INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Putnam County Comprehensive Services Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Putnam County Comprehensive Services Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Putnam County Comprehensive Services Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from qualified institutions as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Putnam County Comprehensive Services Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Putnam County Comprehensive Services Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Putnam County Comprehensive Services Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Putnam County Comprehensive Services Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Putnam County Comprehensive Services Inc. 403(b) Plan

We were engaged to audit the accompanying financial statements of Putnam County Comprehensive Services Inc. 403(b) Plan, which are comprised of the statement of net assets available for benefits as of June 30, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2021 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by AUL, the current custodian of the Plan, and by Lincoln National Life Insurance Company, the former custodian of the plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that these custodians hold the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from both these custodians as of June 30, 2021, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statement. Accordingly, we do not express an opinion on the 2021 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2021 Financial Statement

The form and content of the information included in the 2021 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Putnam County Comprehensive Services Inc. 403(b) Plan
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021
(See Independent Auditor's Report)

1. DESCRIPTION OF PLAN

The following description of Putnam County Comprehensive Services Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. All current Plan contributions are invested with American United Life Insurance Company d/b/a AUL (the "Custodian"). Prior to AUL, Plan assets were maintained by Lincoln National Life Insurance Company (the "Former Custodian") and Lincoln still holds a portion of plan assets at June 30, 2022 that were contributed prior to the conversion to AUL.

General: The plan was established effective July 1, 2001 and is a defined contribution retirement savings plan under Section 403 (b) of the Internal Revenue Code (IRC) covering all eligible employees of Putnam County Comprehensive Services, Inc. (the "Employer", "Sponsor"). Employees are immediately eligible to make salary deferrals into the plan. Employees are eligible for employer matching and non-elective contributions immediately if they make contributions equal to the employer match, which is currently set at \$6.25 per participant per pay period.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors of the Sponsor is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions: Each year, participants may authorize the Employer to contribute to the Plan up to 100% of their eligible annual compensation, subject to the maximum annual amount permitted under the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch up contributions. Participants may also contribute (rollover) amounts representing distributions from other qualified defined benefit or contribution plans.

The Employer may elect to make matching contributions and/or Employer non-elective contributions to the Plan. In 2022 and 2021, the Employer made matching contributions of \$6.25 per participant per pay period. No Employer non-elective contributions were made to the Plan in 2022 and 2021.

Participants direct the investment of their contributions, as well as those made by the Employer, into various investment options offered by the Plan. Available investment options are discussed below.

Participant Accounts: Each participant's account is credited with the participant's contributions and Employer matching contributions, as well as allocations of the Plan earnings. Earnings are allocated to participant's account based on their balance in the respective investment as a percentage of the total balance for the same investment. Participant accounts may also be charged with an allocation of certain administrative expenses of the Plan based on their balance in the respective investment as a percent of the total balance for the same investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(See Independent Auditor's Report)

1. DESCRIPTION OF PLAN (*continued*)

Investment options: The Plan is funded through a group annuity contract which offers a fixed interest investment option and a number of mutual fund investment options. This allows for participants to choose the type of investment to which their pre-tax contributions and Employer matching contributions are allocated based on their investment style and risk tolerance. When each participant enrolls in the Plan, a pooled separate account is created by the Custodian and contributions are directed to various investment options offered by the Plan, as designated by the participant.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Employer contributions become 100% vested at a participant's normal retirement age, at a participant's early retirement date, date totally disabled or deceased, or upon termination of the Plan. In addition to these attainments, a participant must also complete five years of credited service before becoming 100% vested in Employer matching and discretionary contributions.

Benefits: Upon the occurrence of a distributable event due to separation from service by termination, death, disability, or retirement, as defined by the Plan Agreement, a participant may elect to receive an annuity or a lump-sum cash distribution equal to the participant's vested account balance. Hardship and in-service withdrawals, as defined in the Plan Agreement, are also permitted from a participant's account. Terminated participants with vested account balances of less than \$5,000 will be required to withdraw their entire vested account balance from the Plan.

Forfeitures: Any amounts forfeited by participants of the Plan may be applied to pay administrative expenses or to reduce employer contributions. The forfeiture balance at June 30, 2022 and 2021 was \$356 and \$344, respectively. In addition, the Plan utilized forfeited funds to reduce employer contributions by \$707 and \$2,132 for 2022 and 2021, respectively.

Plan Termination: Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (GAAP).

