Independent Auditor's Report

Board of Trustees
Coleman Professional Services Employees' 403(b) Plan
Kent, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Coleman Professional Services Employees' 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Coleman Professional Services Employees' 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coleman Professional Services Employees' 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coleman Professional Services Employees' 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coleman Professional Services Employees' 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule on page 13 as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Coleman Professional Services Employees' 403(b) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COLEMAN PROFESSIONAL SERVICES EMPLOYEES' 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021 AND
PERIOD JULY 1, 2020 THROUGH DECEMBER 31, 2020

1. Description of the Plan:

General:

The Coleman Professional Services Employees' 403(b) Plan (the "Plan") is a defined contribution plan covering all employees of Coleman Professional Services, Inc. (the "Organization" and "Plan Sponsor"). Individuals are eligible to participate in the Plan immediately upon employment with the Organization. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan was amended during 2020, and the Plan year end changed from June 30 to December 31.

There were law and operational changes impacting plans due to the passing of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). Any of the optional features from the recent law changes that are adopted by the Plan will require written amendments before December 31, 2025 in accordance with applicable law and Internal Revenue Service (IRS) guidance.

Contributions:

The Plan provides for employee salary deferral contributions on a pre-tax or after tax (Roth contribution) basis, to the Plan according to the employee's written wage reduction agreement subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan. Automatically enrolled participants have their deferral rate set at 2% of their eligible compensation which is not adjusted annually. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Organization may make discretionary matching contributions. Participants who have completed one year of service, defined as working 1,000 hours in a consecutive 12-month period, and continue employment through the end of the plan year will be eligible to receive a discretionary matching contribution. For the year ended December 31, 2021 and the period July 1, 2020 through December 31, 2020, the discretionary matching contributions authorized were equal to 2% of compensation.

Participant accounts:

Separate accounts for each participant are maintained by American United Life Insurance Company (AUL). Each account is credited with contributions and earnings from investments held in the account. Participants may direct their contributions, including the employer's portion, into a number of investment fund options.

COLEMAN PROFESSIONAL SERVICES EMPLOYEES' 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2021 AND
PERIOD JULY 1, 2020 THROUGH DECEMBER 31, 2020

1. Description of Plan (continued):

Vesting:

Participants are immediately vested in their deferral contributions and any income or loss thereon. Vesting in the discretionary matching contributions plus actual earnings thereon, is based on years of service. Participants are fully vested in contributions made by the Organization after six years of service. Participants become automatically fully vested upon death, disability, or the later of the date they attain age of 62 years or the fifth anniversary of the first day of the Plan year in which they commenced participation in the Plan.

Payment of benefits:

Participants who suffer serious financial hardship, as defined by the Plan, may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain age 59 ½, they may also elect to withdraw from their account, any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement or death.

On termination of service, participants may elect to receive a lump sum distribution equal to the vested value of their account balance, a partial lump sum distribution not to exceed the vested value of their account balance, or in installments not to exceed the life of the participant.

Forfeitures:

If a participant is not fully vested on his or her termination or disbursement date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future employer contributions to the Plan.

The Plan used \$16,683 during the year ended December 31, 2021 and \$19,825 during the period July 1, 2020 through December 31, 2020 to reduce discretionary matching contributions.

Deposits with insurance company:

The Plan maintains a contract with AUL. AUL maintains the contributions for the investment contract and the pooled separate accounts. The investment contract is credited with actual earnings on the underlying investments and charged for Plan withdrawals.

Participant notes:

Participants may borrow from their accounts. The minimum participant note is \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested balance. These transactions are treated as transfers between investment funds and the participant notes fund. Repayment of a participant note must be made over a period not to exceed five years, unless the participant note is used to purchase a residence, in which case the note is to be repaid over a reasonable period of time that may exceed five years. The participant notes are secured by the balance in the participant's account and bear interest at market rates. Principal and interest are paid through payroll deductions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2021 AND
PERIOD JULY 1, 2020 THROUGH DECEMBER 31, 2020

1. Description of Plan (continued):

Participant notes (continued):

Participant notes are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make note repayments and the plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit repayment is recorded. Interest rates on the notes receivable from participants was 4.25% during the year ended December 31, 2021 and during the period July 1, 2020 through December 31, 2020.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan were prepared using the accrual method.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates and assumptions.

