INDEPENDENT AUDITORS' REPORT

To the Administrator of the
William T. Gardner, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of William T. Gardner, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of William T. Gardner, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of William T. Gardner, Inc. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about William T. Gardner, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of William T. Gardner, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about William T. Gardner, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WILLIAM T. GARDNER, INC.
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. Summary of significant accounting policies:

Basis of presentation – The Plan’s financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Valuation of investments – Investment values are based on quoted market value. The resulting unrealized (depreciation) appreciation has been reflected in the changes in net assets available for plan benefits.

Investment income – Interest and dividend income from investments is recorded as earned on an accrual basis. Realized gains and losses on sales of investments are determined using the average cost method.

Contributions – Participant contributions are recorded in the period in which the employee deductions are made.

2. Description of Plan:

The following description of the William T. Gardner, Inc. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan available to all employees of William T. Gardner, Inc. and affiliated companies (the Company), on the first day of the calendar quarter following completion of 6 months of service and attainment of age 18. The Plan is a safe-harbor prototype plan under Section 401(k) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Trustee – The Plan assets are administered by Trustees who are appointed by the Company.

PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Contributions – Participants may elect to contribute a percentage of their compensation to the Plan on a pre-tax or post-tax basis, subject to Internal Revenue Code (IRC) limitations. Contributions are made by payroll deduction. The percentage contributed may be changed on the first day of each calendar quarter.

The Company matches 100% of employee contributions up to 3% of employee compensation and 50% of contributions that exceed 3%, but that do not exceed 5%. The Company may also make a discretionary non-elective contribution in such amounts as determined by the Board of Directors each plan year. There were no employer discretionary contributions for 2021 and 2020.

An eligible employee, at the discretion of the trustee, may transfer tax free to the Plan a distribution from another qualified plan provided the transfer qualifies as a rollover contribution under the IRC.

Participant accounts – Participant accounts are credited with their contributions and plan earnings (based on the participant's account balance). The benefit to which a participant is entitled upon withdrawal is the benefit that can be provided from the participant's account.

Vesting – Participants vest immediately in their voluntary contributions and the Company's safe harbor matching contributions. Vesting in the Company's discretionary contributions, prior to early or normal retirement, death or total disability, is based on years of service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
0 – 1 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Any amount not vested at termination will be forfeited at the end of the Plan year following distribution of the account balance. If the account balance is not distributed upon termination, then the non-vested amount will be forfeited upon the occurrence of five consecutive one-year breaks in service following a participant's termination of employment. Forfeitures will be reallocated at the end of the Plan year as an additional contribution made on behalf of the remaining participants.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Benefits and withdrawals – If a participant's employment terminates for any reason, he/she is entitled to receive the vested value of his/her account in a lump-sum payment.

If a participant dies or becomes disabled, the participant or his/her designated beneficiary is entitled to receive the vested value of his/her account in a lump-sum payment.

A participant who has attained the age of 59 ½ may withdraw any portion of the value of his/her account subject to established limitations on the frequency of withdrawals and on the minimum amount that may be withdrawn.

The Plan does not provide for hardship withdrawals.

Loans receivable – The Plan provides that participants may borrow funds from the Plan in amounts not greater than 50% of the participant's vested benefits and which do not exceed \$50,000. Such loans are payable in weekly installments, through payroll deduction or by check, over a period not to exceed 5 years and bear interest, fixed at the date of the loan. The period may be extended to 10 years if the loan is to be used to purchase a principal residence.

Investments – All employer and employee contributions to the Plan are invested in accordance with investment elections specified by each participant. The investments are elected through, and the assets are held by, the Plan trustee.

3. Fair value measurements:

The Plan's investment assets are reported at fair value in the accompanying statements of net assets available for benefits. FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels:

- Level 1- Quoted prices in active markets for identical assets
- Level 2- Significant other observable inputs
- Level 3- Significant unobservable inputs

Assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 18,753,284	\$ -	\$ -	\$ 18,753,284
Life insurance cash values	-	-	89,235	89,235
Total assets at fair value	\$ <u>18,753,284</u>	\$ <u>-</u>	\$ <u>89,235</u>	\$ <u>18,842,519</u>

Assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 17,121,251	\$ -	\$ -	\$ 17,121,251
Life insurance cash values	-	-	89,189	89,189
Total assets at fair value	\$ <u>17,121,251</u>	\$ <u>-</u>	\$ <u>89,189</u>	\$ <u>17,210,440</u>

Life insurance cash values are reported at the cash surrender value as determined by the insurance company and are based on a fair value measurement of Level 3. The following table sets forth a summary of changes in the fair market value of the life insurance cash values for the years ended December 31, 2021 and 2020

	<u>2021</u>	<u>2020</u>
Balance, beginning of year	\$ 89,189	\$ 85,475
Cash value increases	<u>46</u>	<u>3,714</u>
Balance, end of year	\$ <u>89,235</u>	\$ <u>89,189</u>

There are no reportable Level 3 gains or losses.

4. Administrative expenses:

All reasonable expenses incurred by the Plan shall be paid by the Plan.

5. Tax status:

The Plan obtained its latest determination letter on February 25, 2003, in which the IRS stated that the Plan, as then designed, complied with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting standards generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator is unaware of any uncertain tax positions taken by the Plan. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

6. Plan termination:

Although it is the Company's expectation that the Plan and the payment of contributions will be continued indefinitely, the Company may terminate the Plan at any time. In the event of the plan termination, each participant becomes fully vested and is entitled to receive his/her entire interest in the Plan.

7. Information prepared and certified by trustee:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Charles Schwab Trust Bank:

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Registered investment companies	\$ 18,753,284	\$ 17,121,251
Cash surrender value of life insurance	89,235	89,188
Investment income	1,142,901	656,835
Net (depreciation) appreciation in fair value of investments	1,682,825	2,649,828

8. Subsequent events:

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through January XX, 2023 the date on which the financial statements were available to be issued.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance. No other subsequent events were identified through January 12, 2023, the date these financial statements were available to be issued.

9. Party in Interest transactions:

A party in interest is defined to include any person providing services to the Plan. The Plan has separate service providers for custodianship of the assets, accounting, asset management and bookkeeping services. Management has evaluated that the services provided are necessary to the plan, and that the contracts and compensation are reasonable.
