## **Independent Auditors' Report**

The Plan Administrator  
Virginia Garcia Memorial Health Center  
Tax Sheltered Annuity Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements**

We have performed an audit of the 2022 financial statements of Virginia Garcia Memorial Health Center Tax Sheltered Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The 2022 financial statements comprise the statement of net assets available for benefits as of March 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended March 31, 2022, stating that the certified investment information, as described in *Note 3* to the 2022 financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Virginia Garcia Memorial Health Center Tax Sheltered Annuity Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the 2022 financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2022 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2022 financial statements.

In preparing the 2022 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Virginia Garcia Memorial Health Center Tax Sheltered Annuity Plan's ability to continue as a going concern within one year after the date the 2022 financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2022 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2022 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2022 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2022 financial statements.

## **Auditors' Responsibilities for the Audit of the 2022 Financial Statements - Continued**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Virginia Garcia Memorial Health Center Tax Sheltered Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2022 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Virginia Garcia Memorial Health Center Tax Sheltered Annuity Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### ***2022 Supplemental Schedules Required by ERISA***

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of or for the year ended March 31, 2022, are presented for purposes of additional analysis and are not a required part of the 2022 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

### **Other Matters - 2022 Supplemental Schedules Required by ERISA - Continued**

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Auditors' Report on the 2021 Financial Statements***

We were engaged to audit the 2021 financial statements of Virginia Garcia Memorial Health Center Tax Sheltered Annuity Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 6, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**1. Description of Plan**

The following description of Virginia Garcia Memorial Health Center Tax Sheltered Annuity Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General** - The Plan was originally established September 1, 1993, and most recently restated effective March 1, 2020. The Plan is a defined contribution retirement plan covering all eligible employees of Virginia Garcia Memorial Health Center (the Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The custodians of the Plan are Standard Insurance Company and Charles Schwab Trust Bank (the custodians). All participant account balances are held by the custodians.

During the plan year ended March 31, 2021, the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The adopted provisions permit coronavirus-related distributions up to \$100,000 to Plan participants affected by COVID-19. In addition, the provisions increased loan limits for affected participants to the lesser of \$100,000 or 100 percent of the present value of the participant's vested balance. Affected Plan participants may also delay required loan payments for up to one year for repayments scheduled between March 27, 2020 and December 31, 2020. Plan management is currently in the process of formalizing a Plan amendment for the adopted CARES Act provisions described above.

**Eligibility** - All permissible employees of the Plan Sponsor, as defined in accordance with the universal availability standards, are eligible to enroll on their date of hire. Participation in the Plan begins as soon as administratively feasible on or after the participant's date of hire. Employees who have completed one year of service become participants in the Plan for purposes of receiving employer contributions.

**Contributions** - Each year, participants may make elective salary deferral contributions to the Plan, subject to statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan Sponsor matches participant contributions up to 4 percent of compensation per Plan year. The Plan Sponsor makes an additional contribution of 1 percent to all eligible employees.

**Participant Accounts** - Each participant's account is credited with the participant's contributions and the Plan Sponsor's matching and/or additional contributions and Plan earnings (losses). Deducted from each participant's account are any distributions made to the participant and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The participant directs the investment of all contributions and earnings thereon, and may change their investment directive at any time.

**Investment Options** - Upon enrollment in the Plan, participants are responsible for directing the investment of their contributions, the Plan Sponsor's contributions, and any earnings thereon into various custodial accounts offered by the Plan.

**1. Description of Plan - Continued**

**Vesting** - Participants are immediately vested in their contributions, the Plan Sponsor's contributions, and actual earnings thereon.

**Notes Receivable from Participants** - Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50 percent of their account balance. Only one loan is permitted to be outstanding at a time, and only one loan can be approved for a participant in a 12-month period. Loan terms cannot extend beyond five years from the date of the loan unless the loan is used to acquire the principal residence of the participant. Loans are secured by the balance of the participant's account and bear interest at a rate commensurate with local prevailing rates. Outstanding loans currently bear interest at various rates ranging from 3.25 to 5.50 percent with maturity dates through August 2042. Principal and interest are paid ratably through payroll deductions.

As noted above, the Plan adopted certain provisions of the CARES Act, which allowed affected Plan participants to delay required loan payments for up to one year for repayments scheduled between March 27, 2020 and December 31, 2020.

