## Independent Auditor's Report

To the Participants and Administrator of  
AppleCare, LLC 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AppleCare, LLC 401k Plan, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of March 31, 2022 (in liquidation), and the related statement of changes in net assets available for benefits for the period then ended (in liquidation), and the statement of net assets available for benefits as of December 31, 2021 (ongoing), and the related statement of changes in net assets available for benefits for the year then ended (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the periods ended March 31, 2022 and December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of Matter – Basis of Accounting**

As discussed in Note 3 to the financial statements, the governing body of the Plan approved a plan of liquidation on January 24, 2022, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MARCH 31, 2022 AND DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of AppleCare, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan which was established on January 1, 2016 and covers employees of AppleCare, LLC (the Company) immediately upon hiring. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In December 2021, the Company was purchased by CRH Healthcare, LLC. The Company terminated the Plan effective January 24, 2022 and transferred the Plan's assets as soon as reasonably practicable to the existing retirement benefit plan of CRH Healthcare, LLC. Effective with this termination, all participants became 100% vested in their account balances under the Plan. All benefits were distributed to participants or transferred to Voya Financial (third-party administrator for CRH Healthcare, LLC 401(k) Plan) by March 31, 2022.

Contributions

Contributions to the Plan are made voluntarily by participating employees who elect a salary reduction which is remitted to the Plan by the Company on behalf of participants. Employees are automatically enrolled in the Plan on the first day of the month following their date of hire with a pre-tax elective deferral of 2%. Each participant's total elected contributions were limited to \$20,500 and \$19,500 during the periods ended March 31, 2022 and December 31, 2021, respectively. Additionally, catch-up deferrals of up to \$6,500 were permitted for participants age 50 or older during the periods ended March 31, 2022 and December 31, 2021. The Plan also provides for rollover contributions by participants from other qualifying plans and Roth contributions.

The Plan allows for employer discretionary matching and nonelective contributions, subject to certain eligibility requirements. The Company did not make any matching or nonelective contributions for the periods ended March 31, 2022 and December 31, 2021.

Payment of benefits

Benefits are payable upon (a) termination of service, (b) early retirement after attainment of age 59 1/2, (c) normal retirement after attainment of age 65, (d) late retirement upon termination of service if the participant continues to work for the Company after his or her normal retirement date, or (e) death or permanent disability. A participant may elect to receive a lump sum equal to the value of his or her account or one of several annuity options which is in compliance with the Internal Revenue Code (IRC) and Regulations. Financial hardship withdrawals of all or part of elective deferral contributions before earnings may be permitted for immediate and severe financial need. The Plan allows participants to receive hardship withdrawals without obtaining loans and to continue elective deferrals after receipt of a hardship withdrawal in accordance with the Bipartisan Budget Act of 2018.

## NOTE 1 - DESCRIPTION OF THE PLAN (continued)

### Contributions receivable

Contributions receivable are based upon the timing difference between the determined contributions of the employees and the receipts by the investment custodian. No contributions were receivable by the Plan as of March 31, 2022 and December 31, 2021.

### Participant accounts and vesting

Each participant's account is credited with the participant's contributions and with an allocation of the Company's contributions, if any, and Plan earnings. Investment earnings and losses are allocated based upon the investment performance of each investment in the participant's account. Allocations of the Company's contributions are based on participant compensation. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants are vested immediately in their contributions plus actual earnings thereon and are entitled to 100% of their individual contributions upon retirement or termination. Vesting in the Company's contributions to participant accounts occurs over a period of five years as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than one	0%
One	20%
Two	40%
Three	60%
Four	80%
Five	100%

Upon attainment of normal retirement age, total permanent disability, or death, a participant or his/her beneficiary becomes 100% vested.

### Forfeitures

Forfeitures serve to reduce a participant's balance when termination occurs before the employee is fully vested in the employer contributions. Forfeited balances are used in the following Plan year to pay Plan expenses or Company contributions. Unused forfeiture balances totaled \$0 as of March 31, 2022 and December 31, 2021.

### Participant loans

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 reduced by the excess of their highest outstanding balance of loans from the Plan during the one-year period prior to the date of the loan over their current outstanding balance of loans, or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Interest rates are at the Wall Street Journal prime rate plus 2% as of the date of issuance. Loan terms may generally not exceed five years. However, if a loan is for a participant's principal residence, it may be repaid within a period of no more than 30 years. Principal and interest are paid ratably through bi-weekly payroll deductions. A participant may have a maximum of two Plan loans outstanding at any given time.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, contributions are recognized when determined rather than when received, and expenses are recognized when incurred rather than when paid.

### Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Valuation of investments and income recognition

Investments are reported at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

### Subsequent Events

The Plan has evaluated subsequent events through December 23, 2022, the date the financial statements were available to be issued.

## NOTE 3 - PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant's account becomes fully vested, and all appropriate accounting provisions of the Plan continue to apply until the accounts of all participants have been distributed.

As discussed in Note 1, the Company terminated the Plan effective January 24, 2022 and distributed all assets by March 31, 2022. Plan management has determined that the liquidation basis presentation of assets at March 31, 2022 and for the period then ended, approximates or equals fair market value. No significant changes were required to present the financial statements on a liquidation basis.

## NOTE 4 - INCOME TAX STATUS

The Plan adopted a prototype 401(k) plan which obtained its latest tax determination letter on July 8, 2014, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The prototype plan has been amended since receiving the determination letter, however the Plan administrator believes that the current design and operation are in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan adheres to guidance issued by the Financial Accounting Standards Board (FASB) Accounting Standards Codification with respect to accounting for uncertainty in income taxes. Management of the Plan evaluated the Plan's tax positions and concluded that the Plan had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. With few exceptions, the Plan is no longer subject to income tax examinations by federal, state or local tax authorities for years before 2019.

## NOTE 5 - DESCRIPTION OF INFORMATION CERTIFIED BY THE INVESTMENT TRUSTEE

As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to have the investment trustee of the Plan, Reliance Trust Company, certify as to the accuracy and completeness of certain information included in the accompanying financial statements in lieu of the Plan's independent accountants examining such information. Accordingly, the following information was certified by the investment trustee and was not subjected to any auditing procedures except for comparing such information with the related information contained in the accompanying financial statements:

- A. Investments in the statements of net assets available for benefits as of March 31, 2022 and December 31, 2021.
- B. Activity in the statement of changes in net assets available for benefits for the periods ended March 31, 2022 and December 31, 2021.

## NOTE 6 - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy follow:

- Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
  
- Level 2            Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
  
- Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 6 - FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value.

*Registered investment companies:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Assets at Fair Value as of March 31, 2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ -	\$ -	\$ -	\$ -
	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>
	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 1,631,311	\$ -	\$ -	\$ 1,631,311
	<u>\$ 1,631,311</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,631,311</u>

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for investments in various securities that are exposed to risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near future and that such changes could materially affect the amounts reported in future statements of net assets available for benefits.

NOTE 8 - RELATED PARTY TRANSACTIONS

The Company absorbs certain administrative expenses of the Plan which totaled \$5,640 and \$15,175 for the periods ended March 31, 2022 and December 31, 2021, respectively.
