INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
403(B) Thrift Plan of Primary Care Coalition of Montgomery County, MD, Inc.
Silver Spring, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the 403(b) Thrift Plan of Primary Care Coalition of Montgomery County, MD, Inc (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of change in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from the qualified institutions as of June 30, 2022, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

4550 MONTGOMERY AVENUE • SUITE 800 NORTH • BETHESDA, MARYLAND 20814

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2021 Financial Statements

We were engaged to audit the June 30, 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution.

In our report dated December 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the June 30, 2021 financial statements and (b) the form and content of the information included in the prior year financial statements other than that derived from the information certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(B) THRIFT PLAN OF PRIMARY CARE COALITION OF MONTGOMERY COUNTY, MD, INC.

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

1. DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan of Primary Care Coalition of Montgomery County, MD, Inc (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General -

The Plan is a defined contribution plan covering substantially all full-time employees of 403(b) Thrift Plan of Primary Care Coalition of Montgomery County, MD, Inc (the Company). The Plan was established on July 1, 2001. The Plan was amended and restated effective January, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility -

An employee is eligible to make elective deferrals into the Plan beginning on his or her date of hire. There is no minimum age an employee must attain to become a participant in the Plan for purposes of making elective deferrals.

An employee is eligible to participate in the employer portion of the Plan on the first of the month following the date of hire once he or she has attained age 18 and completed one year of service or 1,000 hours.

Contributions -

Each year participants may contribute a percentage of their annual compensation as a traditional pre-tax contribution, or as a designated Roth contribution, as defined in the Plan. Contributions are subject to annual IRS limitations. Participants who have attained age 50 before the end of the Plan's year are eligible to make catch-up contributions. Employees are auto-enrolled at a 2% salary deferral upon hire. Additionally, the organization may contribute an employer discretionary contribution to all employees who meet the eligibility requirements.

During the year ended June 30, 2020 through February 2021, the employer elected a 3% discretionary contribution and starting in February 2021, the employer elected a 4% discretionary contribution. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

Vesting -

Participants are fully vested in their elective deferral contributions, employee rollover contributions, plus actual earnings thereon. Participants are vested in employer contributions based on years of continuous service. A participant is fully vested after three years of credited service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	33%
2	66%
3	100%

Participant accounts -

Each participant's account is credited with (a) the employee's contributions, (b) investment earnings and losses and (c) the employer's contributions. Participants accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations of investment earnings and losses, and administrative expenses, are based on account balances, or specific participant transactions, as defined in the Plan document.

JUNE 30, 2022 AND 2021

1. DESCRIPTION OF THE PLAN (Continued)

Investments elections -

Contributions to the Plan are invested with Reliance Trust Company and The Standard, the custodians, according to participant instructions. The Plan Administrator has selected a list of investment options and has provide participants with information describing these investment option.

Payment of benefits -

Benefits provided by the Plan are paid from net assets available for benefits. The benefit to which a plan participant is entitled is the benefit that can be provided by the contributions and net earnings thereon allocated to such participant's account. Benefit payments are made in the form of participant directed lump sum, installment, or annuity payments upon separation, retirement, total and permanent disability, or death, as applicable. Benefits are recorded when paid whether directly to or on behalf of a participant.

If the total vested value is below \$1,000 in a participant's account at the time of termination, then a distribution will be made to the participant regardless of whether they consent to receive it. If the total vested value is greater than \$1,000, but less than \$5,000, the participant has the option of either 1) rolling over their balance into a qualified individual retirement account, or 2) receiving a distribution. If the vested value is greater than \$5,000, the participant may remain in the Plan.

Hardship distributions to employees are permitted if certain conditions are met.

The Plan also provides for minimum required distributions per IRS regulations by April 1 of the calendar year following the later of the calendar year in which the participant reaches age 72 or the calendar year the participant retires. In addition, participants may elect in-service withdrawals of their vested account balances after reaching age 59½.

Forfeited non-vested accounts -

Forfeited balances of terminated participants' non-vested accounts may be used to reduce the Plan's administrative expenses and employer contributions. The balance of forfeited non-vested accounts was \$161 and \$0 as of June 30, 2022 and 2021, respectively. The employer used \$1,227 and \$5,747 to reduce contributions during the years ended June 30, 2022 and 2021, respectively.