Valuation of investments and income recognition:

The Plan's pooled separate account investments are recorded at fair value, which is determined by unit prices at December 31, 2021 and 2020, as provided by AUL, the Custodian of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. These amounts were provided by AUL for the year ended December 31, 2021 and the period July 1, 2020 through December 31, 2020.

Payment of benefits:

Benefits are recorded when paid.

COLEMAN PROFESSIONAL SERVICES EMPLOYEES' 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2021 AND
PERIOD JULY 1, 2020 THROUGH DECEMBER 31, 2020

2. Summary of significant accounting policies (continued):

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses of the funds are included in the change in the net change in value of investments.

3. Investments:

The following table presents the fair value of investments at December 31, 2021 and 2020. All investments of the Plan were participant directed at December 31, 2021 and 2020.

	<u>2021</u>	<u>2020</u>
Pooled separate accounts (at fair value)	\$ 10,206,883	\$ 8,224,414
Guaranteed interest account (at contract value)	<u>2,298,321</u>	<u>1,986,432</u>
	<u>\$ 12,505,204</u>	<u>\$ 10,210,846</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

COLEMAN PROFESSIONAL SERVICES EMPLOYEES' 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2021 AND
PERIOD JULY 1, 2020 THROUGH DECEMBER 31, 2020

4. Fair value (continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at net asset value or fair value on a recurring basis at December 31, 2021 and 2020, were as follows:

	2021 (Level 2)	2020 (Level 2)
Pooled separate accounts	\$ 10,206,883	\$ 8,224,414

Amounts allocated to the investment account within an AUL separate account are credited to a participant's account in the form of accumulation units. The value of an accumulation unit of any investment account is determined at the close of each business day and is directly related to the net asset value of the shares of the underlying investment adjusted for any dividends or distributions received by AUL and the daily equivalent of any fee charged by AUL pursuant to the contract. The value of each accumulation unit is published each business day. Each investment account is invested by AUL exclusively in shares of a specific mutual fund or other investment entities as directed by the contract holder and/or the participant.

5. Investment contract with insurance company:

The Plan participates in a benefit-responsive investment contract with AUL. AUL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the plan by AUL. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The average rate credited to participants for the investment contract was 4.0% for the year ended December 31, 2021 and the period July 1, 2020 through December 31, 2020. Subsequent to year end in March, 2022 the Plan was notified that the rate credited to participants starting in March would be 1.25%.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2021 AND
PERIOD JULY 1, 2020 THROUGH DECEMBER 31, 2020

5. Investment contract with insurance company (continued):

Certain events limit the Plan's ability to transact at contract value with AUL. Such events include the following: (a) amendments to the plan documents (including, complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with the Plan participants, is probable.

6. Administrative expenses:

Certain administrative expenses of the Plan are paid by the Organization and are excluded from these financial statements. Certain administrative functions are performed by employees of the Organization. No such employee, nor the Organization, receives compensation from the Plan for these functions.

7. Party-in-interest transactions:

Certain Plan investments are managed by the Custodian, AUL, representing the investment contract and pooled separate accounts that are the insurance company's assets with the Plan maintaining rights to assets underlying the investments. AUL is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest. The Plan issues notes to participants, which are secured by the vested balance in the participant's account and certain fees related to the administration of the Plan were paid by the Plan or the Plan Sponsor, which also qualify as party-in-interest.

8. Certified investments:

Certain information related to investments and participant notes disclosed in the accompanying financial statements and supplemental schedule, including investments and participant notes held at December 31, 2021 and 2020, and net change in value of investments and interest for the year ended December 31, 2021 and the period July 1, 2020 through December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by American United Life Insurance Company (Custodian of the Plan).

9. Income tax status:

The plan adopted a volume submitter plan that received an opinion from the IRS dated November 22, 2017 stating that the plan is acceptable, and therefore, the volume submitter plan is designed in accordance with applicable sections of the Internal Revenue Service Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2021 AND
PERIOD JULY 1, 2020 THROUGH DECEMBER 31, 2020

9. Income tax status (continued):

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. Plan termination:

The Organization expects to continue the Plan but reserves the right at any time within its sole discretion to reduce, suspend or discontinue contributions to the Plan or to terminate the Plan. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

11. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time. No adjustments have been made to these financial statements as a result of this uncertainty.

12. Subsequent events:

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through January 5, 2023, the date the Plan's financial statements were available to be issued.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
