INDEPENDENT AUDITORS' REPORT

Plan Administrator
Boyd Jones Construction Co. Profit Sharing Plan
Omaha, Nebraska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Boyd Jones Construction Co. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of March 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after January 6, 2023.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplementary Information Required by ERISA

The supplementary information as of and for the year ended March 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 6, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Boyd Jones Construction Co. Profit Sharing Plan

Notes to Financial Statements

March 31, 2022 and 2021

1. Plan Description

The following brief description of the Boyd Jones Construction Co. Profit Sharing Plan (the Plan) is provided for general informational purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established to provide retirement benefits for the employees of Boyd Jones Construction Company and Subsidiaries. Effective January 1, 2022, Bluestem Energy Solutions LLC was added to the Plan as a participating employer, collectively, (the Company).

Employees, excluding those covered by a collective bargaining agreement and interns, are eligible to make pre-tax or designated Roth and other (effective January 1, 2022) after-tax salary reduction contributions after attaining age 20 and completing three months of service. Effective January 1, 2022, interns of the Company will no longer be excluded from participating in the Plan if they meet all other eligibility requirements. Effective January 1, 2022, employees are eligible for discretionary matching contributions after attaining age 20 and completing 3 months of service. Prior to January 1, 2022, employees were eligible for discretionary matching contributions after attaining age 20 and completing one year of service with at least 1000 hours. Employees are eligible for discretionary profit-sharing contributions after attaining age 20 and completing one year of service with at least 1,000 hours and must be employed on the last day to the Plan year annually. Employees of certain divisions of the Company may not be eligible for profit-sharing contributions. Eligible employees may become participants on the first day of the month coinciding with or following the date on which entry requirements are fulfilled.

Contributions

Participants may make pre-tax and designated after-tax Roth other after-tax (effective January 1, 2022) salary deferral contributions up to 100% of their annual compensation as defined by the Plan, up to the maximum dollar limits allowable by law. Employees who meet eligibility requirements are automatically enrolled in the Plan with an initial pre-tax salary deferral of 4%, which is increased by one percentage point annually on May 1, until it reaches a total of 15% of their eligible compensation (up to 10% prior to June 1, 2021). At any time, a participant may elect not to contribute or may change their deferral rate as allowed under Plan provisions. Participants may also contribute amounts representing distributions from other qualified plans. The Company may make discretionary matching and profit-sharing contributions. Participants who are eligible to make deferral contributions and who will attain age 50 before the close of the calendar year are eligible to make catch-up contributions. Contributions are subject to certain limitations.

Notes to Financial Statements

March 31, 2022 and 2021

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary matching or profit-sharing contributions and (b) Plan earnings or losses; and (c) charged with an allocation of administrative expenses. The Company's discretionary matching contributions are allocated among participants based upon each eligible participant's elected salary deferral. The Company's discretionary profit-sharing contributions are allocated among participants based upon eligible compensation of participants. Investments are maintained in individual member accounts managed by Ascensus Trust Company (Ascensus).

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions credited to participants' accounts is based on years of continuous service. A participant is 100% vested after six years of credited services, beginning at 20% vested after two years and increasing 20% each year until 100% vested.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are made on a nondiscriminatory basis and are secured by the participant's account. Interest rates are established at current market rates at the time of issuance. Principal and interest rates are paid ratably through weekly payroll deductions.

As a result of the Coronavirus Aid, Relief and Economic Security (CARES) Act, signed on March 27, 2020, the Plan allowed participants to borrow from their accounts up to \$100,000 or 100% of their vested account balance through September 2020. Repayments from any new or existing note receivable from participants may be delayed up to one year.

Payment of Benefits

Upon termination, retirement, disability, or death the participant or beneficiary may elect to receive either a partial or lump sum payment equal to the value of the vested funds allocated to the participant's account. The Plan requires that distribution payments between \$1,000 and \$5,000 be directly rolled over to an individual retirement account designated by the plan administrator in the event the participant does not elect otherwise. Participants may also receive in-service distributions, as defined by the Plan document. Benefits are recorded when paid.

March 31, 2022 and 2021

Forfeitures

Non-vested Company matching and profit-sharing contributions of terminated participants become forfeitures of the Plan. Forfeitures are valued as of the day the participant is terminated from the Plan. Forfeitures remain in the Plan and may be used to reduce future Company contributions or Plan expenses. As of March 31, 2022 and 2021, forfeited non-vested accounts totaled \$7,436 and \$13,206, respectively. During 2022 and 2021, \$8,417 and \$20,116 of forfeitures were used to reduce Company contributions and/or Plan expenses, respectively.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements is set forth below.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting and in conformity with accounting principles generally accepted in the United States of America.

Presentation of Participant Directed Funds

The Plan's presentation of participant-directed investments is in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 962, *Plan Accounting – Defined Contribution Pension Plans*.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian, and trustee. See Note 4 for further discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Boyd Jones Construction Co. Profit Sharing Plan

Notes to Financial Statements

March 31, 2022 and 2021

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Other

Audit fees are paid by the Company and are excluded from these financial statements. Investment management and recordkeeping expenses are paid by the Plan and are included in administrative expenses. Other expenses specifically incurred or attributable to individual participants are paid from the applicable participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are available to be issued and may require potential recognition or disclosure in the financial statements. Management has considered such events or transactions through January 6, 2023 noting no items requiring disclosure.

3. Information Certified by Ascensus

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Ascensus, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplementary information.

Notes to Financial Statements

March 31, 2022 and 2021

The following table presents the value of participant-directed Plan assets that were certified by Ascensus as of March 31,:

	<u>2022</u>	<u>2021</u>
Investments at Fair Value	<u>\$ 12,229,875</u>	<u>\$ 11,087,083</u>
Notes Receivable from Participants	<u>\$ 63,619</u>	<u>\$ 51,023</u>

Ascensus also certified the completeness and accuracy of the following related aforementioned investments for the years ended March 31,:

	<u>2022</u>	<u>2021</u>
Net Appreciation in Fair Value of Investments	\$ 261,432	\$ 3,470,355
Interest and Dividends from Investments	175,605	140,452
Total Investment Income	<u>\$ 437,037</u>	<u>\$ 3,610,807</u>
Interest Income on Notes Receivable from Participants	<u>\$ 2,397</u>	<u>\$ 4,000</u>

4. Fair Value Measurements

FASB ASC 820, Fair Value Measurements and Disclosures, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Boyd Jones Construction Co. Profit Sharing Plan

Notes to Financial Statements

March 31, 2022 and 2021

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of March 31, 2022 and 2021.

Self-Directed Brokerage Accounts: The self-directed brokerage accounts include investments in common stocks, mutual funds and money market funds. The common stocks, mutual funds and money market funds are valued at the daily closing price reported on the active market on which the individual security is traded.

Common Collective Trust: Valued at the Net Asset Value (NAV) based on the market value of its underlying investments. The NAV, as provided by the trustee, is used to estimate fair value. The NAV is based on the fair value of underlying investments held by the trust less its liabilities. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents by level, within the fair value hierarchy, the Plan's investments at fair value as of March 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 11,109,963	\$ -	\$ -	\$ 11,109,963

Common Collective Trust	\$ 716,803	None	Daily	1 Day

March 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust	\$ 468,310	None	Daily	1 Day

5. Tax Status

The Plan is qualified as a profit-sharing plan under Section 401(a) of the Internal Revenue Code and is exempt from federal income taxation under Section 501(a) of the Internal Revenue Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authority. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

March 31, 2022 and 2021

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.
