INDEPENDENT AUDITORS' REPORT

TO THE RETIREMENT PLAN COMMITTEE **OF IDEC CORPORATION PROFIT SHARING AND SHARED SAVINGS PLAN**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed the audit of the financial statements of IDEC CORPORATION PROFIT SHARING AND SHARED SAVINGS PLAN (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of March 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institutions").

Management has obtained a certification from qualified institutions as of March 31, 2022 and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the 2022 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of March 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institutions. In our report dated January 10, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2021 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IDEC CORPORATION PROFIT SHARING AND SHARED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the IDEC Corporation Profit Sharing and Shared Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was established on April 1, 1981 to provide retirement benefits for the employees of IDEC Corporation (the “Company”). Effective August 4, 2021, the terms of the Plan were restated. The restatement did not have a significant impact on the operations of the Plan. The Plan is a voluntary defined contribution plan covering all eligible employees who have attained 21 years of age and are not members of a collective bargaining agreement. Entry dates are on the first day of the month following the date of hire for all employees who have attained 21 years of age. After that date, participants may make changes to their accounts at the beginning of each quarter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”).

The Plan provides for a plan administrator who is responsible for keeping accurate and complete records with regard to the Plan’s operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law. The Plan’s retirement plan committee is responsible for oversight of the Plan, which includes determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

The Plan appointed Great-West Trust Company as trustee and entered into a group annuity contract with Great-West Life & Annuity Insurance Company, (collectively, “Great-West”), who maintain certain Plan assets. In addition, the Plan appointed Great-West Life & Annuity Insurance Company to provide recordkeeping administrative services. These Great-West entities are owned by Empower Annuity Insurance Company of America and its subsidiaries (collectively, “Empower”). On August 1, 2022, the Great-West name was changed to Empower (see Note 12).

In April 2020, the Plan implemented certain distribution and loan provisions of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act that was signed into law on March 27, 2020. The distribution provisions allowed the Plan qualified participants to take a coronavirus-related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The loan provisions allowed qualified Plan participants who had outstanding loans on or after March 27, 2020 to defer any repayments until December 31, 2020. In addition, the CARES Act allowed any participant subject to a 2020 required minimum distribution to waive such distribution. Effective January 1, 2020, the Plan implemented the delay of the commencement date for required minimum distributions pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”). The Plan will be amended for the provisions implemented under the CARES Act and SECURE Act in accordance with the applicable law and Internal Revenue Service (“IRS”) guidance.

NOTES TO FINANCIAL STATEMENTS

March 31, 2022

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Contributions – Participants may elect to contribute up to 90% of pretax annual compensation subject to limitations imposed by provisions of the IRC. The maximum contribution in a calendar year is \$19,500 for 2022. The Plan allows participants who have reached at least 50 years of age by the end of the calendar year and who are making contributions to the Plan, to also make catch-up contributions of up to \$6,500 in 2022. Participants may designate all or part of their elective contributions as Roth contributions.

Employer Contributions – The Company makes matching contributions and may also elect to make discretionary profit sharing contributions to the Plan subject to limitations imposed by applicable provisions of the IRC. For the year ended March 31, 2022, the Plan provided for an employer matching contribution equal to 50% of the employee's pretax contribution. For purposes of this calculation, the employee's pretax contribution was maximized at 6% of eligible compensation. The Company's matching contribution amounted to \$189,456 for the year ended March 31, 2022. In addition, the Company made a profit sharing contribution amounting to \$200,000 for the year ended March 31, 2022.

A participant must complete 1,000 hours of service and be employed on the last day of the Plan year to be eligible for the employer matching and profit sharing contributions. However, participants who ceased employment due to death, disability, or attaining retirement age during the year are entitled to receive employer matching and profit sharing contributions.

Participant Accounts – The Plan maintains an account for each participant which is credited with the participant's contributions, the Company's matching contributions, allocations of the Company's discretionary profit sharing contributions and Plan investment earnings or losses, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their voluntary contributions and rollover contributions, plus actual earnings thereon.

