The Plan Administrative Committee
Heidtman Steel Retirement Savings 401(k) Plan
Toledo, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of the Heidtman Steel Retirement Savings 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of March 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of March 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the financial statements of the Heidtman Steel Retirement Savings 401(k) Plan as of and for the year ended March 31, 2021 (2021 Financial Statements). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 13, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 Financial Statements, and (b) the form and content of the information included in the 2021 Financial Statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA except for the omission of the cost of certain nonparticipant-directed plan investment assets that had not been disclosed in the supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) but was required to be disclosed.

RETIREMENT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended March 31, 2022 and 2021**

Note 1 – Summary of Plan

The following description of the Heidtman Steel Retirement Savings 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for complete information about the Plan.

General

The Plan is a defined contribution plan covering substantially all employees of Heidtman Steel Products, Inc. and affiliated employers (the Company and Plan Sponsor) who have attained age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Accounts

Each participant's account is credited with an allocation of the Company's contributions, the participant's contributions, and an allocation of Plan earnings (losses) based upon participant balances. Participants direct the investment of their accounts, with the exception of Centaur, Inc. Class C common stock balances, among the investment funds offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the vested balance of the participant's account.

Notes Receivable from Participants

Participants may borrow from their accounts, as defined by the Plan, a minimum of \$1,000 up to the lesser of fifty percent of the vested balance or \$50,000. Terms of the loan are based on the terms of the individual promissory note. The loans are secured by the balance of the participant's account and bear a reasonable rate of interest not to exceed the maximum rate permitted by law. Principal and interest are paid through payroll deductions.

Contributions

The Company may elect to contribute a discretionary nonelective contribution which is allocated to eligible participants as a percentage of their eligible wages. The Company made a discretionary nonelective contribution of \$647,371 and \$531,220 for the years ended March 31, 2022 and 2021, respectively.

The Company may elect to contribute a discretionary matching contribution. For plan years ended March 31, 2022 and 2021, the Company elected to match each participants' deferral dollars up to \$1,000 per calendar year.

Participants may elect to defer as contributions an amount up to the maximum allowable by law. Unless newly hired employees specify otherwise, they will be auto enrolled at an initial pre-tax contribution of 3% with a 1% annual increase to a maximum pre-tax contribution rate of 15%, as further defined in the Plan document.

NOTES TO FINANCIAL STATEMENTS
Years Ended March 31, 2022 and 2021**

Note 1 – Summary of Plan (continued)

Vesting

Upon retirement, total and permanent disability before retirement, or death, participants (or their beneficiaries) are entitled to receive the full value of their accounts. Upon termination of employment for any reason other than retirement, total and permanent disability, or death, a participant is entitled to the vested interest in his or her account. Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Vesting of employer contributions is based upon years of continuous service. A participant's account vests ratably, becoming fully vested after six years of credited service.

Forfeitures

Forfeited balances of terminated participants' nonvested accounts are to be used to pay administrative expenses, to be allocated to participants annually as additional nonelective contributions, or to be used to reduce Company matching contributions (as further defined in the Plan document). Forfeited balances available amounted to \$77,051 and \$23,646 at March 31, 2022 and 2021, respectively. Forfeitures totaling \$126,913 and \$202,704 were used to reduce the Company's matching contributions for the years ended March 31, 2022 and 2021, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. Upon termination of the Plan, or upon the complete discontinuance of Company contributions under the Plan, participants become fully vested in the total value of their account.

Administrative Expenses

Certain administrative expenses are paid by the Plan, as described in the Plan document. The services are rendered by parties-in-interest to the Plan.

CARES Act Distributions

The Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted in March 2020. The Plan adopted certain provisions of the CARES Act which allowed participants to take up to a \$100,000 coronavirus-related distribution from qualified plans through December 30, 2020. Participants have the option to repay the coronavirus-related distribution over a three-year period.

Note 2 – Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Benefit payments to participants are recorded when paid.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. There have been no changes in the valuation methods used. The Plan's investments were held by Wells Fargo Bank, N. A. and by Principal Trust Company (the Plan Trustees) during the years ended March 31, 2022 and 2021.

The appraised fair value of Centaur, Inc. Class C common stock is determined annually by an independent valuation company. This appraisal was based upon a combination of the market, income, and cost valuation techniques, consistent with prior years. The appraiser took into account historical and projected cash flow and net income, return on assets, return on equity, market comparables, and estimated fair value of company assets and liabilities.

Mutual funds represent investments with various investment managers. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are valued at net asset value.

