INDEPENDENT AUDITOR'S REPORT

The Retirement Committee
United States Bakery Profit Sharing and 401(k) Plan
Portland, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the March 31, 2022 Financial Statements

We have performed an audit of the financial statements of United States Bakery Profit Sharing and 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2022 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the March 31, 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the March 31, 2022 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the March 31, 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the March 31, 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Responsibilities of Management for the March 31, 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the March 31, 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the March 31, 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Auditor's Responsibilities for the Audit of the March 31, 2022 Financial Statements, continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

March 31, 2022 Supplemental Schedule Required by ERISA

The supplemental schedule Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of March 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the March 31, 2021 Financial Statements

We were engaged to audit the March 31, 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the March 31, 2021 financial statements, and (b) the form and content of the information included in the March 31, 2021 financial statements other than that derived from the certified information are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

UNITED STATES BAKERY PROFIT SHARING AND 401(K) PLAN

Notes to Financial Statements

March 31, 2022 and 2021

Note 1 - Description of the Plan

The following description of the United States Bakery Profit Sharing and 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

United States Bakery and Affiliates (the Company) is the Plan Sponsor. On July 1, 2021 a new Plan was adopted, which changed the name of the Plan from "United States Bakery Profit Sharing Plan and Trust" to "United States Bakery Profit Sharing and 401(k) Plan" and added the option of employee deferrals for eligible participants.

The Plan was established to provide a tax-deferred retirement plan for the non-union employees of United States Bakery, Salt Lake City Bakery, and Gluten Free Baking Company LLC. The Plan is a defined contribution profit sharing and 401(k) plan and is administered through a Retirement Committee chosen by the Board of Directors of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

All employees are eligible to participate in the Plan on the date the employee first performed an hour of service, except employees who were members of the union, leased, or on-call as defined by the Plan. Employees must be employed on the first day of the Plan year to be eligible to participate in the Plan. Employees covered by a collective bargaining agreement may not participate in the Plan, unless the collective bargaining agreement requires participation.

Contributions and Participant Accounts

Each year, participants may contribute up to 100% of pretax annual compensation, subject to limits of the tax law as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants are automatically enrolled at a deferral rate of 3% of eligible wages. After automatic enrollment, the employee may elect to change the deferral percentage.

For each Plan year, the Company may elect to contribute an amount which is determined by the Company's Board of Directors. For the year ended March 31, 2022, the Company elected an employer contribution of 15% of eligible participant compensation for employees of United States Bakery and Gluten Free Baking and 5% of eligible participant compensation for employees of Salt Lake City Bakery. The account of each participant who has at least 1 hour of service in the Plan year and who is employed on the last day of that Plan year shall share in the allocation of the employer contributions and forfeitures for that Plan year. Participants over the age of 60 that retire in a Plan year are eligible for a contribution in that Plan year.

A separate account is maintained for each participant and contributions are allocated to participants based upon their proportionate compensation. Participants are allocated investment gains or losses as of the Plan year end based upon relative beginning account balances. Asset management fees and other expenses are deducted from the earnings before allocation to individual participant accounts.

Investment Elections

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants have the opportunity to change their investment combinations on a daily basis. The accounts of employees who do not choose among these options are automatically invested in the T. Rowe Price Target Date Funds based on their projected retirement dates.

UNITED STATES BAKERY PROFIT SHARING AND 401(K) PLAN

Notes to Financial Statements

March 31, 2022 and 2021

Note 1 - Description of the Plan, continued

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Additionally, participants are 100% vested in their non-elective (safe harbor) and rollover contributions.

For profit sharing contributions prior to April 1, 2007, a participant would become fully vested in their account after seven years of employment (see vesting schedule below). On April 1, 2007, the Plan was amended to allow a participant to become fully vested after six years (see vesting schedule below) for tier 1 profit sharing contributions. If the participant's request or termination occurred prior to April 1, 2007, the original vesting rules apply. For all participant requests and terminations occurring after April 1, 2007, the amended rules apply.

Year of Service		Percent Vested
After March 31, 2007	Prior to March 31, 2007	
Less than 2	Less than 3	- %
2	3	20 %
3	4	40 %
4	5	60 %
5	6	80 %
6	7	100 %

For tier 2 profit sharing contributions, participants are fully vested after one year of service. The tier 2 vesting schedule applies to eligible employees of Salt Lake City Bakery, who do not report directly to the Company's corporate officers and any other category of eligible employees, as determined by the Board.

In the event of death, disability, or retirement, a participant's account becomes fully vested. In the event that a participant terminates employment prior to completion of the vesting period, the nonvested portion of the participant's account will be forfeited. Such forfeitures can be allocated to remaining participants based on their proportionate compensation or can be used to pay Plan expenses.