Plan termination -

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting -

The financial statements are prepared on the accrual basis of accounting and in accordance with FASB ASC 962, *Plan Accounting Defined Contribution Pension Plans*.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

New accounting pronouncement adopted -

During the Plan year ended June 30, 2022, the Plan adopted Auditing Standards Board SAS No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*. The standard addresses the auditor's responsibility to form an opinion on the financial statements of employee benefit plans (EBPs) subject to the Employee Retirement Income Security Act of 1974 (ERISA). It also addresses the form and content of the auditor's report issued as a result of an audit of ERISA plan financial statements.

Use of estimates -

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair value measurement -

The Plan applies the provisions of FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurements. The Plan accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement.

Valuation of investments -

Investments are stated at their fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion on fair value measurement. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's losses and gains on investments bought and sold as well as held during the year.

Contract value is the relevant measurement attributable to the group annuity contract which is deemed a fully benefit-responsive investment contract because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statements of Net Assets Available for Benefits present the group annuity contract at contract value.

Benefit payments -

Benefits are recorded when paid.

Administrative expenses -

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and some are paid out of the Plan, which are included in these financial statements. Investment-related expenses are included as a reduction in the net (depreciation) appreciation of fair value of investments presented in the accompanying Statements of Changes in Net Assets Available for Benefits. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

3. INCOME TAX STATUS

The terms of the Plan have been drafted in reliance on the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Internal Revenue Code (IRC) to maintain its tax exemption. Management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan's administrator instructed the Plan's independent auditors not to perform, and they did not perform, such auditing procedures with respect to the information certified by The Standard and Reliance Trust Company. The Standard and Reliance Trust Company issued Certification Statements, certifying the information presented in the Schedule of Assets (Held at End of Year) and the Statements of Changes in Net Assets Available for Benefits for the years ended June 30, 2022 and 2021.

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by The Standard and Reliance Trust Company (collectively, the Custodians). The Custodians provides recordkeeping, Plan management, and day-to-day support to the Plan; therefore, these transactions qualify as party-in-interest.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

7. GROUP ANNUITY CONTRACT

The Plan maintains investments in a group annuity contract with Standard Insurance Company (SIC). The Stable Asset Fund seeks to provide maximum returns with the guarantee of principal and interest. It provides participants with book value distributions at retirement and other events as described on the group annuity contract.

The Stable Asset Fund is supported by SIC's general account, which invests in investment grade fixed income securities, including U.S. Government, agency, and corporate issues; as well as individually underwritten mortgage loans, and private placements. The Stable Asset Fund's average yield based on actual earnings was .01% and .08% during the years ended June 30, 2022 and 2021, respectively.

As described in Note 2, the group annuity contract value is the relevant measurement attribute for the portion of the net assets available for Plan benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by SIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value.

8. FAIR VALUE MEASUREMENT

In accordance with FASB ASC 820, *Fair Value Measurement*, the Plan has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

Investments recorded in the Statements of Net Assets Available for Benefits are categorized based on the inputs to valuation techniques as follows:

Level 1. These are investments where values are based on unadjusted quoted prices for identical assets in an active market the Plan has the ability to access.

Level 2. These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

Level 3. These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for investments measured at fair value.

- *Mutual Funds (Registered investment companies)* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

8. FAIR VALUE MEASUREMENT (Continued)

- Fully Benefit-Responsive Group Annuity Contract** - The fully benefit-responsive group annuity contract is reported at contract value. Contract value is the relevant measurement attribute for fully benefit-responsive contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the fully benefit-responsive contract represents contributions plus earnings, less participant withdrawals and administrative expenses. In determining the reasonableness of the methodology, a number of factors are considered, such as economic conditions, industry and market developments and overall credit ratings. Certain unobservable inputs are assessed through review of contract terms, while others are substantiated utilizing available market data.

Certain investments that are measured at contract value have not been categorized in the fair value hierarchy; however, the contract value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The table below summarizes, by level within the fair value hierarchy, the Plan's investments as of June 30, 2022:

Asset Class:	Level 1	Level 2	Level 3	Investments Measured at NAV	Investments Measured at Contract Value	Total June 30, 2022

9. SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through January 6, 2023, the date the financial statements were issued.

Subsequent to year end, effective July 1, 2022, the plan was amended to include a 3% auto enrollment provision and an auto escalation clause up to 6% effective July 1, 2024. Participants have the option to opt out of both provisions.