**Payment of Benefits** - Upon attaining normal retirement age of 65 (or with a pre-retirement distribution after age 59½), termination of service, death, or disability, a participant or beneficiary may elect to leave the balance of the account if greater than \$5,000; roll the balance over to another qualified plan or IRA account; receive a lump-sum distribution of the entire vested account balance; or receive installment payments equal to the participant's vested account balance over a period of not more than the participant's assumed life expectancy. In addition, hardship distributions are permitted if certain criteria are met. A participant may withdraw any part of his or her account resulting from rollover contributions, limited to twice per 12 month period.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting** - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**Use of Estimates** - The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**2. Summary of Significant Accounting Policies - Continued**

**Investment Valuation and Income Recognition** - Investments in shares of registered investment companies are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies using information provided by the custodians. See *Note 4* for discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measurement attribute for the Plan's investment in a fully benefit responsive investment contract because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Investments in the Standard Stable Asset Fund III are considered fully benefit-responsive. See *Note 5* for further discussion of the guaranteed investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

**Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administration expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of March 31, 2022 and 2021. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant to be in default, the receivable balance is reduced and a benefit payment is recorded.

**Payment of Benefits** - Benefits paid to participants are recorded when paid. At March 31, 2022 and 2021, there were no benefits processed and approved for payment, but not paid.

**Plan Expenses** - Certain expenses of Plan administration were paid directly by the Plan Sponsor and are excluded from these financial statements. Certain other fees related to the administration of the Plan are paid by the Plan and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

**Subsequent Events** - Management has evaluated subsequent events through January 13, 2023, the date the financial statements were available to be issued.

**3. Certified Investments (Unaudited)**

Certain information related to cash, investments, and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including cash, investments, and notes receivable from participants held at March 31, 2022 and 2021, and net investment income for the years ended March 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Standard Insurance Company and Charles Schwab Trust Bank (the custodians of the Plan).

**4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for the full term of the asset or liability. No Level 2 inputs were available to the Plan.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement. No Level 3 inputs were available to the Plan.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at March 31, 2022 and 2021.

The following is a description of the valuation methodology used for assets measured at fair value on a recurring basis:

*Registered investment companies:* Valued at the daily closing prices provided by the custodians.

**4. Fair Value Measurements - Continued**

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31:

| <b>2022</b>                               | <b>Level 1</b>       | <b>Total</b>         |
|-------------------------------------------|----------------------|----------------------|
| Shares of registered investment companies | <u>\$ 30,373,860</u> | <u>\$ 30,373,860</u> |

**5. Guaranteed Investment Contract (Unaudited)**

The Plan's investments held in the Standard Stable Asset A consist of a fully benefit-responsive guaranteed investment contract with Standard Insurance Company. Standard Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Standard Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

The Plan can elect to end its participation in the contract at any time. If the Plan elects to end participation, the Plan will receive the lesser of the guaranteed contract value or market value; if the market value is less than the contract, the Plan may have the option of transferring its investment to a fixed rate, fixed maturity, general account contract of Standard Insurance Company, in which case the Plan's guaranteed value would be maintained.

TAX SHELTERED ANNUITY PLAN**

**6. Transactions with Parties in Interest**

The Plan Sponsor pays for certain administrative costs on behalf of the Plan. These transactions qualify as party-in-interest transactions. In addition, recordkeeping and investment advisor fees are charged to the Plan as administrative expenses and allocated ratably to participants.

The Plan invests in shares of registered investment companies and a guaranteed investment contract that are sponsored or managed by the custodians. These investments and investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net change in fair value of investments, as they are paid through revenue sharing, rather than direct payment.

Participants in the Plan are permitted to borrow funds from their vested balance as described in *Note 1*. These transactions qualify as party-in-interest transactions. Notes receivable from participants and the related interest earned are described in *Notes 1 and 2*.

**7. Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to ERISA provisions. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

**8. Income Tax Status**

Effective March 1, 2020, the Plan adopted a 403(b) volume submitter document and is relying on the volume submitter's opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017. The letter states the Plan is designed in accordance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes the Plan is qualified, and the related trust is tax-exempt. Although the Plan has been amended since receiving the opinion letter, the volume submitter sponsor and the Plan Administrator believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**9. Investment Risk**

The Plan invests in a variety of investments. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible changes in the values of investment securities will occur in the near-term, and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