Forfeited Accounts

Forfeited accounts are allocated among the participants who are eligible pursuant to the Plan at the end of the Plan year. The forfeitures are reallocated in the same manner as employer contributions. At March 31, 2022 and 2021, forfeited nonvested accounts totaled \$661,241 and \$334,379, respectively. During the year ended March 31, 2022, \$158,604 of forfeitures were used to pay Plan expenses and \$314,380 were allocated as profit sharing contributions related to the year ended March 31, 2021. Additionally, the Company used \$557,923 of forfeitures to offset the profit sharing contribution related to the year ended March 31, 2022 and made subsequent to year end.

Payment of Benefits

In the event of death, disability, retirement, or termination of service for any other reason, benefits may be distributed in a lump-sum amount equal to the value of the account, rolled over into an individual retirement account or maintained, if over \$1,000, without the ability to receive additional contributions. Accounts with balances less than \$1,000 shall have their funds distributed no later than 120 days after the end of the Plan year in which service terminates.

UNITED STATES BAKERY PROFIT SHARING AND 401(K) PLAN

Notes to Financial Statements

March 31, 2022 and 2021

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP), requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. These estimates involve judgments with respect to numerous factors that are beyond management's control. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. The Plan permits the payment of Plan expenses to be made from the Plan's assets. Fees are charged to participants on a pro rata basis, equally to participant accounts, or specifically to a participant account for transactions specifically related to that participant.

Risks and Uncertainties

The Plan's investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

On March 11, 2020, the World Health Organization characterized the outbreak of the coronavirus (COVID-19) as a global pandemic and recommended actions for containment and mitigation. The Employer is actively monitoring the impact of the COVID-19 pandemic, which will likely impact the global economy including the Plan and the market price of Plan assets. The extent of the COVID-19 impact to the Plan will depend largely on future developments, along with any new information that may emerge regarding the severity of the pandemic and the actions taken by government authorities to mitigate the spread of the virus, among other factors, all of which are highly uncertain and cannot be accurately predicted.

Subsequent Events

The Plan has evaluated subsequent events through January 9, 2023, which is the date the financial statements were available to be issued.

Economic uncertainties have arisen in 2022, which have resulted in significant volatility in the investment markets, resulting in a substantial decline in the value of the Plan's investments. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

UNITED STATES BAKERY PROFIT SHARING AND 401(K) PLAN

Notes to Financial Statements

March 31, 2022 and 2021

Note 3 - Information Certified by Custodian

The Plan's investments are held by Matrix Trust Company, the Custodian of the Plan. The Plan Administrator has obtained a certification from the Custodian as of March 31, 2022 and 2021 and for the year ended March 31, 2022 that the following information provided to the Plan Administrator by the Custodian is complete and accurate:

- Fair value of investments
- Net appreciation in fair value of investments
- Dividends and interest income

Note 4 - Fair Value Measurements

Fair value is the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

The Plan follows a fair value hierarchy to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Three levels of inputs may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2022 and 2021:

Common Collective Trusts: Units held in collective investment trusts (CIT) are valued using the net asset value (NAV) of the CIT, as reported by the CIT managers, and is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the CIT, minus its liabilities, and then divided by the number of units outstanding. The NAV of a CIT is calculated based on a compilation of primarily observable market information.

Money Market Funds: Valued at cost plus accrued interest, which approximates fair value.

The methods previously described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 - Fair Value Measurements, continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Investments at Fair Value as of March 31, 2022				
	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ -	\$ 667,245	\$ -	\$ 667,245
Total investments in the fair value hierarchy	\$ -	\$ 667,245	\$ -	667,245
Investments Measured at NAV				77,500,984
Total investments at fair value				\$ 78,168,229

Investments at Fair Value as of March 31, 2021				
	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ -	\$ 334,379	\$ -	\$ 334,379
Total investments in the fair value hierarchy	\$ -	\$ 334,379	\$ -	334,379
Investments Measured at NAV				76,139,950
Total investments at fair value				\$ 76,474,329

The following table summarize investments for which fair value is measured using the NAV per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

March 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective Investment Trusts	\$77,500,984	N/A	Daily	N/A

March 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective Investment Trusts	\$76,139,950	N/A	Daily	N/A

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

UNITED STATES BAKERY PROFIT SHARING AND 401(K) PLAN

Notes to Financial Statements

March 31, 2022 and 2021

Note 6 - Party-In-Interest Transactions

The transactions with parties-in interest are summarized below:

Party	Relationship	Fees
Hyas Group LLC	Investment Manager	\$ 38,000
Matrix Trust Company	Custodian	21,436
Milliman, Inc.	Third Party Administrator	108,185

All party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 7 - Tax Status

The Plan obtained its latest determination letter dated August 8, 2016, in which the Internal Revenue Service (IRS) stated that the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receipt of the determination letter, but the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirement of the IRC, therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements at March 31, 2022. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
