INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Altisource Employees' Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Altisource Employees' Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Altisource Employees' Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note K to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Altisource Employees' Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Altisource Employees' Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Altisource Employees' Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Altisource Employees' Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) for December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Altisource Employees' Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significant of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Altisource Employees' Savings Plan
Notes to the Financial Statements
December 31, 2021 and 2020

Note A - Description of the Plan

Altisource Portfolio Solutions, S.A., the Plan Sponsor, and its participating affiliates ("Company") maintain the Altisource Employees' Savings Plan ("Plan") for the benefit of eligible employees. The Plan Administrator is the Altisource Retirement Plan Committee. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The following entities participated in the Plan, referred to collectively as the Company:

- | | |
|---|--|
| • Altisource Portfolio Solutions, Inc. | • Premium Title Services, Inc. |
| • Altisource Solutions, Inc. | • PTS Escrow, Inc. |
| • Altisource Fulfillment Operations, Inc. | • PTS Texas Title, Inc. |
| • CastleLine Risk and Insurance Services, LLC | • REALHome Services and Solutions, Inc. |
| • Pointillist, Inc. | • Springhouse, LLC |
| • Premium Title Insurance Agency - UT, Inc. | • Western Progressive - Arizona, Inc. |
| • Premium Title of California, Inc. | • Western Progressive - Washington, Inc. |

General - The Plan is a defined contribution plan covering substantially all the employees of the Company at the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Altisource Retirement Plan Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions - Each year, participants may contribute up to the maximum percentage of compensation and dollar amounts permissible under the Internal Revenue Code not to exceed the annual limit set by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of the Plan's year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from another qualified defined benefit or defined contribution plan ("Rollovers").

After one year with 1,000 hours, employees are eligible to participate in the employers' matching contributions. The discretionary matching contribution is determined by the employers with respect to each plan year. During 2021 and 2020, the employers contributed a match of 50% of the contributions made by the participants up to a maximum of 4% of the employee's compensation. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts - Each participant's account is credited with the participant's contribution, employer's matching contributions and an allocation of the Plan earnings (losses) and administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Note A - Description of the Plan - continued

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employers' matching contribution portion of their accounts is based on years of service. A participant is 100% vested after four years of credited service. Participants also become 100% vested upon death, attainment of retirement age or permanent disability.

Forfeited Accounts - At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$133,009 and \$270,570, respectively. These accounts are used to fund future employer contributions. In 2021 and 2020, the Plan did not use any forfeitures to fund employer contributions.

Investments - Upon enrollment in the Plan, a participant may direct contributions into any of the investment options provided under the Plan. At December 31, 2021 and 2020, the investment options were sponsored by Fidelity Management Trust Company ("Fidelity").

Participant Loans - Participants, with an account balance of at least \$2,100 and who have not requested a distribution of their account, may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their total account balance. The \$50,000 maximum is reduced by the participant's highest outstanding loan balance in the previous twelve months. The loans are secured by the balance in the participant's account and accrue interest at a reasonable rate of interest as determined by the Plan Administrator. Loan terms range from one to five years or up to 10 years for purchase of a primary residence. Principal and interest are paid through payroll deductions. Participant loans are stated at their outstanding balances, which approximate fair value.

Payment of Benefits - Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. An eligible rollover distribution is also permitted.

In the event of a hardship as defined by the Plan, participants may withdraw an amount not to exceed the total of the exact amount needed to cover the financial need, plus any income taxes or penalties related to the hardship withdrawal.

Note B - Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Notes to the Financial Statements
December 31, 2021 and 2020

Note B - Summary of Significant Accounting Policies - continued

Investment Valuation and Income Recognition - Investments include mutual funds and a stable value fund in a common collective trust.

Investments held by the Plan are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought, sold and held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan documents. No allowances for credit losses have been recorded as of December 31, 2021 and 2020.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying Statements of Changes in Net Assets Available for Benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying Statements of Changes in Net Assets Available for Benefits. Note F contains additional information regarding Administrative Expenses.

