Independent Auditor's Report

The Plan Administrator
Kings and Convicts 401(k) Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Kings and Convicts 401(k) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibility for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at year end is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following description of the Kings and Convicts 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan covers substantially all employees of Kings and Convicts BP LLC. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Retirement Committee is responsible for oversight of the Plan as well as determining and reviewing the appropriateness of the Plan's investment offerings, and investment performance.

Eligibility

An employee is eligible to participate in the Plan, for purposes of making voluntary salary deferral contributions, upon attaining age 18 and completing 1 month of service. The Plan excludes employees subject to a collective bargaining agreement. Plan entry dates are the first date of each month following the date eligibility requirements are met. An employee is eligible to participate in non-elective contributions if they are employed on the last day of the year.

Contributions

Eligible employees ("participants") may contribute a portion of their annual compensation subject to certain limitations as defined by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company provided a safe harbor contribution of 100% of the first 3% of salary contributed plus 50% of salary contributed in excess of 3%, but not in excess of 5%. The safe harbor contribution was \$307,373 for the year ended December 31, 2021.

In addition, a non-elective profit-sharing contribution may be made at the option of the Company's board of directors. The non-elective profit-sharing contribution is allocated to participants based on the participant's compensation for the Plan year in proportion to total compensation of all participants. A participant is not required to make contributions to the Plan to be eligible for an allocation of the non-elective profit-sharing contribution. The non-elective profit-sharing contribution was \$0 for the year ended December 31, 2021.

Rollover contributions

The Plan provides for rollover contributions, which represent contributions by participants from other tax-qualified retirement plans. The maximum amount of a participant's rollover contribution is not affected by the limits otherwise applicable to participant deferral contributions.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The allocation of the participant's account balance to various investments offered by the Plan is entirely participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

Note 1 - Description of plan (continued)

Vesting

Participants are immediately vested in their elective contributions, safe harbor contributions, and rollover contributions plus actual earnings thereon. Vesting in the non-elective profit-sharing contribution portion of their account plus actual earnings thereon is based on years of service. A participant is 100% vested after four years of credited service.

Participant loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested interest in the Plan. A participant may only have one loan outstanding from the Plan at any time. The loans are secured by the vested balance in the participant's account and bear interest at a reasonable rate commensurate with local prevailing rates as determined by the plan administrator at the time the loan is made. Loan transactions are treated as transfers to (from) the investment funds from (to) a participant's loan receivable. Principal and interest are amortized and repaid through payroll deductions over the repayment term of five years unless the purpose of the loan is to acquire the principal residence for the participant, in which case the repayment term is thirty years.

Payment of benefits

Benefits are payable to participants or designated beneficiaries upon retirement at age 65, in-service at age 59 ½, termination, death or disability. Distributions may be paid in a lump-sum amount equal to the value of the participant's vested interest in his or her account, payments over a fixed period, or they may be rolled over into another plan or an individual retirement account. Partial distributions are permitted.

The Plan has a mandatory cash out provision for account balances up to \$5,000. Benefits are recorded when paid.

Hardship withdrawals

Participants may withdraw all contribution types in the event of hardship as defined in the Plan agreement.

Forfeitures

Forfeitures of Company contributions are used to reduce Company matching contributions, non-elective contributions or pay plan expenses. As of December 31, 2021, there were no forfeited accounts available. No forfeitures were used in 2021.

Administrative expenses

The Plan's recordkeeper and administrative fees are paid directly by the Plan.

Note 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting which is in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Kings and Convicts 401(k) Plan

Notes to Financial Statements

Note 2 – Summary of significant accounting policies (continued)

Payment of benefits

Benefits are recorded when paid.

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Plan management has evaluated the collectability of notes receivable from participants and, because they are secured by the participants' accounts, an allowance has not been recorded.

Subsequent events

Management evaluates events occurring subsequent the date of the financial statements in determining the accounting for and disclosure of events that affect the financial statements. The Plan has no subsequent events that required recognition or disclosure in the financial statements for the year ended December 31, 2021. Subsequent events were evaluated through October 4, 2022, which is the date the financial statements were available to be issued.

Note 3 - Fair value measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on the quoted net asset value of the shares held by the Plan at year end.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

Kings and Convicts 401(k) Plan

Notes to Financial Statements

Note 3 - Fair value measurements (continued)

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Fair Value	Fair Value Measurements Using: Quoted Prices in Active Markets (Level 1)
<u>December 31, 2021</u>		
Mutual funds	\$ 6,340,670	\$ 6,340,670
Total investments at fair value	<u>\$ 6,340,670</u>	<u>\$ 6,340,670</u>
<u>December 31, 2020</u>		
Mutual funds	\$ 4,887,958	\$ 4,887,958
Total assets at fair value	<u>\$ 4,887,958</u>	<u>\$ 4,887,958</u>

Note 4 - Fully benefit-responsive investment contract

Putnam Stable Value Fund

The Plan has a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company. The contract is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract value of the investment contract at December 31, 2021 and 2020 was \$179,137 and \$167,638, respectively.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The contract is included in the financial statements at contract value, which approximates fair value, as reported to the Plan by Great-West Life & Annuity Insurance Company. Contract value, as reported to the Plan by Great-West Life & Annuity Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The effective guaranteed credited interest rate is based on a formula agreed upon with the issuer and shall not change during the six-month period for which it is effective. Such interest rates are set on a semi-annual basis. There is no stated minimum or maximum interest rate.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The guaranteed investment contract permits the insurance company to terminate the agreement prior to the scheduled maturity if there was willingly fraudulent information provided.

Note 5 - Information prepared and certified by Trustees

The following is a summary of the information included in the accompanying financial statements and supplemental information, which was prepared by or derived from information prepared and furnished to the Plan Administrator by the Trustees, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, at December 31, 2021 and 2020 for the year ended December 31, 2021. The Plan Administrator has obtained certifications from the Trustees that such information is complete and accurate.

	2021	2020
Investments at fair value:		
Mutual funds	\$ 6,340,670	\$ 4,887,958
Investments at contract value:		
Putnam Stable Value Fund	179,137	167,638
Notes receivable from participants	19,068	54,584
 Total assets certified by Trustees	 \$ 6,538,875	 \$ 5,110,180
	2021	
Investment income:		
Net appreciation in fair value of investments	\$ 701,969	
Interest and dividends	140,326	
Interest on participants' notes receivable	2,112	
 Total investment income certified by Trustees	 \$ 844,407	

Note 6 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate or amend the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contribution accounts.

Note 7 - Tax status

The Plan document is the Great-West Trust Company Defined Contribution Prototype Plan and Trust (the "Prototype Plan") with an Internal Revenue Service (IRS) opinion letter dated March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

The Plan Administrator believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's annual return/report of employee benefit plan for the past three years are subject to examination by tax authorities and may change upon examination.

Note 8 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 - Related party and party-in-interest transactions

Certain plan investments were managed by Great-West Life & Annuity Insurance. Great-West Life & Annuity Insurance is the recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the recordkeeping services for the year ended December 31, 2021 were \$30,611.
