INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor
Bel-Air Country Club Retirement Savings Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Bel-Air Country Club Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of March 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) at March 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

BEL-AIR COUNTRY CLUB RETIREMENT SAVINGS PLAN

Notes to Financial Statements
March 31, 2022 and 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following description of Bel-Air Country Club Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established by Bel-Air Country Club (the Club or Plan Sponsor). The Plan was originally effective on April 1, 1983. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan allows eligible employees the opportunity to participate in the salary deferral components of the Plan.

Eligibility: The age requirement for salary deferrals and discretionary matching contributions is age 21. The service requirement for salary deferrals, matching contributions, and discretionary Plan Sponsor contributions is one year and a minimum of 1,000 hours of service.

Contributions:

Employee salary deferral: For each of the calendar years ending December 31, 2022 and 2021, the maximum amount of salary deferral is \$20,500 and \$19,500, respectively. For participants age fifty (50) or older, an additional catch-up provision of \$6,500 is allowed during each of the calendar years ending December 31, 2022 and 2021.

Plan Sponsor matching contribution: Each year, the Plan Sponsor may make a discretionary matching contribution. The percentage of elective deferral contributions matched, if any, shall be a percentage determined by the Plan Sponsor and shall apply to all eligible participants for the entire Plan year. The Plan Sponsor did not make any discretionary matching contributions for the period April 1, 2020 through October 22, 2020. The Plan Sponsor matched 1.25% of eligible compensation that a participant contributed to the Plan for the period October 23, 2020 through April 8, 2021. For the period April 9, 2021 through August 12, 2021, the Plan Sponsor matched 2.5% of eligible compensation that a participant contributed to the Plan. The Plan Sponsor matched 5% of eligible compensation that a participant contributed to the Plan for the period August 13, 2021 through March 31, 2022.

Investment Elections: All investment elections are self-directed by participants.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary matching is based on years of continuous service. Vesting in Plan Sponsor related contributions and earnings are as follows:

Years of Continuous Service	Vested Percentage
Less than 2	-- %
2 but less than 3	20
3 but less than 4	40
4 but less than 5	60
5 but less than 6	80
6 or more	100 %

Employees who terminate their employment with the Club for reasons other than normal retirement, shall receive the vested portion of the Plan Sponsor contributions plus earnings thereon.

The participant's share in the Plan Sponsor's contributions becomes fully vested upon disability, retirement age, or death. Disability is defined as a medically determinable physical or mental impairment, which may result in death or to last at least a year and which renders the participant incapable of performing his or her duties with the Club.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Participant Accounts: Each participant's account is credited with the participant's contributions, Plan Sponsor discretionary contributions, and an allocation of earnings or losses from the participant's self-directed investments.

Forfeitures: Forfeited non-vested accounts are available to be used to reduce future Plan Sponsor contributions or pay administrative expenses. In 2022 and 2021, \$17,869 and \$13,251 in forfeiture balances were used to reduce Plan Sponsor contributions or administrative expenses, respectively. As of March 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$3, respectively.

Payment of Benefits: On termination of employment, participants with a vested account balance in excess of \$5,000 may elect to receive a lump sum equal to the value of their account, or may defer distribution until retirement, as defined by the Plan agreement. Employees electing to defer their distribution continue to participate in the Plan's net investment earnings or losses. Terminated employees with a Plan vested account balance less than \$5,000 will be paid in a lump sum amount equal to the value of their account, subject to the appropriate income tax withholding regulations.

Withdrawals of Contributions: A participant demonstrating a financial hardship may withdraw any of their vested account value consisting of elective deferral contributions and matching contributions. Elective deferrals will be suspended for six (6) months following the date of hardship withdrawal.

Notes Receivable from Participants: Participants may borrow from their account a minimum of \$1,000 and a maximum of the lesser of \$50,000 or 50% of the participant's vested benefit in the Plan. The loans are secured by the vested balance in the participant's account. Principal and interest is paid through payroll deductions. All loans must be repaid over a period not to exceed five (5) years unless being used to acquire a primary residence, in which case the repayment period shall be consistent with commercial home loan practices.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies applied in the preparation of the accompanying financial statements follows:

Basis of Accounting: The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Administrative Expenses: The Plan's administrative expenses are paid either by the Plan or Plan Sponsor, as provided by the Plan document. Expenses directly attributable to a particular participant are allocated to and paid from that participant's account.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Accounting for Uncertainty in Income Taxes: The Plan's policy is to recognize tax positions in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities. As of March 31, 2022, the Plan had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. As of March 31, 2022, the Plan's annual tax filings for the prior three (3) years are open for audit by the Internal Revenue Service (IRS).

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition: Investments are reported at fair value, with the exception of the benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) consists of the change in unrealized appreciation or depreciation during the year, and the realized gain or loss on the sale of investments during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement.

