INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees of the
Community, Counseling and Correctional Services, Inc. 401(k) Plan
Butte, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Community, Counseling and Correctional Services, Inc. 401(k) Plan, Plan No. 001, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Community, Counseling and Correctional Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community, Counseling and Correctional Services, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community, Counseling and Correctional Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community, Counseling and Correctional Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community, Counseling and Correctional Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

We were engaged to audit the accompanying financial statements of the Community, Counseling and Correctional Services, Inc. 401(k) Plan, Plan No. 001 (the Plan), which comprise the statement of net assets available for benefits as of June 30, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2021 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Matrix Trust Company, the custodian, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of and for the year ended June 30, 2021, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the information described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statements. Accordingly, we do not express an opinion on the 2021 financial statements.

COMMUNITY, COUNSELING AND CORRECTIONAL SERVICES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of the Community, Counseling and Correctional Services, Inc. 401(k) Plan, Plan No. 001, (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a single employer, defined contribution plan and has a savings feature that is commonly known by the terms of "cash" or "deferred" or "401(k)" covering all employees of the Plan sponsor, Community Counseling and Correctional Services, Inc., who have attained age 18 and completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

Contributions

Participant Contributions

Each year, participants may contribute up to the lesser of seventy-five percent (75%) of eligible compensation or the limit established by the Internal Revenue Service (IRS). For calendar years 2022 and 2021, the limit is \$20,500 and \$19,500, respectively. Individuals who will be age 50 by the end of the calendar year may make additional catch-up contributions to the Plan. For calendar years 2022 and 2021, the maximum catch-up contribution is limited by the IRS to \$6,500.

Matching Contributions

Participants with at least one year of continuous service are eligible to receive Plan sponsor matching contributions when offered. Plan sponsor matching contributions are discretionary and are determined by the sponsor annually. Matching contributions were equal to one hundred percent (100%) of participants' deferrals up to six percent (6%) of eligible compensation during plan years 2022 and 2021. Participants are provided notice of any change in the Plan sponsor matching contribution at least 30 days prior to effective date of the change.

Discretionary Contributions

Profit sharing contributions are discretionary. There were no discretionary profit sharing contributions for the years ended June 30, 2022 and 2021.

Rollovers

The Plan accepts qualified rollover contributions from qualified sources.

Participant Accounts

Each participant's account is credited with the participant's contributions and sponsor matching contributions and an allocation of (a) discretionary contributions (when applicable) and (b) Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their contributions and rollover contributions, plus actual earnings thereon. Vesting in the Plan sponsor's contribution portion of their accounts is based on years of service with the Plan sponsor. For vesting purposes, a year of service is a plan year during which the participant is credited with at least 1,000 hours of service. A participant is 100% vested after six years of credited service.

For a participant who is re-employed after a break in service of less than five years, the years of service both prior to and following the break are counted when determining the participant's vested account balance.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

If the vested account balance of a terminated participant is less than \$5,000, the participant may receive a cash distribution of the value of the entire vested portion of such account balance without participant consent. When a terminating participant does not make a timely election with respect to the cash distribution of amounts greater than \$1,000, but less than \$5,000, the Plan administrator will make a direct rollover to an individual retirement account or annuity (IRA). The Plan administrator will select the IRA trustee or custodian, establish the IRA and make the initial IRA investment selection. If the account exceeds \$5,000, all or a portion of the balance may be distributed, upon written request by the participant, as a lump sum, installment payments, or a combination of lump sum and installment payments.

Disposition of Forfeitures

Account balances forfeited under the vesting schedule can be used to reduce Plan sponsor contributions or to pay Plan administrative expenses. During the Plan years ended June 30, 2022 and 2021, forfeitures applied to Plan sponsor matching contributions were \$23,267 and \$3,383, respectively. At June 30, 2022 and 2021, there were \$10 and \$6,209, respectively, of unapplied forfeitures.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Income Tax Status

Effective July 1, 2021, the Plan sponsor adopted the Automatic Data Processing (ADP) Defined Contribution Non-Standardized 401(k) Profit Sharing Plan Basic Plan Document. ADP received a favorable determination letter from the IRS concerning this plan document dated October 6, 2020, indicating that the Plan and related trust, as then designed, are in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United State of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America (GAAP), as codified by the Financial Accounting Standards Board (FASB).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor's Board of Directors and Plan administrator determine the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions. There were no excess contributions for the years ended June 30, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid. The Plan holds vested allocations of withdrawn participants' accounts that have not been paid. Amounts allocated to withdrawing participants are presented as distribution payable as of June 30, 2021. There were no amounts allocated to withdrawing participants that had not been paid as of June 30, 2022.

