COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

December 9, 2022

Plan Management
West Construction Inc. 401(k) Profit Sharing Plan & Trust
Lantana, FL

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of ***West Construction Inc. 401(k) Profit Sharing Plan & Trust*** (the "Plan") as of and for the year ended December 31, 2021, and have issued our report thereon dated December 9, 2022. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 25, 2022, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution"). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process.

HLB WE ARE AN INDEPENDENT MEMBER OF THE GLOBAL ADVISORY AND ACCOUNTING NETWORK

However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding material weaknesses and other matters noted during our audit in an attachment to this letter.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you verbally and in our engagement letter.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

We have identified management override of internal control as a significant risk. This area requires special audit consideration because of the nature of the risk and the potential magnitude of misstatement related to this risk.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 1 to the Plan's financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the Plan's financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the Plan's financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in interacting with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the Plan's financial statements as a whole. Management has corrected all identified misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. None of the misstatements identified by us as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the Plan's financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated December 9, 2022.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Information in Documents Containing Audited Financial Statements

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Plan's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. In accordance with professional standards, we have read the Form 5500 and did not become aware of any instances where such information, or the manner of its presentation, was inconsistent with the financial statements.

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the Plan's financial statements.

This report is intended solely for the information and use of those charged with governance, management, and the Plan's governing regulatory agencies and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Rehmann Lohan LLC

Attachment A - Consideration of Internal Control Over Financial Reporting

For the December 31, 2021 Audit

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of ***West Construction Inc. 401(k) Profit Sharing Plan & Trust*** (the "Plan") as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Our consideration of internal control was for the limited purpose described in the preceding paragraphs of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described below, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. A *reportable finding*, which includes the matters described below, includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgement is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we have determined are sufficiently important to merit management's attention. We consider the following deficiencies in internal control to be material weaknesses.

Attachment A - Consideration of Internal Control Over Financial Reporting

For the December 31, 2021 Audit

Responsibilities of Plan Oversight

During our audit of the Plan, we noted Plan management relies heavily on the service providers for Plan oversight. While Department of Labor ("DOL") regulations do not prohibit outsourcing various functions, Plan management has a fiduciary responsibility to monitor the performance of service providers and ensure the Plan complies with all applicable regulations. As a result of our procedures, we believe that the fiduciary duties of the Plan sponsor could be improved. Examples of commonly incorporated fiduciary responsibilities for employee benefit plans consist of the following:

- Review of trust reports showing investment transactions and balances by the investments committee, plan sponsor, or other appropriate party.
- Reconcile contributions submitted into the Plan to quarterly trust reports produced by MATC and to the sponsor's general ledger and payroll records.
- Periodic review of trust report loan records for past-due amounts.
- Reconciliation of participants information and investment information.
- Review of all relevant service providers' System of Controls (SOC) report annually, and consistently perform the applicable complementary user controls.
- Review of commissions, management fees, or any fees paid for appropriateness and adherence to related contract(s).
- Review of interest, dividends, and other sources of income for receipt and for accuracy by reference to reliable sources.
- Review of current participant listing for obvious omissions or errors.
- Review of financial statements of insurance companies, investment managers and other service providers.

We recommend that management review the current processes with regard to the Plan and ensure that fiduciary responsibilities are being met. We also recommend key positions within Plan administration be clearly assigned, and the Plan Sponsor establish and agree on the knowledge, skills, and abilities needed to effectively discharge their positions and provide documented position descriptions to the employees. Plan management should also provide training for employees involved with Plan administration to improve their skills and evaluate the competencies of individuals involved in plan administration. In addition, Plan management should periodically review and evaluate employee's performance relative to their assigned tasks to ensure their skills are appropriate for their current job responsibilities.

Reconciliation of Plan Activity

During our walkthroughs of key control processes of the Plan and Plan Sponsor, we noted that there are no reconciliations of participant data, contributions, or benefit payments performed between the Sponsor/Plan records and the third-party administrator reports. To ensure accurate financial reporting, we recommend that reconciliations be implemented by Plan Sponsor Management and completed regularly. Such reconciliations should be reviewed by an independent person to ensure accuracy and proper segregation of duties. Evidence that such procedures were performed, such as initials of preparer and reviewer, should be documented.