Subsequent Events: The Plan has evaluated subsequent events through January 12, 2023 the date the financial statements were available to be issued and has determined that no events or transactions require recognition or disclosure in these financial statements.

NOTE 3. PLAN TERMINATION

Although the Plan Sponsor has not expressed an interest in terminating the Plan agreement, it may do so at any time. Upon termination of the Plan, the participants' shares in the Plan would become fully vested and distributed to them.

NOTE 4. ADMINISTRATION OF PLAN ASSETS

Employees of the Club perform certain administrative functions. No such employee receives compensation from the Plan. Plan expenses consist primarily of administrative expenses for participant requested services and expenses associated with participant loan processing.

NOTE 5. RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

The Plan held most of its assets with one institution. In the event of the institution's failure, the Plan could be subject to losses in its funds to the extent of dollars invested in the funds.

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law March 27, 2020. During the year ended March 31, 2021, the Plan Sponsor elected to operate the Plan to allow the optional provisions of the CARES Act upon enactment. The Plan Sponsor expects to formally amend the Plan to retroactively include the provisions of the CARES Act based on provisions of the act and IRC guidelines. The extent to which COVID-19 may impact the Plan Sponsor and the Plan will depend on future developments, which are highly uncertain and cannot be predicted.

BEL-AIR COUNTRY CLUB RETIREMENT SAVINGS PLAN

Notes to Financial Statements
March 31, 2022 and 2021

NOTE 6. FEDERAL INCOME TAXES

On June 30, 2020, the IRS stated that the non-standardized pre-approved profit-sharing plan with a cash or deferral arrangement adopted by the Plan is acceptable under Internal Revenue Code (IRC) Section 401. The Plan has not received an opinion letter specific to the Plan itself; however, the Plan Sponsor believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7. CERTIFIED INFORMATION

Information on the Plan's investment assets as of and for the year ended March 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, was obtained by management, and agreed to or derived from information certified by Principal Trust Company, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the investment assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the Plan's investment assets which appear throughout the financial statements and ERISA-required supplemental schedule.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment funds managed by Principal Funds, Inc. Certain Plan investments are invested in a group annuity contract issued by Principal Life Insurance Company. Principal Trust Company was the Plan's Trustee and contract administrator. Principal Funds, Inc., Principal Life Insurance Company, and Principal Trust Company are all subsidiaries or divisions of Principal Financial Group, Inc. The Plan's investment consultant is Mercer Investments, LLC. These transactions qualify as party-in-interest transactions.

NOTE 9. FAIR VALUE MEASUREMENTS

In accordance with the authoritative guidance on fair value measurements and disclosures, in conformity with accounting principles generally accepted in the United States of America, the Plan discloses the fair value of its investments in a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The fair value hierarchy is categorized into three (3) levels based on the inputs as follows:

- Level 1* Quoted prices in active markets for identical securities. When available, fair value is measured using Level 1 inputs.
- Level 2* Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.).
- Level 3* Used when Level 1 or Level 2 inputs were not available or significantly unobservable (including composite crediting rates and surrender charges).

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. As of March 31, 2022 and 2021, the fair value of Plan assets held in mutual funds were determined using Level 1 inputs.

BEL-AIR COUNTRY CLUB RETIREMENT SAVINGS PLAN

Notes to Financial Statements
March 31, 2022 and 2021

NOTE 9. FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Gains and losses included in changes in net assets for the year above are reported in net appreciation in fair value of investments in the statement of changes in net assets available for Plan benefits.

NOTE 10. PRINCIPAL FIXED INCOME OPTION (GUARANTEED INVESTMENT CONTRACT)

The Plan includes a benefit-responsive guaranteed investment contract, the Principal Fixed Income Option (PFIO) with Principal Life Insurance Company (Principal Life). Principal Life maintains the contributions in a general account. The account is credited with participants' contributions, the Plan Sponsor's discretionary matching contributions, if any, and interest. The PFIO is charged for participants' withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The contract is included in the financial statements at contract value, which is a proxy for fair value, as reported to the Plan by Principal Life. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value with no conditions, limits, or restrictions.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. A rate of interest contractually guaranteed by Principal Life is credited to participant account balances. The rate is reset semiannually. The crediting interest rate varied from 1.00% to 1.10% during the year ended March 31, 2022. This net crediting rate is after the deduction for fees for administrative and recordkeeping services. The PFIO is a single group annuity contract with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned (i.e., interest credited) on the contract.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) the Plan Sponsor wishes to terminate the Plan's interest, subject to the provisions of the contract, or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

NOTE 11. REFUND OF EXCESS CONTRIBUTIONS

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability in the accompanying statements of net assets available for benefits as of March 31, 2022, with a corresponding deduction to Plan assets on the accompanying statement of changes in net assets available for benefits for the year ended March 31, 2022. There were no amounts payable to participants for contributions in excess of amounts allowed by the IRS as of or for the year ended March 31, 2021.
