INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustee of
NSN Revenue Resources Retirement Savings Plan
Tampa, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of NSN Revenue Resources Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the period ended March 31, 2022 and the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of NSN Revenue Resources Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2022 and December 31, 2021, and for the period ended March 31, 2022 and the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of NSN Revenue Resources Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Terminating Plan and Liquidation Basis of Accounting

As further discussed in Note 7 to the financial statements, the plan sponsor of NSN Revenue Resources Retirement Savings Plan voted on February 4, 2022 to terminate the plan and management determined liquidation is imminent. As a result, the NSN Revenue Resources Retirement Savings Plan changed its basis of accounting from the accrual basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NSN Revenue Resources Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NSN Revenue Resources Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NSN Revenue Resources Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NSN REVENUE RESOURCES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 31, 2022 (in Liquidation) and Year Ended December 31, 2021 (Ongoing)

1) Description of plan

The following description of the NSN Revenue Resources Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

(a) General

Prior to termination, the Plan was a defined contribution plan established and effective January 1, 2015. The Plan covers substantially all employees of NSN Revenue Resources, LLC (the Company or Employer). Employees were eligible after completing six months of service and having attained the age of twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Prior to termination of the Plan, participants could make elective contributions to the Plan up to the statutory maximum dollar amount for the year. In addition, a participant who had attained age 50 before the close of the Plan year was eligible to make catch-up contributions in accordance with limitations under the Internal Revenue Code. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. No participant contributions were received by the Plan in 2022.

The Plan allowed a discretionary Employer matching contribution for all employees actively employed at the end of the Plan year. Participants who were not actively employed at year-end due to death, disability or retirement were eligible to share in the allocation of matching contributions. The matching contributions equal a discretionary percentage, determined by the Company, of the participant’s elective deferrals. No matching contributions were made by the Company for the period and year ended March 31, 2022 and December 31, 2021.

(c) Participant accounts

Prior to termination of the Plan, the plan trustee maintained separate accounts for each participant. The trustee invests the contribution amounts as instructed by the participants, in one or more of the separate investment funds established by the plan administrator. Each participant’s account was credited with (a) the amount of the participant’s elected contributions; (b) the participant’s allocable portion for the Company contribution; (c) the amount of any attributable investment earnings and market appreciation or depreciation; and (d) an allocation of administrative expenses. Allocations were based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 31, 2022 (in Liquidation) and Year Ended December 31, 2021 (Ongoing)

1) Description of plan (continued)

(d) Forfeited accounts

Prior to termination of the Plan, forfeited balances of terminated participants' non-vested accounts were used to reduce Employer contributions. At March 31, 2022 and December 31, 2021, there were no forfeited non-vested accounts.

(e) Administrative expenses

Prior to termination of the Plan, certain expenses incurred in the administration of the Plan are paid directly by the Company. Administrative expenses paid by the Plan arise from fees for the processing of distributions and loans that are charged to their respected participants' accounts. In addition, certain investment accounts charge asset and participation fees that are allocated among the respected participants.

(f) Vesting

Prior to termination of the Plan, participants were immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earning thereon was based on years of continuous service. The vesting schedule for the Plan is 20% for two years but less than three years of service; 40% for three years of service but less than four years of service; 60% for four years of service but less than five years of service; 80% for five years of service but less than six years of services; and 100% vested after six years of continuous employment beginning with the effective date of the Plan.

(g) Notes receivables from participants

Prior to termination of the Plan, participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance incurred by the participant during the last twelve-month period. The loans were secured by the balance in the participant's account and bear interest at 5.25%, which is prime plus 2%. Principal and interest are paid ratably by employees or through payroll deductions.

(h) Payment of benefits

Participants are entitled to the vested portion of their account upon termination of service. The amount payable to the participant will be distributed in a lump sum. Upon reaching age 59 ½, participants are also eligible for in-service distributions. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the participants vested account balance, as defined in the Plan. Participants will be 100% vested in their account balance upon death prior to termination of employment. A participant is considered disabled for purposes of the Plan if such employee is totally and permanently disabled.

2) Summary of significant accounting policies

(a) Basis of accounting

The accompanying financial statements of the Plan are presented on the liquidation basis of accounting for the period ended March 31, 2022 and an accrual basis for the year ended December 31, 2021.