Employee Demographics and Records

During our audit, we noted that employee demographic information maintained in employee records did not agree with third-party administrator reports. Additionally, we noted that one employee's Form I-9 was not maintained within their personnel file. Although, these occurrences did not impact the eligibility or vesting calculations, such errors could have such an impact.

December 9, 2022

Rehmann Robson LLC
P.O. Box 250
Cheboygan, MI 49721

This representation letter is provided in connection with your audits of the financial statements of the ***West Construction, Inc. 401(k) Profit Sharing Plan and Trust*** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We have elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the 2021 audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency (a "qualified institution") that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP).

We understand that, at our instruction, you did not perform any audit procedures with respect to the 2020 information prepared and certified to by a qualified institution, in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (DOL Regulation 2520.103-8), other than comparing such information to the financial statements as of December 31, 2021, and for the year then ended. Because of the significance of the 2020 information that you did not audit, we understand that you did not express an opinion on the Plan's 2020 financial statements as a whole. We understand the form and content of the information included in the 2020 financial statements, other than that derived from the 2020 information certified or provided by a qualified institution, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures as you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve misstatements, including omissions, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of December 9, 2022, the following representations made to you during your audits:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 25, 2022, for the preparation and fair presentation of the financial statements and disclosures in accordance with the applicable financial reporting framework we have chosen, which is GAAP, and the notes include all the disclosures required by laws and regulations in which the Plan is subject, including the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

2. The financial statements are fairly presented in accordance with GAAP.

3. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA Plan financial statements are in conformity with the Plan provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedules that are free from material misstatement, whether due to fraud or error.

5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

6. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used to estimate fair values of financial instruments are properly disclosed in the notes to the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

7. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820 and we believe

the level of the fair value hierarchy in which assets are classified and disclosed in the financial statements is appropriate. Also, there are no subsequent events that would require adjustment in the fair value level and disclosures.

8. All related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of GAAP.

   For the purposes of this letter, related parties means the Plan sponsor (or employers participating in a multiemployer plan, as applicable), trusts which hold the Plan's assets, principal owners of the enterprise, management of the Plan and principal owners of the Plan sponsor and their immediate families, members of the Plan's board of trustees or administrative committee, the chief operating and executive officers (Plan administrators) and others who are responsible for achieving the objectives of the Plan and have the authority to establish policies and make decisions by which the objectives of the Plan are to be pursued and other parties with which the Plan may deal if one party controls or can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interest. Another party is also a related party if it can significantly influence management or operating policies of the transacting parties or if it has an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own interest.

9. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.

10. All events subsequent to the date of the financial statements, if any, and for which GAAP requires adjustment or disclosure have been adjusted or disclosed.

11. We have no intentions to terminate the Plan.

12. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank, or another lending institution have been properly recorded or disclosed in the financial statements, as applicable.

13. We have properly reported and disclosed amendments to the Plan instrument, if any.

14. With respect to financial statement preparation services performed by you, we have performed the following:

    a) Made all management decisions and performed all management functions;

    b) Assigned a competent individual to oversee the services;

    c) Evaluated the adequacy of the services performed;

    d) Evaluated and accepted responsibility for the result of the service performed; and

e) Established and maintained internal controls, including monitoring ongoing activities.

15. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the ERISA-required supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The method of measurement or presentation has not changed from those used in the prior period.

16. All significant estimates and material concentrations known to management that is to be disclosed in accordance with FASB ASC 275, *Risks and Uncertainties*, are appropriately included in the financial statements. We understand that significant estimates covered by this disclosure are estimates at the date of the statement of net assets available for benefits that are reasonably possible of changing materiality within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets for which events could occur which would significantly disrupt normal finances within the next year.