Administrative Expenses

The Plan sponsor pays certain administrative expenses for operating the Plan which are not reimbursed by the Plan. Generally, those expenses include audit and miscellaneous administrative fees. Administrative expenses presented in the accompanying statements of changes in net assets available for benefits are contract administrative fees charged by the Plan's third-party administrators, ADP Retirement Services (ADP) and Digital Retirement Solutions, Inc. Transaction and investment fees charged by Reliance Trust Company and Matrix Trust Company, the custodians of the Plan, are charged to net appreciation (depreciation) in fair value of investments.

Expense Offset Arrangements

Fees incurred by the Plan for investment advisory services are included in net appreciation (depreciation) of fair value of investments, as they are paid through revenue sharing rather than direct payment.

NOTE 3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their sponsor contributions.

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Money market fund: Valued at fair value by discounting the related cash flows based on current yields of similar instruments considering the credit-worthiness of the issuer.

Mutual funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below present by level, within the fair value hierarchy, the Plan's investment assets at fair value, as of June 30, 2022 and 2021.

Description	Level 1	Fair value as of June 30, 2022
Investments in mutual funds	\$ 13,807,968	\$ 13,807,968
Investments in common collective trusts at NAV		318,569 *
Total investments at fair value	<u>\$ 13,807,968</u>	<u>\$ 14,126,537</u>

Description	Level 1	Fair value as of June 30, 2021
Investments in mutual funds	\$ 18,634,632	\$ 18,634,632
Investments in money market fund	417,328	417,328
Total investments at fair value	<u>\$ 19,051,960</u>	<u>\$ 19,051,960</u>

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share as a practical expedient (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 5. INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company as of and for the year ended June 30, 2022, and Matrix Trust Company as of and for the year ended June 30, 2021, except for comparing such information certified by the qualified institutions to information included in the Plan's financial statements and supplemental schedule. The custodians are qualified institutions that prepared and certified the information in accordance with 29 CFR 2520.103-5. The investments are self-directed by Plan participants. Participants have the choice of multiple investment options, included mutual funds and common collective trusts.

Accordingly, Reliance Trust Company, the custodian as of and for the year ended June 30, 2022, and Matrix Trust Company, the custodian as of and for the year ended June 30, 2021, have certified the completeness and accuracy of the following information:

	<u>2022</u>	<u>2021</u>
Money market fund	\$ -	\$ 417,328
Mutual funds	13,807,968	18,634,632

Other investment income not certified	<u>-</u>	<u>3,623</u>
Total investment income (loss) per financial statements	<u>\$ (3,977,166)</u>	<u>\$ 4,901,792</u>

NOTE 6. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The trustees of the Plan are employees of the Plan sponsor. There are no transactions between these parties other than contributions to the Plan and normal benefit payments. ADP and Digital Retirement Solutions Inc. are contracted third-party administrators. Fees paid by the Plan for administration services amounted to \$40,440 and \$3,555 in 2022 and 2021, respectively. Investment fees and transaction related charges paid by the Plan to the custodian are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
June 30, 2022 and 2021

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of economic uncertainty and volatility in financial markets, various investment securities held by the Plan have incurred significant declines in fair value since June 30, 2022. The markets continue to evolve rapidly, and Plan management is not able at this time to estimate the full impact on the Plan's financial statements.

NOTE 8. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through January 18, 2023, the date which the financial statements were available to be issued.

Effective September 1, 2022, the Plan document was amended to add the provision to allow hardship distributions from all vested participant accounts with a minimum distribution requirement of \$500.