(b) Plan administration

The Company is the plan sponsor and plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

(c) Investment valuation and income recognition

The Plan's investments are stated at fair market value. Fair market value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Notes receivable from participants

Prior to the termination of the Plan, notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. The Plan classifies loans as defaulted that have not had payments as of the last day of the calendar quarter following the quarter in which the payment was due. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

(e) Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

(f) Payments of benefits

Benefits are recorded when paid.

3) Information certified by the trustee (unaudited)

The following is a summary of the investment information regarding the Plan as of March 31, 2022 and December 31, 2021, and for the period and year then ended included in the Plan's financial statements that was prepared by or derived from information prepared by John Hancock Life

NSN REVENUE RESOURCES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 31, 2022 (in Liquidation) and Year Ended December 31, 2021 (Ongoing)

3) Information certified by the trustee (unaudited) (continued)

Insurance Company, the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

| | <u>2022</u> | <u>2021</u> |
|--|-------------|-------------|
| Investments: | | |
| Pooled separate accounts | \$ - | \$ 828,468 |
| Notes receivable - participant loans | - | 6,382 |
| Investment income: | | |
| Net (depreciation) appreciation in fair value of investments | (60,659) | 96,462 |
| Interest from notes receivable - participant loans | 80 | 115 |

4) Investments

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$(60,659) and appreciated in value by \$96,462 in 2022 and 2021, respectively.

5) Fair value measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value. That hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable input (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below.

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NSN REVENUE RESOURCES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 31, 2022 (in Liquidation) and Year Ended December 31, 2021 (Ongoing)

5) Fair value measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2022 or December 31, 2021.

Pooled separate accounts: Valued at net asset value ("NAV") of the underlying mutual fund less daily charges, as the assets represent the daily market per share value.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2022:

Assets at Fair Value as of March 31, 2022

| | Level 1 | Level 2 | Level 3 | Total |
|----------------------------|---------|---------|---------|-------|
| Pooled separate accounts | \$ - | \$ - | \$ - | \$ - |
| Total assets at fair value | \$ - | \$ - | \$ - | \$ - |

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Assets at Fair Value as of December 31, 2021

| | Level 1 | Level 2 | Level 3 | Total |
|----------------------------|------------|---------|---------|------------|
| Pooled separate accounts | \$ 828,468 | \$ - | \$ - | \$ 828,468 |
| Total assets at fair value | \$ 828,468 | \$ - | \$ - | \$ 828,468 |

6) Party-in-interest transactions

Loans receivable from plan participants and the related interest income are considered exempt party-in-interest transactions. John Hancock Life Insurance Company manages certain plan investments. Therefore, these transactions qualify as party-in-interest, as defined by the Plan.

NSN REVENUE RESOURCES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 31, 2022 (in Liquidation) and Year Ended December 31, 2021 (Ongoing)

7) Plan termination

On February 4, 2022, the Plan sponsor approved the termination of the Plan. Subsequent to February 4, 2022 no contributions, loan payments, or new loans were allowed into or out of the Plan, and no distributions or rollovers were allowed subsequent to February 4, 2022 to March 31, 2022. All plan assets were distributed as of March 31, 2022.

8) Federal income tax status

The Plan adopted a prototype plan document effective January 1, 2015. The prototype plan received an opinion letter from the Internal Revenue Service dated March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). The Plan has been amended and restated since receiving the letter, including amendments made to comply with recent law changes. The Plan itself has not separately applied for a determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes had been included in the Plan’s financial statements.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. With few exceptions, the Plan is not subject to income tax examinations beyond three years from the filing of returns.

9) Risks and uncertainties

The Plan invests in various investments securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

10) Fidelity bond

ERISA section 412 and related regulations (29 C.F.R. § 2550.412-1 and 29 C.F.R. Part 2580) generally require that every fiduciary of an employee benefit plan and every person who handles funds or other property of such a plan shall be bonded. ERISA's bonding requirements are intended to protect employee benefit plans from risk of loss due to fraud or dishonesty on the part of persons who handle plan funds or other property. ERISA refers to persons who handle funds or other property of an employee benefit plan as plan officials. A plan official must be bonded for at least 10% of the amount of funds he or she handles, subject to a minimum bond amount of \$1,000 per plan with respect to which the plan official has handling functions.

NSN REVENUE RESOURCES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 31, 2022 (in Liquidation) and Year Ended December 31, 2021 (Ongoing)

10) Fidelity bond (continued)

During the Plan year ended March 31, 2022, the Company's bond coverage was \$80,000. The bond amount should have been \$84,000.

11) Subsequent events

The Company has evaluated subsequent events through the date of the auditors' report, the date which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