17. There are no—

    a) Violations or possible violations of laws or regulations (including ERISA, DOL and IRS regulations) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.

    b) Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or any other lending institution that are required to be recorded or disclosed in the financial statements.

    c) Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB ASC 450, *Contingencies*.

    d) Material transactions that have not been properly recorded in the accounting records underlying the financial statements.

    e) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel have advised us must be disclosed.

18. Employer contributions receivable recorded in the financial statements represent valid claims against employers for employer contributions due for the period on or before the statement of net assets available for benefits date and have been appropriately reduced to their estimated net realizable value.

19. The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of interest rate, market and credit risks associated with certain investment securities, including heightened market risk associated with the COVID-19 pandemic, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account

balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The financial markets experienced volatility due to the COVID-19 pandemic. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the impact the pandemic will have on participants' account balances, and the amounts reported in the financial statements.

Information Provided

20. We have provided you with:

    a) Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, Plan instruments, trust agreements, insurance contracts, as applicable, or investments contracts, as applicable, and amendments to such documents entered into during the year;

    b) The most current Plan instrument for the audit period. Including all amendments;

    c) A draft of the Form 5500 that is substantially complete;

    d) Additional information that you have requested from us for the purpose of the audits;

    e) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;

    f) All minutes of the meetings of the Investment Committee or summaries of actions of recent meetings for which minutes have not yet been prepared;

21. All transactions have been recorded in the accounting records and are reflected in the financial statements.

22. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

23. The Plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.

24. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

25. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

    a) Management;

b) Employees who have significant roles in internal control; or

c) Others when the fraud could have a material effect on the financial statements.

26. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

27. There were no instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.

28. We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.

29. There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.

30. We have disclosed to you the identity of all the Plan's related parties and parties in interest and the nature of all the related party and party in interest relationships and transactions of which we are aware.

31. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan. There have been no communications from regulatory agencies concerning noncompliance or suspected noncompliance with, or deficiencies in, financial reporting practices, that could have a material effect on the financial statements in event of noncompliance.

32. The Plan has complied with all aspects of debt or other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

33. All required filings with the appropriate agencies have been made.

34. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). The Plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status.

35. The Plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.

36. The Plan has complied with the fidelity bonding requirements of ERISA.

37. There are no:

a) Nonexempt party in interest transactions (as defined in ERISA Section 3[1] and regulations under that section) that were not disclosed in the supplemental schedules or financial statements.

b) Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.

c) Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedules.

38. We have provided to you our analysis of the Plan's ability to continue as a going concern, including significant conditions and events present, and if necessary, our analysis of management's plans, and our ability to achieve those plans.

39. All disclosures have been appropriately made under ERISA Sections 408(b)(2) and 404(a) regulations.

40. We have obtained the service auditor's report from our service organizations. We have reviewed such reports, including the complementary user controls. We have implemented the relevant user controls, and they were in operation.

41. We are not aware of any material uncertain tax positions identified as the results of the Plan's adoption of FASB ASC 740 regarding accounting for uncertainty in income taxes.

42. There have been no cybersecurity breaches or other cyber events whose effects should be considered for disclosure in the financial statements, as a basis for recording a loss contingency, or otherwise considered when preparing the financial statements.

COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

December 9, 2022

Plan Management
West Construction Inc. 401(k) Profit Sharing Plan & Trust
Lantana, FL

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of ***West Construction Inc. 401(k) Profit Sharing Plan & Trust*** (the "Plan") as of and for the year ended December 31, 2021, and have issued our report thereon dated December 9, 2022. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 25, 2022, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution"). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process.

HLB WE ARE AN INDEPENDENT MEMBER OF THE GLOBAL ADVISORY AND ACCOUNTING NETWORK

However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding material weaknesses and other matters noted during our audit in an attachment to this letter.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you verbally and in our engagement letter.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

We have identified management override of internal control as a significant risk. This area requires special audit consideration because of the nature of the risk and the potential magnitude of misstatement related to this risk.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 1 to the Plan's financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the Plan's financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the Plan's financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in interacting with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the Plan's financial statements as a whole. Management has corrected all identified misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. None of the misstatements identified by us as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the Plan's financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated December 9, 2022.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Information in Documents Containing Audited Financial Statements

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Plan's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. In accordance with professional standards, we have read the Form 5500 and did not become aware of any instances where such information, or the manner of its presentation, was inconsistent with the financial statements.