Common/collective trust funds (CCTs) represent investments with various investment managers. Units held in CCTs, including stable value funds, are fair valued at net asset value (NAV). The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Life insurance policies, for which the Plan is the sole beneficiary, are valued at cash surrender value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement.

Note 2 – Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of the investments within the Plan are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent outstanding loans and are measured at their unpaid principal balance plus accrued interest.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that could affect the amounts reported in the financial statements and accompanying notes. Most significantly, an estimate of the fair market value of Centaur, Inc. Class C common stock is determined annually by an independent valuation company and is used by management in the preparation of the Plan's financial statements. Actual results could differ from those estimates.

Subsequent Events

Due to a recent acquisition by the Company, the Fulton County Processing 401(k) Plan will be merged into this Plan during 2023. Management has evaluated subsequent events through January 13, 2023, the date the financial statements were available to be issued.

Note 3 – Investments

Most of the investment information disclosed in the accompanying financial statements and supplemental schedule as of and for the years ended March 31, 2022 and 2021, including investments held, net appreciation (depreciation) of investments, and interest and dividends, were obtained or derived from information supplied to the Plan Sponsor and certified as complete and accurate by Wells Fargo Bank, N. A. and Principal Trust Company. See Note 4 for a description of other investments held in the Plan.

For the years ended March 31, 2022 and 2021, investments held by the Plan (including investments purchased, sold, as well as held during the year, but excluding the other investments described in Note 4) appreciated (depreciated) by \$1,858,789 and \$19,264,001, respectively.

For the years ended March 31, 2022 and 2021, interest and dividend income from investments as defined above amounted to \$112,879 and \$103,830, respectively.

Note 4 – Other Investments

Other investments held in the Plan, which are not certified as complete and accurate, include Centaur, Inc. Class C common stock and the cash surrender value of life insurance.

The investment in Centaur, Inc. Class C common stock is held by the Plan Sponsor. As of March 31, 2022 and 2021, the fair value of the stock was \$7,645,890 and \$7,096,336, respectively, and the net appreciation (depreciation) in fair value for the years then ended was \$1,248,677 and \$1,692,980, respectively.

The cash value of life insurance was \$531,573 and \$901,882 as of March 31, 2022 and 2021, respectively, and the net appreciation (depreciation) in the cash value of life insurance for the years then ended was \$54,371 and \$55,084, respectively.

Note 5 – Fair Value Measurements

The various inputs that may be used to determine the value of the Plan's investments are summarized in three broad levels within the fair value hierarchy. The three levels are described below:

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly; and
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables set forth by level within the fair value hierarchy the Plan's investments at fair value, as of March 31, 2022 and 2021. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

For Level 3 investments, there were no purchases, issuances, or transfers into or out of Level 3 of the fair value hierarchy for the years ended March 31, 2022 and 2021.

Note 6 – Related Party Transactions

On March 31, 1987, the shareholders of Centaur established a class of common stock, Class C, to be held solely by the retirement plan trusts of Centaur or its subsidiaries, representing the only nonparticipant-directed investment in the Plan. Centaur must redeem shares of the Class C common stock upon request of the Plan Sponsor.

At March 31, 2022, the Plan held 1,583 shares of Centaur, Inc. Class C common stock, valued at estimated fair value of \$7,645,890 (\$4,830 per share). At March 31, 2021, the Plan held 1,744 shares of Centaur, Inc. Class C common stock, valued at estimated fair value of \$7,096,336 (\$4,069 per share). The net appreciation (depreciation) in the fair value of the Class C common stock for the years then ended was \$1,248,677 and \$1,692,980, respectively.

The Company periodically advances funds to the Plan for redemption of shares from terminated or retired participants. The Company may choose either to return shares to treasury stock or to reduce future contributions by the amount of such advances, which totaled \$653,241 and \$2,063,212 during plan year 2022 and 2021, respectively. In each plan year 2022 and 2021, 161 and 660 shares were returned to treasury stock, respectively.

RETIREMENT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended March 31, 2022 and 2021**

Note 7 – Income Tax Status

The Internal Revenue Service ruled on March 31, 2014, that the Volume Submitter Profit Sharing Plan with CODA (the prototype plan of Wells Fargo Bank, N. A. upon which the Plan is based) qualifies under Section 401 of the Internal Revenue Code (IRC) and the related trust is, therefore, not subject to tax under present income tax law. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Sponsor has indicated that it will take the necessary steps, if any, to bring the Plan's operations into compliance with the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
