Independent Auditor's Report

To the Board of Trustees of Iron Workers Locals 549 and 550 Security Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of the Iron Workers Locals 549 and 550 Security Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103 (a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of March 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Iron Workers Locals 549 and 550 Security Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Iron Workers Locals 549 and 550 Security Plan's ability to continue as a going concern for the next 12 months.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Iron Workers Locals 549 and 550 Security Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Iron Workers Locals 549 and 550 Security Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of March 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Iron Workers Locals 549 and 550 Security Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 27, 2021, we indicated that (*a*) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (*b*) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of the Plan

The following description of the Iron Workers Locals 549 and 550 Security Plan (Plan) provides only general information. Users of these financial statements should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which was most recently amended and restated on April 1, 2014, is a defined contribution plan, open to any Iron Worker who has completed an hour of service for an employer who is subject to the terms of the collective bargaining agreements with the Local Union Nos. 549 and 550 of the International Association of Bridge, Structural and Ornamental Iron Workers (Agreements). The Plan is subject to provisions of the Employee Retirement Income Security Act (ERISA).

Custodian

John Hancock Retirement Plan Services, which operates as John Hancock Trust Company, LLC holds the Plan's investment assets and executes investment transactions.

Contributions

The Agreements provide, among other things, for employers to make contributions to the Plan, on behalf of the Local Union 549 and Local Union 550 (the Union). The rates in effect for the respective periods are outlined below:

	Local 550	Local 549
December 1, 2019 – November 30, 2020	$2.73 per hour worked	$3.00 per hour paid
December 1, 2020 – November 30, 2021	$2.73 per hour worked	$4.00 per hour paid
December 1, 2021 – November 30, 2022	$2.73 per hour worked	$5.00 per hour paid

The plan allows rollovers from other defined contribution plans and valid Individual Retirement Accounts, respectively. As of March 31, 2022 and 2021, no rollovers from either source had been received.

Members of Local 550 permit members to increase their contributions to $3.00, $4.00, $5.00, $6.00 or $7.00 per hour worked. Local 549 members who work in 550's jurisdiction are also eligible for the increase. The total amount of these contributions for the years ending March 31, 2022 and 2021 were $78,765 and $52,426, respectively. The contributions are considered elective deferrals, not employer contributions.

Funding Policy

Participating employers contribute such amounts as are specified in their collective bargaining agreement no later than the 15th day of the month following the date the wages are paid to the member.

Reciprocity

Members of the Union may work from time to time in the jurisdictions of other locals. In this case, the other local(s) will forward the contribution due on behalf of these members to the Union for inclusion in the Plan. Likewise, members of other locals may work from time to time for employers in the local jurisdiction. Contributions for these members are forwarded to their local union.

1. Description of the Plan (Continued)

Participant Accounts

All contributions made on behalf of a participating employee are credited to the employee's Individual Account (account). This money is accumulated and will eventually be paid out as benefits. The amount of each account will include the amount of contributions received, investment earnings of the Plan, net of the cost of operating the Plan, and the amount of any benefit payments.

Participants may select investments for their account, choosing from investment alternatives provided under the Plan, and may change their investment choices daily.

Amounts unallocated to specific plan participants as of March 31, 2022 and 2021 are $908 and $297, respectively. The Plan has established a reserve account to pay administrative expenses incurred by the Plan or fund the collection of delinquent employer contributions due to the Plan.

Vesting

Participants are vested immediately in the balance of their account.

Participant Loans

Participant loans *are not* permitted by the Plan.

Hardship Withdrawals

Hardship withdrawals *are* permitted by the Plan.

Expense Reimbursement

For the years ended March 31, 2022 and 2021, the Plan received a reimbursement of .10% to .50% of the quarterly average of amounts invested in various mutual funds in which John Hancock Trust Company, LLC has service agreements with. The amount received was used to reduce the administrative fees charged by John Hancock Trust Company, LLC.