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the Plan's financial statements.

This report is intended solely for the information and use of those charged with governance, management, and the Plan's governing regulatory agencies and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Rehmann Lohan LLC

Attachment A - Consideration of Internal Control Over Financial Reporting

For the December 31, 2021 Audit

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of ***West Construction Inc. 401(k) Profit Sharing Plan & Trust*** (the "Plan") as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Our consideration of internal control was for the limited purpose described in the preceding paragraphs of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described below, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. A *reportable finding*, which includes the matters described below, includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgement is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we have determined are sufficiently important to merit management's attention. We consider the following deficiencies in internal control to be material weaknesses.

Attachment A - Consideration of Internal Control Over Financial Reporting

For the December 31, 2021 Audit

Responsibilities of Plan Oversight

During our audit of the Plan, we noted Plan management relies heavily on the service providers for Plan oversight. While Department of Labor ("DOL") regulations do not prohibit outsourcing various functions, Plan management has a fiduciary responsibility to monitor the performance of service providers and ensure the Plan complies with all applicable regulations. As a result of our procedures, we believe that the fiduciary duties of the Plan sponsor could be improved. Examples of commonly incorporated fiduciary responsibilities for employee benefit plans consist of the following:

- Review of trust reports showing investment transactions and balances by the investments committee, plan sponsor, or other appropriate party.
- Reconcile contributions submitted into the Plan to quarterly trust reports produced by MATC and to the sponsor's general ledger and payroll records.
- Periodic review of trust report loan records for past-due amounts.
- Reconciliation of participants information and investment information.
- Review of all relevant service providers' System of Controls (SOC) report annually, and consistently perform the applicable complementary user controls.
- Review of commissions, management fees, or any fees paid for appropriateness and adherence to related contract(s).
- Review of interest, dividends, and other sources of income for receipt and for accuracy by reference to reliable sources.
- Review of current participant listing for obvious omissions or errors.
- Review of financial statements of insurance companies, investment managers and other service providers.

We recommend that management review the current processes with regard to the Plan and ensure that fiduciary responsibilities are being met. We also recommend key positions within Plan administration be clearly assigned, and the Plan Sponsor establish and agree on the knowledge, skills, and abilities needed to effectively discharge their positions and provide documented position descriptions to the employees. Plan management should also provide training for employees involved with Plan administration to improve their skills and evaluate the competencies of individuals involved in plan administration. In addition, Plan management should periodically review and evaluate employee's performance relative to their assigned tasks to ensure their skills are appropriate for their current job responsibilities.

Reconciliation of Plan Activity

During our walkthroughs of key control processes of the Plan and Plan Sponsor, we noted that there are no reconciliations of participant data, contributions, or benefit payments performed between the Sponsor/Plan records and the third-party administrator reports. To ensure accurate financial reporting, we recommend that reconciliations be implemented by Plan Sponsor Management and completed regularly. Such reconciliations should be reviewed by an independent person to ensure accuracy and proper segregation of duties. Evidence that such procedures were performed, such as initials of preparer and reviewer, should be documented.

Employee Demographics and Records

During our audit, we noted that employee demographic information maintained in employee records did not agree with third-party administrator reports. Additionally, we noted that one employee's Form I-9 was not maintained within their personnel file. Although, these occurrences did not impact the eligibility or vesting calculations, such errors could have such an impact.

December 9, 2022

Rehmann Robson LLC
P.O. Box 250
Cheboygan, MI 49721

This representation letter is provided in connection with your audits of the financial statements of the ***West Construction, Inc. 401(k) Profit Sharing Plan and Trust*** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We have elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the 2021 audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency (a "qualified institution") that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP).

