Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITORS' REPORT

To the Trustees of
Bronx Center Healthcare Systems 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Bronx Center Healthcare Systems 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bronx Center Healthcare Systems 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(i)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Bronx Center Healthcare Systems 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bronx Center Healthcare Systems 401(k) Plan 's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bronx Center Healthcare Systems 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bronx Center Healthcare Systems 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The Supplemental information, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from

(iii)

and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter

As further discussed in Note 1 to the financial statements, the plan sponsor of the Revival Home Health Care 401(k) Savings Plan has adopted a resolution to merge the Plan into the Bronx Center Healthcare Systems 401(k) Plan, effective December 14, 2020. On July 12, 2021 the merger was completed and plan assets totaling \$10,310,420 were transferred into the Plan. Our opinion is not modified with respect to this matter.

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Bronx Center Healthcare Systems 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated January 26, 2022 indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BRONX CENTER HEALTHCARE SYSTEMS 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. **DESCRIPTION OF PLAN:** The following description of the Bronx Center Healthcare Systems 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a multiple-employer defined contribution plan covering all full-time employees of Bronx Center for Rehabilitation & Healthcare, LLC and various other participating skilled nursing facilities (the Participating Companies) except for employees who are either non-resident aliens, leased employees, or whose employment is governed by a collective bargaining agreement to which retirement benefits were the subject of good faith bargaining. To be eligible, an employee must have completed three consecutive months of service and be age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Plan Transfers

The plan sponsor of the Revival Home Health Care 401(k) Savings Plan has adopted a resolution to merge the Plan into the Bronx Center Healthcare Systems 401(k) Plan, effective December 14, 2020. On July 12, 2021, the merger was completed and plan assets totaling \$10,310,420 were transferred into the Plan.

Contributions

Each year, participants may contribute any percentage of pre-tax annual compensation, as defined in the plan document. Participants who have obtained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Participating Companies may decide each plan year whether to make a discretionary matching or profit-sharing contribution on behalf of eligible active participants. Participants must be employed on the last day of the plan year and complete 500 hours of service during the plan year in order to be eligible for such employer contributions. During the year ended December 31, 2021 the Participating Companies made contributions totaling \$670,864 to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Participating Companies' matching contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Participating Companies' contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

DESCRIPTION OF *Notes Receivable from Participants*

PLAN

(continued):

Participants may borrow from their fund accounts an amount ranging from a minimum of \$500 up to a maximum of the lesser of one-half of the vested account balance or \$50,000 reduced by the highest outstanding loan balance in the account during the prior twelve-month period. Participants are only permitted to have one outstanding loan from the Plan at any time. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing market rates, as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Payments of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump sum amount or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Participants may receive an in-service withdrawal of their vested account balance upon reaching 59½ years of age. Hardship withdrawals are permitted under the Plan.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$405,128 and \$338,036 respectively. These accounts will be used to reduce future employer contributions or plan expenses. Also, during 2021, \$1,309 were used to reduce plan expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the plan agreement.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Participating Companies. Expenses that are paid by the Participating Companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through January 13, 2023, the date which the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BRONX CENTER HEALTHCARE SYSTEMS 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

FAIR VALUE MEASUREMENTS (continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts: Pooled Separate Accounts (PSAs) offered are proprietary to Transamerica and many invest in one underlying mutual fund traded on an established market. As such, the PSAs begin with a price determined by Transamerica, and the number of units issued are calculated to match the current fair market value of the underlying mutual fund holdings (shares x price). This is known as unitizing the underlying assets. However, the rate of return of each will be consistent, taking into account any plan/participant expenses. Although separate account assets are valued based on the Net Asset Value (NAV) of the underlying mutual funds or securities that are publicly available, PSA unit prices are not traded in the public exchange market. Instead, the NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the investment will be sold for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. All redemptions of PSAs are at that day's computed NAV.

Stable Value Fund: The Stable Value Fund is a depository liability with no formal underlying maturities, and is considered fairly valued at the amount payable on demand at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement

Investments at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Stable value fund	\$ -	\$2,804,600	\$ 2,804,600
Investments measured in the fair value hierarchy	-	2,804,600	2,804,600
Investments measured at net asset value (a)	-	-	55,969,554
Investments, at fair value	<u>\$ -</u>	<u>\$2,804,600</u>	<u>\$58,774,154</u>

Investments at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Stable value fund	\$ -	\$3,225,472	\$ 3,225,472
Investments measured in the fair value hierarchy	-	3,225,472	3,225,472

Investments, at fair value	<u>\$ -</u>	<u>\$3,225,472</u>	<u>\$39,323,502</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Notes to Financial Statements

December 31, 2021 and 2020

FAIR VALUE MEASUREMENTS (continued):

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value to another. In such instances, the transfer is reported at the end of the reporting period. For the years ended December 31, 2021 and 2020, there were no transfers in or out of levels 1, 2 or 3.