	2022	2021
Revenue sharing reimbursement	$ 147,916	$ 125,466
Less: administrative expenses	(102,537)	(100,762)
Net administrative revenue	$ 45,379	$ 24,704

Payment of Benefits

Upon the determination of retirement, death, or disability of a participant, the amount to be paid shall be the participant's individual account balance. A participant who meets a non-working requirement, with no employer contributions credited to his/her account during that period, is also eligible to withdraw funds from their account. The amount to be paid is determined in the same manner as for retirement, death, or disability. Benefit payments are made as lump-sum distributions, annuities, partial distributions, or in scheduled installments as selected by the participant. The non-working time period is 26 weeks.

1. Description of the Plan (Continued)

Plan Expenses

The administrative expenses of the Plan are paid by the Plan participants. Each participant's individual account is charged quarterly, and the proceeds are used to pay the administrative fee, insurance, legal and professional fees, and any other costs incurred by the Plan throughout the year.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting. Contributions are recorded by the Plan in the period the wages are paid. Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation

The investments are 100% participant directed and are recorded at fair value. Participant accounts are valued daily and earnings or losses are posted to accounts on a daily basis. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on ex-dividend date. Net depreciation or appreciation includes the Plan's realized and unrealized gains and losses.

3. Investments

Investment Composition

Upon enrollment in the Plan, a participant may direct employer contributions in designated increments to any combination of the common collective trust, guaranteed investment account or mutual funds.

As of March 31, 2022, the Plan's investments were comprised of the following:

	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value	Total
Common Collective Trust	$ -	$ -	$ -	$ 1,619,750	$ 1,619,750
Guaranteed Investment Contract	-	6,586,570	-	-	6,586,570
Mutual funds	35,376,219	-	-	-	35,376,219
Total investments	$ 35,376,219	$ 6,586,570	$ -	$ 1,619,750	$ 43,582,538

As of March 31, 2021, the Plan's investments were comprised of the following:

	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value	Total
Common Collective Trust	$ -	$ -	$ -	$ 1,324,965	$ 1,324,965
Guaranteed Investment Contract	-	6,844,598	-	-	6,484,598
Mutual funds	33,750,064	-	-	-	33,750,064
Total investments	$ 33,750,064	$ 6,844,598	$ -	$ 1,324,965	$ 41,559,628

3. Investments (Continued)

Guaranteed Investment Contract

The Putnam Stable Value Option Fund (Fund) invests in guaranteed investment contracts, and similar contracts issued by insurance companies, banks and other financial institutions, collectively referred to as investment contracts, and are not tradeable on any secondary market. The investment contracts are valued at contract value which represents investment principal plus accrued interest. The investment contracts will generally be held to maturity and meet the fully benefit responsive requirements of ASC 962. All of the contracts which the Fund purchases are benefit responsive at contract value for all plan permitted, participant directed transactions, with no exception.

Investments Measured at Net Asset Value

The following table summarizes investments measured at fair value based on net asset value (NAV) per share as of March 31, 2022 and 2021, respectively.

	March 31, 2022 Fair Value	March 31, 2021 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Putnam S&P 500 Index	$ 1,619,750	$ 1,324,965	None	Daily*	60 days/None**
Total	$ 1,619,750	$ 1,324,965			

*Under unusual circumstances withdrawals may be suspended or delayed if such action is deemed necessary to avoid a materially adverse impact.

**Plan initiated requests require 60 days notice. Participant initiated requests are met daily.

4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1		Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.
Level 2		Inputs to the valuation methodology include: • Quoted prices for similar assets in active markets • Quoted prices for identical or similar assets in inactive markets • Inputs other than quoted prices that are observable for the asset • Inputs that are derived principally from or corroborated by observable market data by correlation or other means If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.
Level 3		Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
See Note 3 for the level determination of each of the Plan's investments, on a recurring basis.		

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

4. Fair Value Measurement (Continued)

METHODOLOGIES

The following is a description of the valuation methodologies used by this Plan. There have been no changes in the methodologies used at March 31, 2022 and 2021.