We understand that, at our instruction, you did not perform any audit procedures with respect to the 2020 information prepared and certified to by a qualified institution, in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (DOL Regulation 2520.103-8), other than comparing such information to the financial statements as of December 31, 2021, and for the year then ended. Because of the significance of the 2020 information that you did not audit, we understand that you did not express an opinion on the Plan's 2020 financial statements as a whole. We understand the form and content of the information included in the 2020 financial statements, other than that derived from the 2020 information certified or provided by a qualified institution, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures as you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve misstatements, including omissions, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of December 9, 2022, the following representations made to you during your audits:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 25, 2022, for the preparation and fair presentation of the financial statements and disclosures in accordance with the applicable financial reporting framework we have chosen, which is GAAP, and the notes include all the disclosures required by laws and regulations in which the Plan is subject, including the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

2. The financial statements are fairly presented in accordance with GAAP.

3. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA Plan financial statements are in conformity with the Plan provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedules that are free from material misstatement, whether due to fraud or error.

5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

6. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used to estimate fair values of financial instruments are properly disclosed in the notes to the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

7. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820 and we believe

the level of the fair value hierarchy in which assets are classified and disclosed in the financial statements is appropriate. Also, there are no subsequent events that would require adjustment in the fair value level and disclosures.

8. All related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of GAAP.

   For the purposes of this letter, related parties means the Plan sponsor (or employers participating in a multiemployer plan, as applicable), trusts which hold the Plan's assets, principal owners of the enterprise, management of the Plan and principal owners of the Plan sponsor and their immediate families, members of the Plan's board of trustees or administrative committee, the chief operating and executive officers (Plan administrators) and others who are responsible for achieving the objectives of the Plan and have the authority to establish policies and make decisions by which the objectives of the Plan are to be pursued and other parties with which the Plan may deal if one party controls or can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interest. Another party is also a related party if it can significantly influence management or operating policies of the transacting parties or if it has an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own interest.

9. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.

10. All events subsequent to the date of the financial statements, if any, and for which GAAP requires adjustment or disclosure have been adjusted or disclosed.

11. We have no intentions to terminate the Plan.

12. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank, or another lending institution have been properly recorded or disclosed in the financial statements, as applicable.

13. We have properly reported and disclosed amendments to the Plan instrument, if any.

14. With respect to financial statement preparation services performed by you, we have performed the following:

    a) Made all management decisions and performed all management functions;

    b) Assigned a competent individual to oversee the services;

    c) Evaluated the adequacy of the services performed;

    d) Evaluated and accepted responsibility for the result of the service performed; and

e) Established and maintained internal controls, including monitoring ongoing activities.

15. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the ERISA-required supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The method of measurement or presentation has not changed from those used in the prior period.

16. All significant estimates and material concentrations known to management that is to be disclosed in accordance with FASB ASC 275, *Risks and Uncertainties*, are appropriately included in the financial statements. We understand that significant estimates covered by this disclosure are estimates at the date of the statement of net assets available for benefits that are reasonably possible of changing materiality within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets for which events could occur which would significantly disrupt normal finances within the next year.

17. There are no—

    a) Violations or possible violations of laws or regulations (including ERISA, DOL and IRS regulations) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.

    b) Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or any other lending institution that are required to be recorded or disclosed in the financial statements.

    c) Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB ASC 450, *Contingencies*.

    d) Material transactions that have not been properly recorded in the accounting records underlying the financial statements.

    e) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel have advised us must be disclosed.

18. Employer contributions receivable recorded in the financial statements represent valid claims against employers for employer contributions due for the period on or before the statement of net assets available for benefits date and have been appropriately reduced to their estimated net realizable value.

19. The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of interest rate, market and credit risks associated with certain investment securities, including heightened market risk associated with the COVID-19 pandemic, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account

balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The financial markets experienced volatility due to the COVID-19 pandemic. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the impact the pandemic will have on participants' account balances, and the amounts reported in the financial statements.
