**REPORT OF INDEPENDENT AUDITORS**

To the Participants and Trustees of  
Chicago Painters and Decorators  
Retirement Savings Fund

***Opinion***

We have audited the financial statements of Chicago Painters and Decorators Retirement Savings Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of March 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Chicago Painters and Decorators Retirement Savings Fund as of March 31, 2022, and the changes in net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Other Matter - 2021 Financial Statements***

The financial statements of Chicago Painters and Decorators Retirement Savings Fund as of March 31, 2021 and for the period of June 1, 2020 (date of inception) to March 31, 2021, were audited by other auditors whose report dated January 10, 2022, expressed an unmodified opinion on those statements.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Responsibilities of Management for the Financial Statements (continued)***

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibility for the Audit of Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of financial statements; and
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**CHICAGO PAINTERS AND DECORATORS  
RETIREMENT SAVINGS FUND**

**NOTES TO FINANCIAL STATEMENTS**

MARCH 31, 2022 AND 2021

**NOTE 1. DESCRIPTION OF THE PLAN**

Chicago Painters and Decorators Retirement Savings Fund (the Plan) was established on June 1, 2020, pursuant to provisions of a collective bargaining agreement between the district council and the contractors' association to provide retirement benefits for eligible participants. The Plan is a multiemployer defined contribution retirement plan, subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits are not insured by the Pension Benefit Guaranty Corporation.

The Plan is primarily funded by employer contributions. Participants are not permitted to make contributions to the Plan. The contribution rate is \$1.25 per eligible hour as of June 1, 2021; previously, the contribution rate was \$1.00 per eligible hour.

An individual account is established for each participant. The individual account is credited with employer contributions made on the participant's behalf, and is adjusted for Plan earnings and administrative and related expenses, if any. Allocations are based on individual account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participants are immediately vested in their individual account balance, as defined in the Plan document.

Upon termination of service due to retirement, death or disability, a participant will receive the value of the participant's individual account, as defined, in the form of a lump-sum as provided in the Plan document.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Method of Accounting** - The accompanying financial statements have been prepared using the accrual basis of accounting.

**Investments** - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

## **NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Contributions Receivable** - Contributions due and not paid at year end are recorded as contributions receivable. Employer contributions owed as a result of payroll compliance audits are recorded as income when collected. An allowance for doubtful accounts is considered unnecessary and is not provided.

**Revenue Recognition** - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rates currently in effect, as set forth in the collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 1 in a jurisdiction primarily located in Chicago and surrounding areas of Illinois.

**Payment of Benefits** - Although benefit payments to participants are recorded upon distribution, no participants have requested a withdrawal in the initial years of operation.

**Expenses** - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

**Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

**Subsequent Events** - Subsequent events have been evaluated through January 13, 2023, which is the date the financial statements were available to be issued.

## **NOTE 3. PRIORITIES UPON TERMINATION**

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, each participant remains 100% vested in his or her individual account, as defined in the Plan agreement.

## **NOTE 4. TAX STATUS**

The Plan's latest determination letter is dated November 9, 2020, in which the Internal Revenue Service stated that the Plan and the related trust were designed in accordance with the applicable requirements of the Internal Revenue Code (IRC). The Plan's administrator and the Plan's legal counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

#### **NOTE 4. TAX STATUS (CONTINUED)**

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE 5. FAIR VALUE MEASUREMENTS**

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

##### Basis of Fair Value Measurement

|         |                                                                                                                                                                       |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities                              |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable                                                     |

The Plan's investments are classified in Level 1 of the fair value measurements hierarchy. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The fair value of the mutual fund is determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

The short-term investment fund represents shares held in a mutual fund.

##### Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

#### **NOTE 6. CONCENTRATIONS**

The Plan has a significant portion of its assets invested in an equity mutual fund and a fixed income mutual fund. These investments represent approximately 90% of the Plan's net assets available for benefits as of March 31, 2022, and approximately 36% of the Plan's net assets available for benefits as of March 31, 2021.

#### **NOTE 7. MAJOR EMPLOYER**

Participating employers contribute amounts as specified in the collective bargaining agreements. Contributions from one employer accounted for approximately 10% of total employer contributions for the year ended March 31, 2022, and 11% for the period from inception (June 1, 2020) to March 31, 2021.

#### **NOTE 8. RELATED ORGANIZATIONS**

The Plan has ten related entities: Chicago Painters and Decorators Pension Fund; Chicago Painters and Decorators Welfare Fund; Chicago Painters and Decorators Retiree Welfare Fund; Chicago Painters and Deferred Savings Plan Fund; Painters District Council No. 14 Scholarship Fund; Drywall Education and Scholarship Fund; Chicago Painters and Tapers Cooperation and Education Trust Fund (the Cooperation Trust); District Council No. 14 Metal Polishers 401(k) Retirement Plan; Chicago Area Painting Joint Apprentice Training Trust; and International Brotherhood of Painters and Allied Trades District Council No. 14 (the Council).

Certain expenses related to establishing and maintaining the Plan including legal fees, administration and other necessary services were paid by the Cooperation Trust. The expenses are not included in these financial statements. Expenses paid on behalf of the Plan totaled approximately \$85,000 and \$127,000 for the year ended March 31, 2022 and the initial period ended March 31, 2021, respectively.

#### **NOTE 9. PARTY-IN-INTEREST TRANSACTION**

During the year ended March 31, 2022, contributions totaling \$7,231 were transferred in error to the Council, a party-in-interest. Because the Plan's administrator and the Plan's legal counsel believe that the transfer did not meet the conditions required to exempt these transactions from prohibited transaction rules of ERISA, the transaction was corrected through a return of the principal amount subsequent to March 31, 2022. A receivable for the return of the principal amount is included in the accompanying financial statements. The Plan's administrator and the Plan's legal counsel believe that there was no effect on the Plan's financial or tax status as a result of the transaction and subsequent correction.

**NOTE 10. IMPACT OF COVID-19 AND NEWLY ENACTED LEGISLATION**

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which may negatively impact the Plan, though the potential impact and duration is unknown as of the date the financial statements were available to be issued.

Several major legislative relief packages were enacted in response to the coronavirus outbreak, which among other things contain numerous tax, emergency funding and regulatory provisions that affect retirement benefits. The Plan continues to evaluate the impact of newly enacted legislation on its provisions, operations and cash flows.