Note C - Common Collective Trust - Stable Value Fund

At December 31, 2021 and 2020, the Plan invested in a stable value fund in a common collective trust. The stable value fund seeks to maintain a stable net asset value of \$1 per share, but there is no guarantee that it will be able maintain that value. The stable value fund invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities and money market funds.

Participant level transactions take place daily and typically the transaction would be requested on one day and processed the next business day.

Fidelity has confirmed there were no unfunded commitments in the stable value fund as of December 31, 2021 and 2020. Plan level liquidations require a twelve month notice to ensure that securities liquidations will be carried out in an orderly business manner.

Note D - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described as follows:

Level 1 - Quoted market prices in active markets for identical assets or liabilities.

Level 2 - Other observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 - Unobservable inputs that cannot be corroborated by market data and reflect the Plan's own assumptions.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds - The mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and were valued at the daily closing price as reported by the fund.

Common collective trust - The stable value fund is a common collective trust that invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities and money market funds. Collective trust funds use the net asset value ("NAV") as a practical expedient to determine fair value. The NAV is based on the sum of the market value of the fund's investments less liabilities. Accordingly, these NAV based investments are excluded from the fair value hierarchy.

Note D - Fair Value Measurements - continued

The Plan's investments as of December 31, 2021 and 2020 are reported at fair value measured on a recurring basis as follows:

Assets at Fair Value as of December 31, 2021					
	Level 1	Level 2	Level 3	NAV	Total
Investments at Fair Value:					
Mutual Funds	\$ 45,394,382	\$ -	\$ -	\$ -	\$ 45,394,382

Total Investments	<u>\$ 45,394,382</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 941,501</u>	<u>\$ 46,335,883</u>

Assets at Fair Value as of December 31, 2020					
	Level 1	Level 2	Level 3	NAV	Total
Investments at Fair Value:					
Mutual Funds	\$ 45,438,007	\$ -	\$ -	\$ -	\$ 45,438,007
Common Collective Trust	-	-	-	1,751,084	1,751,085
Total Investments	<u>\$ 45,438,007</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,751,084</u>	<u>\$ 47,189,092</u>

Note E - Rollover Contributions

In 2021 and 2020, the Plan received, as rollovers, defined contribution accounts totaling \$35,248 and \$196,126, respectively.

Note F - Related-Party Transactions and Party-In-Interest Transactions

The Plan's investments are managed by Fidelity Management Trust Company, the trustee of the Plan assets.

Fidelity Investments is the recordkeeper as defined by the Plan and received fees of \$67,737 and \$67,175 in 2021 and 2020, respectively, that are reflected as Administrative Expenses in the Statements of Changes in Net Assets Available for Benefits.

Certain audit and legal fees relating to the Plan are paid by the Company.

Notes to the Financial Statements

Note G - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note H - Plan Termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note I - Tax Status

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan as a Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement ("CODA") is acceptable under the applicable section of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the Internal Revenue Code requirements and is exempt from federal income taxes. Therefore, no provision for federal income tax has been included in the Plan's financial statements.

Generally accepted accounting principles in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note L - Impact of COVID - 19 on Operations

On March 11, 2020, the World Health Organization declared COVID -19 a pandemic. The COVID -19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. The impact of COVID -19 continues to evolve and the Trustee is not able at this time to estimate its full impact on the Plan's financial statements.

Coronavirus Aid, Relief, and Economic Security (CARES) Act in 2020 - The Plan adopted certain provisions of the disruption provision of the CARES Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related, self-identified, distribution of up to \$100,000 from the Plan. This provision of the CARES Act was approved and opted-in effective July 2, 2020 and before December 31, 2020.

Note M - Subsequent Events

Plan management has evaluated subsequent events through October 12, 2022, the date on which the financial statements were available to be issued. Management concluded there are no subsequent events that have occurred requiring recognition in the financial statements or disclosure in the notes to the financial statements.
