Primco Inc. 401(k) Profit Sharing Plan
Fort Wayne, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Primco Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2022, and the related statement of changes in net assets available for benefits for the year ended March 31, 2022, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of March 31, 2022, and for the year ended March 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Primco Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Primco Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Primco Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Primco Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Primco Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 13, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PRIMCO INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

March 31, 2022

Note 1. Plan Description

The Primco Inc. 401(k) Profit Sharing Plan (the "Plan") is a defined contribution plan covering eligible employees of Primco, Inc., (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, ("ERISA"). The provisions of the Plan are included in the official Plan document, which legally governs the operations of the Plan and is available for more detailed information.

Eligibility

To be eligible to participate in the Plan, employees must be 21 years of age or older and have completed one year of service. Participants may enter the Plan on January 1, April 1, July 1, and October 1 after eligibility requirements have been met. Employees hired under a prevailing wage contract are eligible to participate upon date of hire.

Contributions

Participants may make voluntary pre-tax and Roth contributions of up to 100% of compensation limited to the applicable limit under the Internal Revenue Code. The Company makes a safe harbor contribution of 3% of participant eligible compensation. The Company may also make additional discretionary profit sharing contributions. The discretionary contributions for the years ended March 31, 2022 and 2021 were \$0 and \$500,000, respectively. The Company also makes prevailing wage contributions. Total prevailing wage contributions for the year ended March 31, 2022 were \$293,548.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's safe harbor contribution, prevailing wage contributions, an allocation of the profit sharing contribution (if any), Plan earnings and administrative expenses. Allocations of the Company's profit sharing contribution, Plan earnings and administrative expenses are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions into a variety of investment options offered by Charles Schwab Bank, the custodian of the Plan. All amounts in participant accounts are participant-directed. Participants may change their investment options daily.

PRIMCO INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements (Continued)

March 31, 2022

Note 1. Plan Description (Continued)

Notes Receivable from Participants

The Plan allows participants to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Only two loans can be outstanding from the Plan per participant, one of which is available for general purposes and one for hardship or necessity. Loans are typically for terms up to 5 years, but may be for a longer period, not to exceed 15 years, if the purpose of the loan is for the purchase of a principal residence. The loans bear interest at a fixed rate equal to 1% above the prime rate and are secured by the participant's interest balance in the participant's account. Loans outstanding at March 31, 2022, mature through December 2026 and bear interest rates ranging from 4.25% through 6.00%.

Vesting

Participants are immediately vested in their elective (voluntary) contributions, the Company's safe harbor contributions and prevailing wage contributions. Participants become 20% vested in the Company's profit sharing contribution after two years of service and increase by 20% a year until they become 100% vested after six years of service.

Forfeitures

Participants who terminate employment prior to becoming fully vested must forfeit a percentage of their profit sharing contributions. These forfeitures are used to reduce Company contributions or Plan expenses. Forfeitures used to reduce Company contributions and/or expenses amounted to \$1,218 for the year ended March 31, 2022. Forfeitures available to reduce future Company contributions were \$8,894 and \$1 for the years ended March 31, 2022 and 2021, respectively.

Benefit Payments

Benefit payments are payable as a single lump-sum payment or partial payments. The full value of a participant's account is payable upon retirement, death or disability. For termination of service due to other reasons, a participant may elect to receive a lump-sum amount, a joint and survivor annuity or a pre-retirement survivor annuity. Participants may also elect to receive in-service distributions upon attaining age 59 1/2.

Termination of the Plan

The Company may, at its discretion, terminate the Plan subject to the provisions set forth in ERISA.

Note 2. Significant Accounting Policies

Basis of Financial Statements

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Note 2. Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of March 31, 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is offset by the participant's vested account balances to the extent permitted by law. The Plan Administrator will treat the loan as repaid to the extent of any permissible offset and, pending final disposition of the loan, the participant remains obligated for any unpaid principal and accrued interest.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Payment of benefits to participants is recorded when requested.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Certain distribution fees are paid by the Plan and allocated to each participant. Certain investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan Administrator has evaluated events and transactions for possible recognition or disclosure through January 11, 2023, the date the financial statements were available to be issued.

Note 3. Information Certified by the Plan's Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the custodian, Charles Schwab Bank, and was not subjected to any auditing procedures performed by the independent public accounts.

- a. Total investments and notes receivable from participants as shown in the accompanying statements of assets available for benefits.
- b. Total investment income, as shown in the accompanying statement of changes in net assets available for benefits, including interest and dividend income, net realized and unrealized appreciation in fair value of investments, and interest income on notes receivable from participants.
- c. The supplemental schedule of assets (held at end of year).

Note 4. Fair Value Measurements

Fair value measurements are based upon the exit price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants, and are determined by either the principal market or the most advantageous market.

Inputs used in the valuation techniques to derive fair values are classified based on a three-level hierarchy to prioritize the inputs used in the valuation techniques to derive fair values. The basis for fair value measurements for each level within the hierarchy is described below with Level 1 measurements having the highest priority and Level 3 measurements having the lowest priority.

- | | |
|---------|--|
| Level 1 | Fair value is based on unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access at the measurement date. |
| Level 2 | Fair value is based on quoted prices in markets that are not active, quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability. |
| Level 3 | Fair value is based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable. |

The asset's or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 4. Fair Value Measurements (Continued)

Following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value. There have been no changes in the methodologies used at March 31, 2022 and 2021.

Money market fund: Valued at quoted market prices, which represent the net asset values (NAV) of shares held by the Plan at year end.

Mutual funds: Valued at quoted market prices, which represent the net asset values (NAV) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of March 31, 2022 and 2021.

	Assets at Fair Value as of March 31, 2022			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 174,499	\$ -	\$ -	\$ 174,499
Mutual funds	<u>27,594,143</u>	<u>-</u>	<u>-</u>	<u>27,594,143</u>
Total assets at fair value	<u>\$ 27,768,642</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 27,768,642</u>

	Assets at Fair Value as of March 31, 2021			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 162,742	\$ -	\$ -	\$ 162,742
Mutual funds	<u>25,818,232</u>	<u>-</u>	<u>-</u>	<u>25,818,232</u>
Total assets at fair value	<u>\$ 25,980,974</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 25,980,974</u>

Note 5. Related Party Transactions

The Company provides certain accounting, recordkeeping, and administrative services for the Plan for which it receives no compensation. Administrative expenses for legal, accounting, and other services are rendered by parties-in-interest and are paid by the Company.

Note 6. Income Tax Status

The Plan, which is a prototype plan, obtained an opinion letter on January 1, 2018, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of Section 401(a) of the Internal Revenue Code (IRC) and therefore not subject to tax. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 7. Risks and Uncertainties

The Plan provides for various investment options. The underlying investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Subsequent Events

The Plan was restated effective April 1, 2022, and there were no significant changes in the provisions of the Plan.

The Company was acquired in October 2021. As a result, the Plan Trustees intend to merge the Plan, effective June 30, 2022, into an existing Plan sponsored by the new owner. Accordingly, all participants will become fully vested on that date.