IDEC CORPORATION PROFIT SHARING AND SHARED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2022

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participants in the Plan vest in the Company's matching and discretionary profit sharing contributions, plus earnings thereon, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Investment Options – Upon enrollment in the Plan, a participant may direct the investment of his or her account balance into various investment options offered through the Plan. The Plan currently offers various mutual funds and an investment contract as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective investment. Participants may change their investment elections at any time.

Notes Receivable from Participants – Participants may borrow from their vested account balances provided they meet the Plan's eligibility requirements. The minimum loan amount is \$1,000 and the maximum amount is equal to the lesser of one-half of the participant's vested account balance or \$50,000. The term of the loan is not to exceed five years, except for loans used to finance the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear fixed interest at the prime rate as published in the Wall Street Journal, plus 2%. Principal and interest are paid ratably through semi-monthly payroll deductions and loans become due upon termination of employment with the Company.

Payment of Benefits – Normal retirement age is 65 years of age; however, upon termination of service, death, disability or retirement, a participant may elect to receive either a lump-sum distribution or a direct rollover distribution into another qualified plan. Terminated participants with account balances in excess of \$5,000 may delay the receipt of distributions. The Company will roll over a terminated participant's account balance less than \$5,000 to an individual retirement account unless directed otherwise by the terminated participant. A participant may also elect to receive a pre-retirement distribution if the participant is 100% vested in the amount being distributed and has reached 59 ½ years of age. Benefit payments to the participant generally must begin by April 1st following the year after the participant attains age 72 or the year in which the participant terminates employment.

IDEC CORPORATION PROFIT SHARING AND SHARED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2022

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts – The unvested portion of a terminated participant's account balance is forfeited. At March 31, 2022 and 2021, forfeited nonvested accounts totaled \$7,666 and \$41,562, respectively. These accounts may be allocated to participants as additional employer contributions or used to pay administrative expenses of the Plan. For the year ended March 31, 2022, forfeitures allocated to participants as additional employer contributions totaled \$47,687.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value (see Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's retirement plan committee determines the Plan's valuation policies utilizing information provided by the trustee, the insurance companies and investment advisor. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of March 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

IDEC CORPORATION PROFIT SHARING AND SHARED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payments of Benefits – Benefits are recorded when paid.

Administrative Expenses – The Plan permits the payment of certain expenses to be made from the Plan's assets unless the Company elects to pay for such expenses. Expenses paid from the Plan's assets will be proportionately allocated to the accounts of all participants in the Plan. Such expenses include fees paid to the record-keeper. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Concentrations – As of March 31, 2022 and 2021, approximately 36% and 40% of the Plan's investments assets were held in two investment funds, respectively.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

IDEC CORPORATION PROFIT SHARING AND SHARED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2022

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used by the Plan for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2022 and 2021.

Mutual Funds: Investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

These valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of March 31:

		2022			
		Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:					
Mutual Funds		\$ 19,592,441	\$ -	\$ -	\$ 19,592,441
		2021			
		Level 1	Level 2	Level 3	Total

IDEC CORPORATION PROFIT SHARING AND SHARED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2022

NOTE 4 – CERTIFIED INVESTMENT INFORMATION

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC ("Great-West Trust"), the trustee of the Plan, and Great-West Life & Annuity Insurance Company ("Great-West Insurance"), an insurance company who maintains certain Plan assets under a group annuity contract, have certified to the completeness and accuracy of all investment and notes receivable from participants information reported in the Statements of Net Assets Available for Benefits, and the information presented in Note 3 and Note 5 as of March 31, 2022 and 2021, and in the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of March 31, 2022, and the related investment income or loss and interest income earned on the notes receivable from participants reported in the Statement of Changes in Assets Available for Benefits for the year ended March 31, 2022, and the related investment information included in the notes to financial statements.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – INVESTMENT CONTRACT

The Plan has a fully benefit-responsive group annuity contract with Great-West Insurance, which is referred to as the Great West Investments Fixed Account – Series Class I. Great-West Insurance maintains contributions in a general account. The general account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate to the Plan.