Common Collective Trust: Valued based on the net asset value of the underlying funds on the date of valuation.

Guaranteed Investment Account / Stable Value Option Fund: Valued as a money market account at $1.00 per share. This account is a group annuity contract which guarantees principal and accumulated interest. The interest crediting rate resets every January 1 and July 1, and was 1.70% and 1.55% on March 31, 2022 and 2021, respectively. The rate will always be in the range of 1% to 3%.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

5. Plan Amendments

The Plan Document, effective April 1, 2014 has been amended seventeen times. There were no new plan amendments during the fiscal year ended March 31, 2022. As of March 31, 2022, the Plan Document is in the process of being restated.

The amendments effective during the fiscal year ended March 31, 2021 are:

Amendment Number	Signature Date	Effective Date	Brief description
17	September 3, 2020	June 1, 2020	Further revisions to hardship distribution provisions.

6. Plan Termination

In the event of the termination or partial termination of the Plan or the complete discontinuance of contributions, all amounts credited to the accounts of the affected participants shall immediately become distributable, and all unallocated amounts shall be allocated to the accounts of all participants on a pro rata basis.

7. Tax Status

The Internal Revenue Service has advised that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code and are therefore exempt from federal income taxes under the provisions of §501(a). The Plan obtained its latest determination letter dated December 18, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

7. Tax Status (Continued)

The Plan has been restated since receiving the determination letter and has previously applied to obtain a new determination letter. The IRS has since changed its determination process to only issue determination letters for new and terminated plans. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

It is the intention of the Plan administrator to maintain the Plan as qualified and exempt from taxation under the appropriate provisions of the Internal Revenue Code and the Rules and Regulations issued thereunder, as amended from time to time. Therefore, no provision for federal income tax accounts is reflected in the financial statements.

8. Parties-in-Interest

Parties-in-interest is defined by IRC Section 4975(e) (2) and ERISA Section 3(14) (c) to include, among others, any entity that provides services to the Plan. Therefore, deductions from net assets for administrative, accounting, legal, insurance, and other expenses included in the accompanying financial statements are considered parties-in-interest transactions. Additionally, any employers whose employees are covered by the Plan are defined as parties-in-interest. Accordingly, all contributions received by the Plan are parties-in-interest transactions.

9. Information Prepared and Certified by Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following is a summary of the investment information regarding the Plan as of March 31, 2022 and 2021, and for the years then ended, included in the Plan's financial statements and supplemental schedule that was prepared or derived from information prepared by John Hancock Trust Company, LLC, the custodian of the Plan, and furnished to the Plan administrator.

The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

	March 31, 2022	March 31, 2021
Investments	$ 43,582,538	$ 41,559,628
Investment income:		
Net realized and unrealized gains (losses)	$ (1,033,634)	$ 8,638,321
Dividend income	$ 2,435,547	$ 1,599,486

Note: Interest income of $145 and $18 is not included in the certification

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.

10. Investment Risk

Investments of the Plan are not insured by the FDIC; are not deposits or other obligations of, or guaranteed by any bank or affiliates; and are subject to investment risks, including possible loss of the principal amount invested.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and such changes could affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

At various times, subsequent to year-end, the value of the Plan's investments declined significantly as a result of volatility in the global financial markets. Future investment returns remain uncertain as the situation in the financial markets continues to evolve.

11. Credit Risk

As of March 31, 2022 and 2021, the Plan had accounts with a total of $0 and $227,052, respectively, in excess of the $250,000 FDIC insured limit.

12. Classification Differences

Form 5500 includes certain assets and liabilities that differ from amounts shown on the accompanying financial statements. These differences relate to classifications only and have no effect upon net assets available for benefits for either of the years ended March 31, 2022 or 2021.

13. Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were issued, November 30, 2022, and determined that no events occurred that require disclosure. No events occurring after this date have been evaluated for inclusion in the financial statements.
