Independent Auditors' Report

To the Plan Sponsor and Administrator of
Korg USA Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Korg USA Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of March 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended March 31, 2022, and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Korg USA Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Korg USA Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting in error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Korg USA Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Korg USA Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year), as of March 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Korg USA Inc. 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 5, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Korg USA Inc. 401(k) Retirement Plan

Notes to Financial Statements March 31, 2022 and 2021

1. Plan Description

The following description of Korg USA Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan, established on April 1, 1998, and restated on April 1, 2017, is a defined contribution plan covering eligible employees of Korg USA, Inc. (the “Company”). All full-time employees who have attained the age of twenty and a half with six months of service, are eligible to participate in the Plan. For employee deferrals, the employee’s entry date into the Plan is the first day of each month coinciding with or following the date of eligibility. The Company makes safe harbor contributions for eligible employees who have attained the age of twenty-one years old, with one year and 1,000 hours of service. For safe harbor deferrals, the employee’s entry date into the Plan is the first day of the next plan year coinciding with or following the date of eligibility, but in no event later than six months after satisfaction of the eligibility requirements. Effective with the restatement, the Plan may make discretionary non-elective contributions on an annual basis for all eligible employees who have one year and 1,000 hours of service. An employee’s entry date into the non-elective contribution portion of the Plan is April 1st or the date six months later, coinciding with or following the date of eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

CARES Act

On March 27, 2020, the “Coronavirus Aid, Relief, and Economic Security (CARES) Act” was signed in to law. The CARES Act includes several relief provisions available to the Plan and its participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000
- Increase the available loan amount to the lesser of \$100,000 or 100% of the participant’s vested account balance
- Extend the period for loan repayments, if applicable, up to one year.

In accordance with the CARES Act, the Plan will be amended to retroactively adopt these provisions no later than December 31, 2025.

Participant Salary Deferral

Participants in the Plan may contribute up to 90% of their annual compensation provided that the participant’s contribution does not exceed the maximum dollar amount determined by the Internal Revenue Service (“IRS”) each calendar year, \$20,500 and \$19,500 for the calendar years ending December 31, 2022 and 2021, respectively. Participants over the age of 50 can elect to contribute an additional \$6,500 for the calendar years ended December 31, 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer Contributions

The Company has elected to make “safe harbor” contributions equal to 3% of participants’ compensation. The Company has also made discretionary non-elective contributions equal to 3% of participants’ compensation. The “safe harbor” and non-elective contributions are made on an annual basis and totaled \$443,468 for the year ended March 31, 2022.

Vesting

All participants are immediately vested in their contributions and safe harbor contributions plus actual earnings thereon. Participants vest in the Company’s discretionary non-elective contributions plus actual earnings thereon based on a six year graded vesting schedule in which the participant is vested 20% after two years and then 20% each year thereafter until fully vested.

Korg USA Inc. 401(k) Retirement Plan

Participant Accounts

Individual participant accounts are credited with applicable participant contributions, an allocation of the Company's contributions, and investment earnings or losses, and are charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

Investment Options

Participants may direct contributions to any of the investment options offered by the Plan. Participants may change their investment options on a daily basis.

Forfeitures

A participant who terminates employment and is less than 100% vested forfeits the non-vested portion of their account. Forfeitures are retained in the Plan and may be first used to restore any previously forfeited balances and then to reduce the employer contribution. There were \$1,604 of forfeitures into the Plan and \$5,781 of forfeitures utilized during the year ending March 31, 2022. The unallocated forfeiture balance at March 31, 2022 and 2021, totaled \$2,134 and \$6,298, respectively.

Distributions

On termination of service, the Plan provides for a participant to have the option to receive a lump-sum or installment payments based on the value of the participant's account at that time. Amounts are not distributed except by reason of retirement, death, disability, separation from service, hardship, or the attainment of age 59 1/2. If a participant has less than \$5,000 in his account, the distribution may only be made in a lump-sum payment.

Notes Receivable from Participants

The Plan administrator may permit participants to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of either \$50,000 or 50% of the account balance. A participant may only have two outstanding loans at any given time.