The investment contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Great-West Insurance, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

IDEC CORPORATION PROFIT SHARING AND SHARED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2022

NOTE 5 – INVESTMENT CONTRACT (Continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract equals the contract value at March 31, 2022 and 2021. The interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

Certain events may permit Great-West Insurance to terminate the investment contract. Such events include the following: (a) the Plan is amended or is operated in a manner which is unacceptable to Great-West Insurance; (b) the Plan fails to comply with any provision contained in the contract; (c) the Plan fails to qualify or becomes disqualified under the IRC; (d) the total amount of contributions received by Great-West Insurance in the preceding twelve (12) months is less than \$25,000; (e) the Plan fails to remit the participant's contribution within 30 days after the deduction was made. Upon termination by Great-West Insurance, a surrender value adjustment may apply.

In addition, certain events may limit the ability of the Plan to transact at contract value with Great-West Insurance. Such events include premature termination of the contract by the Plan, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives. The Plan administrator does not believe that any events which would limit the ability of the Plan to transact at contract value with participants are probable of occurring.

NOTE 6 – TAX STATUS

The Plan is a defined contribution plan designed to qualify as a tax-exempt plan under the IRC. Prior to August 4, 2021, the terms of the Plan were based on the Great-West Trust Company defined contribution prototype plan and trust which received a favorable opinion letter from the IRS on March 31, 2014, stating that the prototype plan is designed in accordance with the applicable sections of the IRC. In connection with the Plan amendment and restatement on August 4, 2021, the Plan adopted the Great-West Trust Company Defined Contribution Pre-Approved Plan that has received an opinion letter dated June 30, 2020, in which the IRS stated that the Defined Contribution Pre-Approved Plan and related trust are designed in accordance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

IDEC CORPORATION PROFIT SHARING AND SHARED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2022

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great-West Funds, Inc., a party related to Great-West Trust and Great-West Insurance. Great-West Trust is the trustee of the Plan and Great-West Insurance maintains certain Plan assets under a group annuity contract, therefore, these transactions qualify as party-in-interest transactions.

Great-West Insurance provides certain administrative services to the Plan pursuant to a Recordkeeping Services Agreement (RSA) between the Company and Great-West Insurance. Great-West Insurance receives revenue from investment fund service providers for services Great-West Insurance provides to the funds. This revenue is used to offset certain amounts owed to Great-West Insurance for its administrative services to the Plan. If the revenue received by Great-West Insurance from such investment fund service providers exceeds the amount owed under the RSA, Great-West Insurance remits the excess to the Plan. Such amounts may be applied to pay plan administrative expenses. During the year ended March 31, 2022, there were no excess revenue sharing amounts. The Plan or Plan sponsor may make a payment to Great-West Insurance for administrative expenses not covered by revenue sharing.

NOTE 8 – PLAN TERMINATION

The Company has established the Plan with the expressed intention and expectation that it will continue the Plan. However, if circumstances make it impossible or inadvisable to continue the Plan, the Company reserves the right to terminate it at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Benefits will be held in the trust fund which will remain in existence until the Company requests the discontinuance of the trust agreement.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination from among the funds and investment contract offered through the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 – PLAN OPERATIONAL MATTERS

During the year ended March 31, 2022, the Plan discovered that certain eligible compensation for purposes of determining participant contributions as per the plan document was not properly considered when calculating contributions amounts. Plan management is in the process of determining the extent of these matters and actions necessary to correct these matters.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

NOTE 12 – SUBSEQUENT EVENTS

Effective August 1, 2022, Empower announced name changes of its companies formerly doing business as Great-West. In addition, certain investment products offered by Empower, including mutual funds historically marketed under the “Great-West Funds” brand, are also being renamed to incorporate “Empower” into the product names in place of “Great-West”. Great-West Life & Annuity Insurance Company has been renamed as "Empower Annuity Insurance Company of America." Great-West Trust Company, LLC has been renamed as "Empower Trust Company, LLC." Great-West Financial Retirement Plan Services, LLC has been renamed as "Empower Plan Services, LLC."

The Plan’s management has evaluated subsequent events through January 13, 2023, the date the financial statements were available to be issued.