Investments Measured Using the Net Asset Value per Share Practical Expedient: The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There were no participant redemption restrictions for these investments.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$55,969,554	n/a	Daily	Daily

December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$36,098,030	n/a	Daily	Daily

4. STABLE VALUE FUND:

The Transamerica Stable Value Fund (the TSVF) is a fully benefit-responsive investment in the general account of Transamerica. The TSVF seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year U. S. Treasury bills. The fund has a portfolio investment rate design in which all deposits in the particular investment choice are credited with the same interest rate on a daily basis, and with no set maturity. Prior to January 1st and July 1st, the effective annual rate of interest is established for the corresponding six-month period. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. The guaranteed rate of interest shall not change during the six-month period for which it is effective.

The SVF is not a guaranteed investment contract (GIC) and there is no stated minimum or maximum interest rate. The SVF is more similarly looked at like a bank Certificate of Deposit with a revolving interest guarantee. Regardless of the activity of the general fund, Transamerica pays a stated interest rate and backs the capital deposit. The SVF is a depository liability with no formal underlying maturities (as may be the case for other insurance company GIC investments), and it is considered fairly valued at contract value because of this distinction.

BRONX CENTER HEALTHCARE SYSTEMS 401(k) PLAN**Notes to Financial Statements****December 31, 2021 and 2020****5. INFORMATION
CERTIFIED BY
THE PLAN'S
TRUSTEE:**

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Transamerica Financial Life Insurance Company, except for comparing such information certified by the custodian with information included in the Plan's financial statements and supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year):

As of December 31,	2021	2020
Investments at fair value	\$58,774,154	\$39,323,502
Notes receivable from participants	775,315	569,034

For the Year Ended December 31,	2021
Net appreciation in the fair value of investments	\$5,181,978
Interest income on notes receivable from participants	31,911

**6. RELATED PARTY
TRANSACTIONS
AND PARTY IN
INTEREST
TRANSACTIONS:**

Certain plan investments are managed by Transamerica Financial Life Insurance Company. Transamerica Financial Life Insurance Company is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

Transamerica Financial Life Insurance Company provides certain administrative services to the Plan pursuant to a service agreement between the Participating Companies and Transamerica Financial Life Insurance Company. Transamerica Financial Life Insurance Company receives revenue from mutual fund service providers for services Transamerica Financial Life Insurance Company provides to the funds. This revenue is used to offset certain amounts owed to Transamerica Financial Life Insurance Company for its administrative services to the Plan.

The Participating Companies provide to the Plan certain accounting and administrative services for which no fees are charged.

**7. PLAN
TERMINATION:**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

8. TAX STATUS:

The Plan is structured and follows a non-standardized profit-sharing 401(k) plan, pre-approved by the IRS. The IRS issued an opinion letter dated June 30, 2020, that the non-standardized pre-approved plan is acceptable in accordance with applicable sections of the Internal Revenue Code. Although the Plan may be amended subsequent to receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan was designed and will be operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believe that the Plan is qualified, and the related trust will continue to be tax exempt.

BRONX CENTER HEALTHCARE SYSTEMS 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

TAX STATUS (continued):	GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
9. RISKS AND UNCERTAINTIES:	The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
10. DELINQUENT TRANSMITTALS:	During 2021 and 2020, the Company erroneously failed to remit certain employee deferrals to the Plan aggregating \$2,257,231 and \$1,211,360 respectively, within the period prescribed by the Department of Labor regulations. The Company computed the lost earnings on the deposits and subsequently remitted the deposits along with a contribution for lost earnings to the Plan. During 2021, as a result of an audit by the U.S Department of labor, an additional \$8,515,938 of delinquent contributions were identified, relating to years 2015 through 2019. The related lost earnings were calculated and deposited into the plan during 2022.
11. CORONAVIRUS PANDEMIC:	The COVID-19 pandemic (COVID-19) has resulted in significant volatility in the global economy and led to a dramatic reduction in economic activity worldwide. The pandemic could have a continued adverse impact on economic and market conditions, including business and financial services disruption. The full impact of COVID-19 on the Company's operations will depend on future developments, such as the ultimate duration and scope of the pandemic and how quickly normal economic conditions resume. Government-sponsored liquidity or stimulus programs in response to COVID-19 may not be available to the Company or may be insufficient to address the full impact of the pandemic. Accordingly, the ultimate impact on the Company's results of operations, financial condition and liquidity cannot be determined at this time. Additionally, the risk of further spreading of COVID-19 has led to significant uncertainty and volatility in the financial markets and disruption to the global economy, the consequences of which are currently unpredictable. Certain of the Plan's investments are likely to have exposure to businesses that, as a result of COVID-19, experience a slowdown or temporary suspension in business activities. These factors, as well as any restrictive measures instituted in order to prevent or control a pandemic or other public health crisis, such as the one posed by COVID-19, could have a material and adverse effect on the Plan's investments.