Loans are secured by the balance in the participant's account and bear interest at rates available for similar loans from commercial lending institutions (rates ranged from 4.25% to 6.50% per annum at March 31, 2022). Loans shall be repaid over a period of up to five years unless the loan is for the purchase of a primary residence for which the loan can be repaid over a period of thirty years. Loans are repaid through payroll deductions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Dividends are recorded on the ex-dividend date. Interest is included in income when earned, based on the terms of the investments and the periods during which the investments are owned. Purchases and sales of securities are recorded on a trade-date basis.

The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net change in the fair value of its investments which consists of the realized gains or losses and the unrealized depreciation on those investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Korg USA Inc. 401(k) Retirement Plan

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Administrative Fees

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

3. Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, (the "Trustee"), has certified that the following data included in the accompanying financial statements is complete and accurate.

	March 31, 2022	March 31, 2021
Investments at fair value	\$ 21,990,571	\$ 21,307,343
Notes receivable from participants	187,425	103,469
		Year Ended March 31, 2022
Net depreciation in fair value of investments		\$ (1,470,994)
Dividends and interest income		2,080,166
Other income		97,644
Interest income on notes receivable from participants		8,005

4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full-term of the asset or liability.
- Level 3 – Significant unobservable inputs, including the Company's own assumptions in determining the fair value of investments. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Korg USA Inc. 401(k) Retirement Plan

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2022:

- **Mutual funds:** Mutual funds are stated at fair value based on quoted prices in an active market for each share held by the Plan.
- **Common collective trust fund:** Common collective trust fund is stated at fair value which is determined by the trustee of the common collective trust based on the underlying assets, which represent the net asset value of units held by the trust. The common collective trust fund invests primarily in mutual funds. The common collective trust does not have any unfunded commitments relating to its investments, or any significant restrictions or redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.
- **Invesco stable asset fund:** Composed primarily of fully-benefit responsive investment contracts and is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate the fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. There are no participant redemption restrictions for these investments and the redemption notice period of 12 months is applicable only at the Plan level.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value as of March 31, 2022, are as follows:

	Level 1	Level 2	Level 3	Total
Common collective trust fund	\$ -	\$ 828,381	\$ -	\$ 828,381
Mutual funds	20,368,528	-	-	20,368,528
Total investments in the fair value hierarchy	20,368,528	828,381	-	21,196,909
Invesco stable asset, measured at net asset value (a)	-	-	-	793,662
Total investments at fair value	<u>\$20,368,528</u>	<u>\$ 828,381</u>	<u>\$ -</u>	<u>\$21,990,571</u>

Investments at fair value as of March 31, 2021, are as follows:

	Level 1	Level 2	Level 3	Total
Common collective trust fund	\$ -	\$ 1,226,534	\$ -	\$ 1,226,534
Mutual funds	18,679,285	-	-	18,679,285
Total investments in the fair value hierarchy	18,679,285	1,226,534	-	19,905,819
Invesco stable asset, measured at net asset value (a)	-	-	-	1,401,524
Total investments at fair value	<u>\$18,679,285</u>	<u>\$ 1,226,534</u>	<u>\$ -</u>	<u>\$21,307,343</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

5. Party-in-Interest Transactions

Fees paid to Reliance Trust Company for certain administrative services for the year ended March 31, 2022, are included in the net depreciation in the fair value of investments and administrative fees on the Statement of Changes in Net Assets Available for Benefits.

6. Tax Status

The Plan is a prototype non-standardized profit-sharing plan sponsored by DATAIR Employee Benefit Systems Inc. ("DATAIR"). DATAIR has obtained an opinion letter on the prototype plan dated June 30, 2020, stating that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code (the "Code"). Generally, the Plan administrator and the Plan may rely on the opinion letter received as to the form of the Plan qualifying under the Code. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of March 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that it is no longer subject to income tax examinations for years prior to 2018.

7. Risk and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities may occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the Plan administrator would handle the distributions of account balances under the provisions of ERISA, until all assets have been administered and distributed by the Trustee.

9. Subsequent Events

Management evaluated subsequent events for the Plan through January 3, 2023 the date the financial statements were available to be issued.