Use of Estimates: The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021
(See Independent Auditor's Report)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

Investment Valuation and Income Recognition: The Plan's investments are offered through group annuity contracts issued by the custodians. The contracts offer fixed and mutual fund investment options. The valuation of Plan investments are provided by the Custodian and Former Custodian. See Note 4 and Note 5 for discussion of measurements of fair value.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's realized gains and losses on investments bought and sold, interest and dividends, as well as unrealized gains and losses on investments held at year end. Realized gains and losses on investments bought and sold, interest and dividends are not separately reported, as these transactions are part of the underlying value of the respective investment.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Administrative expenses for maintaining the Plan may be charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, AUL, the current custodian of the Plan, and Lincoln National Life Insurance Company, the former custodian of the plan, have certified to the accuracy and completeness of certain information obtained or derived from information supplied to the plan administrator and related to investments disclosed in the accompanying financial statements and supplemental schedules. This includes investments held at June 30, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends for the year ended June 30, 2022 and 2021.

The following is a summary of the Plan's investment information which has been prepared and certified as complete and accurate as of June 30, 2022 and 2021, in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used by the Plan for assets that are measured at fair value. There have been no changes in methodology used at June 30, 2022 and 2021.

Mutual Funds: Observable inputs are the accumulation units. The value of accumulation units are determined at the close of each business day and is directly related to the net asset value of the shares of the underlying specific mutual fund investment, adjusted for any dividends or distributions received and the daily equivalent of any fee charged pursuant to the contract.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022:

	<u>Level 1</u>	<u>Total</u>
Mutual Funds	\$ 712,501	\$ 712,501
Total investments at fair value	<u>\$ 712,501</u>	<u>\$ 712,501</u>

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2021:

	<u>Level 1</u>	<u>Total</u>
Mutual Funds	\$ 867,836	\$ 867,836
Total investments at fair value	<u>\$ 867,836</u>	<u>\$ 867,836</u>

Realized and unrealized gains and (losses) on mutual funds are reported in net appreciation (depreciation) in fair value of investments in the statement of changes in net assets available for benefits.

The following table sets forth by level, within the fair value hierarchy, the change in the Plan's assets:

	<u>Level 1</u>	<u>Total</u>
Total investments at fair value as of July 1, 2021	\$ 867,836	\$ 867,836
Contributions received	107,451	107,451
Rollover received	30,981	30,981
Benefits paid to participants	(161,346)	(161,346)
Net depreciation of investments	(124,188)	(124,188)
Administration fees	(8,233)	(8,233)

5. FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS

The Plan is funded with group annuity contracts with the Custodian and Former Custodian. The contracts offer fixed interest investment options that are appropriate based on participants investment style and risk tolerance. These fixed interest investment options meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The amounts held in these contracts were \$313,205 and \$313,185 at June 30, 2022 and 2021, respectively.

The fixed interest investment options held by the Plan are guaranteed investment contracts. The contract issuers are contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The interest rate is based on a formula established by the contract issuers and guarantees a minimum fixed rate of interest as specified in the contracts. The rate is reviewed on a quarterly basis for resetting. The contracts continue in force until they are terminated by either the Plan or the contract issuer.

5. FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS *(continued)*

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuers' ability to meet its financial obligations. The issuers' ability to meet the contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuers. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify for exemption from federal income taxes or any required prohibitive transaction exemption under ERISA.
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

6. PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

6. PARTY-IN-INTEREST TRANSACTIONS *(continued)*

The Plan's investment options include certain investment options affiliated with the Custodian and Former Custodian. Therefore, transactions in these investments qualify as exempt party-in-interest transactions under ERISA. Amounts held in these funds are detailed in the attached Supplemental Schedule H, Part IV, Line 4i – Schedule of assets (held at end of year) and are considered party-in-interest transactions.

The Plan has an agreement with the Custodian and Former Custodian to provide investment advisory services to the Plan. The fees paid for these services totaled \$8,402 for the year ended June 30, 2022 and \$9,547 for the year ended June 30, 2021.

The Employer provides certain accounting and administrative services to the Plan for which no fees are charged to the Plan. In addition, the Employer pays certain additional administrative costs of the Plan, without requesting re-imbursement.

The Plan trustees include the Sponsor's Executive Director and the Human Resource Manager, both of whom are currently participants in the Plan.

7. TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the "Code"). The Internal Revenue Service has determined by letter dated March 31, 2017, that the volume submitter plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the Code and therefore believe that the plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other taxing authorities. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in process.

8. RISK AND UNCERTAINTIES

Investment options offered to participants are exposed to various risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments may occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. RISK AND UNCERTAINTIES (*continued*)

In March 2021, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in the financial markets and has affected, and may continue to affect, the market value of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

9. SUBSEQUENT EVENTS

Plan management has evaluated the need for disclosure and/or adjustment resulting from subsequent events through January 3, 2023 and determined that there are no subsequent events requiring disclosure and/or adjustment as of that date, which is the date the financial statements were available to be issued.
