponsor's safe harbor contributions, plus actual earnings thereon. Vesting in other Plan Sponsor contributions is based on years of continuous service. A participant is 100% vested after six years of credited service.

***Payment of Benefits***

Participants are eligible to receive 100% of their vested account balance upon death, disability, or break in service. Benefits are paid under various options, as defined by the Plan. Participants may also request in-service hardship distributions, distributions from rollover contribution accounts, and distributions of all other contributions upon reaching age 59 ½.

**Notes to Financial Statements**

---

***Investment Options***

Participants direct the investment of their contributions and Plan Sponsor contributions into various investment options offered by the Plan.

***Forfeited Accounts***

Forfeitures, which are non-vested portions of participants' accounts at the point of termination from the Plan, are used to reduce future employer contributions to the Plan. There were no forfeitures for the years ended March 31, 2022 and 2021.

***Administrative Expenses***

The Plan Sponsor pays substantially all administrative costs of the Plan. Investment fees and commissions are paid by the Plan.

**(2) Summary of Significant Accounting Policies**

***Basis of Accounting***

The Plan's financial statements are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Concentration of Credit Risk***

Financial instruments that potentially subject the Plan to concentrations of credit risk consist of the stable value collective trust fund, mutual funds, and money market accounts. Concentrations of credit risk are limited as the Plan maintains an investment portfolio that is diversified between various publicly-traded investments. Investments in money market accounts may, at times, exceed federally insured limits. The Plan Administrator believes there is no significant risk with respect to these accounts.

***Investment Valuation and Income Recognition***

Investments are stated at fair value, except for the fully benefit-responsive investment contracts which are reported at contract value. Contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

***Fair Value Measurements***

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Assets and liabilities are classified based on the lowest level of input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs based upon quoted prices in active markets for identical assets.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly.
- Level 3 Inputs that are unobserved for the asset.

The following is a description of the valuation methodologies used for assets measured at fair value, or contract value. There have been no changes in the valuation methodologies used at March 31, 2022 and 2021.

*Mutual Funds:* The fair value of mutual fund investments is based on the daily closing prices reported on the exchange or listed market. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds are deemed to be actively traded and are considered Level 1 investments.

*Stable Value Collective Trust Fund:* Morley Stable Value Fund composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require twelve months' notification in order to ensure that securities liquidations will be carried out in an orderly manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

***Payment of Benefits***

Benefits are recorded when paid. As of March 31, 2022 and 2021, there were no distributions that had been requested but not yet paid.

**(3) Investments**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's auditors not to perform any auditing procedures with respect to the investments that were certified by Charles Schwab Trust Bank (custodian) for the years ended March 31, 2022 and 2021, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of U.S. GAAP.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2022 and 2021:

**Assets at Fair Value as of March 31, 2022**

<sup>(a)</sup> In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. ### ***Investments Measured Using the Net Asset Value per Share Practical Expedient***

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of March 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

### **(4) Party-in-Interest Transactions**

Charles Schwab Trust Bank is the custodian of the Plan. USI Consulting Group is the third-party administrator (TPA) and investment advisor. Therefore, transactions with the custodian, investment advisor, and the TPA qualify as party-in-interest transactions. Total fees paid by the Plan for administration and investment advisory services amounted to \$39,176 and \$48,102 for the years ended March 31, 2022 and 2021, respectively. The Plan Sponsor also paid certain administrative expenses of the Plan.

### **(5) Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### **(6) Tax Status**

The Plan obtained its determination letter dated March 19, 2015 in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

**Notes to Financial Statements**

March 31, 2022 and 2021

---

The Plan's income tax returns are subject to review and examination by federal and state authorities. The Plan is not aware of any activities that would jeopardize its tax-exempt status, nor is it aware of any activities that are subject to tax on unrelated business income or excise or other taxes.

**(7) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**(8) Subsequent Events**

The Plan has evaluated subsequent events through December 12, 2022, which is the date the financial statements were available to be issued.
